IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER
of the
NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA
Iowa Corporation

110th Annual Session

July, 1984
Denver Hilton Hotel
Denver, Colorado

MORNING SESSION
TUESDAY, JULY 3, 1984
NINE O'CLOCK A.M.

The Public Opening Session of the One Hundred Tenth Imperial Council Session was called to order at nine o'clock a.m., at the Sheraton Boston Hotel, Boston, Massachusetts, Noble John Walter, Deputy Imperial Marshal, opening the session.

NOBLE JOHN WALTER: Will everyone please take their seats. Please give me your undivided attention.

If there are any Grand Masters sitting in the audience, they are most cordially invited to come down front where a section is reserved for you. Will you please do us the honor of coming down in order that proper recognition be given you at the appropriate time.

Ladies and gentlemen, it is my distinct pleasure to present to you the Director General of the One Hundred Tenth Imperial Session of the Ancient Arabic Order, Nobles of the Mystic Shrine, Past Potentate of Aleppo Temple, Boston, Massachusetts, Illustrious Sir Fred Spencer.

DIRECTOR GENERAL SPENCER: Thank you.

Imperial Potentate, Imperial Sirs, Most Worshipful Grand Masters, Rite Worshipfuls, Illustrious Sirs, Distinguished Guests, Nobles, Ladies and Guests: In opening this One Hundred Tenth Imperial Council Session, may I call upon the Aleppo Temple Color Guard to present the Colors, followed by the Shrine Pledge of Allegiance, our three National Anthems by the Aleppo Temple Band and the Invocation by our Imperial Chaplain, Lawrence W. Hathorne. Will you please rise.

... Whereupon, the presentation of the Colors then ensued followed by the rendering of the Shrine Pledge of Allegiance and the playing of the three National Anthems by the Aleppo Temple Band, following which Imperial Chaplain, Lawrence W. Hathorne approached the podium . . .

NOBLE LAWRENCE HATHORNE [Imperial Chaplain]: Let us pray.

Almighty God, Supreme Architect of the Universe, we are grateful you have called us into session in this very historic city.

We recall many great patriots of this city and those throughout North America who have given so much, sacrificed so much and led their people with courage and fortitude to freedom and liberty.

May we all dedicate ourselves to serving others, especially our children who need our help so very much.

May we be ready to serve our Fraternity, to be good Masons and Shriners and citizens of our respective nations.

Bless all those who have made it possible for us to meet here in comfort and honor. Bless our Imperial Potentate, Richard Olfene and all of our Imperial Officers.

In your Holy Name, we pray. Amen.

DIRECTOR GENERAL SPENCER: You may now be seated and I will declare this One Hundred Tenth Annual Session of the Imperial Council open.

As Past Potentate of Aleppo Temple and Director General of the One Hundred Tenth Imperial Council Session, may I warmly welcome each of you to this public opening. Thank you so much for coming. There are more than 13,000 members of Aleppo Temple. I extend greetings to you on their behalf as well.

To our Imperial Potentate, Imperial Sir Richard B. Olfene, I will everlastingly be indebted for appointing me Director General and selecting attractive, historic Boston as the site of this superb convention. We are privileged to have with us today on this dais some very distinguished leaders of government, the Masons and the Shrine. It is with great pleasure I introduce to you first the Mayor of Boston, Ray Flynn.

THE HONORABLE RAY FLYNN [Mayor, Boston, Massachusetts]: Imperial Potentate and Members of the Imperial Divan, Potentates and Past Potentates, Director General Spencer and his staff, Nobles and Friends: This is a great day for Boston. You Nobles assembled here represent the largest convention ever to come to the City of Boston. As such, your contribution to the city's future will be enormous. You will provide a welcome boost for hotels, restaurants, theatres, cabs, and just about everyone else who lives or works in this great city.

Even more important, you are giving us a chance to show off the city and neighborhoods, of which we are so proud.

People have come to Boston from all over the world and from all cultural backgrounds—to live and to grow and to share. We welcome you to share with us.

Our history is also a matter of pride to Bostonians—the Constitution, the Old North Church, Bunker Hill Monument and for those of you from Los Angeles, we have the home of the World Championship Celtics.

... Cheers and applause ...

Also, please remember that while the Declaration of Independence was signed in Philadelphia, and New York was the first Capital of the Republic, it was patriots from Boston and the surrounding area, men like Sam Adams and John Hancock, that lit the fuse for the American Revolution.

This city is over 350 years old and with love and pride we place it in your hands. You are our guests and we welcome you.

You also represent a challenge to us—a challenge to mobilize all of the city's forces and services to host your visit with the same enthusiasm and spirit that you are bringing to us.

I especially want to acknowledge the cooperation and the hard work of the members of your General Committee with whom we have worked for many months:

Director General Fred Spencer, Nobles Raymond Wilkinson, Charles Taylor, Arthur MacKenzie, Jr., David Esancy; Past Potentates Kenneth Gott and Earl Leake; and from the Burns Institute, Harold Foley; also the Potentate of Aleppo Temple, Richard Norris and, of course, your Imperial Potentate, Dick Olfene, who had the vision and faith to bring this Convention to Boston.

Planning the city's participation has been enjoyable work and I know that you are going to enjoy the results of our collaborative efforts.

With your contests and concerts, clowns and bands, horses and hi-jinx, this city is going to be alive in a way rarely seen in these parts.

Also, in the event you have nothing to do, we have the Boston Pops and fireworks on the esplanade on Wednesday night, and of course, the Boston Red Sox. (Applause)

Likewise, there is a serious side to your activities and that is your work in behalf of the Shriners Hospitals for Crippled Children and the Shriners Burns Institutes.

Your activities have raised nearly \$900 million in support of these fine hospitals, including the Burns Institute here in Boston and for that you should be very proud.

I have heard it said many times that when you started your hospital program it was because you felt that no man should enjoy himself until he had brought happiness to others.

The 281,000 children you have helped are a joyful testament to your dedication to that principle.

You know, there is a story in the Talmud about a prophet who, while standing in the middle of a village square, became embroiled in a discussion about Heaven. Rich men and treasures and noblemen and haughty lords stopped to listen to the prophet. "Tell us," they said, "Tell us, O wise one; which of us shall have a share in the world to come?"

The prophet looked around and spotted two men on the edge of the crowd. They were soiled and sweaty and looked very tired. Then the prophet said, "Those two shall have a share in the world to come."

The crowd became upset and protested. They asked, "Why should they have a share in the world to come?"

The prophet thought for a moment and said, "Because they are clowns. When they see people who are lonely and troubled in heart they bring them comfort and joy. When they see men fighting, they bring peace between them. These men shall have a share in the world to come."

I think that you Shriners can expect this same kind of reward for bringing the comfort and joy that you do to children.

Boston is truly honored to have you here and, because of that, I would like to make a slight change in the Convention Motto—"Boston is yours in '84." I am officially going to change that to "Boston is yours forever."

Enjoy yourselves while you are here and come back again and often. Have a wonderful stay in Boston. Also, if anybody wants to get up in the morning to jog twelve or fourteen miles, just give me a call at City Hall. I do it every morning. Thank you very much. (Applause)

DIRECTOR GENERAL SPENCER: Thank you, Mayor Flynn, for taking time out of your exceedingly busy schedule to be with us today.

You know, you just cannot believe the cooperation that this gentleman has given us, the committee, and you can see the kind of man he is. You can be proud of this administration for what they and Boston have done. Boston is yours in '84 and I know, Mr. Mayor, from their enthusiastic applause, they are going to come back forever. Thank you so very much.

And now may I present to you the Potentates of our Host Temples.

Illustrious Sir Richard F. Norris, Aleppo Temple, Boston, Massachusetts. Would you like to say a word? (Applause)

NOBLE RICHARD F. NORRIS [Potentate, Aleppo Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests, Nobles and Friends of Boston: In behalf of the Divan and appointed Officers of over 13,000 members of Aleppo Temple, may I extend to each and every one of you a warm welcome to New England and especially to Boston, the Cradle of Liberty.

We hope that while you are here you will enjoy the melding of both the old and the new, the Freedom Trail, Concord and Lexington, along with many of the activities of the city and some of its finest colleges, museums and galleries in Downtown Boston.

We hope that your visit to Boston will enrich your lives and may you leave with many wonderful memories of our fair city. The Shrine will soar in '84.

Thank you very much. (Applause)

DIRECTOR GENERAL SPENCER: It is a privilege for me to now introduce these Grand Masters. We are truly blessed by their presence here. Would you kindly hold your applause until they are all standing:

Most Worshipful Jack Smith, Grand Master of Alabama.

Most Worshipful Hubert B. Bentley, Grand Master of Alaska.

Most Worshipful Roland Watson, Grand Master of Arizona.

Most Worshipful Herbert L. Emanuelson, Jr., Grand Master of Connecticut.

 Will you please join me in receiving them.

. . . Rising applause ensued . . .

DIRECTOR GENERAL SPENCER: If there are other Grand Masters in the audience, will you please stand to be recognized.

It is with honor that I now introduce to you other Masonic dignitaries who are present on the stage with us today:

Illustrious Don Wright, Grand Master, Order of DeMolay.

Illustrious Stanley F. Maxwell, Sovereign Grand Master, Ancient Accepted Scottish Rite, Northern Masonic Jurisdiction, U.S.A.

Sir Knight Ned E. Dull, Most Eminent Grand Master, Grand Encampment of Knights Templar.

. . . Applause ensued . . .

DIRECTOR GENERAL SPENCER: And now I am privileged to introduce to you our Imperial Potentate's Grand Master—an able leader, good friend of Imperial Sir Richard Olfene and a member of Kora Temple, the Grand Master of Masons in Maine, the Most Worshipful Peter C. Schmidt.

. . . Rising applause ensued . . .

WORSHIPFUL BROTHER PETER C. SCHMIDT [Maine]: You might even say "The late Grand Master" because I just sneaked in. Somebody told me nine-thirty. That was my error.

Imperial Potentate, Imperial Sirs, Distinguished Masons All and Friends: It is my pleasure to bring to you the greetings of the Most Worshipful Grand Lodge of Maine. There are some 37,330 Master Masons that comprise that august Jurisdiction and to their greetings I would like to add my own warm fraternal greetings.

I have only been a Grand Master for a couple of months and I usually tell a few stories as I go around my Jurisdiction. However, my wife told me that now that I was Grand Master I would have to be more dignified. (Laughter) Of course, that is a little difficult for me to do. At any rate, I would just like to tell you one story.

. . . Humorous anecdote ensued . . .

(Laughter)

WORSHIPFUL BROTHER SCHMIDT: You know, the State of Maine is a great state. I might add that I was not born here—I was born in Connecticut and when I visited the Grand Lodge of Connecticut, they introduced me as a misplaced Connecticut Yankee.

I have lived in the State of Maine for about thirty years and am indeed proud to, at this point, have the honor of extending my congratulations to your Imperial Potentate, Richard

Olfene. I might say that I have known Dick for quite a few years and it is a pleasure for me to stand here as his Grand Master and greet all of you folks.

This is the largest audience I have ever talked to and this also makes me very happy. I am proud to be a Mason. I think we should all be Masons. Too bad, of course, the ladies cannot belong. (Laughter)

I have always said that we should continue to act like Masons when we leave the Lodge Hall and while I am also a Noble of the Shrine, basically I believe that Blue Lodge Masonry is very important and, of course, Dick Olfene has done a lot to bring Blue Lodge Masonry and the Shrine together.

Masonry should be a lot of fun. The Shrine is a lot of fun and, of course, there is no question about it.

If we listen to the lessons learned at the Altar and then take these lessons with us into the world, we will all be better men for it. People will then respect us and, in turn, we will not have any more trouble concerning membership—people will be coming to us and knocking on our doors.

I am happy to be here in Boston. I have enjoyed the hospitality and I hope I am with you for at least the rest of the week.

Thank you very much for this honor and my best to you for a very, very successful meeting. (Applause)

DIRECTOR GENERAL SPENCER: Thank you, Grand Master Schmidt.

It is now with great pleasure and great privilege that I introduce to you the number one Mason of the Grand Lodge of Massachusetts, who will speak in behalf of all Grand Masters present, the Grand Master of Massachusetts, Most Worshipful David B. Richardson.

... Rising applause ensued ...

MOST WORSHIPFUL DAVID B. RICHARDSON [Grand Master of Masons, Massachusetts]: Thank you all very much and I am not going to try to compete with Grand Master Schmidt with regard to his storytelling but I do say to you it is a pleasure for me this morning to address this gathering in behalf of all of the other Grand Masters in attendance as well as myself.

Also, to the ladies present, I would first say that originally I thought this talk was going to be given to only Shriners and so it is aimed a little bit in that direction. However, I am sure that everyone will get a little bit out of it.

Imperial Potentate, Imperial Sirs, Fellow Shriners over all of North America and my Fellow Grand Masters from all over the United States: As the Grand Master of Masons in Massachusetts, it is a great privilege for me to welcome you to this One Hundred Tenth Imperial Council Session in the City of Boston.

I say "City of Boston," although you have already completely overflowed the city and spread throughout half of the state.

We are very pleased at the Grand Lodge to extend this welcome, along with those Shrine Temples which are acting as our hosts for this Session. If there is anything that we at the Grand Lodge can do to make your stay in Boston more enjoyable, I hope you will feel free to call upon us.

The Temple will be open with tours available during business hours through Friday, except for the 4th of July. We would also be delighted to have any who are interested visit our Masonic Home in Charleston, set on its 450 acres of beautiful farmland.

In this time of our Masonic History, when our numbers have been reduced for many reasons, which I am sure are known to most of you, it is pleasing that Illustrious Potentate Richard Olfene is one of our Masonic leaders who is advocating that all of our Masonic bodies set aside any petty differences and concentrate on our greater purposes of brotherhood and fellowship.

We must all work together in the building up of our membership through the continued exposure of our good works.

I do not believe in solicitation of new members. However, if every Shriner at this Session would find a man of his acquaintance who he feels would make a good Mason and Shriner and arouse his interest in Masonry and Shrinedom through conversation and demonstration in the many ways that non-Masons may be exposed to our Fraternity, your One Hundred

Eleventh Session would certainly be something to behold.

I am very pleased by the special attention shown by the Shrine at all levels who are Masonically oriented youth groups—in Massachusetts primarily DeMolay and Rainbow. I was most pleased recently in attending the Rainbow Annual Session in Massachusetts to find that they were giving \$7,500 to each of the Shrine Hospitals in Massachusetts out of funds that they had raised for that purpose during the year.

The cooperation between the Shrine and the Grand Lodges is quite evident by the number of presiding Grand Masters who have accompanied their Shrine contingents to this Convention. I hope in all parts of North America that active Masons are taking part in the Shrine activities.

I am very pleased that in Massachusetts many of our most active Masons are also active in their Shrine Temples. In fact, as many of you know, my own Temple, Aleppo, every Officer in the Line is a Past Master and several have been or are presently District Deputies. This certainly goes a long way in bringing unity throughout our Fraternity.

Shrinedom, as well as all of Masonry, must keep up with the world if we are to retain our viability. We must make some changes; however, we must not lose sight of our Masonic beliefs and dearly held moral values.

As we go forward from this Session, we must realize that we are the voice of Freemasonry. May it ever be a voice of Faith, Hope and Courage, of comfort to the distresses and friendly goodwill to all mankind. Thank you very much. (Applause)

DIRECTOR GENERAL SPENCER: Thank you very much, Grand Master.

Let us pause now for something unique.

Bentley College desires to recognize one of its most distinguished alumni. For that purpose, let me introduce William L. Hathorne, Acting Director of Alumni Affairs, Bentley College, Waltham, Massachusetts.

NOBLE WILLIAM L. HATHORNE [Bentley College, Waltham, Massachusetts]: Imperial Potentate Olfene, Members of the Imperial Divan, Members of Aleppo Temple and Kora Temple and those attending this One Hundred Tenth Annual Session of the Imperial Council: It is an honor for me to be here not only because my father is serving as your Imperial Chaplain, but because of my role as Acting Director of Alumni Affairs at Dick Olfene's alma mater, Bentley College. He and I are both graduates and we both came from the same hometown.

I have long known the Olfene family and in recent years, have had a mutual interest, together with Dick, in Bentley College.

We take an understandable pride in relation to our alumni and perhaps the most rewarding aspect of my association is recognizing such an outstanding alumnus as your Imperial Potentate.

For this reason, I have asked Dr. Gregory H. Adamian, President of Bentley College and a Noble of Aleppo Temple, to make this presentation to Imperial Potentate Richard Olfene this morning. It is therefore indeed a great pleasure for me to introduce the Chief Executive Officer of Bentley College, Dr. Gregory H. Adamian.

DR. GREGORY H. ADAMIAN [President, Bentley College]: Thank you, Bill.

Mr. Mayor, Imperial Potentate Olfene, Members of the Imperial Divan, Nobles, Ladies and Gentlemen: When Bill told me of this Shrine Imperial Session, I was pleased to learn that not only his father is involved with this Convention but that one of our alumni was completing a term as Imperial Potentate.

Although Imperial Sir Dick graduated from Bentley College five years before I joined the faculty, I have learned of his accomplishments during recent years and have been impressed with his exemplary leadership.

As President of the sixth largest private college in the Commonwealth of Massachusetts, I am aware of the commitment and education that is necessary to make any organization prosper and ably serve its mission.

As a Past Master of Putnam Lodge and a Noble of Aleppo Temple, I am also aware of how well Shrinedom serves our society by providing superior hospital care for crippled and burned children, because not only is it the world's largest philanthropy but, certainly, it is also one of the most worthy.

The association between Bentley College and Kora Temple, of which Sir Dick is a Past Potentate, is a long and deep one. On the Divan currently serving Kora Temple, six of these individuals are either Bentley graduates or have sons and daughters enrolled in the college. For example, Steven Dunlap, the current Potentate, has a daughter who is a member of the Class of 1987.

We are in an institution sixty-seven years of age with an international reputation for superior business education.

Our Waltham Campus, where many Nobles are presently residing, is only sixteen years old with our former campus directly across the street from this hotel.

Imperial Potentate Olfene, when I say that you went to Bentley College when it was on a railroad campus, you know what I mean because on the site of this very hotel was the place of the railroad tracks which were removed for construction of this magnificent center.

Imperial Sir Dick, now that your Imperial duties are about over, I hope you and your lady will find time to visit Waltham and enjoy our campus, particularly next spring, as your class celebrates its thirty-fifth reunion.

The real success of Bentley College is largely due to the success of our alumni.

Imperial Sir Dick exemplifies the meaning of success in its true context—by his leadership, coupled with a commitment to serve and improve society.

It is therefore a great pleasure and honor for me to present to you this gilded Bentley College mirror as a token of our pride in your great work for the Shrine of North America, with its 900,000-plus members.

In behalf of the Trustees of Bentley College and myself, I congratulate you and wish you continued happiness and success in your future endeavors.

Also, to the Nobles and Imperial Divan assembled in the City of Boston this week, please accept my sincere thanks for inviting Bentley College to make this presentation to one of our most distinguished alumni.

... Presentation of mirror, picture taking and applause ensued at this point ...

IMPERIAL POTENTATE OLFENE: Thank you very much, Mr. President. It is certainly a great honor for me to receive this beautiful Bentley mirror.

You know that when you said that at this time next year my class is going to celebrate its thirty-fifth reunion, this has reminded me that I graduated from Bentley College in the Class of 1950 and, indeed, you are correct in your statement when you said it was across the street.

Also, let me say to you, sir, that Bentley College, after they got rid of me, really went forward and you have a great campus today and, let me say to the members of the college, the Trustees and all involved with it, this is certainly a great honor that I have received from you and I thank you so very much for it. (Applause)

DIRECTOR GENERAL SPENCER: I would now like to present to you the members of the National Board of Trustees. Please hold your applause until they are all standing.

Robert J. Turley, Past Potentate of Oleika Temple.

Mahlon W. Hessey, Past Potentate of Boumi Temple.

C. Howard Bozeman, Past Potentate of Kerbela Temple.

William E. Mattison, Past Potentate of Arabia Temple.

Winner F. Delp, Past Potentate of Lu Lu Temple.

You may now receive them. (Applause)

We next come to the introduction of our Past Imperial Recorders. I will ask them to stand as I call their names.

Robert J. Turley of Oleika Temple.

George M. Saunders of Ararat Temple, Imperial Recorder Emeritus. (Applause)

Ladies and Gentlemen, with high privilege and distinct honor, I present to you the number one Shriner in North America, one who has given so much of himself to the Shrine and its magnificent philanthropy for so many years—the Imperial Potentate of the Shrine of North America, from Kora Temple, Lewiston, Maine, Imperial Sir Richard B. Olfene.

... Rising applause ensued ...

IMPERIAL POTENTATE OLFENE: Director General Fred, Imperial Officers, Past Imperial Officers, Most Worshipful Grand Master Schmidt, Grand Master Richardson, Worshipful Grand Masters, Members of the Board of Trustees, Distinguished Nobles and Ladies: It is a great honor for me today to stand before you in this room in this great city and, as the Mayor said, welcome you to this city and this Convention.

This is the City of History.

We began our program by taking you who would attend or get in to the Old North Church. We thought that was historic.

Then we also tried something new and many of you witnessed it last night and did you like the idea?

... Cheers and applause ensued ...

IMPERIAL POTENTATE OLFENE: We were tremendously excited for you because we just think the opportunity to go to Symphony Hall and listen to the Boston Pops is something you would have to have on your "must" list while in Boston.

Well, this Convention is now underway. I look forward to a wonderful Session, one in which I am sure we Representatives can work in harmony and in the best interest of our great Order.

I am extremely pleased with the turnout we have this morning.

Again, I want to thank the President of my college for the wonderful gift presentation he made and to all of you for having participated.

Let me say to you, Fred, you and your committee have done an outstanding job, from your housing, your transportation and all the way through. I have seen nothing but the highest of quality but let me tell you something, Fred, and I say it to you—it takes a leader to do that and you have done it and for me personally and JoAn' I want to say thanks to you publicly. You are not only a great leader but you are one heck of a great fellow and thanks again, Fred. (Applause)

I also want to thank again, as has already been done by Fred, but particularly I want to say thanks to the Mayor and all of the staff for your wonderful cooperation you have given us through this entire project. We will look forward to the balance of a wonderful week.

The Imperial Chaplain has guaranteed me that he is praying for good weather and says that we will have good weather for the parades. So, with that in mind, and I know you have listened to enough speeches all through the Shrine year, I am going to be very brief by saying—welcome, it has been our pleasure and have a most enjoyable time and God bless every one of you. Thank you.

... Rising applause ensued ...

IMPERIAL POTENTATE OLFENE: Ladies and gentlemen, we will now prepare ourselves for the official Session of this Council meeting, which means it can be attended only by Representatives in the front section of the room, the Grand Masters who have been invited to witness our ceremonies and any Noble who wishes to attend by sitting in the non-Representative section.

With that in mind, I will excuse our Mayor, the representatives from Bentley College and thank you for coming and ask those of you who are non-Representatives if you will now please go and have a good time in Boston and we will try to get our meeting started as soon as possible.

Thank you very much. This will conclude our Public Opening Ceremony.

... Whereupon, at nine-forty-five o'clock a.m., the Public Opening Session was adjourned ...

MORNING SESSION TUESDAY, JULY 3, 1984 TEN-TEN O'CLOCK A.M.

The One Hundred Tenth Annual Session of the Imperial Council was convened at the Sheraton Boston Hotel, Boston, Massachusetts, on Tuesday morning, July 3, 1984, at ten o'clock a.m., Imperial Potentate Richard B. Olfene presiding.

IMPERIAL POTENTATE OLFENE: I will ask you to find your seats immediately. Gentlemen, will you please remain seated, remove your Fez and give your attention to the Imperial Chaplain.

NOBLE LAWRENCE W. HATHORNE [Imperial Chaplain]: Again may we pray.

Again, O, Lord, please bring your blessings on the opening of this Session. Again we pray for your wisdom, your guidance and your blessings upon all.

As we are committed to the philanthropies of our great Fraternity, as we serve and work for our Childrens Hospitals and Burns Units, we ask Thy guidance.

Again we pray this in Your Holy Name. Amen.

IMPERIAL POTENTATE OLFENE: Thank you, Imperial Chaplain.

I now officially declare this One Hundred Tenth Annual Session open for business, waiving all forms and ceremonies.

The Chair will now call on Roger Murdock, Chairman of the Credentials Committee, for a committee report.

NOBLE ROGER MURDOCK: Imperial Sir, Members of the Imperial Divan, Representatives of this Session of the Imperial Council: I will not read all of the names but I will give you the total figures and the names will be placed in the files of the Imperial Recorder.

Imperial Sir, I would move for the adoption of this report.

IMPERIAL POTENTATE OLFENE: You have heard the motion to accept the report. Do I hear a second?

. . . The motion was regularly seconded . . .

IMPERIAL POTENTATE OLFENE: The motion has been made and seconded. Is there any discussion?

If not, all those in favor of accepting the report please say aye; those opposed. The ayes have it and it is carried. Thank you, Roger.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE OLFENE: I would again recognize our Imperial Recorder for purpose of announcements and report on absentee Officers and Emeriti Representatives of the Imperial Council.

. . . Whereupon, various announcements by Imperial Sir Jones ensued . . .

IMPERIAL SIR JONES: Imperial Sir, that is all I have at this time.

IMPERIAL POTENTATE OLFENE: Thank you very much, Jack.

Nobles, I just want to call your attention to the annual report that you all received in your packet.

This is a time in the program where, in accordance with the agenda, I am to make any remarks I wish. I think I can limit them by saying I think the annual report spells out some of the activities that have transpired in the past twelve months. Certainly a very detailed financial statement appears in there as presented by our Treasurer and Auditors and the auditing firm.

I hope you have enjoyed the annual report. I personally thought it was very well done and for some reason my picture appeared in there a few times, did it not? Nevertheless, it was a beautifully done report and I want to congratulate the Public Relations Department, headed by Mike Andrews and his staff, who were responsible for putting this piece together.

With that in mind, I will only state to you that it has been a great honor, a great privilege and a wonderful experience that JoAn and I have had these past twelve months—traveling around the Jurisdiction of North America and visiting with many, many of you.

We have done a considerable amount of traveling, as most of you know, simply because I felt my dedication to this job and to what this great Association stands for.

We were very fortunate in that we were able to travel a great deal by private aircraft and we have traveled this year in excess of 100,000 miles. This is my 124th commitment since last July in Denver, Colorado.

Therefore, I hope that we have represented you as you would like your leaders to represent you.

I can only state to each of you and every one that you are a great group of people. We have had a wonderful experience and God bless you for all you have done for the Shrine of North America.

Thank you. (Applause)

IMPERIAL POTENTATE OLFENE: I will now call on our Imperial Recorder for some announcements.

. . . Announcements by Imperial Recorder Jones ensued . . .

IMPERIAL SIR JONES: I would also like to announce at this time that insofar as the report of the Imperial Recorder is concerned, that it can be found in the Book of Reports sent to the Representatives prior to this session and I would call your attention to that.

I have nothing further to add to that report at this time.

That is all I have, Imperial Sir.

I will now call on Warren Weck, Past Imperial Potentate, to give us a report from the Committee on Transactions of Imperial Officers.

PAST IMPERIAL POTENTATE WECK: To the Representatives of the Imperial Council:

Your Committee on Transactions of Imperial Officers, as required by Section 208.7(b) of the By-Laws of the Iowa Corporation, has considered the reports of the Imperial Officers.

We call to your attention that certain reports of the Imperial Potentate, Imperial Treasurer and Imperial Recorder have been prepared in advance. These reports were either mailed to you or were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. We find them to be comprehensive, well prepared and in fulfillment of their responsibilities. It is our recommendation that these reports, and all other reports of the Imperial Officers which require action by the Imperial Council, be referred to the Jurisprudence and Laws Committee, and any other committee designated by the Imperial Potentate, for consideration and further report to you.

Respectfully submitted,

COMMITTEE ON TRANSACTIONS OF IMPERIAL OFFICERS

Daniel E. Bowers, M.D.

PAST IMPERIAL POTENTATE WECK: Imperial Sir, I would move for the adoption of this report.

. . . The motion was duly seconded, following which Imperial Sir Voris King assumed the Chair . . .

IMPERIAL SIR VORIS KING: You have all heard the motion and the second, which is for the adoption of this report. Is there any discussion?

If not, all in favor say aye; opposed. It is carried and so ordered

. . . The gavel was returned to the Imperial Potentate . . .

IMPERIAL POTENTATE OLFENE: The next item we have concerns matters to be referred to the appropriate committees—matters that have appeared in the Call, I should say.

To the Jurisprudence and Laws Committee, all matters relating to edicts, orders, decisions and recommendations as to statute and laws.

To the Grievances and Appeals Committee, all matters pertaining to grievances and appeals.

To the Dispensations and Charters Committee, all matters pertaining to dispensations.

To the Committee on Jurisdictional Lines, all matters pertaining to Jurisdictional lines.

To the Mileage and Per Diem Committee, all matters concerning mileage and per diem expenses to be paid at this Session.

I will now call on the Chairman of the Jurisprudence and Laws Committee, Past Potentate

Walter Pettit of Abou Ben Adhem Temple, to present to you and explain the procedures that will be used during this Session.

NOBLE WALTER PETTIT: Imperial Sir, Imperial Sirs, Nobles, Illustrious Sirs and Representatives: The Jurisprudence and Laws Committee will again, as it has in past Annual Sessions and Meetings, report to you on the form of each proposed amendment to the By-Laws and upon such proposals consistent with other provisions of the By-Laws and Articles of Incorporation of the Iowa and Colorado Corporations as the case may be.

Likewise, we will report upon the resolutions and requests which are before this Imperial Session.

The reports of the Jurisprudence and Laws Committee are not meant to indicate to you that the committee as such is either in favor of or against the proposals. In their capacity as a Representative, each of the members of the committee may have strong feelings as to the merits of a particular proposal and, as a Representative, may speak either in favor or against it. In doing so, he will speak as an individual Representative and not as a member of the Jurisprudence and Laws Committee.

Again this year, when your committee makes a report to you, it will come at the commencement of the report, refer you to the appropriate page in the Call where the proposal appeared so that you can quickly identify the matter.

If the matter to be discussed is a matter that is contained in your registration envelope and in the Call, we will so alert you.

We are confident that you have already studied the proposals and are prepared to consider them. If you have not done so, we would urge you to do so and do so promptly.

Also, please bring the Call with you to each Session as it contains the proposals. This is especially important during this Session, as I will explain in a moment.

In most instances, pending proposals, legislation, resolutions and requests will be considered in the following order:

First, the report of the Committee on Jurisprudence and Laws.

Secondly, the report of any other committee to which the matter has been referred.

Thirdly, the recognition of the sponsor for his motion to adopt and his explanation of the proposal if necessary.

Fourthly, your consideration, debate and action.

The Jurisprudence and Laws Committee will attempt, in this Session, to eliminate the repetition of readings of the proposals, especially where those proposals as finally submitted are exactly as shown in the Call and when other committees will report thereon. In doing this, we will alert you to the fact that such proposal is exactly as shown in the Call or in another committee's report.

If any Representative so requests, a committee member presenting the report will be more than happy to read it again to you. What that means, Representatives, is that hopefully we will not have a matter read to you into the record more than one time. I will not say it will not happen but if it does, it is a mistake. (Applause)

The Jurisprudence and Laws Committee will not ask you to receive our report as the very fact that you are listening indicates that you are receiving them. We will, however, answer any questions that you may have concerning the report and we once again solicit the courtesy which you have historically shown your fellow Nobles when it is their turn to speak on a matter under consideration.

Finally, we hope that you will understand that the Jurisprudence and Laws Committee is here to serve you, the Representatives of this Imperial Council.

The committee is prepared to answer any questions concerning the legal effect of any proposal or answer any other appropriate questions within their legal expertise.

Are there any questions about the procedure?

I would then add that as each item of the agenda is called by the Imperial Potentate for presentation by the Jurisprudence and Laws Committee, that the proposer of the amendment be ready to come to the stage in order that he can be available either to move adoption of his proposal, to answer questions directed to him or make any statements which he may deem appropriate. I have every reason to believe that this will be a smooth Session and I appreciate your courtesy to me.

Thank you, Imperial Sir. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, Walter.

Let me say to you, Nobles, that I will do my very best to see that everyone who wishes to speak on an issue has the opportunity. I will be as fair as I possibly can and will give you all of the courtesies to be able to say what you wish to say when we get into any controversial piece of legislation. Thank you, and if you will cooperate with me, I will do my very best to cooperate with you.

Now, next I would like to call on Joe Howell, Chairman of the Election Tellers Committee, who will explain to you the procedure and responsibilities of his committee.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Representatives: First, for the benefit of the new Representatives, when you registered, you received a packet and in there is a ballot book. It is very important that you keep this ballot book with you at all times. The older Representatives know what it means to have this booklet with them at all times.

Whenever a ballot is called for, the Imperial Potentate will first give a number and no other number will do but that number for that one particular ballot.

Now, when you call for the ballot, I have Tellers who will pass the boxes back and forth among you and so we suggest you remain in your seats and, if you do this, then we can collect them and tally them very rapidly and have an answer back to you very quickly.

Also, if you ballot just before a recess, we will have our Tellers at the door to pick up those ballots and you will not have to wait in your seats.

IMPERIAL POTENTATE OLFENE: Thank you very much, Joe.

Now, gentlemen, I am going to deviate just a moment from the agenda at this time and say to you that I know each and every one of us is dedicated to why we are here. I have also heard, traveling around the country, that occasionally one of our Representatives will not always attend a Session.

I have always seen in the Call, during my years as a Representative, very clearly printed therein that at any time there can be a roll call. I never personally can recall ever seeing a roll call vote taken.

However, I think it is only fair to your responsibilities, to the Fraternity and to our program that you attend the various Sessions as your Temple asked you to do when they elected you to come here.

Therefore, just to be sure that we all have our attention together, I would like to try something this year and I am going to run an example here for you in order to see how it works out.

Jack Jones, in this (indicating) dish has some 185 cards and on each one of these cards is the name of a Temple. I am going to try, by the luck of the draw, ask someone to draw one of these out of here. (Laughter) I will first, however, ask Jack to thoroughly stir them up and then I am going to ask the gentleman sitting right here to draw one out of here. You know, if it is your own, you are in good shape.

Again, this will not count for anything but will merely be a trial run but if it works you can see how we might be able to do this almost at anytime during the Session. (Laughter)

Now, the name of Za-Ga-Zig Temple has been drawn. Now, what I am going to ask Jack to do is to get out his directory and I want Jack to read the names of the Temple Representatives as they are listed within that directory and, as those names are read, I want the individuals named to remain standing until your entire Representative group has been identified.

... Whereupon, the names of the Representatives of this particular Temple were then read ...

IMPERIAL POTENTATE OLFENE: How is that, fellows?

... Cheers and applause ...

IMPERIAL POTENTATE OLFENE: Now, I know or I do not think anyone purposely will miss a meeting but perhaps this does not take too long and so once in a while it can be used as a means of kind of getting us all together again.

Also, with regard to Za-Ga-Zig Temple, you are on the ball, you are all here and we appreciate that very, very much. (Applause)

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE OLFENE: We will next have the report of the Committee on Jurisprudence and Laws concerning the Imperial Potentate's General Orders.

NOBLE ROBERT E. COOPER [Reading]: To the Representatives of the Imperial Council: The Imperial Potentate's General Orders (Series of 1983-1984) were issued pursuant to Section 206.5(a) (4) of the By-Laws of the Imperial Council, an Iowa Corporation, and copies thereof were mailed to all Representatives upon their issuance. They have been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your committee reports that such General Orders were lawfully issued and in all respects are consistent with the Articles of Incorporation and By-Laws of the Iowa Corporation and also that there have been no objections to or appeals from any of such General Orders.

Your committee further reports that the Imperial Potentate's report is in proper and legal form and that it was submitted in compliance with the By-Laws of the Imperial Council. It, therefore, recommends the approval thereof.

Respectfully submitted,

Imperial Sir, I move that the Imperial Potentate's General Orders (Series of 1983-1984) be approved, and I recommend that you allow Deputy Imperial Potentate Gene Bracewell conduct the vote as the motion involves your orders.

. . . Imperial Sir Gene Bracewell assumed the Chair . . .

IMPERIAL SIR GENE BRACEWELL: You have heard the motion. Is there a second?

. . . The motion was duly seconded . . .

IMPERIAL SIR BRACEWELL: Is there discussion?

If not, all in favor of the motion say aye; opposed. It is carried and so ordered.

July 1-6	1985	Atlanta, Georgia
June 30-July 4	1986	Los Angeles, California
June 22-26	1987	Las Vegas, Nevada
June	1988	New Orleans, Louisiana

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that **COPIES OF ALL CORRESPONDENCE SENT DIRECTLY TO HIM BY TEMPLES AND REPRESENTATIVES BE SENT TO THE EXECUTIVE SECRETARY FOR FRATERNAL AFFAIRS AT THE GENERAL OFFICE IN TAMPA, FLORIDA.**

This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

SOLICITATION OF DEMITS

It appearing to the Imperial Potentate that the interests of the Order would be well served by the issuance and observance of the following, **IT IS ORDERED:**

That the proselytization of members of other Temples by soliciting them to demit from the Temples to which they belong and affiliate with Temples across state lines pursuant to § 328.6(e) is prohibited; and

It shall be the responsibility of the Potentate and the Recorder of any Temple to which such a petition for affiliation is presented to ascertain that the petitioner was not solicited.

CORPORATIONS

The Recorder of each Temple shall send to the General Offices at the close of each calendar year a copy of the audit report (preferably by a C.P.A.) and a copy of the budget report of the succeeding administration of the Temple. This also should be supplied for each and every Corporation under the Temple's control. This includes all the following types of corporations.

1. Temple Corporations and/or Temple Holding Corporations;
2. Shrine Club Corporations and/or Shrine Club Holding Corporations;
3. Any other appendant or affiliated Corporations of his Temple.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all Temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital bequests and gifts, it is ORDERED:

Potentates and Recorders of Temples are directed to immediately notify and send full particulars to the General Counsel's Office in Tampa of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children, or designate in some manner crippled children or similar charitable purpose.

Potentates of Temples are further directed to inform all Shrine Clubs to follow this same procedure should the Shrine Club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All Temples and Shrine Clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a Court Receipt by a representative of the Temple or Shrine Club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such Court Receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of Temples are further directed to see that their Temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in Temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1984 IMPERIAL COUNCIL SESSION

The 1984 Session of the Imperial Council and the annual meeting of the members of Shriners Hospitals for Crippled Children will be held in the City of Boston, Massachusetts, the week of July 2, 1984. The Director General is Frederick A. Spencer, 32 Fremont St., Needham Heights, Mass., 02194; telephone number (617) 449-0087.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in the Boston area with the Housing Chairman as well as making contracts for transportation incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's bylaws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Boston, Massachusetts, in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which

an Imperial Council Session will be held, instructs all Potentates, Recorders and Nobles to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee—**CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY**—and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith. The following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1984 Session in Boston, Massachusetts.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) Official Imperial Representatives; (2) Uniformed Units; (3) the General Nobility; and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade.

Hotel room assignments at Boston are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Boston is David L. Esancy, 32 Fremont St., Needham Heights, Mass., 92194; telephone (617) 449-0087.

The Executive Secretary-Fraternal Affairs will handle the assignment of all public meeting space in the Headquarters Hotel, along with the sleeping room assignments for the Representatives and other Temple Officers who are not Representatives, and the distinguished guests.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate, Temple or any Noble violating either the spirit or the letter of this order.

NOTICE

In Boston the Day Parade will be held on Wednesday, July 4, 1984, starting in the early afternoon. The Night Parade will be held as usual, on Thursday evening, July 5, 1984.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the Bylaws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your Temple and Shrinedom. He would like to have a short meeting with the Temple Divan and Representatives who are not members of the Divan.

It is suggested that if convenient time is available, a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resumé of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Secretary-Fraternal

Affairs) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have: that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR CHANGE IN DATE OF STATED MEETINGS OR THE HOLDING OF A CEREMONIAL IN CONCURRENT JURISDICTION, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE EXECUTIVE SECRETARY-FRATERNAL AFFAIRS, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED SHOULD BE SENT TO THE EXECUTIVE SECRETARY-FRATERNAL AFFAIRS.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples chartered by the Imperial Council operate (i.e., United States, Canada and Mexico). These three National flags should also be properly displayed at all Shrine meetings.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Secretary-Fraternal Affairs.

SHRINE PROTOCOL

All Temples are urged to use the provisions of this section of Shrine Law which will be found in the forward pages of your Imperial Council Directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any Shrine activity, be it parade—meeting—banquet—seating arrangement; or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions, please contact the Executive Secretary-Fraternal Affairs at the General Offices. At Shrine activities, Masonic dignitaries are guests. Therefore, protocol requires that the highest ranking Shrine Officer speak last.

IMPORTANT

In order to eliminate problems it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising and other activities for their administration to the Temple membership at a meeting and proceed in accordance with the vote of the membership.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Secretary-Fraternal Affairs of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property. It is recommended that any disclaimers of liability by the travel agent and/or carrier in the promotional material provided to the public also include (in close proximity) the name of the Temple, Shrine Club or Unit, if applicable.

5. All pilgrimage tours and cruises when sponsored by a Temple or otherwise identified with the Order are "public appearances." Such appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second slated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Secretary-Fraternal Affairs.

10. Tours and cruises sponsored by Shrine Clubs, Units, or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, national or international Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

INSURANCE

In order to assure compliance by all Temples with the provisions of Section 334.2 of Article 34 of the By-Laws of the Iowa Corporation, and it appearing that the interests of the ORDER and the Nobility would be well served by the issuance and observance of the following, it is ORDERED:

1. Insurance Advisory Committee

That each Temple shall appoint an "Insurance Advisory Committee" which shall consist of at least four members, three of whom shall be skilled and knowledgeable in Property and Casualty insurance matters, and the fourth member shall be the Temple Legal Counsel.

2. Duties and Responsibilities

A. Review all Temple, Shrine Club and Unit operations and activities, including fund-raising events of any kind or nature.

B. Review, analyze and, where appropriate, appraise all Temple properties, whether real, personal, or combinations thereof (including properties held by any holding corporations or affiliated corporations operated in conjunction with the Temple), as well as Shrine and/or Unit properties.

C. Review and analyze the current Temple insurance program and all insurance policies owned by the Temple, its Shrine Clubs, Units, and any holding or affiliated corporations, in order to determine the adequacy and the extent of the coverages afforded compared to the evaluation of the operations, activities and values determined necessary by the Committee in the light of the suggested minimum liability limits and recommended coverages as outlined.

D. Annually prepare a written report to the Potentate and Officers of the Temple setting forth their findings with regard to the sufficiency of limits and adequacy of coverage in the insurance program for the Temple activities and exposures known at that time. The report should also include recommendations with regard to insurance coverages or policies necessary to comply with the suggestions outlined in this General Order and to assure adequate protection of the assets of the Temple, its Shrine Clubs and Units, and should also include the best estimates available of the annual cost of the entire insurance program that is recommended.

This Annual report of the Insurance Advisory Committee shall be completed and submitted to the Potentate, and other elected Temple Officers, in sufficient time for it to be used by the Chief Rabban in preparation of the proposed Temple budget for the following year.

Supplements to this report shall be made in writing during the year as events, activities of exposures change, which may require adjustments in insurance coverage to insure proper protection.

A copy of the Annual Insurance Committee report and any supplements thereto shall be sent by the Temple Recorder to the Executive Secretary-Fraternal Affairs by March 1, of each year.

3. Named Insureds

In all Casualty and Liability insurance policies written for the Temple and its appendant bodies, the following SHALL be included as additional named insureds, only as respects to the operations and activities covered under its policies: "The Imperial Council, A.A.O.N.M.S., an Iowa Corporation, Shriners Hospitals for Crippled Children, a Colorado Corporation and all its affiliated Corporations."

IT IS FURTHER ORDERED that the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order; and he shall cause to be sent to the Executive Secretary-Fraternal Affairs in our Tampa office Certificates of Insurance on all Workers' Compensation and Liability coverages evidencing compliance with this General Order each time such policies of cancellation or material change to the certificateholder.

THE FOLLOWING, WHILE NOT MANDATORY, ARE INCLUDED AS SUGGESTIONS FOR TEMPLE INSURANCE COVERAGES

The Insurance Advisory Committee shall in their ongoing review and analysis of the current and proposed insurance program for the Temple (including Shrine Clubs, Units, holding corporations, appendant or affiliated corporations) consider all Temple and affiliated bodies related activities, operations, and fund-raising events. The Committee shall evaluate the Temple and affiliated bodies Insurance Program under the following suggested insurance guidelines:

Note: A voluntary mass-marketed Property and Casualty insurance program is now available to each Temple and Association. The broad liability coverages (similar to Umbrella coverages) are specifically designed for fraternities such as ours. The requirements of the Imperial Council, A.A.O.N.M.S. are automatically included, and in most cases the premiums are lower because of the bulk discounts for Liability and Property insurance that are applied. Contact the Executive Secretary for Fraternal Affairs or the Chairman of the Insurance Committee for further details.

Minimum Liability Limits and Recommended Coverages

A. Comprehensive General Liability insurance, including medical payments for guests and/or members, covering all activities of the Temple, Shrine Clubs, Units, holding corporations, appendant or affiliated corporations and organizations should be purchased with *suggested minimum* Primary limits of \$500,000 per occurrence. Consideration should be given to providing the following coverages:

Liquor Law liability and Host liquor liability insurance covering potential liability related to the sale, consumption, use or dispensing of alcoholic beverages; fire legal liability, including explosion, for real or personal property whether owned or leased; products liability and/or completed operations coverage; blanket contractual liability for all written (oral, if available) agreements; parade and/or spectators liability; carnival show or athletic event liability; etc. Separate policies may also be required for some portions of owned and non-owned watercraft and owned and non-owned aircraft liabilities, and for physical damage insurance on owned items.

B. Comprehensive Automobile liability insurance covering all Shrine activities of the Temple and its Shrine Clubs, Units, holding corporations, appendant or affiliated corporations and organizations should be purchased by the Temple and with *suggested* minimum limits of \$500,000 per occurrence. Coverage should include all Temple exposures for owned vehicles, hired cars or trucks and non-owned vehicles. Physical damage insurance for owned vehicles in order to protect these assets and medical payment coverages should also be considered for purchase.

It is recommended that where Temple Units and Shrine Clubs include Member-owned vehicles used in Temple activities, that certificates of the owner's current liability insurance coverage be permanently on file at the Temple. The decision regarding the minimum amounts of insurance protection required for these Member-owned vehicles rests with the Potentate

and/or the Temple, but it is recommended that the highest limits available and economically feasible, up to the Temple's non-owned insurance limit, be secured.

Note: Liability limits in excess of the suggested minimum \$500,000 are recommended in most instances and wherever feasible consideration should be given to the purchase of "Umbrella" or similar coverages for general and automobile liability, etc. protection.

C. Workers' Compensation insurance, as mandated by your state law, including coverage for both paid employees and "volunteer" workers, is required.

D. "Named peril" (Fire, E.C.E., Theft, etc.) or "All-Risk" property insurance should be purchased on either an "actual cash value" or a "replacement cost" basis to protect the physical assets (building, contents, uniforms, etc.) of the Temple, Shrine Club(s) and Units.

E. Fidelity insurance for those persons holding Temple funds or property in trust (including Shrine Clubs and Units) must be purchased in amounts sufficient to cover the immediate and long-term exposures where applicable. Fidelity insurance for others, payable in your favor, should always be considered necessary when those outside the Shrine have access to funds for which you are or could be held accountable.

F. Boiler and Machinery coverage, both for physical damage and legal liability, should be purchased if any exposures exist.

G. Any other insurance coverages warranted by the operations and activities of the Temple, Shrine Clubs and its Units, should be considered for purchase (i.e., medical expense reimbursement insurance for participants, livestock mortality coverages, etc.).

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that the Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Purpose Funds Committee have indicated to the Imperial Potentate and the Board of Directors that some Temples, either directly or through special purpose funds, have accumulated funds and assets which are in excess of amounts reasonably needed for transportation of patients and could be better utilized for our orthopedic hospitals and burns institutes if they were administered together with the other endowment funds and accounts of Shriners Hospitals for Crippled Children.

It therefore appearing that the interests of the Order would be well served by the issuance and observance of the following, IT IS ORDERED:

1. Neither the Temples nor their Shrine Clubs, nor their Units, nor their members shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children; except only that, with the prior written consent of the Board of Directors of the Iowa Corporation, a Temple may maintain a fund for transportation of patients, purchase of braces and prostheses, or like purposes, subject to the following provisions of this General Order.
2. All receipts, disbursements, funds and assets related to charitable activities shall be clearly designated and classified as such in the books of account of all Temples, Temple affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards, or other entities subject to the supervision or control of any Temple; and such books of account shall be audited annually in a manner consistent with the requirements of Section 334.5 of the Bylaws of the Imperial Council.
3. The custody and administration of all charitable funds and assets under the control of any Temple, including those of Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards and other entities subject to the supervision or control of any Temple, shall be the responsibility of the same Temple Officers, committees, or boards who are charged with the custody and administration of the general funds of the Temple.

4. Any Temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes permitted under Paragraph 1 hereof should not be transferred to Shriners Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under Paragraph 1 hereof after the Temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.
5. Upon written request to and written authorization by the Imperial Potentate and the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, up to one-half ($\frac{1}{2}$) of the net profits of a designated fund-raising activity may be held by a Temple to be used exclusively for transportation, food, lodging or other related expenses directly involving the transportation of a patient and/or parent or guardian to or from a Shriners Hospital for crippled or burned children sponsored by the Temple or one of its members. Such retained funds shall be maintained in a separate account designated as the "Hospital Transportation Fund." The aggregate amount of the "Hospital Transportation Fund" shall not exceed twice the amount of the expenditures made from such fund during the preceding year; and any sums in excess of that shall be turned over to Shriners Hospitals for Crippled Children. If for any reason the "Hospital Transportation Fund" should terminate, any and all balances in the Fund revert to Shriners Hospitals for Crippled Children.
6. Prior to the granting of authorization to retain funds from fund-raising events, as outlined under paragraph 5 hereof, the Temple must submit its request therefor in writing and must attach to the request:
 - a. Audited statements of its transportation fund for the past three years, such statement to include a statement of receipts and disbursements and balance sheet as of the date of the last audit.
 - b. A statement of all income and disbursements since the last audited statement and a current balance sheet.
7. No permission will be given for the retention of funds or for the use of the name Shriners Hospitals for Crippled Children for any fund-raising event if any activity report for a previous fund-raising event authorized to be held by the Temple or any of its Shrine Clubs or Units is remaining outstanding for more than 120 days after the event was held at the time the request is made.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, if you have not already done so, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation; and charitable fund-raising activity sponsored by or related to each Temple shall be furnished to the Imperial Recorder by the Potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1982; and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1982.

The statement or statements of each Temple shall be accompanied by a certificate of the Potentate to the effect that: (1) each of the statements is true and correct, (2) the Temple exercises control over each of such funds, corporations, and other activities, and (3) there are no charitable funds, corporations, or activities sponsored by or related to the Temple other than those for which statements are submitted.

Given under our hands and the seal of the Imperial Council this First day of September, A.D., 1983, and of the Order A.H. 1403.

GENERAL ORDER NO. 2
SERIES OF 1983-1984

OFFICE OF THE IMPERIAL POTENTATE
TAMPA, FLORIDA

To all Temples, Officers, and Nobles:

"ES SELAMU ALEIKUM"

§ 335.1 of the Bylaws of the Imperial Council states that Shriners shall not "promote or take part in any engagement or enterprise prohibited by the law of the land."

A number of states or provinces have laws commonly referred to as "anti-hazing" laws.

This matter came on regularly for consideration by the Board of Directors at their recent quarterly meeting. The Board unanimously acknowledged that the laws of the land must, at all times, be observed and obeyed.

Therefore, it is hereby ordered that all Temples, Officers, and Nobles scrupulously abide by the laws of their respective jurisdictions. It is possible that these laws might require modification of the "Second Section" of your Temple's ceremonials, and if so, these modifications must be implemented forthwith.

Further, if any Temple, Officer, or Noble has any concern or question concerning the applicability of this Order, that the Potentate or Temple attorney immediately communicate with the General Counsel of the Imperial Council, A.A.O.N.M.S.

SERIES OF 1983-1984

OFFICE OF THE IMPERIAL POTENTATE
JUNE 1, 1984, TAMPA, FLORIDA

CALL FOR THE ANNUAL SESSION OF 1984

*To the Representatives of the Imperial Council, Potentates, elected Officers
of the Subordinate Temples, and the Nobility of the Order:*

"ES SELAMU ALEIKUM"

You and each of you are hereby notified that the One Hundred Tenth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America will be held in Boston, Massachusetts, over the dates of July 3, 4, 5 & 6, 1984. The PUBLIC OPENING Session will be held in the GRAND BALLROOM of the SHERATON BOSTON HOTEL at 9:00 A.M. on Tuesday, July 3, 1984. The OFFICIAL OPENING Session will be held in the GRAND BALLROOM of the SHERATON BOSTON HOTEL at 9:30 A.M. on Tuesday, July 3, 1984. After opening day, the meeting schedule will be determined each day by the Imperial Potentate or the Imperial Council. The Imperial Potentate is calling this session as a four-day session, and each Representative attending will receive per diem for four days (i.e., Tuesday, Wednesday, Thursday and Friday).

REPRESENTATIVES' HEADQUARTERS HOTELS

Representatives' headquarters hotels are the SHERATON BOSTON HOTEL and the BACK BAY HILTON HOTEL. The Imperial Council Sessions will be held in the GRAND BALLROOM of the SHERATON BOSTON HOTEL, and all Imperial Council Committee meetings will be held in the SHERATON BOSTON HOTEL as detailed in this General Order.

THE OFFICES OF THE EXECUTIVE SECRETARY OF FRATERNAL AFFAIRS AND EXECUTIVE VICE PRESIDENT—SHRINERS HOSPITALS WILL BE IN THE THIRD EDITION, which is located on the Conference Level (3rd floor) OF THE SHERATON BOSTON, AND THE OFFICE OF THE GENERAL COUNSEL WILL BE IN THE CLARENDON ROOM ON THE SAME LEVEL AND SAME HOTEL.

REGISTRATION

Registration for the REPRESENTATIVES will be in the CONSTITUTION ROOM FOYER of the Sheraton Boston Hotel and will be open as follows:

 Sunday, July 1, 1984 9:00 A.M. to 5:00 P.M.
 Monday, July 2, 1984 9:00 A.M. to 5:00 P.M.
 Tuesday, July 3, 1984 7:00 A.M. to 9:00 A.M.

It is suggested that it would simplify the details of registration if the Representatives of the various Temples would arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIAL CARD, his CURRENT DUES CARD and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy.

NOTE: Each Representative will receive a ticket book including, among others, Exchange Coupons for the Imperial Potentate's Evening and the Representatives' Ladies Luncheon. These tickets must be EXCHANGED for actual tickets to the two events at the Exchange Desk which will be located at the Convention Registration Desk in the Constitution Room Foyer of the Sheraton Boston Hotel. The tickets will be numbered and will be assigned on a first-come, first-served basis. If you want to have all Representatives from your Temple sit together, you will have to exchange your tickets all at one time. THE DEADLINE FOR EXCHANGING COUPONS FOR THE IMPERIAL POTENTATE'S EVENING WILL BE 5:00 P.M. MONDAY, JULY 2nd, AND ON TUESDAY, JULY 3 by 9:00 A.M. FOR THE LADIES LUNCHEON TICKETS.

SPECIAL NOTICE TO RECORDERS

In order that proper tribute may be paid to our departed Nobility, Recorders of Subordinate Temples are requested to immediately send direct to the Chairman of the Necrology Committee, c/o The Executive Secretary of Fraternal Affairs, P. O. Box 25356, Tampa, Florida 33622, memoranda relative to the distinguished Nobles of their membership who have died since the last session of the Imperial Council. The Committee on Necrology is dependent on the cooperation of the Recorders for this information.

ARTICLE 3, SECTION 203.4 EMERITI REPRESENTATIVES

"Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that session and who has been a Representative for at least 15 years, including that session."

The Executive Secretary of Fraternal Affairs shall be notified of any Representative who qualifies, not later than June 8, 1984.

NOTICE TO POTENTATES AND RECORDERS

In order to expedite the preparation of the necessary reports to the Imperial Council, it would be a great accommodation if the Potentates and Recorders would forward any changes in Representatives so as to reach the Tampa office on or before June 8, 1984.

With reference to the matter of appointing Representatives, PLEASE NOTE THAT SECTION 325.14 OF ARTICLE 25 STATES "IF THE VACANCY IS IN THE OFFICE OF AN ELECTED REPRESENTATIVE, AND TIME IS NOT SUFFICIENT TO CALL A SPECIAL ELECTION THE POTENTATE SHALL APPOINT A REPRESENTATIVE AND NOTICE OF THE APPOINTMENT, BY LETTER OR TELEGRAM, MUST REACH THE IMPERIAL RECORDER'S OFFICE BEFORE 9:00 A.M. ON THE 5TH DAY PRECEDING THE NEXT OPENING SESSION OF THE IMPERIAL COUNCIL, IN ORDER TO QUALIFY THE REPRESENTATIVE." THIS MEANS THAT SUCH APPOINTMENT MUST BE RECEIVED BY THE IMPERIAL RECORDER ON OR BEFORE 9:00 A.M. ON THURSDAY, JUNE 28, 1984.

PAGEANT FOR NEWLY ELECTED IMPERIAL POTENTATE

The Pageant for the newly elected Imperial Potentate will take place in the GRAND BALLROOM COMPLEX of the SHERATON BOSTON HOTEL on Wednesday, July 4th at 9:00 A.M. All Nobles, their ladies, and friends are invited to attend and honor our newly elected Imperial Potentate.

ROLL CALL

The Imperial Potentate advises there MAY be a roll call of Representatives at any time during the session of the Imperial Council.

Section 205.2 of Shrine law states "Each Representative who attends a Session of the Imperial Council shall be paid per diem. . . ."

Please take due notice and maintain constant attendance at all business sessions of the Imperial Council. Mileage and Per Diem are paid for this purpose.

SPECIAL NOTICE

BE SURE TO CARRY YOUR BALLOT BOOK AT ALL TIMES

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular meeting. Embarrassing situations have resulted.

I refer you to Section 208.8 of the Imperial Council by-laws which states "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the Committee, except with express permission of the committee."

The strict observance of this request will make for more efficient functioning by the Committees with respect to the matters referred to them in the carrying out of their important assignments.

POTENTATES PLEASE NOTE

The following instructions are to be given to your Temple Marshal, Parade Marshal and Unit Heads:

THE DAY PARADE will start promptly at 1:30 p.m. on Wednesday, July 4th. The route of march will be:

The Parade will assemble on the side streets off of Boylston Street, West of Copley Square. The Parade will start at Copley Square and will be 1.6 miles in length. They will parade East on Boylston Street past the Public Garden and the Boston Common to the junction of Tremont Street and Boylston. They will go North on Tremont Street to City Hall Plaza, where they will turn left on to Cambridge Street to the Boston City Hall and Government Center where they will disperse.

The Parade Reviewing Stand will be in front of the City Hall Plaza—Tremont and Cambridge.

THE NIGHT PARADE will start promptly at 7:00 p.m., on Thursday, July 5th. The route of march will be the same as for the day parade.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Fred Spencer, 1159 Main St., Waltham, MA 02154, area code 617, 891-4614. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below:

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but **which retard the forward movement of the parade as a whole.**

As a result, many of our newer Temples, located far back in the line of march, have unquestionably taken punishment: (1) The forward movement of the parading column has been repeatedly halted; (2) There have been exasperating delays; (3) Units have been required to stand in line—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" near the head of the line; (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements," although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Boston, may prove unpopular or it may approach a reasonable solution; you have his assur-

ance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Boston will be parades throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question of whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable: Not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, adds unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Boston, only **ONE CAR for the officers of each Temple with uniformed units in the parades of 50 or more will be permitted.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. At the Reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directive of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violations of the above rule at an official reviewing stand.

PARADE REGULATIONS

It appearing that the interests of the Order would be well-served by the issuance and observance of the following regulations with respect to **all Shrine parades, it is ORDERED:**

1. The parade reviewing stand shall be at the right of the parade movement.
2. **No national flag shall be lowered or dipped when passing the reviewing stand or elsewhere.**
3. Neither candy nor other objects shall be thrown to spectators along the parade route.
4. No vehicle shall be equipped with either flashing lights or sirens.
5. Motorcycle and scooter units shall obey local laws regarding use of hard helmets instead of the Fez.
6. Neither Outhouses, stills, bathtubs nor any other item that is considered to be in poor taste will be permitted in any Shrine parade.
7. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.
8. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

Furthermore, with respect to parades at Sessions of the Imperial Council, it is **ORDERED:**

1. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshall prior to the day parade.
2. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.
3. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
4. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.
5. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.
6. No late model automobiles other than the official automobile will be allowed in the parade. This does not apply to recognized antique automobiles or to parade units composed entirely of late model automobiles.
7. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

If your Uniformed Units attend the Imperial Council Session in Boston, it is desirable that you supply one member of your Temple to act as Provost Guard during the Imperial Council Session. Noble Chester A. Parkhurst has been named Provost Guard for this session. Each Potentate will kindly advise Noble Parkhurst the name of the Noble who will serve on the Provost Guard. All correspondence with Noble Parkhurst prior to July 1st, should be addressed to him in care of Aleppo Temple, 99 Fordham Road, Wilmington, MA 01887.

UNAUTHORIZED EQUIPMENT ON MOTORIZED VEHICLES

NO CYCLES, CARS, SCOOTERS OR OTHER MOTORIZED VEHICLES SHALL AT ANY TIME BE EQUIPPED WITH ANY SIRENS, FLASHING OR COLORED LIGHTS (EXCEPT TURN INDICATORS AUTHORIZED BY LAW).

LOTTERIES AND RAFFLES

It has come to the attention of the Imperial Potentate that one or more Temples and several Shrine clubs have recently promoted lotteries or raffles. Federal law in the United States prohibits the use of the mails for lotteries or raffles and the

practice is also contrary to state law in most states. Attention is invited to § 335.1 of the Imperial By-laws which makes such a practice contrary to Shrine law as well.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, if you have not already done so, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation, and charitable fund-raising activity sponsored by or related to each Temple shall be furnished to the Imperial Recorder by the Potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1983, and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1983.

The statement or statements of each Temple shall be accompanied by a certificate of the Potentate to the effect that: (1) each of the statements is true and correct, (2) the Temple exercises control over each of such funds, corporations, and other activities, and (3) there are no charitable funds, corporations, or activities sponsored by or related to the Temple other than those for which statements are submitted.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Secretary-Fraternal Affairs of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property. It is recommended that any disclaimers of liability by the travel agent and/or carrier in the promotional material provided to the public also include (in close proximity) the name of the Temple, Shrine Club or Unit, if applicable.

5. All pilgrimages, tours and cruises when sponsored by a Temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) Requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

10. Tours and cruises sponsored by Shrine Clubs, Units or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

SUMMARY OF GENERAL ORDER NO. 3

This General Order contains a list of the newly elected Imperial Divan officers, committee appointments made to date, members of the Board of Trustees, miscellaneous instructions to Temple officers and Nobles, amendments to laws adopted at the Imperial Council Session, suggestions regarding the Imperial Potentate's visitations, and other information of value to Temple officers and Nobles.

The complete details of all General Orders are to be kept on file in the Recorder's office and will be made available to any Noble for review.

... The gavel was returned to Imperial Potentate Olfene ...

IMPERIAL POTENTATE OLFENE: The report concerning the Imperial Potentate's Special Orders will now be presented by Noble Edward G. Maag of the Jurisprudence and Laws Committee.

NOBLE MAAG: [Reading]: To the Representatives of the Imperial Council:

The Imperial Potentate's Special Orders (Series 1984-1984) were issued pursuant to Section 206.5(a)(5) of the By-Laws of The Imperial Council, an Iowa Corporation. These Special Orders were two in number and summaries of each of these Special Orders are as follows:

I. Special Order No. 1, January 16, 1984, to the Potentate, Officers and Nobility of Bahia Temple, found a violation of Section 325.10(a) of the By-Laws of The Imperial Council in that a letter dated on the date of the Annual Meeting and election of officers was circulated at the Annual Meeting addressing the candidacy of a particular office. The Special Order found that the violation had a direct effect upon the Office of the Recorder and for the election of all Imperial Representatives; and, therefore, set aside said election, declared it to be invalid and ordered that a new election for the Office of Recorder and for elected Imperial Representatives should be held in connection with the stated meeting of Bahia Temple of February 2, 1984; and that seven (7) days notice thereof be given to every member of the Temple.

II. Special Order No. 2, dated January 26, 1984, addressed to the Potentate, Officers and Nobility of Bahia Temple, found that it was in the best interest of Bahia Temple and the Shrine to honor a request from a Noble of Bahia Temple that a special representative of the Imperial Potentate be sent to Bahia Temple for the stated meeting thereof and special election to be held on February 2, 1984 and granting to said special representative authority to assure decorum is maintained and to conduct the special election ordered by Special Order No. 1 in accordance with the By-Laws of the Imperial Council and Bahia Temple and Robert's Rules of Order. Said Special Order No. 2 appointed Illustrious Sir Robert Cooper, member of the Imperial Council Jurisprudence and Laws Committee as such special representative.

This committee reports that such Special Orders were lawfully issued and in all respects are consistent with the Articles of Incorporation and By-Laws of the Iowa Corporation and also there have been no objections to or appeals from said Special Orders.

Your committee further reports that the Imperial Potentate's Special Orders (Series 1983-1984) as aforesaid, are in proper and legal form and were issued in compliance with the By-Laws of The Imperial Council. It, therefore, recommends approval thereof.

Respectfully submitted,

Imperial Sir, I move that the Imperial Potentate's Special Orders (Series 1983-1984) be approved, and I recommend that you allow Deputy Imperial Potentate Gene Bracewell to conduct the vote as this motion involves your orders.

... Imperial Sir Gene Bracewell assumed the Chair ...

IMPERIAL SIR BRACEWELL: You have heard the motion, is there a second?

... The motion was duly seconded ...

IMPERIAL SIR BRACEWELL: All in favor please say aye; opposed. It is so carried.

... Imperial Potentate Olfene resumed the Chair ...

IMPERIAL POTENTATE OLFENE: I will now call on Noble Gerald Davis of the Jurisprudence and Laws Committee to read the Temple By-Laws approved during the year.

NOBLE GERALD DAVIS [Reading]: To the Representatives of the Imperial Council:

The Imperial Recorder's list of all new and amended Temple By-Laws which were

approved by the Jurisprudence and Laws Committee and the Imperial Potentate since the last Annual Session was submitted pursuant to Section 331.4(a) of the By-Laws of the Imperial Council, an Iowa Corporation. Summaries of the list were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. The matter has been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your committee reports that the approvals were lawfully issued and in all respects are consistent with the Articles of Incorporation and By-Laws of the Iowa Corporation and also that there have been no objections to or appeals from any of such approvals.

Your committee further reports that the Imperial Recorder's list is in proper and legal form and that it was submitted in compliance with the By-Laws of The Imperial Council. It, therefore, recommends the approval thereof.

IMPERIAL POTENTATE OLFENE: Thank you, Gene.

You know, Nobles, that we have changed the format somewhat in relation to our parade. Instead of having one today, this is a day of work through this afternoon and we are going to have our parade tomorrow at one-thirty, after our noon closing.

Now, one of the things that is always exciting and a privilege to do is to be nominated to a position on the Imperial Divan. We also know, or at least expect, that we will probably not have any contests on that Line until we come to the position of the newly elected Imperial Outer Guard. Therefore, let me read to you a By-Law that is in the Iowa Corporation and I read you this and ask your cooperation so that we can move along more rapidly.

Tomorrow morning we will have our pageant for our newly elected Imperial Potentate Gene and his wife and family and following that we will come back into session and, hopefully, if we can go through this procedure, we will be able to have the nominations and at least take a ballot or whatever necessary before we recess tomorrow noon.

Let me read to you Section 206.2 under Elections and under "Time."

"Election of the Imperial Potentate shall be the last order of business on the first day of the Session."

Now, let me stop right there and say that what I plan to do today, the very last thing we will do today, is to elect Gene as the new Imperial Potentate.

Then it goes on to say: "Election of the other Imperial Officers shall be commenced immediately after the Call to Order on the second day of the Session unless otherwise ordered by the Imperial Council."

Now, if it is okay with you, what I would like to do is to ask you to give me permission to move the elections up to today so we will have those all out of the way for tomorrow and, therefore, tomorrow, once we come back to session, we can then commence with the actual contested election of the Imperial Outer Guard. By the way, I might add that I have so notified all of the known candidates who are running for Imperial Outer Guard so that they are aware of this.

Now, do you understand what I am asking? I do not want to confuse anybody but I am asking your permission to allow us to elect these gentlemen today up one step. We will make Gene's election the last one, as we are supposed to do and then tomorrow we will commence with the contested elections.

Does anybody have any questions before I ask for your permission? If not, would somebody put that in the form of a motion for me?

... The motion as requested was severally moved and seconded ...

IMPERIAL POTENTATE OLFENE: We are now at the point of any discussion. Is there discussion?

If not, all in favor of the motion please say aye; those opposed. It is carried and thank you very much, gentlemen, for this cooperation and I think it will speed up the whole program.

Now, gentlemen, let us get down to what is often referred to as, I guess, the nitty-gritty. I would like to have you turn, in your Call, to page 14 and look at Item 1.

The result of this item is from a request, my request last year at Denver, to appoint a Special Study Committee to study the situation of method and computing mileage and per diem to the Representatives.

With that in mind I will now call on Ted Corsones, who will report from the Jurisprudence and Laws Committee on this proposed piece of legislation.

NOBLE TED CORSONES [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 1 on Call of the Annual Session of 1984 and it is located on page 14 of the Call. It is a proposal to amend Section 205.1, 205.2 and 205.5 of Article 5 of the By-Laws of the Imperial Council, an Iowa Corporation, so that they will read as follows:

ARTICLE 5
 Mileage and Per Diem

Section 205.1 Mileage Allowance

(a) Each Representative who attends a Session of the Imperial Council shall be paid a mileage allowance for himself, and also for his spouse if she accompanies him. It shall be for a roundtrip comparable to, but not in excess of, the lowest unrestricted discount air fare or if such is not available, the lowest coach or most economical air fare, from the departure airport to the destination airport. The departure airport, except as provided in subsection (c), is the airport served by a regularly scheduled airline which is nearest to his Temple. The destination airport is the airport served by a regularly scheduled airline which is nearest to the city of the Session. Rates shall be obtained as of the sixtieth day prior to the official opening of the Session.

(b) For the purpose of this section, the location of the Temple is at the address given in the then current Imperial Council directory or, where no street address is given, the central post office in the city named in the Temple's Charter.

(c) If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, the departure airport shall be that airport nearest his place of residence which is served by a regularly scheduled airline.

(d) The Imperial Recorder shall mail a mileage allowance form to each Representative prior to the Session. The Representative shall complete this form and he must present it at the time he registers for the Session. He shall indicate on the form what method of transportation he used to travel to the Session, whether his spouse accompanied him, and such other information as may be requested by the Imperial Recorder. If public transportation was used, the Representative must attach his receipt for the payment of the transportation for himself and also for his spouse, if she accompanied him.

Section 205.2 Per Diem.

Each Representative who attends a Session of the Imperial Council shall be paid per diem expenses in an amount equal to the room rate for double occupancy, including applicable taxes, at the Headquarters hotel, plus \$20 for each day he attends the Session.

Section 205.5 Method and Time of Payment.

(a) Per Diem. Representatives entitled to per diem shall be paid at the close of the Session by checks prepared from the report of the Mileage and Per Diem Committee, based on a four-day Session. If the Imperial Council remains in Session for longer than four days, a check for any additional per diem expenses allowed shall be mailed to each Representative entitled thereto.

(b) Mileage. A Representative entitled to mileage allowance shall be paid within ten days after the close of the Session by checks prepared from the report of the Mileage and Per Diem Committee:

(1) The actual transportation expense for himself, and for his spouse if she accompanied him, but not to exceed the amount indicated in Section 205.1(a), if he used public transportation.

(2) An amount not to exceed that indicated in Section 205.1(a) for himself, and for his spouse if she accompanied him, if he used private transportation.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Imperial Sir Webber Harrington of the Mileage and Per Diem Committee for their report.

IMPERIAL POTENTATE OLFENE: The Chair now recognizes our Imperial Treasurer, Webber Harrington.

IMPERIAL SIR WEBBER HARRINGTON: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Fellow Representatives:

You will recall that the Imperial Potentate, immediately following his installation last year, appointed a Special Study Committee on payment of Imperial Representatives. This committee was instructed to study the method of payment of mileage so that inequities would be eliminated either to the Iowa Corporation or the Representatives.

The committee appointed had wide geographical distribution, with a majority of members from the floor. All had long-time experience and interest in mileage and per diem matters.

The committee consisted of the following:

Past Potentate Tom Lucas, Al Chymia Temple, Memphis, Tennessee.

Past Potentate Charles Mason, Cairo Temple, Rutland, Vermont.

Past Potentate Aurie Thompson, Nile Temple, Seattle, Washington.

Chief Rabban Tom Boles, Al Malaikah Temple, Los Angeles, California.

Past Imperial Potentate Warren Weck, Zuhrah Temple, Minneapolis, Minnesota.

Imperial Chief Rabban Walker Kisselburgh, Al Malaikah Temple, Los Angeles, California.

Imperial Treasurer Webber C. Harrington, Chairman, Al Kader Temple, Portland, Oregon.

I want to assure you that this committee deliberated long and hard on this subject and has come up with a unanimous resolution which we believe is imminently fair and equitable.

Imperial Sir, I would move the adoption of the resolution to take effect January 1, 1985 and call upon Imperial Sir Walker Kisselburgh to present the reasons why the committee feels that it should be adopted.

IMPERIAL POTENTATE OLFENE: The Chair will recognize Imperial Sir Walker Kisselburgh.

IMPERIAL SIR WALKER KISSELBURGH: Imperial Sir, Imperial Sirs and Fellow Representatives:

This is a very important resolution that affects the present and future stability of the Iowa Corporation.

Because of the deregulation of the airline industry, there have developed many inequities in the payment of mileage to you, the Representatives. With that in mind, your Special Committee on Mileage and Per Diem has come up with what they consider a very fair and equitable solution.

What this legislation does, simply stated, is to reimburse you, the Representatives, for your actual air fare costs up to a cap—no more and no less.

You will receive for both you and your spouse, if she accompanies you, the round-trip air fare comparable to, but not in excess of, the lowest unrestricted discount air fare; or if such is not available, the lowest coach class air fare.

In addition, your committee felt that the per diem allowance should be raised by an additional five dollars (\$5.00) per day so that you will be reimbursed an amount equal to the room rate, including tax, for double occupancy at the Headquarters hotels, plus twenty dollars (\$20.00) for each day the Representative attends the Session—generally four days.

Under this new legislation, you would receive two checks—one for your per diem expenses on Friday, after the close of the Session, and the second one within ten days after the close of the Session for your mileage. We anticipate in future years this could be done in even less time.

Now, some of you will be driving and for you, you will get paid the same.

You and your spouse, if she accompanies you, will receive an amount equal to but not exceeding the lowest unrestricted discount air fare; or if such is not available, the lowest coach class air fare.

The mechanics would be very simple. You would present your airline voucher for you and your spouse at the time of registration or certify that you drove. That would do it.

In conclusion may I say to you that this resolution deserves your support for the following reasons:

1. It is fair to you.
2. It is equitable, by paying for your actual travel expenses.
3. And, most importantly, it will save the Iowa Corporation between \$120,000 and \$250,000 in mileage costs.

But please remember, when you pass this resolution, it does not go into effect until January 1, 1985.

Thank you for your attention.

IMPERIAL POTENTATE OLFENE: Thank you, Walker.

Now, Webb has made a motion for adoption. Is there a second to it?

... The motion was severally seconded ...

IMPERIAL POTENTATE OLFENE: Now, gentlemen, this matter is open for discussion. Microphone 1, please.

NOBLE T. W. ROONEY [Potentate, Azan Temple]: The only inquiry I have is that some of us have the very good experience of having daughters and sons and things like this working for the airlines and I understand that if you drive you get comparable air fare. Now, if we are allowed to come to the Imperial Sessions we have to show what it cost us for air fare and we cannot receive what the people that drive receive. You can understand, of course, we are flying at a reduced rate. Therefore, how do we fit into this situation?

IMPERIAL POTENTATE OLFENE: I believe that Webb is going to tackle the question.

IMPERIAL SIR HARRINGTON: Imperial Sir, and I may defer to General Legal Counsel before I get through here, but my interpretation would be that in relation to the Session, if you and your spouse attended the Session, you would be entitled to the lowest unrestricted joint fare. Now, if I am incorrect in that, I would like to have General Legal Counsel say so.

NOBLE ROONEY: Well, thank you very much for that reply but we will not have any vouchers to send in for approval.

IMPERIAL POTENTATE OLFENE: Well, let us have General Counsel help us.

NOBLE TED CORSONES: You know, these things do get confusing. I am just going to take one minute by saying that the answer to your question is that you are not going to make any money coming to the Imperial Council. You are going to present your voucher and that is what you are going to get paid for. In other words, you are not going to make any money on the Imperial Council. (Applause)

Well, quickly, here is what it does and I will give it to you in a nutshell.

First, it changes their per diem from \$15 to \$20 a day. When do you receive your per diem? The per diem is paid to you on the last day of the Session.

Secondly, it changes mileage to the actual cost for wife and Representative but not to exceed the unrestricted discount air fare.

How do we know what the actual cost is for a Representative? Well, he will fill out a form sent to him by the Imperial Recorder and present it at the time he registers.

When does he receive his mileage check? You receive your mileage check by separate check mailed to you within ten days of the Session. Nobody is going to make money on the Imperial Council. (Applause)

IMPERIAL POTENTATE OLFENE: The gentleman over here at microphone 3, I believe it is.

NOBLE G. R. MADDEN [Potentate, Salaam Temple]: I would like a clarification on transportation.

You are saying there is a verification required when you come to the Convention. However, what if you come by car and there are other Representatives coming along with you? Do you follow what I am saying?

NOBLE HARRINGTON: How are they going to be reimbursed? In other words, a Representative riding with another Representative?

My interpretation would be that the document that we would ask you to sign would take care of that matter.

IMPERIAL POTENTATE OLFENE: Are there further questions? Microphone 3.

NOBLE EARL BROWN [Medinah Temple]: I happen to work in the vineyards of the deregulation of the airline industry.

This is one trouble that I am sure you can handle but if you do not have your receipt, you may not be able to make any changes on your return and I say that because of the present regulations. Do you remember, for example, at one of our past Conventions, the fire extinguishers that we received were, as soon as you got to the airport with it, they had to be emptied out?

IMPERIAL SIR KISSELBURG: Also, that will be taken care of, that little problem, at the registration desk because there will be available a photocopy machine for the duplication of these receipts.

IMPERIAL POTENTATE OLFENE: Is there further discussion or are there further questions? Microphone 2.

NOBLE TOM LUCAS [Al Chymia Temple]: I have served on this committee. I think the intent here was to accomplish only one thing. We are not making a profit on the Imperial Council.

All of these things were discussed. Some people use bus transportation for their Divans, etc. However, we felt, in the final analysis, that every man who was a Representative and attended the Imperial Session as an elected Representative is honest.

Also, we have been coming through a situation within the last number of years which was no fault of any of us whereby you or anybody else coming to a Session and because the Imperial Code so stated, we received two airline fares and regardless of what happened, you received that amount of money.

However, our sole purpose here was to make it absolutely fair to everyone coming here—really, not to take anything away from you, but, on the other hand, to pay your actual expenses to these Council Sessions.

Now, having served on this committee, if you have a problem, I would work for you.

The general idea is for each Representative to receive for himself, if he comes to the Session, sufficient funds to purchase his transportation to the Session, his hotel bill while there and transportation to and from the airport.

Really, to go on record, that is what I expected to see each man receive. That was what our understanding would be and we believe it would work.

... The question on the motion was severally called for . . .

IMPERIAL POTENTATE OLFENE: Is there any other discussion?

We are about to act on the question.

All in favor of adopting Item 1 in the Call please say aye; those opposed. I declare it passed by the required Constitutional majority and, therefore, we have passed Item 1.

I want to thank the members of that Special Committee, those individuals who worked so diligently and hard to come up with something that was fair and equitable and acceptable to everyone here. Therefore, to you, Webb, and through you, to your committee, we thank each one of you.

Now, gentlemen, will you turn with me to the bottom of page 15, to the item marked number 2 and it goes to the top of page 16 and I will call on Past Potentate Edward Maag, a member of the Jurisprudence and Laws Committee, to proceed with the presentation of that legislation.

NOBLE EDWARD MAAG [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 2 on the Call of the Annual Session of 1984 and it is located on page 15 of the Call. It is a proposal to amend Section 206.5(d)(5) of Article 6 of the By-Laws of the Imperial Council, an Iowa Corporation, so that they will read as follows:

ARTICLE 6
Officers

Section 206.5 Duties.

(d) Imperial Recorder.

(5) He shall procure a sufficient number of past Imperial Potentates, Treasurers, Recorders and Chaplains jewels to be made according to the approved design, and shall have one at each Annual Session for presentation to such retiring Imperial Officers. These jewels shall be owned by the Imperial Council at all times and shall be returned to the Imperial Council upon the death of such Officer by his heirs, executor, administrator or personal representative.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Will you now please turn to Item 12, which is on page 19 and please give your attention to Past Potentate Jerry Davis from the J and L Committee for their report.

NOBLE DAVIS [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 12 on the Call of the Annual Session of 1984 and it is located on page 19 of the Call. It is a proposal to amend paragraph (a) of Section 328.3 of Article 28 of the By-Laws of the Iowa

Corporation by adding and deleting certain language so that paragraph (a), as amended, will read as follows:

ARTICLE 28

Section 328.3 Change in Jurisdictional Lines.

(a) Application for the establishment or change of jurisdictional lines must be filed with the Imperial Recorder at least sixty days prior to the Session of the Imperial Council at which it is to be submitted. Every such proposal shall be published with the Notice of the Session.

IMPERIAL POTENTATE OLFENE: It has been moved and seconded that Item 12 be adopted. Is there any discussion?

Seeing nobody asking for the microphone, I will put the question.

All in favor of the adoption of Item 12 please say aye; those opposed. It is unanimously carried. Thank you.

Now will you turn to Item 10 which is at the top of page 19 of the Call and give your attention to Judge Cooper in relation to the report of the Jurisprudence and Laws Committee.

NOBLE ROBERT COOPER [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 10 on the Call of Annual Session of 1984 and it is located on page 19 of the Call. It is a proposal to amend paragraph (e) of Section 322.5 of Article 22 of the By-Laws of the Iowa Corporation by adding and deleting certain language so that paragraph (3), as amended, will read as follows:

ARTICLE 22

Temple Charter and Location

Section 322.5 Change of Location

(e) If two-thirds or more of the members voting at the meeting are in favor of changing the location of the Temple, the result of the election shall be certified to the Imperial Recorder at least sixty days before the Session of the Imperial Council at which it is to be submitted. Imperial Sir, if there are no questions or comments, I recommend that you now call on Imperial Sir Graves Trumbo for the report of the Dispensation and Charters Committee.

IMPERIAL POTENTATE OLFENE: Thank you very much.

I will now recognize Graves Trumbo, the Chairman of the Dispensation and Charters Committee, please.

NOBLE GRAVES TRUMBO [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters Item 10 of the Call which is a proposal to amend paragraph (e) of Section 322.5 of Article 22 of the By-Laws of the Iowa Corporation.

Your committee has met and finds that said proposal, if adopted, would require that any request of a Temple for the change of its location be filed with the Imperial Recorder at least sixty days before the Imperial Council Session; and that each such request for change of location of a Temple shall be published with the Notice of the Session.

Your Committee believes that the intent of this proposal is that all Representatives to the Imperial Council be given advance written notice with the Call of the Session; and that the adoption of this proposal would enable Representatives to be better prepared and more aware of the issues to be presented at the Annual Session.

Your committee observes that there has been in recent years a tendency on the part of Temples seeking to change location, to change the location of the Temple before the Imperial Council has taken action on the request for such approval. Your committee takes this opportunity to remind all Representatives that the provisions of Section 322.5(f) of Article 22 of the By-Laws of the Iowa Corporation, provide that the location of a Temple may not be changed prior to favorable action by the Imperial Council on a request for such relocation.

Your committee believes that the adoption of this proposal is in the best interest of the Shrine and unanimously recommends its adoption.

IMPERIAL POTENTATE OLFENE: Do I hear a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: It has been moved and seconded we adopt Item 10. Is there any discussion or are there any questions?

Seeing no one moving forward, I will now put the question.

All in favor of the adoption of Item 10 in the Call will please say aye; thos opposed. It is carried and received approval by at least two-thirds of the voting Representatives.

I will now ask you to turn to page 17 and refer to Item 6 that appears in your Call and I will call on the Chairman of the Jurisprudence and Laws Committee, Walter Pettit, for a committee report.

NOBLE PETTIT [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 6 on the Call of the Annual Session of 1984 and it is located on page 17 of the Call. It is a proposal to amend Section 209.3 of Article 9 of the By-Laws of the Iowa Corporation by adding and deleting certain language so that such Section, as amended, will read as follows:

ARTICLE 9 Shrine Associations

Section 209.2 Association of Units.

(a) Organization. No association of units shall be organized without the express written permission of the Board of Directors.

(b) By-Laws. The By-Laws of an association of units shall be effective only after having been approved by the Imperial Potentate; and, likewise, amendments thereto shall be effective only after his approval. The By-Laws of any association of units which is appendant to an association of Temples, and any amendments to such By-Laws, shall be submitted to the President of the association of Temples for his approval before being submitted to the Imperial Potentate.

(c) Regulation. Every association of units is subject to regulation by the Imperial Council, any association of Temples to which it is appendant, and the Potentates of the Temples in the Jurisdictions of which it meets from time to time.

(d) Imperial Potentate Authority. For violation of Shrine Law or for other cause, the Imperial Potentate may arrest the Charter and suspend the activities of any association of units.

(e) Temple Potentate Authority. Nothing done pursuant to this Section shall affect the powers of any Potentate with respect to control of Temple units.

(f) Prohibited Practices. (g) Meetings. An association of units shall receive the prior written authorization of the Imperial Potentate for the dates and places of its meetings.

It is a proposal to amend Section 209.1 and 209.2 of Article 9 of the By-Laws of the Iowa Corporation by adding and deleting certain language so that such Sections, as amended, will read as follows:

ARTICLE 9 Shrine Associations

Section 209.1 Associations of Temple.

(a) Charter. Any number of Temples may form an Association of Temples for holding conventions for purely fraternal purposes when and if the Imperial Council issues a charter therefor.

(b) Change in Membership. Any proposal for change in membership in any association shall be first sent by a Representative to the Imperial Recorder, in writing and in the form to be proposed, at least sixty days before the Session of the Imperial Council at which it is to be submitted; and every such proposal shall be published with the Notice of the Session.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call on the proponent of this matter, Joseph P. Padgett, Imperial Second Ceremonial Master, for an appropriate motion.

IMPERIAL POTENTATE OLFENE: The Chair will recognize Imperial Sir Padgett.

IMPERIAL SIR PADGETT: Imperial Sir, I would move the adoption of the proposal.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: There is a motion and a second for the adoption of Item 5 on the Call. Is there any discussion?

NOBLE S. R. FISHMAN [Moila Temple]: There is nothing under Subsection (a) regarding

location. Is it supposed to mean that a Temple in California, one in Georgia and one in Alabama could form an association? As I see the language there, it says that any Temple may form an association. I think there should be some clarification there, Imperial Sir.

IMPERIAL SIR PADGETT: I will call on my attorney. (Laughter)

IMPERIAL POTENTATE OLFENE: I will call on our General Counsel, Ted Corsones.

NOBLE TED CORSONES: Imperial Sir Dick, in response to the inquiry of the Noble, you are referring to, I believe, Subsection (b), is that correct? Well, I understand it is Subsection (a) and in that Section there is no substantive change.

In the event an Association of Temples wished to be formed, they would get together, these Temples, and they would make application therefor and they would submit it to the Imperial Council and then it would take its usual course and would be considered and come to the Imperial Potentate. So there is no substantive change in relation to that.

IMPERIAL POTENTATE OLFENE: Well, Ted, I am not sure that answers the question.

NOBLE CORSONES: Now, if I did not answer it and I assume by the response that it got when I tried to walk away from the microphone, I may not have (laughter) but then the answer is you have an Association of Temples and, obviously, they can be within a state, such as the Florida Shrine Association; in a number of states, such as the Central Shrine Association but what you do with it, if you desire one, you would make application for it and then it is considered. You do not, for example, have two Temples have a contest out in the back during the Session and then say, "We just formed an association." You have to come to the Imperial Council Session with your request and to the Imperial Potentate.

In essence, any number of Temples approved by the Imperial Council may form an association.

IMPERIAL SIR PADGETT: I think this amendment will allow for several clearing houses for the formation so there will not be a conflict with any association of Temples. What we want to do here is have a central clearing house and this is what we are endeavoring to do.

I trust that will answer your question.

NOBLE FISHMAN: Well, I think when such a proposal is made it should involve a more cohesive and centralized location and that there should be some centralization location approved in relation to proximity to tying it together.

NOBLE CORSONES: I tried to say it twice now and I will try for a third time and if I fail the third time, so be it.

However, if you look at Subsection (d) as to the procedure on that, it says, for example, that an Association of Temples may have a Constitution and By-Laws consistent with Shrine Law which, together with any amendments thereto, are subject to the approval of the Jurisprudence and Laws Committee and the Imperial Potentate. Their Constitution and By-Laws, together with any amendments thereto, shall be filed with the Imperial Recorder. Associations of Temples are subject to regulation by the Imperial Council.

As I said previously, you just do not form a caucus, a mini caucus—you get together and submit it and it goes through this procedure. This is the same as every Shrine Association of Temples has done in the past. Essentially, that is the way you form an association.

NOBLE FISHMAN: I will certainly accept that.

IMPERIAL POTENTATE OLFENE: Thank you very much. Are there any other questions? Microphone 2.

NOBLE ROGER CLARIDGE [Karnak Temple]: I have no qualms relative to requesting permission from the Imperial Sir to hold a meeting. In 1987 we will be hosts in connection with the Northeast. However, obviously, one has to work a number of years prior to that time in order to set up arrangements and to plan for a successful meeting.

Who would we approach to receive that permission? Of course, Illustrious Sir, I know that there is only one Imperial Potentate but we are looking two years down the road.

NOBLE PETTIT: Let me answer that by saying that it has been the policy of the Imperial Divan to review requests of that nature and I am sure that you will find each member of this Imperial Divan receptive to your inquiry.

With regard to the written authorization of the Imperial Potentate, well, of course, there is just one Imperial Potentate and that must be addressed.

However, if I were anticipating what I was going to do in 1987, I suspect I would talk to

Imperial Sir Russ Anthony, who, all things being equal, would be the Imperial Sir at that point in time.

One other comment and that is that this is legislation under which we have worked for many years. There is no change in any of this except for that item shown as Subparagraph (e), which requires written authorization and approval.

The framework has been there. We have all worked under it, I think, and we have found that it has worked substantially well.

IMPERIAL POTENTATE OLFENE: Are there any further questions? Microphone 2.

NOBLE JACK CALLAHAN [Kena Temple]: My question is with regard to Subsection (e).

It would appear that a Potentate of a local Temple could wind up one morning with the whole association sitting in the middle of his Oasis and he not knowing anything about it. There is no requirement in the legislation that provides it has to have his concurrence.

IMPERIAL SIR PADGETT: Let me answer that by saying that I think it has been custom, at least throughout all of my days in Shrinedom, that before you visit another Oasis not in your Jurisdiction, you notify the Potentate of that Jurisdiction of your intention. That is common courtesy and I think it prevails throughout Shrinedom and Masonry today.

NOBLE CALLAHAN: However, the only point I am making is that maybe they ought to get a shot at it anyway to make sure it has been discussed at least by the Temple into whose Oasis they proceed. That is all I am asking.

IMPERIAL POTENTATE OLFENE: Are there further questions with regard to this particular item, Item 5 in the Call?

If not, all in favor of the adoption of Item 5 please say aye; those opposed. The ayes have it and I declare that item unanimously adopted.

Now, I will call on Walter Pettit for further information from the Jurisprudence and Laws Committee.

NOBLE PETTIT: Please sit back and do not leave. I have some good news.

I have five withdrawals for your consideration pending approval thereon which may assist us in our legislative process.

First I have a report from the Committee on Jurisprudence and Laws, Iowa Corporation.

To the Representatives of the Imperial Council:

I have before me a written request to withdraw Item 8 which appears on page 18 of the Call for the Annual Session reading as follows:

"I hereby request permission of this Imperial Council Session to withdraw Item 8 on the Call for the Annual Session of 1984."

It is signed by Imperial Sir Edward G. McMullan, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE OLFENE: You have heard the recommendation and the request of the proponent to this legislation, Imperial Sir Edward G. McMullan, to withdraw Item 8.

I would call your attention to the fact that this takes the unanimous consent of this body. He is requesting the privilege to withdraw that legislation.

With that, all in favor of withdrawal of this request please say aye; are there any in opposition? I hear several nay votes.

Once again, so that there is no misunderstanding, the proposal before you is to withdraw Item 8 and it will take the unanimous consent of this body to do so.

Once again, all in favor of the request of the proposer to withdraw Item 8 please say aye; those opposed. There are several nay votes and so the withdrawal is not carried. Therefore, it looks to me like it will have to be brought up again later. We will schedule that for Sunday, how is that? (Laughter)

Now, please give your attention to the Chairman of the Jurisprudence and Laws Committee.

NOBLE PETTIT: You know, I just thought we were going to get out of that one. (Laughter)

A second request concerns Item 22 on the Call and this is the report of the Committee on

Jurisprudence and Laws concerning this matter, as follows:

To the Representatives of The Imperial Council:

I have before me a written request to withdraw Item 22 which appears on page 24 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw Item 22 on the Call for the Annual Session of 1984."

It is signed by the proposer, Gordon F. Coons, Potentate and Representative of Tunis Temple.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE OLFENE: Now, again, this individual is asking that he be granted permission to withdraw Item 22 from the Call. Once again, it will require a unanimous consent of the Representatives and, let me remind you again, it is his request.

All in favor of granting the request to withdraw will please say aye; those opposed. The request has been adopted unanimously. (Laughter) I see we got rid of that one in a hurry.

NOBLE PETTIT: This next request also concerns the Iowa Corporation and is as follows:

To the Representatives of The Imperial Council:

I have before me a written request to withdraw Item 21 which appears on Page 24 of the Call for the Annual Session. It reads as follows:

"I hereby request permission of The Imperial Council to withdraw Item 21 on the Call of the Annual Session of 1984."

It is signed by Floyd Walker, Potentate and Representative of Rameses Temple, the proposer.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE OLFENE: Thank you, Walter. Once again, the proponent is requesting your permission to allow him to withdraw Item 21. Again, it will take unanimous consent to do so and now for the question.

If you are in favor of giving him permission to withdraw Item 21, please say aye; are there any in opposition? I will declare that it passed unanimously and the legislation is withdrawn.

NOBLE PETTIT: Again, we have the same type of request concerning Item 17 which appears on page 21 of the Call.

To the Representatives of The Imperial Council:

I have before me a written request to withdraw Item 17 which appears on page 21 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw Item 17 on the Call for the Annual Session of 1984."

It is signed by Ross F. Cooke, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE OLFENE: All right, Nobles, this request concerns the withdrawal of Item 17 from the Call. Again, it requires a unanimous action on your part.

Therefore, if you are in favor of granting the withdrawal of this legislation, please say aye; are there any in opposition? I declare the motion to withdraw unanimously carried.

Now, I believe there is a Representative at microphone 3.

NOBLE WILLIAM VAUGHAN [Kazim Temple]: Imperial Sir and Representatives: I would like to ask a parliamentary question.

Why could we not go ahead and proceed with the report concerning Item 8 while it is clear in our minds and not to waste any further time on it?

IMPERIAL POTENTATE OLFENE: Well, let me say to you that I think we are now approaching the noon hour and I think we have gone ahead here in pretty good fashion.

Further, Bill, if you do not mind, let me say that the committee will have to be recalled on this.

Now, gentlemen, if you will give me your attention, we will try to move this along.

It is a great honor again, as I said earlier today, to have so many distinguished Grand Masters with us. We hope that they are enjoying their visit. We particularly hope that they have enjoyed seeing our Shrine Representatives in action. We will ask you all to come and go as you wish. You are free to do so. Therefore, feel free to come and go as you wish during this Session.

Once again, it is a great honor to have you with us. I believe, if I am not mistaken, there are something like thirty Grand Masters here. Is that not good? (Applause)

Of course, in relation to the two "special" Grand Masters—not special in any sense other than one of them being from my state and the other from our host state—we nevertheless thank them very much for their remarks this morning.

Now, as you know, we have some very distinguished Masonic dignitaries here with us and just for his remarks at this time, I would like to present to you Sir Knight Ned E. Dull, Most Eminent Grand Master, Grand Encampment of Knights Templar.

SIR KNIGHT N. E. DULL [Grand Encampment of Knights Templar]: Imperial Sir, Imperial Sirs and Representatives: It is with the greatest pleasure I bring you greetings and best wishes from the 340,000 Templars within the Grand Encampment of Knights Templar of the United States of America. I can assure you that most all of these Templars are Shriners.

By direction of our Triennium, the Templars are working with and supporting their symbolic Lodges as well as all Masonic related bodies.

I appreciate the recognition and the courtesies that have been extended to the Office of Grand Master. Thank you for your attention. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you very much, Sir Knight Ned.

It is always a pleasure to have the leader of the York Rite in attendance at our Sessions and we certainly appreciate that no end.

Now, before you leave, I have one or two announcements that are very important to give to you.

First, when we reconvene this afternoon, the first presentation that will be made to you will be the Public Relations Committee, Chaired by Everett Evans, and he is going to be prepared to show all of us, including me, for the first time, a new film which we have prepared for your use throughout Shrinedom.

Immediately following his presentation and his committee report, you are going to hear a report from Trustee Robert Turley on the status of our new Tampa Hospital. Those will be the first two items of business when we return.

Also, for all of you who are sitting up here on the stage, because of the screen that will be used upon our return from luncheon, we ask that you gentlemen sit in the front floor area throughout these presentations so that the screen can be seen by all.

Now, will you also please give your attention to our Imperial Recorder, Jack Jones, concerning some announcements he has.

. . . Brief announcements by Imperial Sir Jones ensued . . .

IMPERIAL POTENTATE OLFENE: Now, one more thing.

We have a very distinguished Shriner in our midst and when I call his name, I would like to have him stand and then I am going to tell you something about him.

Is Charlie Lembke in the audience? There he is. Will you come up here to the podium a moment, Charlie.

While he is coming up, I would like to tell all the Representatives a little bit about this gentleman.

Charlie is the Senior Representative in the Shrine of North America—is number one on our Emeritus list. Charlie was Potentate of his Temple in the year 1924.

. . . Rising cheers and applause ensued at this point . . .

THE IMPERIAL COUNCIL

IMPERIAL POTENTATE OLFENE: Also, Charlie has been a Representative since 1919. He became an Emeritus member in 1947. Also, let me say to you Representatives, that on July 6th, this young gentleman will be 95 years young.

... At this point, further cheers and applause ensued followed by the singing of "Happy Birthday" ...

IMPERIAL POTENTATE OLFENE: Thank you very much, Nobles. I appreciate the courtesy extended to Charlie.

It is now a moment or two after twelve o'clock and I am going to declare this Session in recess until one-thirty.

... The One Hundred Tenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at twelve-two o'clock p.m., for luncheon to reconvene at one-thirty o'clock p.m.

...

AFTERNOON SESSION
TUESDAY, JULY 3, 1984
ONE-THIRTY O'CLOCK P.M.

The One Hundred Tenth Annual Session of the Imperial Council reconvened at the Sheraton Boston Hotel, Boston, Massachusetts, at one-thirty o'clock p.m., Imperial Potentate Richard B. Olfene, presiding.

IMPERIAL POTENTATE OLFENE: Representatives, will you kindly take your seats. We would like to reconvene and go along with our program. I would like to call this Session back to order. Please give me your attention.

As I mentioned before our noon-time recess, we are going to commence the afternoon program with the report of the Public Relations Committee. It is Chaired by Imperial Sir Everett Evans and I am hopeful you will understand why we have moved the podium to the forelevel—to give you a better vision of the screen—and I am sure you will be able to see Everett and the speakers who will follow without too much difficulty, even though we are on the same floor level.

Therefore, at this point I would like to present to you Imperial Sir Everett Evans, Chairman of the Imperial Shrine Public Relations Committee. (Applause)

IMPERIAL SIR EVERETT EVANS: Imperial Sir, Imperial Sirs, Grand Masters, Fellow Representatives and Nobles All: First let me say that the Public Relations Department is a division of our Headquarters and we work there for you and for the Shrine.

I am sure that you saw some of the things that we have been doing for you at St. Louis.

Well, let me tell you a little bit about what we are doing.

We have, as you know, the Hanna-Barbera characters. We have a PSA out and the results with regard to it are the greatest we have ever had—over 2,000 responses.

We are pleased, for example, that we have some important PAS in-roads being made now with the Fred Flintstone characters and the Hanna-Barbera people.

The next thing we will be working on is our billboards, which have likewise been a successful thing for us. They have done more than we can do and people have provided, in most places, outdoor advertising space for us. Again, it has been a successful program.

We are now in the process of designing a new billboard which will be available, hopefully, by the first of the year or maybe sooner and we are hoping that this will also do a great job for us.

Now, we promised you to report in relation to what we had done with the Lou Harris Poll, which concerns all phases of Shrinedom and the Masonic Fraternity, EWG and all phases of concern to us. Now, I hesitate to tell you that we have not done what we wanted to do because that is not true. However, the problem with it is it is such a great survey and there is so much material in it that we have not had time to disseminate it for you.

We only received the first draft the other day and so we will be reporting back to you as soon as we have had an opportunity to adequately deal with it.

Now, I am not going to make my report very long today because I want you to know we have been working for some six or eight months now on a new film that we hope you are going to like.

The Shrine has made so many new films that it is hard to follow Gene Bracewell and some of the films he edited and put together. This time, however, I think it is a little bit different.

This film really tells the total Shrine story—from how it happens to where it happens and how it is going to happen in the future. It is also a thing that enables you to see what makes our Shriners Hospitals so successful and different from other hospitals—that is, for example, that no matter how bad the problems of these kids are, they are always laughing and happy.

Now, if we can have the lights out and if you people out there will remove your Fez, we will show you our new film.

. . . Film presentation ensued . . .

(Applause)

NOBLE EVANS: Again, I hope you all liked it.

Charlie Cumpstone, Mike Andrews and the Public Relations Department and myself—we worked many hours on it but all the credit belongs to them because they stayed with it until we felt as though we had gotten it right and I am very pleased with it.

A Shrine Hospital is a special place and I think that our kids are special and that is why we have gotten as far as we have in this business—mainly because we realize that.

Also, most of the time when we have shown you a film in the past, we have asked you to put in your order and then six months later we would have it available to you. However, that is not the case this time.

As a matter of fact, we have a film for each and every Temple ready for you to pick up and take home with you.

. . . Cheers and applause ensued . . .

NOBLE EVANS: Stop by the Public Relations Department upstairs and your film and strips pertaining to it will be ready for you to take home.

We are so pleased that you liked this film and we are not going to take any more of your time.

Imperial Sir, I would move that the report of this committee be received.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE OLFENE: We have a motion and a second to receive the report as presented. Are there any questions?

If not, all in favor please say aye; those opposed. The motion is unanimously carried.

Again, Everett, I wish to thank you and your committee and those working with you for the super job you have done.

NOBLE EVANS: Imperial Sir, I have one more little duty that I have to take care of here. As a matter of fact, I have something for you here.

These are pictures we wanted to put in the report but we could not. There is a whole album full of them. However, the Public Relations Department did make up this book and we want to present this to you and also thank you for your cooperation. I wish to present this book to you at this time.

. . . Presentation of album and applause ensued . . .

IMPERIAL POTENTATE OLFENE: Thank you, Everett. That is awfully nice of you.

To explain this to you gentlemen, this is a whole picture album, put together with clippings and indicating things that apparently transpired during my year.

To you, Everett, to your committee, to Mike and the staff, thanks a million, you are doing a terrific job and I know that you are going to continue to do so in the future.

I think the film was certainly excellent and we are also greatly pleased that the committee saw fit to make one available to each Temple so that you can take them home with you and I know that you will do with it as you have in the past—that you will use it. It is a great film and I know that we are going to get much from it.

Thanks again and also thank you for this very lovely picture book.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE OLFENE: Now, gentlemen, this morning the Credentials Committee reported that there were four Past Imperial Potentates who, for reasons of health in most cases, are unable to be with us. They are Marshall Porter, George E. Stringfellow, O. Carlyle Brock and, for business reasons, Tom Seay.

I would like to ask that a telegram be sent to each of these men bringing the greetings of this body to them and I would ask, if you would agree with that, just to say "yes."

... Cries of "yes" ensued ...

IMPERIAL POTENTATE OLFENE: Thank you. We will see that this is done.

Now, also, gentlemen, I would like to have you note that the Grand Masters who were seated in the corner reserved for them over here are not present. I want you to know, however, that we have just learned that the Chairman of the Grand Masters Conference realized that there were so many here that he could get more done with them here than he could at the Grand Masters Conference and so he called a two o'clock meeting. Is that not great? (Applause)

Also, I think probably and hopefully they are going to say that the opportunity to be with us, too, is beneficial to them as I know it is to us.

Now, we are going to get back to the agenda here and I would ask you to turn to the next piece of legislation, which is Item 13 in the Call, on page 20. I will now turn the microphone over to Ted Corsones, a member of the committee, to make the committee report for Jurisprudence and Laws.

NOBLE TED CORSONES [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item Number 13 on the Call for the Annual Session of 1984 and it is located on page 20 of the Call. It is a proposal to restructure Section 329.1 of Article 29 of the By-Laws of the Iowa Corporation. It was intended to avoid any substantive change. Unfortunately, there was an error when the proposal was drawn up. I call to your attention subparagraph (3) concerning Temples in Canada. There should be no reference to mileage as far as the Canadian Temples are concerned. The Canadian Temples called this error to our attention. Those of you who have your Imperial By-Laws Book with you can look on page 63. There our present By-Law says: "If the Temple is to be located in Canada, the petition therefore is signed by at least 500 Nobles in good standing and who reside in the proposed territory of the new Temple."

Nobles, I am the proponent of this proposal and I apologize to you for this error. At the appropriate time, I am going to move that the proposal be amended to delete the reference to mileage as far as Canadian Temples are concerned. This way there will be no change from the old By-Law. There will just be a restructuring so it will, hopefully, be more understandable to you. Further, this will allow us to have, in the near future, subject to your approval, a new Temple in Canada.

Therefore, I now ask you to follow me while I read proposal number 13 to you as it will be amended:

ARTICLE 29

Dispensation For New Temples

Section 329.1 Petition for Dispensation.

Dispensation for a new Temple may only be granted by the Imperial Council after a petition is filed with the Imperial Recorder. The petition must be signed by Nobles who are in good standing in the Order at the time they signed the petition, and who reside in the proposed territory of the new Temple.

Section 329.2 Meeting Place.

The petitioners must give satisfactory evidence that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

Section 329.3 Required Signatures and Effect on Other Temples.

(a) General. The petition must be signed by 1,000 Nobles and the membership of any Temple in the same Jurisdiction or the nearest Temple in another Jurisdiction must not be reduced to less than 3,000 members by the withdrawal of the petitioners for dispensation.

(b) Exceptions. Notwithstanding the requirements of sub-section (a), dispensation may be granted.

(1) In any state in which there is no Temple or in the capital city of Canada or in unoccupied territory upon a petition signed by 300 Nobles.

(2) In any state in which the petition is approved and supported by all other Temples in the state, and its location is not less than 300 miles from any other Temple in that state, upon a petition signed by 1,000 Nobles.

(3) In any province in Canada in which the petition is approved and supported by all other Temples in the province, upon a petition signed by 500 Nobles.

The committee reports that the proposal as printed in the Call and the proposal as may be amended, are in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND LAWS

Edward G. Maag

NOBLE CORSONES: Imperial Sir, if there are no questions or comments, I recommend that you now call on Illustrious W. L. Barrineau for the report of the Committee on Dispensations and Charters.

IMPERIAL POTENTATE OLFENE: Are there any questions? Hearing no questions, I will call upon Illustrious W. L. Barrineau for the report of the Committee on Dispensations and Charters.

NOBLE W. L. BARRINEAU [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters Item Number 13 on page 20 of the Call of the Annual Session. It is a proposal to restructure Section 329.1 of the By-Laws of the Imperial Council. It is not intended to make any substantive change. As just indicated to you in the report of the Jurisprudence and Laws Committee, there was a typographical error in sub-paragraph (3) that appears in the Call. There should be no reference to mileage as far as the Canadian Temples are concerned. The proponent of this proposal is going to offer an amendment to delete any reference to mileage as far as the Canadian Temples are concerned. This way there will be no change from the old By-Law, just a restructuring thereof so all of us will be able to read it and better understand it.

Also, as indicated, this will allow us, subject to your approval, to pave the way for a new Temple in that great country to the north.

Your committee reports that it unanimously supports the proposal, as amended, that was just read to you by the member from the Jurisprudence and Laws Committee.

Respectfully submitted,
COMMITTEE ON DISPENSATIONS AND CHARTERS

Imperial Sir, if there are no questions concerning this report, I request that you call on Past Potentate Theodore Corsones for an appropriate motion.

IMPERIAL POTENTATE OLFENE: Thank you very much for your fine report. I will again recognize Ted Corsones.

NOBLE TED CORSONES: Imperial Sir, Imperial Sirs and Representatives, I move the adoption of the proposal as amended and read to you in the report of the Jurisprudence and Laws Committee.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE OLFENE: You have before you the motion and second to adopt the proposal as amended and as presented to you in the Jurisprudence and Laws Committee report. Is there any discussion?

. . . The question was severally called for . . .

IMPERIAL POTENTATE OLFENE: Hearing no discussion, I will call for the question.

All in favor of the passage of Item 13 as presented in the Call, please say aye; opposed. The motion is unanimously carried. Thank you very much.

I now will refer you to Item 9 in the Call as it appears on page 18 and ask that Ed Maag present the report of the Jurisprudence and Laws Committee concerning this issue.

NOBLE MAAG [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 9 on the Call of the Annual Session of 1984 and it is located on page 18 of the Call. It is a proposal to amend paragraph (b) of Section 213.1 of Article 13 of the By-Laws of the Iowa Corporation by adding certain language so that such paragraph, as amended, will read as follows:

ARTICLE 13

Fez, Emblems, Colors and Jewel

(b) Titles. The Imperial Chaplain, Potentates, Past Potentates, Recorders and Divan members may have their titles embroidered in small letters in gold or silver bullion on silk on one line beneath the emblem on the Fez. Active members of official uniformed units or official clubs of a Temple may likewise have the names of their units or clubs on one line beneath the emblem on the Fez. Any official appointment of an Imperial Potentate or Potentate may have their titles beneath the emblem as above for the term of their appointment.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments, I recommend that you call on Imperial Sir Dean of the Emblems and Regalia Committee for its report.

IMPERIAL POTENTATE OLFENE: Thank you, Ed, and I will now call on our Imperial Marshal, Jack Dean.

IMPERIAL JOHN DEAN [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Regalia and Emblems a proposal to amend paragraph (b) of Section 213.1 of Article 13 of the By-Laws of The Imperial Council. It is Item No. 9 of the Call. The proposed amendment will cause Section 213.3 to read exactly as shown in the Call and as read to you in the Report of the Committee on Jurisprudence and Laws.

Your committee recommends the adoption of the proposed amendment.

Respectfully submitted,

COMMITTEE ON REGALIA AND EMBLEMS

John W. Dean, Chairman

Edward G. McMullan

Richard "Tony" Bukey

Imperial Sir, if there are no questions concerning this report, I recommend you call on Illustrious Sir Charles Oakes, the proponent, for the appropriate motion.

IMPERIAL POTENTATE OLFENE: The Chair now recognizes Illustrious Sir Charles Oakes.

NOBLE CHARLES OAKES: Imperial Sir, I would move the adoption of this amendment.

IMPERIAL POTENTATE OLFENE: You have heard the motion, is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: You have before you the motion and the second to adopt the amendment as presented. Are there any questions? I will recognize the Noble at microphone 2.

NOBLE NEIL KLEPPIN [Yelduz Temple]: Imperial Sir, I am one of these SOB Recorders that will not issue Fezes with a lot of letters and names that are not appropriate to our Order and I think maybe at the time we are arguing about revising this Section, we could do something about the Grand Masters.

I presume that those types of Fezes are not legal, as are others in a like vein. Therefore, perhaps it would be appropriate at this time if we would act on this in the form of a one package deal and do something about all of these illegal Fezes—either make them legal or give us some arm to enforce them.

IMPERIAL POTENTATE OLFENE: Thank you. I will call on the Chairman of the Regalia Committee. Would you like to comment on that statement?

Just a moment, let me ask you, are you posing that in the form of a question? In other words, were you just making a comment or asking that something be done in the form of a question?

NOBLE KLEPPIN: Well, if these are illegal Fezes, some of them, then I would also like to see this matter cleaned up once and for all, especially since we are considering this matter at this time.

IMPERIAL POTENTATE OLFENE: I will recognize the Chairman of our Regalia and Emblems Committee, John Dean.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and Representatives, let me say that your Shrine Regalia and Emblems Committee agrees with you. However, we did not originate this resolution but I am also sure that the Regalia and Emblems Committee would be very happy to see that amended. I cannot speak for the proponent of the legislation but if you would like to make an amendment to it, I think the Shrine Regalia and Emblems Committee would like to get the thing put to bed once and for all.

IMPERIAL POTENTATE OLFENE: Microphone 3.

REPRESENTATIVE [Boumi Temple]: Would the Chairman yield for a question?

As I understand this now, they will only put that on the Fez for the term of their appointment. However, my question is this—once it is to be removed from the Fez, who is going to be responsible for monitoring it so that it does come off after the term of appointment expires?

NOBLE DEAN: If that question is addressed to me, it would be the same person that is responsible to see that we do not have two, three, four, five or six lines on a Fez or an illegal name or Shrine Club name or anything else, and that, of course, is the Potentate of the Temple. That is where the responsibility lies today and that is where it always lies. (Applause)

REPRESENTATIVE: I have a question and that is this.

As you know, we have a lot of Fezes out there that have two lines on them, etc. Now, of course, something can be done by the Potentate of the Temple about this but, on the other hand, is the Imperial going to support us in this endeavor? I say this because, you know as well as I do, that there are a lot of illegal Fezes out there.

IMPERIAL SIR JOHN DEAN: Let me say this to you—well, I do not have the book with me here and so please just give me a second to let me get a copy of the Code and bring it up here before you.

Under Section 213.1(b) entitled "Titles," and that is where it is referred to and that is what is permitted on your Fez, it states as follows: "The Imperial Chaplain, Potentates, Past Potentates, Recorders and Divan members may have their titles embroidered in small letters in gold or silver bullion or silk beneath the emblem on the Fez. Active members of official uniformed units of a Temple may likewise have the names of their units beneath the emblem on the Fez."

Anything else is illegal.

Now, the reason your committee voted in favor of this is because, gentlemen, in relation

to every Temple, we would like to get the issue put to bed. I am sure that no one will quarrel with amending the Section to include the title of Grand Master or I am sure if there is another title that has been overlooked.

However, I want you to know this did not originate with the committee. We will be dealing with the items given to us but over the past number of years, one of the first Fezes that has been given out at the Imperial Council Session has been given out by the Imperial Potentate and he gives out an Imperial Potentate's Aide Fez which, according to this book, is illegal. (Laughter) Now, on the other hand, when the Imperial Potentate does that, how can he ask the Potentates to go ahead and enforce this regulation on their own level? We want to try to make it reasonable so that everybody can go ahead.

Further, if you get down to Article 13, Section 213.1(e) it says, "No device, ornament, title, wording or adornment other than that permitted by this Section may be used on the Fez."

Therefore, you are not limited now by the titles that are up in sub-section (b), to only being able to put those on, but this legislation would say that whatever appointment the Potentate made would be proper. The names of the Shrine Club could go on and whatever appointment the Imperial Potentate made could go on the Fez but that everything would have to be on one line. That is what this legislation does and that is the reason your committee voted in favor of it—because we thought this was the most practical way to see this start to get some control over what we are doing.

Does that answer your question?

NOBLE KLEPPIN: Not exactly. Of course, I am in favor of the legislation but what do we do to correct the situation we have already in existence?

IMPERIAL SIR DEAN: It has been in violation for many years and it is up to you whatever you do. The Potentates of your Temples have that responsibility. After all, they took an Oath of Obligation to enforce the Imperial Code and if they are allowing, for example, their units and Shrine Clubs to violate it, then that is up to them—that is their responsibility.

IMPERIAL POTENTATE OLFENE: The gentleman at microphone 3.

NOBLE HENRY PEARCE [Salaam Temple]: I have a question in two parts.

The first is to Jack Dean. Does this Article pertain only to Imperial Fezes as it is worded? . . . Cries of "no, no" . . .

NOBLE PEARCE: Secondly, if it is passed, does that mean that all Fezes will have to have the letters put on in silver or gold bullion rather than rhinestones?

IMPERIAL SIR DEAN: Well, currently, unless we go back and amend the other Sections of the Code, the answer to your question would be "yes," because those are illegal today. However, we are not changing that—that is not in the legislation.

Please, let us not get everything to do with Fezes all mixed up in what is in the legislation.

IMPERIAL POTENTATE OLFENE: Just a moment, gentlemen. I said at the outset, please, if you would, I would be as fair as I could and give people a chance to ask their questions and present any concerns that they have and I will continue in that line and, hopefully, we can move along.

Now, I am going to go next to the gentleman at microphone 2, if you do not mind, in the center aisle.

NOBLE CHARLES HACKETT [Habibi Temple]: Would not the subject as you have brought it up be corrected once and for all if you put an amendment in to include "embroidered or jeweled"? Ninety-nine percent of the Fezes are illegal now.

IMPERIAL SIR DEAN: After all, there is nothing to stop anybody from placing an amendment to this legislation from the floor if he so desires.

IMPERIAL POTENTATE OLFENE: Let me have the microphone for just a minute.

Now, I would like to call this to your attention.

In Section 213.1, sub-paragraph (d), it says "adornment" and reads as follows—"The embroidery on the Fez may be adorned with rhinestone jewels of a size no larger than those officially recognized by the Imperial Council as number twelve. One pin may be used to hold the tassel in place."

I will next recognize Noble Mahlon Hessey.

NOBLE HESSEY: Let me see if I can take a crack at resolving this confusion.

I would propose that we amend the proposal in sub-section (b) as follows: "The Imperial

Chaplain, Potentates, Past Potentates, Recorders and Divan members may have their titles embroidered in small letters in gold or silver bullion or rhinestone jewels" (delete the words "or silk") and then continue on "beneath the emblem on the Fez." Then, continuing, "active members of official uniformed units or official clubs of Temples may likewise have the names of their units or clubs on one line beneath the emblem on the Fez." Then continuing on to correct any grammatical errors—"Any official appointee of an Imperial Potentate or Potentate may have his title beneath the emblem as above for the term of his appointment."

Now, while that does not cure all of the present defects, it does take care of a substantial majority of them.

Now, I am getting some advice here at this point and if you will give me just one moment, I would like to clarify something here.

It is to make the last sentence read, "Any official appointee of an Imperial Potentate or Potentate or the Grand Master may have his title beneath the emblem as above for the term of their appointment."

I would urge that you accept that amendment and proceed.

. . . The proposed amendment was severally seconded at this point . . .

IMPERIAL POTENTATE OLFENE: Just a moment, hold it, gentlemen.

As I understand it, there is now a motion before you to add an amendment and it has been seconded. I think that takes precedence.

The question now is on discussion of the amendment as just proposed. Mahlon, do you have something further?

NOBLE MAHLON HESSEY: Yes, there seems to be some confusion here. In order to clarify this, I would take out the words "Grand Master" as I just read to you concerning the bottom portion of this Article and move that up to the top portion so that it would read—"The Imperial Chaplain, Potentates, Past Potentates, Recorders, Grand Masters and Divan members may have their titles embroidered in small letters in gold or silver bullion," etc., etc. I think that would clear it up.

IMPERIAL POTENTATE OLFENE: Now then, is that the proposed amendment?

NOBLE MAHLON HESSEY: Yes.

IMPERIAL POTENTATE OLFENE: And that has been previously seconded. Is there any discussion on the amendment?

IMPERIAL SIR KISSELBURGH: I rise in opposition to this resolution and any amendments to it whatsoever.

There has been an onslaught of these types of resolutions concerning this By-Law for many, many years and they have always been defeated. If we continue to muddy up the waters, then we are going to encourage illegal Fezes.

Now, I realize that there are illegal Fezes all over the land but at least they are being taken care of through the educational process rather than the punitive process and I think we should continue in that light. Therefore, I would urge you to defeat the resolution and the amendment. (Applause)

IMPERIAL POTENTATE OLFENE: I think we are going to have to take two separate actions here.

The first action that we are going to take is on the amendment as proposed—the amendment only.

All of those in favor of the amendment as presented by Mahlon Hessey please say aye; those opposed say no. I would have to say I believe the ayes have it by the necessary majority. (Applause)

Now we are going to vote on the proposal as amended. Is there any further discussion on the proposal as amended?

. . . The question was severally called for . . .

IMPERIAL POTENTATE OLFENE: There being no further discussion, all those in favor of the motion as amended please say aye; those opposed. Well, gentlemen, there is some doubt in my mind and so I will ask one of these gentlemen up here to help me. We will try to do this by a standing vote.

Again, all of those in favor of the passage of this Article as amended, will you please rise. Now, will you sit down and all of those who are opposed to the passage of this amendment,

will you please rise. Well, it is the opinion of the Chair that this proposal did not pass by the necessary majority.

... Cries of "no, no" ...

NOBLE HESSEY: I appeal the ruling of the Chair and request a written ballot.

IMPERIAL POTENTATE OLFENE: There has been a request for a written ballot. I certainly did not mean to do anything wrong but that is what I thought my vision indicated.

... The request for the written ballot was then seconded ...

IMPERIAL POTENTATE OLFENE: Well, again, there has been a request for a written ballot and it has been seconded. Now, in order to have a written ballot, it is my understanding that there must be a majority vote for a written ballot.

Therefore, all those in favor of a written ballot please say aye; those opposed no. We are going to have a written ballot and I am now going to recognize Joe Howell, the Chairman of the Tellers Committee, for his instruction relative to this ballot.

Well, just a moment, hold it, let me announce that we will use ballot number six, the cherry colored ballot, ballot number six.

Now, if you are in favor of the passage of the proposal as amended, and you have adopted the amendment to be added, you will mark your ballot number six with a "yes." If you are against that proposal as amended, you will mark your ballot with a "no."

NOBLE HOWELL: Let me add that it is not necessary for you to include the stub in the left-hand corner of the ballot. Again, you will use ballot number six, the cherry colored ballot.

DELEGATE [Yelduz Temple]: Imperial Sir, I wonder if we could again have read to us as to what we will be voting on? I would like to have the proposal as it presently stands, as it has been amended, read to us so we know essentially what we are voting on.

IMPERIAL POTENTATE OLFENE: Gentlemen, one moment, do not open the ballot as yet. Hold on for just a minute.

There has been a request that the proposal as amended be reread to you and I am going to adhere to that request and ask one of these gentlemen to come forward and read exactly what you are going to be voting on and then we will all, in turn, vote.

I will recognize the Chairman of Jurisprudence and Laws.

NOBLE PETTIT: Nobles, the motion as amended would read as follows. This would be subparagraph (b) entitled "Titles." It would read—"The Imperial Chaplain, Potentates, Past Potentates, Records, Grand Masters and Divan members may have their titles embroidered in small letters in gold or silver bullion or rhinestone jewels on one line beneath the emblem on the Fez. Active members of official uniformed units or official clubs of the Temple may likewise have the names of their units or clubs on one line beneath the emblem on the Fez. Any official appointee of an Imperial Potentate or Potentate may have his title beneath the emblem as above for the term of his appointment."

That is what you will be voting on.

... Cries of "right" ...

IMPERIAL POTENTATE OLFENE: Now, again, that is what you will be voting on. Again, if you are in favor of this you will indicate a "yes" on the ballot; if you are opposed, you will indicate by a "no" vote.

Does everybody understand?

... Cries of "yes" ...

IMPERIAL POTENTATE OLFENE: I will now declare the ballot open.

... Whereupon, voting and collection of ballots ensued ...

IMPERIAL POTENTATE OLFENE: Let me ask, are there any who have not yet balloted? Has everyone who wishes had sufficient time to cast their ballot? Are there any of you who have not balloted? Please raise your hands. Thank you very much. I will now declare the ballot closed and ask the Tellers to proceed toward the counting.

Now, while this is being done, gentlemen, if you will take your seats, I would like to introduce a very distinguished man in our midst, who you perhaps did see this morning at our official Opening Session. However, I know that he would like to bring his greetings to you and you would like to hear from him—a man that I have known for many, many years. I believe it was back in the time, I guess, when I was an officer in my Temple and this gentleman, at the same time, was on the Divan of Aleppo Temple and my best recollection is that he served as Potentate as Aleppo Temple in 1969.

I am happy to present to you Illustrious Stanley F. Maxwell, Sovereign Grand Commander, Ancient Accepted Scottish Rite of the Northern Masonic Jurisdiction. (Applause)

ILLUSTRIOUS STANLEY F. MAXWELL: Illustrious Sir, Illustrious Sirs and Nobles All: It is a great privilege for me to stand here and to bring to you the greetings from the Supreme Council of the Scottish Rite of Freemasons from the Northern Masonic Jurisdiction and with it my most warm fraternal greetings.

At the same time, I would report to you that about a month ago or six weeks ago I had a letter from the Sovereign Grand Commander of the Southern Jurisdiction, who stated that he was not able, because of the demands on his time, to be here and asked if I would also be kind enough to represent him. Therefore, I very kindly bring to you the warm cordial greetings from the Southern Jurisdiction as well as my own.

I am very happy that we are in a situation now where we are working together, as we have been doing for some time, as a true Masonic Family. This is very helpful to all of us and I am very pleased with it.

Now, as I was thinking a day or two ago about what I might say or stress to you, especially in relation to building up our Masonic Family, I thought the most important aspect along that line was the matter of communications. For example, it has bothered me no end that we have gotten into a situation where, for the most part, we do not communicate as we should communicate about our Masonic Order—communicate it to our sons, our grandsons and with whom we come into contact, whether it be at home, church, school or anywhere else.

This reminds me of something that I read awhile ago written by a prominent psychologist who wrote that we, each one of us, have at least 700 opportunities every day to say something and the chances are, if this is done, it comes to some 12,000 sentences under normal circumstances and that, when further extended, to approximately 100,000 words. These, in reality, are the opportunities it is said we have but, really, how many of us can remember what we said even an hour ago let alone a week or a month ago?

Further, I wonder, really, as to how many words we pass through our mouths every day that are really and truly important. How many of them, for example, convey any message at all about Freemasonry?

I think that is fair to report because we should be in situations where we are communicating not only with each other here but with our families, friends and associates?

You know, as Shrine Masons, and I hope we will really promote that title, I think we should be promoting Symbolic Lodge Membership and we ought to say that this is truly our lifeline.

Our Grand Master from Massachusetts this morning used the phrase "We are the voice of Freemasonry." Of course, I agree with him, that we are the voice of Freemasonry but, on the other hand, I think we ought to use our voice to the best advantage.

Thank you, Imperial Sir, for your courtesies and kindnesses in having me here. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you very much, Brother Maxwell, and it is my pleasure to have you with us. As you know, Stan, it is just great to have you with us.

Now, our ballots are still being counted and while that process is going on, let me say something about our staff.

I know, of course, that all of you are always hearing about the different people we have in our Headquarters Office and I want you to know, when you see them, who we are talking about immediately.

I would like to present to you a gentleman who is an outstanding individual, a truly dedicated man to our cause. He is the Executive Vice President of the Colorado Corporation, Lewis Molnar and, Lew, thank you for everything you have been doing and, I am sure, are going to continue to do for the Shrine and also personally for what you have done for me all throughout this past year. I want all of you to know Lew. (Applause)

Also, another individual I would like to present to you so that you know him when you see him again, is Charlie Cumpstone. He is the Executive Secretary for Fraternal Affairs, our Iowa affairs and I know that you Recorders and many of the others of you correspond with Charlie and talk with him on the phone. As I said, sometimes people ask me as to what these fellows actually look like and so, at this point in time, I want you to see Charlie and I also want to thank him for what he has been doing for the Shrine, what you have done, Charlie,

for both JoAn and me. I also wish to extend my thanks to your office staff, a great bunch of individuals. At any rate, here we have Charlie Cumpstone and thank you very much. (Applause)

I want to introduce to you a third member of the staff at Tampa. This is John Cawood. He is the Controller for the Shrine of North America, handles all of the financial aspects in relation to Colorado. He is a very dedicated member of our staff. John, thank you for what you are doing for the Shrine. John Cawood. (Applause)

Now, is Mike Andrews in the room? I understand he is not present at the moment but we will try to get to him later.

Now, let me ask our Chairman of Jurisprudence if he has anything on his desk to present while we are waiting for the results of the ballot?

Let me ask, is there anyone in the room that would like to present anything in the way of announcements while we are waiting here? Is there anyone who has any special comments to make? We have to wait for the result of the ballot but we still do have other business to conduct. The reason I am holding up here is that I do not personally think it is fair to go into other legislation that maybe you want to discuss or maybe even ballot on until the Tellers come back from their counting duties because each one of them, in turn, is also an elected Representative. Therefore, I do not think it would be right and proper to have them absent when we are taking up legislation.

Is Bill Vaughan in the room? Will you please come up here, Bill.

I am going to call upon Bill to give us a report concerning the Shrine Rooms-East. I am sure that most of you know this distinguished Shriner, a Past Grand Master of the State of Virginia and a Past Potentate of Kazim Temple. He is also the Chairman of our Shrine Rooms-East Committee. Please, Bill, will you give your report at this time.

NOBLE WILLIAM VAUGHAN: Imperial Sir, Illustrious Sirs, Brethren all: First let me say that I am not going to read this report—I am going to turn it over to our Recorder when I sit down to be inserted in our Proceedings.

However, I do want to say, in behalf of the Shrine Rooms-East, that I would like to invite you Nobles, invite your Divan and your Temples when they come to Washington, to take the subway or a cab (which is more expensive) but which now stops at the foot of the Hill and come in and see what we have in the George Washington National Masonic Memorial at Washington pertaining to Shrine Rooms-East.

In that Temple we have considerable memorabilia. As a matter of fact, they might even let you sit in the chair that George Washington sat in when he was the Master of Alexandria Lodge. I have had one or two people that we have managed to secure that privilege for.

You know, we have a great country here. I have been fortunate to be able to visit some forty-odd countries and have been in Lodges in about twelve of them and I have found that we all teach the same thing in relation to Masonry—to take good men and make them better—and whatever country I have been in, whether it has been India, Germany or China, I have found that Masonry is the greatest organization in the world outside of the Church of God.

I encourage all of you to inspire your Nobility, when it is possible for them to do so, to visit our George Washington National Masonic Memorial, specifically Shrine Rooms-East, and view all that we have there.

Thank you, Imperial Sir, for this opportunity. (Applause)

... There follows herewith the report of the National Shrine Rooms-East Committee as above-indicated ...

REPORT, SHRINE ROOMS-EAST COMMITTEE

To the Imperial Potentate, Imperial Divan and Imperial Representatives to the One Hundred Tenth Imperial Council Session, A.A.O.N.M.S.

Your committee is honored and pleased to submit its report on the administration of the Shrine Rooms East, located in the George Washington Masonic National Memorial for the year June 1, 1983 through May 31, 1984.

The committee met twice during the year, October 17, 1983 and May 21, 1984. Both meetings were held in the Board Room of the Memorial. Both meetings were well attended, all business was properly discussed and appropriate action taken. Items notable of reporting are as follows:

Displays and memorabilia are in excellent condition with several exceptions as herein detailed. A completed inventory along with his annual report was forward to Shrine Headquarters by Chief Custodian Frank L. Dority, as of June 1, 1984.

The Mechanical Parade and Topographic maps are regularly checked and minor repairs made by a member of Kena Temple at no expense to the Shrine. The air conditioning system is semi-annually checked by our maintenance contractor and reported in excellent condition.

At the request of the Public Relations Department in Tampa, two sets of negatives were made of the portraits of the Past Imperial Potentates, Past Imperial Treasurers and Past Imperial Recorders. This meant removing the portraits from the frames, photographing and returning the portraits to their frames. There were ninety-three portraits photographed. This work was done by a professional photographer, a member of Kena Temple, at considerable less than bids from other professionals. One set of negatives was forwarded to Tampa and the second set are stored in the safe of the Memorial.

The Shrine Rooms East were honored by a visit of the Imperial Potentate, Richard B. Olfene, and his wife on March 17, 1984. They were afforded an extended tour of the Memorial by the Assistant Administrator and a personalized tour of the rooms by the Chief Custodian.

A total of 44,564 people signed the Visitors Register during the period of this report. This is an increase of ten percent over prior period reported last year. It is hoped attendance will continue to improve and will go to numbers enjoyed several years ago.

As shown in the committee's report last year, expenditures are now reported on a calendar year basis. Expenditures for the Shrine Rooms East for the year 1983 were \$38,010 which was \$1,990 under amount budgeted. The only unusual expense anticipated through the year 1985 is herewith detailed.

There is no space left on the West Wall of the Imperial Room where the Portraits of the Past Imperial Potentates are displayed. Future portraits will be displayed on the East Wall. Like furnishings and indirect lighting need to be installed. Bids have been secured and forwarded.

Most of the Dioramas of the Orthopedic Hospitals are in bad shape. As some of the actual buildings have been remodeled or replaced, consideration will be given to updating this entire display area.

One additional item of major interest is about the Memorial itself. For the first time since the Memorial was dedicated in 1932, the outside is being cleaned. An acid solution mixed with sand and water is being applied under high pressure to the exterior granite. This work is now nearly completed and has greatly enhanced the appearance of the building.

We, the committee, conclude this report by again proclaiming the Shrine Rooms East to be Shrinedom's Greatest Showcase, by commending the staff on the pleasing and efficient manner they present the displays to the public and by conveying to the Imperial Potentate our sincere appreciation for permitting us to serve on this committee.

Respectfully submitted,

NOBLE VAUGHAN: Imperial Sir, with regard to our report, I would move that this report be received.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: It has been moved and seconded that this report be received.

All in favor say aye; opposed. The ayes have it and thank you once again, Bill.

I am now going to call on Imperial Sir Edward McMullan and have him give the report of the Circus Committee.

IMPERIAL SIR EDWARD G. McMULLAN: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Guests and My Fellow Representatives:

I am pleased to give the following report concerning the activities of the Imperial Circus Sub-Committee since our last Session.

The Ninth Annual Circus Meeting and Seminar was conducted October 20-22, 1983 at Murat Temple in Indianapolis, Indiana. Eighty-six Temples, comprising 218 Nobles, were represented, making it the largest circus seminar ever. Approximately ten circus producers were also in attendance.

The newly developed Shrine Circus Manual was made available to all Temples at that seminar. It contains information on all matters involved in the successful operation of a Shrine Circus. I am pleased to say that the second printing of the Manual is just about completed and should be available within the next month. The revised edition provides some updated information as well as some new material and a new cover. I might add, this is provided at no charge.

Your Imperial Circus Committee is presently working on plans to improve the current method used in the workshop forum presentations. New and innovative ideas are being developed to better educate Temples on the proper procedures and techniques for sponsoring a Shrine Circus. Educating Temples and their Circus Chairmen on the best possible methods for running a Shrine Circus is extremely important, not only to its success but, more significantly, to the Shrine's image for trade in the community and throughout North America during its production.

The 1984 Circus Meeting and Seminar will be held October 26-27 at Murat Temple, Indianapolis. If your Temple currently sponsors a Shrine Circus or plans to in the future, I strongly urge you to send a representative to this seminar. Further information and application forms will be forwarded to you this fall.

As an interesting point of information, I would like to mention a couple of statistics taken from a recent survey which contained a section on fund raising.

Of our 185 Temples, 158 sponsor a Shrine Circus, of which eighty-nine are strictly for the benefit of their Temples.

It is also interesting to note that 123 Temples consider the circus to be their best fund raising project.

So, as you can see, the circus is big business and very important to a great majority of our Temples.

Your Imperial Circus Committee stands ready to provide whatever assistance is necessary concerning the many facets involved in sponsoring a successful Shrine Circus.

In concluding this report, I wish to extend my thanks to our Imperial Recorder, Jack Jones and Illustrious Sir Cecil M. Byrne of Murat Temple, the co-Chairmen of this committee and also the committee members for the fine work they have done this year.

Imperial Sir, that concludes my report and I would move for its acceptance.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: You have a motion and a second to accept the report. Is there any discussion?

If not, all in favor please say aye; opposed. It is unanimous and thank you, Ed, for a good report and a good job.

I am next going to call on Imperial Sir Voris King to present the report of the Membership Committee.

IMPERIAL SIR VORIS KING: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs, Distinguished Guests and Fellow Representatives:

A year ago at this time I had to report to you a continued slip in our membership, not only a continued slip but an increase in the rate of that slippage. This year, however, I am able to report to you that while we continued on the losing end, the rate of loss leveled off in the year 1983 and while this is not in and of itself a cause for celebration, it is perhaps an indication that we have an opportunity to turn the corner.

One of the bright spots of the year 1983 was an actual reduction in the rate of suspensions for non-payment of dues of our Nobles. The suspension rate decreased by over 800 as the Imperial Council Suspense Program entered its second year and more and more Temples increased their activity in the suspension area. As always, while the work we do at the Imperial level is helpful, it can never be as effective as a good program at the local level.

The figures for the first six months of this year are, as yet, incomplete, but there is a very strong indication that they will still improve greatly over last year.

Perhaps we can credit the Harry S. Truman Program, or the Imperial Council Membership Award Program or, hopefully, we can credit the fact that our Temple Officers are simply doing a more aggressive and better job of obtaining new members.

Let us face it—no program, no incentive award will ever replace good, hard work and if we are experiencing a turn around, then your hard work is the reason.

No thing would make my tenure as Membership Chairman more gratifying than if, at the end of this calendar year, we in fact did see that turn around.

During my term as Membership Chairman, I have witnessed a definite increase in the concern of all of the Masonic-related bodies over the deterioration of membership.

Several times this last year, Imperial Potentate Richard B. Olfene has advised me and the other members of the Imperial Divan that in all of his visits to Shrine Temples across these three great nations of ours, he has found an ever-increasing awareness of the need for strong membership programs. I feel today I can tell you that there is no complacency. Your Imperial Divan is committed, to a member, in doing all that it can to see that leadership from the Imperial level is given in the solution of this membership problem.

Over the next few months, meetings will be held that will include the Chairmen of Membership, Masonic Relations, Endowments, Wills and Gifts, Public Relations and the Masonic Relations and Membership Development Committees to assess the results of the Harris Poll and what they tell us about our membership. All areas are going to be weighed carefully and long-range programs will be developed around the results of this poll.

I am proud to be a part of this and to have had the opportunity to serve you as the Imperial Council Membership Chairman for the past two years. I appreciate all you have done and urge you to never stop your efforts in the membership area and I know that you will support future Membership Chairmen in their endeavors to put back growth into this great Shrine Association to where it should be.

This concludes my report, Imperial Sir, and I would move the acceptance of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: You have a motion and a second before you to accept the report. Is there any discussion?

If not, all in favor of the acceptance of the report please say aye; opposed. It is unanimously carried.

Thank you, Voris, thank you very much and also our thanks to your committee for their hard and diligent work.

We, of course, know that membership is the lifeline of this organization and I am convinced we are now working together more and more each day as a Masonic Family, as evidenced by the great support that we have received here by the attendance of our Grand Lodge Officers and our distinguished guests. Working together, gentlemen, we are going in the right direction.

I will now present to you Joe Howell, Chairman of Tellers, to give you the results of the ballot.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Representatives: It is with pleasure that I give you the results of ballot number six.

There were a possible 827 votes and 789 actually voted. There were seven spoiled ballots. Necessary for choice was 526.

The vote was distributed as follows: Yes, 555; no, 227.

IMPERIAL POTENTATE OLFENE: You have heard the results and therefore, I declare that Item 9 in the Call passed as amended. (Gavel)

We are now going to look at another item before we take up the matter of election of the Imperial Divan Officers as we mentioned to you this morning.

I am now going to ask you to go to Item 8, the one offered for withdrawal and denied and, therefore, I will now turn it over to Walter Pettit for presentation.

NOBLE WALTER PETTIT: Imperial Sir, Imperial Sirs and Representatives: I think you decided we were going to get this piece of business out of the way. This is the report of the Committee on Jurisprudence and Laws, Iowa Corporation.

To the Representatives of the Imperial Council:

There has been re-referred to your Committee on Jurisprudence and Laws Item number 8 on the Call of the Annual Session of 1984 and it is located on page 18 of the Call. It is proposal to amend Section 213.1 of Article 13 of the By-Laws of the Iowa Corporation by adding certain language so that such Section, as amended, will read as follows:

ARTICLE 13

Fez, Emblems, Colors and Jewel

Section 231.1 Fez. The exclusive head covering of the Order shall be the red Moroccan Fez adorned with a black tassel on the left side thereof.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Walter S. Pettit, Jr., Chairman

Edward G. Maag

Robert E. Cooper

Theodore Corsones

Robert C. Lake, Jr.

Robert W. Morrison

Gerald L. Davis

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call on Imperial Sir Jack Dean, Chairman of the Emblems and Regalia Committee for its report.

IMPERIAL POTENTATE OLFENE: Imperial Sir Jack Dean is recognized.

IMPERIAL SIR DEAN: To the Representatives of the Imperial Council:

There has been rereferred to your Committee on Regalia and Emblems Item 8 of the Call, amending Section 213.1 of Article 13 of the By-Laws of the Imperial Council.

The proposed amendment provides that the tassel may be worn on the left side of the Fez only.

The proposed amendment reads exactly as shown in the Call and read to you in the report of the Jurisprudence and Laws Committee.

Your committee is divided and therefore makes no report. The committee is composed of Imperial Sir Tony Bukey, Imperial Sir Ed McMullan and myself. (Laughter)

IMPERIAL POTENTATE OLFENE: I will now call on Ed McMullan, the proposer of the legislation.

IMPERIAL SIR ED MCMULLAN: Imperial Sir, I move for the adoption of this proposal, after which I shall speak on it, once I get a second.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: You are the first speaker, Ed, go ahead.

IMPERIAL SIR MCMULLAN: Imperial Sir, Imperial Sirs and Fellow Representatives: I brought that proposal to the floor and you decided today, by your actions, to clean up the Fez.

As a member of the Protocol Committee and Emblems and Regalia, as I travel along, I get these questions thrown at me and there is not anything in the By-Laws that says you cannot wear your tassel wherever you like—wear it in the front of your face, behind your back or anywhere you want.

Now, the reason for that, gentlemen, and it never came into being for that, in my mind, if you will look back and see some of the older Fezes, they were very, very small, did not have

all of this paraphernalia on them and they did not look like inverted cans of some kind with all kinds of regalia.

Now, when it came into being that we got uniformed units and other military functions that we participate in, competitions, etc., we began to doll up our outfits, our uniforms and our head gear and at that time you decided we would pin the tassel down because, being a little free-wheeling tassel as they used on the real Fez, then you would have that tassel just moving freely. At that time, it did not go below the edge of the Fez and today some of them are way down here (indicating) and some are longer than mine and longer than what you are wearing and you have to hold them in place.

We must have some form of authorization to stipulate to our troops when they are in competition, on parade, and those are the people I am mainly concerned with, "Fellows, this is where the tassel should be and I should like to see it there." However, they say, "Well, you have no authority."

So, gentlemen, I would ask that you pass this legislation. Thank you very much.

IMPERIAL POTENTATE OLFENE: Now, Ed was the first speaker. Is there anybody else who desires to come to the microphone and speak?

The gentleman at microphone 1, please.

NOBLE MARTIN LOFERSKY [Sabbar Temple]: Imperial Sir, Imperial Sirs, Nobles All and Fellow Representatives: You will notice that the Fez I am wearing has the tassel on the right side. I ask for your mercy. I ask for your mercy. (Laughter) My office next year is going to be a tough one as it stands right now but we have to all go home and clean the fronts of our Fezes up.

I, as well, if this legislation passes, have to go home and also tell my 3,100 members to remove their tassel, after sixteen years, from one side to the other side.

... Cheers and applause ensued ...

NOBLE LOFERSKY: I know, of course, you would love to do that to me. (Laughter)

May I please ask this of you. You know, the gentleman who spoke just before asked that we have some form. Well, we have some form. Most of us wear it on the left. We have been wearing it, for sixteen years, on the right side. Whether it is the right side or the left side, I think it is the uniform position. If we pass this, I would only ask that Sabbar Temple be excluded. (Laughter)

Nobles, please have some mercy now. (Laughter)

I ask that this be defeated only because I believe it is a small request on our part and when we talk about cleaning up the Fez, I believe we have done an adequate job today. You know, we are all going to go home and have a difficult time as it is enforcing what we have to go home and face.

I would ask that maybe we delay this for a couple of years, fellows. I ask that it be defeated and I ask for your mercy. Thank you.

IMPERIAL POTENTATE OLFENE: The gentleman at microphone 2.

NOBLE LEONARD HOWARD [Kerak Temple]: I am speaking in favor of the proposal.

I like the gentleman who has just spoken very much and have a lot of mercy for him but not to that extent. (Laughter)

Illustrious Sir, the great West was pioneered by a great number of leaders who wore coonskin caps. If this proposal does not pass, I am going to suggest that we wear our tassel in the back, similar to a coonskin cap. (Laughter)

IMPERIAL POTENTATE OLFENE: Just a moment, please. The next speaker will be Imperial Sir Tony Bukey.

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs, Distinguished Representatives of the A.A.O.N.M.S.: I happen to think that we wear a real Fez. I disagree with my colleague that, unlike the real Fez, which was a comment he made, I happen to think this is a real Fez. I happen to believe the Sabbar Temple wears this Fez as proudly as any Temple in North America.

You have just pardoned yourselves of many, many years of violating Imperial Law by the legislation that just preceded this. I voted for this legislation because I happen to believe that it was a proper piece of legislation. So I have forgiven you for violating what was Imperial Law.

Further, we at Sabbar have violated no Imperial Law. We have simply chosen to wear the tassel on our Fez on the right side as a show of respect to the 184 Temples who chose to wear theirs on the left.

When I was elected an Imperial Officer of this great Shrine and to show respect to you, I changed mine and now I am asking you to be considerate of the fact and defeat this resolution.

I think, as we reconvened here this afternoon, and saw that film put out by the Public Relations Department, I think we have more important things to do at this Session than nit-pick about who is wearing the tassel on what side and, therefore, I hope you will defeat this.

IMPERIAL POTENTATE OLFENE: Just a minute now, hold it, let us be fair with one another.

Let me ask the gentleman at the microphone if he proposes to speak for or against?

NOBLE DERRICK PAINE [Al Malaikah Temple]: I have a question of information.

Imperial Sir, Imperial Sirs and My Fellow Representatives: During the last number of years that I have had an opportunity to be at these Imperial Sessions, I have been questioned as to why I have worn my tassel on the right-hand side and I would like to explain that to you.

Ours is not similar to the other Temples who have spoken.

I have had our Recorder, a Past Potentate, research it and in 1912, at the Imperial Session, for services performed to the Imperial Potentate, he allowed the members of the Al Malaikah Patrol to move their tassel from the left to the right side and, by tradition, those men have worn their tassel on the right-hand side since 1912 and those members of the Divan who have come out of that patrol, as a tradition, have worn their tassel on the right-hand side.

On our Divan there are two men who are not out of the patrol currently and they wear their tassel on the left-hand side.

I am well aware of the legislation proposed and I would ask this august body to consider this tradition that Al Malaikah has had over these many, many years and I would propose an amendment to the proposed legislation that they be excluded as a matter of tradition. Thank you, Imperial Sir.

... Cries of "no, no" ...

IMPERIAL POTENTATE OLFENE: Wait a moment now, let me get this clear. When you are saying "they be" are you referring that the unit be, is that what you are asking? Will you state your amendment again, please?

NOBLE DERRICK PAINE [Al Malaikah Temple]: Imperial Sir, I ask that the members of the Al Malaikah Patrol be excluded since they have worn them since 1912 on the right-hand side.

IMPERIAL POTENTATE OLFENE: Thank you, and that is put in the form of an amendment to the proposed legislation. Do I hear a second?

... The amendment was duly seconded ...

IMPERIAL POTENTATE OLFENE: The amendment is before you and we will discuss the amendment.

Does anyone have anything to say on the amendment? Do you all understand what the amendment is?

NOBLE J. B. HOPKINS: Imperial Sir, I would like to propose an amendment to the amendment. (Laughter) It is perfectly legal.

IMPERIAL POTENTATE OLFENE: Yes, it is.

NOBLE J. B. HOPKINS: Since Walker Kisselburgh came out of the patrol, was a man of the patrol and to distinguish him for his great services, I move an amendment to the amendment that he wear his in the back with the posterior of a horse underneath. (Laughter and applause)

IMPERIAL POTENTATE OLFENE: J. B., you are okay. However, just to clear the record, and I am not speaking for Walker, but I do not think Walker came out of the patrol. (Laughter) Be sure that is in the record, Ernest, now will you not? (Laughter)

Now we are speaking to the amendment to set aside the Al Malaikah Patrol. This gentleman over here.

NOBLE J. DICK SISEMORE [Past Potentate, El Bekal Temple]: I would like to speak on the amendment to the amendment. This is serious.

As has been stated by the Potentate of Al Malaikah Temple, the patrol at El Bekal, which came out of Al Malaikah, had always worn their Fezes with the tassel on the right side, as you see I am wearing mine.

I think that a man who has belonged to the patrol, who has served as Potentate, and we now have our fourth patrol, should have that right and so I would like to ask to have this amended so that we can go along with Al Malaikah and wear our tassels on the right.

IMPERIAL POTENTATE OLFENE: Just a moment, let me be sure I understand. You are asking for a particular unit?

NOBLE SISEMORE: An amendment to the amendment.

IMPERIAL POTENTATE OLFENE: Are you talking about your patrol?

NOBLE SISEMORE: I am talking about the members of El Bekal Temple.

IMPERIAL POTENTATE OLFENE: That they be added to that, is that what you are saying?

NOBLE SISEMORE: Yes. I have reference to El Bekal Temple.

... Cries of "no, no" ...

IMPERIAL POTENTATE OLFENE: I want to be as clear as I can. Will you state exactly what you propose as the amendment to the amendment?

NOBLE SISEMORE: I would like to have the amendment amended to extend the privilege that the members of the El Bekal Temple Patrol be permitted to wear their tassel on the right side.

IMPERIAL POTENTATE OLFENE: Now, I do not believe we got a second to his amendment, did we?

... Cries of "no" ...

IMPERIAL POTENTATE OLFENE: Is there a second?

... The amendment was seconded at this point ...

NOBLE BILL VAUGHAN: Speaking to the amendment, Imperial Sir, I would like to ask a question if I may be permitted to do so.

If I understand it correctly, as of today, without the motion passing, there is no law on it?

IMPERIAL POTENTATE OLFENE: I believe that is correct.

NOBLE VAUGHAN: Then would we not save ourselves a lot of problems and discussion if we just kill this amendment—just kill all of this and leave them alone? (Applause)

IMPERIAL POTENTATE OLFENE: We are speaking on the second amendment now.

NOBLE MARTIN LOFERSKY [Sabbar Temple]: I make a motion that this be indefinitely postponed.

... The motion was duly seconded ...

NOBLE LOFERSKY: I am looking for a second—or tabled.

... The motion was duly seconded ...

NOBLE LOFERSKY: It has been seconded, Imperial Sir.

IMPERIAL POTENTATE OLFENE: I understand.

The issue, as I understand it, and, excuse me, and I am not an attorney, thank God (laughter), and help me here, fellows, but I think it is correct that the motion that the man has made is a debatable motion.

... Cries of "no, no" ...

IMPERIAL POTENTATE OLFENE: He did not table it.

NOBLE LOFERSKY: Imperial Sir, I move that all pending matters regarding this item be tabled.

IMPERIAL POTENTATE OLFENE: Now, wait a moment, what is your last word?

NOBLE LOFERSKY: "Tabled."

IMPERIAL POTENTATE OLFENE: Well now, that is another story. Now, Representatives, the same man has changed his motion from "postponing indefinitely" to "tabling."

Now, we have to get some kind of order here, and I am sorry I got you fouled up, but I maintain that unless he specifically gets the seconder to withdraw what he last said, I believe the motion to indefinitely postpone is before the body and it is a debatable issue. Is that not correct?

... Cries of "yes" ...

IMPERIAL POTENTATE OLFENE: Well, now, you can discuss whether you want to indefinitely postpone it. You can discuss that, correct?

... Cries of "yes" and cries of "question" ensued . . .

IMPERIAL POTENTATE OLFENE: And if you say aye to this, you will indefinitely postpone this issue as recommended by this motion.

All in favor of the postponement will say aye; those opposed say no. Well, back to the drawing board—we are now back to discussing the amendment to the amendment.

DELEGATE: Mr. Chairman, I ask that this be clarified because I do not believe that the question was properly understood on the floor.

... Cries of "no" . . .

IMPERIAL POTENTATE OLFENE: That is too late.

Well, now, as I recall it, if this passed, it would exclude El Bekal Temple from this, if it passed, and it would allow them to continue to wear the tassel on the right side of the Fez.

Let me ask El Bekal Temple, is that correct?

Well, just a moment, I will recognize the Chairman of Jurisprudence and Laws.

NOBLE WALTER PETTIT: The amendment to the amendment, as it was understood by the Jurisprudence and Laws Committee, is to add El Bekal Temple to the exclusion proposed by the member of Al Malaikah Temple with regard to his patrol.

... Cries of "right" . . .

NOBLE WALTER PETTIT: You are voting on the amendment to the amendment, which would be to permit the addition of El Bekal Temple to the amendment of Al Malaikah.

IMPERIAL POTENTATE OLFENE: We are now going to take a vote on the amendment to the amendment, which is to add El Bekal Temple as indicated. It is seconded.

REPRESENTATIVE: Imperial Sir, that is a third degree motion and that is illegal.

IMPERIAL POTENTATE OLFENE: The Chair declares that is illegal.

... Cheers and applause ensued . . .

IMPERIAL POTENTATE OLFENE: We are now back to the amendment.

... The question was then severally called for . . .

REPRESENTATIVE: Imperial Sir, a point of order.

Some of us do not know what the relationship of El Bekal is to this whole issue. I do not think we can vote on anything unless we know what they are really talking about. We do not know who they are, for example, and what right they have in relation to their patrol.

NOBLE WALTER PETTIT: We, to clarify, presently have the amendment to the amendment before the House, which is to add El Bekal Temple to the exclusion proposed originally relative to Al Malaikah Temple with regard to its patrol. You are voting whether El Bekal can be added to the amendment.

IMPERIAL POTENTATE OLFENE: I am now going to put the question.

All in favor of this amendment please say aye; opposed no. I declare the amendment to be lost.

NOBLE LOFERSKY [Sabbar Temple]: Imperial Sir, I once again make a motion to table.

IMPERIAL POTENTATE OLFENE: That motion is not debatable. Am I correct? It is not debatable. The question is to table this proposal in its entirety. That is the question before you.

Now, if you wish to table this please indicate by saying aye; now those in opposition to tabling please say no. The motion to table has failed and we are now again ready to go.

Now, we are going to vote on the first amendment that was put on, which was to exclude, in the original motion, the Al Malaikah Patrol. This is the first amendment that was presented. In other words, if you vote in favor of that amendment, then you will be attaching the exclusion of that proposal to this legislation. If you vote in the negative, you are denying exclusion of Al Malaikah Temple to the original proposal.

I am going to call for the question because I think we have debated this long and fair enough.

Again, this will be a vote relative to the exclusion of Al Malaikah Temple.

All in favor will please say aye; opposed no. That has lost and we are now back to the original piece of legislation.

... The question was severally called for . . .

IMPERIAL POTENTATE OLFENE: The question has been called for. We are going to vote, fellows.

Now, all in favor of the passage of Item 8 in the Call, all in favor of adopting this will now

say aye; all those opposed to adopting it please say no. I declare it has passed by the necessary two-thirds majority.

... Cheers and applause ensued ...

IMPERIAL POTENTATE OLFENE: I would now like to ask that all of the nominators for the various Imperial Officers please come immediately to the corner here and sit on these chairs so that they may move forward rapidly. That is whoever they are.

Further, if you will all cooperate with me, we will move right along. All right, gentlemen, will you please give us up here on the stage your attention for a few more moments and we will try to move right through this.

I am now declaring open for election the Office of Imperial Captain of the Guard and I will call on the nominator, the Chief Rabban of Sabbar Temple, and I believe that is correct.

NOBLE MARTIN LOFERSKY [Sabbar Temple]: Imperial Sir, Imperial Sirs, Grand Masters, Illustrious Guests and Fellow Representatives: It is with great pleasure and honor that I bear the standard of Sabbar Temple this year and place in nomination for the Office of Imperial Captain of the Guard a Noble of the Mystic Shrine by the name of Richard L. Bukey for the year 1984-1985. Thank you.

... The motion was severally seconded ...

IMPERIAL POTENTATE OLFENE: Are there other nominations?

... It was severally moved and seconded that nominations be closed ...

IMPERIAL POTENTATE OLFENE: All in favor of closing nominations please say aye; opposed no. It is carried.

All in favor of the election of Richard Bukey to the Office of Imperial Captain of the Guard please say aye; opposed. It is unanimously carried.

Let me ask you, Tony, do you accept?

IMPERIAL SIR BUKEY: Imperial Sir, I certainly do and I thank all of you for the vote of confidence you have shown me. (Applause)

IMPERIAL POTENTATE OLFENE: I will now open nominations for the Office of Imperial Marshal and recognize Kenneth Barron, Potentate of Sharon Temple.

NOBLE KENNETH BARRON [Sharon Temple]: Imperial Sir, Illustrious Sirs and Nobles All: It is with great pride and pleasure, speaking for the 4,300 Nobles of Sharon Temple located in Tyler Texas, that we nominate one of our own—a Past Potentate and one of the outstanding Shriners of North America—Everett Evans, to the position of Imperial Marshal of the Shrine of North America.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: The motion has been made and seconded.

NOBLE BARRON: And also that he be elected by acclamation—that we cast a unanimous ballot.

IMPERIAL POTENTATE OLFENE: I think we can do all of that in one action. I do not think anybody will have any objection to that.

All those in favor of electing Everett Evans to the position of Imperial Marshal please say aye; opposed. I declare you have elected Imperial Sir Everett Evans to the Office of Imperial Marshal for the ensuing year. Let me ask you, Everett, do you accept?

IMPERIAL SIR EVANS: Imperial Sir, I do accept and it is with a humble heart that I say that I will continue to serve you in the best way that I know how. Thank you all very much. (Applause)

IMPERIAL POTENTATE OLFENE: I will now call on Albert Hibbert, Potentate of Lu Lu Temple, for a nomination for Imperial Second Ceremonial Master.

NOBLE ALBERT HIBBERT [Lu Lu Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: On behalf of all the Nobles of Lu Lu Temple who are celebrating their one hundredth anniversary this year, it gives me great pleasure and pride to offer in nomination the name of Imperial Sir John Wesley Dean for the Office of Imperial Second Ceremonial Master.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: It has been seconded and, if there is no objection, I will ask you, all those in favor of the election of Imperial Sir Dean to the Office of Imperial Second Ceremonial Master please say aye; opposed no. It is unanimous and, Jack, do you accept?

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and Fellow Representatives: It is with deep gratitude that I say thank you to each and every one of you and I will continue to serve you as best I can. (Applause)

IMPERIAL POTENTATE OLFENE: I will now recognize Bill Barrineau, Past Potentate of Al Sihah Temple to make a nomination for the Office of Imperial First Ceremonial Master.

NOBLE BARRINEAU [Al Sihah Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: It is a genuine pleasure to stand before you again and nominate the fellow Georgian who now lives in the San Francisco Bay area of California for the ensuing year as First Ceremonial Master. I place in nomination for this office, Imperial Sir Joseph Padgett.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Are there further nominations? If not, all in favor of casting your ballot for Joe Padgett for Imperial First Ceremonial Master for the ensuing year, please say aye; opposed no. It is unanimous. Joe, do you accept?

IMPERIAL SIR PADGETT: Imperial Sir, Imperial Sirs and Fellow Representatives: Thank you for your confidence. I will continue to serve you to the very best of my ability. (Applause)

IMPERIAL POTENTATE OLFENE: I will now recognize Charles Oakes, Potentate of Egypt Temple, for the purpose of making a nomination for Imperial Recorder.

NOBLE CHARLES OAKES [Egypt Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: Our Imperial Recorder, Imperial Sir Jack Jones, has served Shrinedom in a most capable and dignified manner. I am confident he will continue to do so with your continued support.

At this time, it gives me great personal pleasure and honor to place in nomination, for the position of Imperial Recorder, my good friend and yours, Imperial Sir Jack Jones.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Are there further nominations?

Hearing none, all in favor of reelecting Jack Jones as Imperial Recorder, please say aye; opposed no. It is unanimous and, Jack, do you accept?

IMPERIAL SIR JONES: Imperial Sirs and Representatives, I do indeed accept with pleasure and promise to continue to do my very best for you.

IMPERIAL POTENTATE OLFENE: For nomination to the Office of Imperial Treasurer, I will now recognize R. S. "Stu" Lang, Past Potentate, Egypt Temple.

NOBLE R. S. LANG [Egypt Temple]: Imperial Sir, Imperial Sirs and Representatives: I ask your indulgence for a somewhat longer nomination for the Office of Imperial Treasurer.

You know, the Office of Treasurer is rather unique in this organization because it is a very important office and requires dedication to the job.

Now, perhaps some of you do not know too much about Webb Harrington. He does not have the opportunity to make himself known to as many of you as the other Imperial Officers do and so I would just ask you to give me a minute to have me try to tell you a little bit about him.

... Cries of "no, no" ...

NOBLE LANG: Well, I had such a nice talk for all of you. (Laughter)

However, let me say that Webb is one of the most impressive individuals I have ever met. He is a very capable and dedicated man and is entitled to your reelection to the Office of Imperial Treasurer for the ensuing year and I therefore would place his name in nomination and solicit your support.

Are there any further nominations?

IMPERIAL POTENTATE OLFENE: I already have that taken care of. Do I hear a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: All in favor of reelecting Webber Harrington to the Office of Imperial Treasurer, please say aye; opposed no. It is carried and, Webb, do you accept?

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and my Fellow Representatives: I take this vote as a vote of confidence in what I have been doing and trying to do for the last three years in relation to the financial planning for our great organization. I do in all humility accept. Thank you very much. (Applause)

IMPERIAL POTENTATE OLFENE: I will next call on William Griffith, Potentate of Crescent Temple for a nomination to the Office of Imperial Oriental Guide.

NOBLE WILLIAM GRIFFITH [Crescent Temple]: Imperial Sir, Imperial Sirs, Fellow Representatives, Divan Officers and Nobles All: It is a pleasure, on behalf of the Nobility of Crescent Temple, Trenton, New Jersey, to nominate Imperial Sir George Washington Powell for the Office of Imperial Oriental Guide for the ensuing year.

If there is no objection, I move that the rules be suspended and that you cast a unanimous ballot for the election of Imperial Sir Powell to the Office of Imperial Oriental Guide.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE OLFENE: All in favor of the election of George Powell to the Office of Imperial Oriental Guide for the ensuing term please say aye; opposed no. It is carried and, George, to you accept?

IMPERIAL SIR POWELL: I sure do. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you and I will next recognize Harry Alger, Past Potentate of Al Azhar Temple, for a nomination for the Office of Imperial High Priest and Prophet.

NOBLE HARRY ALGER [Al Azhar Temple]: Imperial Sir, Imperial Sirs, Fellow Representatives and Nobles All: It is my privilege and pleasure to appear before you once again to place in nomination for the distinguished Office of Imperial High Priest and Prophet the name of our present Imperial Oriental Guide, who has served us extremely well for the past twelve months in that capacity, Edward G. McMullan, a Past Potentate of Al Azhar Temple, Alberta, Canada.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE OLFENE: The nomination has been made for Edward G. McMullan for the Office of Imperial High Priest and Prophet. All those in favor will please say aye; opposed. It is carried and, Ed, do you accept?

IMPERIAL SIR MCMULLAN: Imperial Sir, Imperial Sirs and Fellow Representatives: I thank you very much for your continued support and confidence and I shall continue to support you and I do accept. (Applause)

IMPERIAL POTENTATE OLFENE: I will recognize William King, Assistant Rabban of Habibi Temple, for a nomination for the Office of Imperial Assistant Rabban.

NOBLE WILLIAM KING [Habibi Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I place in nomination the name of a man whom I especially admire, love and respect. I proudly nominate my father, Imperial Sir Voris King for the Office of Imperial Assistant Rabban for the ensuing year.

. . . The motion was duly seconded . . .

. . . Laughter and applause ensued . . .

IMPERIAL POTENTATE OLFENE: The name of Imperial Sir Voris King has been placed in nomination for the Office of Imperial Assistant Rabban for the ensuing year. All in favor please say aye; opposed. It is carried. Voris, do you accept?

IMPERIAL SIR KING: Very humbly and with pleasure I thank you for the confidence that you have placed in me. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, Voris.

I will now call on Warren Davis, Potentate of El Kahir Temple for a nomination for the Office of Imperial Chief Rabban.

NOBLE WARREN DAVIS [El Kahir Temple]: Imperial Sir, Imperial Sirs, Nobles and Representatives: I have the distinct pleasure and privilege of placing in nomination, for the Office of Imperial Chief Rabban, the name of Dr. Russell Anthony.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE OLFENE: The name of Dr. Russell Anthony has been placed in nomination for the Office of Imperial Chief Rabban. Those in favor will please say aye; opposed no. It is carried and, Russ, do you accept?

IMPERIAL SIR ANTHONY: Imperial Sir, it is with great humility and pride that I accept. I thank all of you very much. (Applause)

IMPERIAL POTENTATE OLFENE: I now recognize Derrick Paine, Potentate of Al Malaikah Temple, for nomination for the Office of Deputy Imperial Potentate.

NOBLE DERRICK PAINE [Al Malaikah Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: A few months ago I had the privilege of attending a seminar at St. Louis and the question was asked me, "Is it true (and I might say that the answer is yes) that

Walker Kisselburgh does possess those unique qualities which qualify him for the position he so richly deserves?"

Of course, there is no question as to his ability. Further, I have known Walker for quite a number of years and would like to commend him for his great work with Shriners Hospitals for Crippled Children and Endowments, Wills and Gifts and we of Al Malaikah Temple are very proud of him and it is my pleasure, as Potentate, to place his name in nomination for the Office of Deputy Imperial Potentate of the Shrine of North America.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Are there further nominations?

There being none, those in favor of the election of Walker Kisselburgh to the Office of Deputy Imperial Potentate for the ensuing year, will please say aye; opposed no. The ayes have it and, Walker, do you accept?

IMPERIAL SIR KISSELBURGH: First of all, to the fellow Representative who told me what I could do with this tassel (laughter), may I say to you that with a little more effort, we can become total strangers. (Laughter and applause)

Also, to my great surprise, I heard Imperial Sir Gene Bracewell second my nomination. (Laughter) Therefore, as you can see, this has been quite a day.

However, yes, I do accept and I thank all of you very much. (Applause)

IMPERIAL POTENTATE OLFENE: Now, before I call on the next nominator, let me say that I want to personally and before each and every one of you gentlemen, congratulate the gentlemen that you have just elected to these respective offices. We have been together over many years and they are all fine people and their hearts are where you want them to be—dedicated to the best interest of the Shrine of North America.

And now, for a great honor, we are going to elect a new Imperial Potentate and at this time, I would like to present to you Marcy M. Eisenburg, Potentate of Yaarab Temple, for a nomination for the Office of Imperial Potentate of the Shrine of North America.

NOBLE MARCY EISENBURG [Yaarab Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I did have a long speech that I was going to present but everyone seems to be in a hurry, so I am going to say that I would like to place the name of a Noble in nomination whom I always have known as a devoted Shriner and dedicated to our Shrine Hospitals.

It is with honor that I place in nomination the name of Imperial Sir Gene Bracewell for the Office of Imperial Potentate of the Shrine of North America for the ensuing year.

... The motion was severally seconded ...

IMPERIAL POTENTATE OLFENE: It has been moved and seconded that you cast your ballot for the election of Imperial Potentate for the ensuing year for Imperial Sir Gene Bracewell.

Therefore, those who are in favor of the election of Gene Bracewell will please say aye; those opposed please say no. The ayes have it and, Gene, you are elected. Do you accept?

... Rising applause ensued ...

IMPERIAL SIR BRACEWELL: Thank you very much.

You know, I was getting quite a bit nervous there a bit ago because I was just waiting with the thought in mind that Walker Kisselburgh was, when my turn came around, going to jump up and make a motion to postpone the election indefinitely. (Laughter) At any rate, that is why I moved over next to him.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Grand Masters, My Fellow Nobles and Representatives: I do accept and I might add it is with a deep sense of humility and sincere appreciation.

I do want to thank everyone, especially the Imperial Divan and Board of Trustees, for all the support and cooperation that they have given to me over these past years—especially for the confidence they have placed in me as well as you fellows here today with your votes of confidence.

If I might, I would like to, at this time, and I will not take but a second, recognize some special friends and supporters of mine here. I would ask that you hold your applause until I complete these introductions.

First, I would like to have our Illustrious Potentate of Yarrab Temple stand, Marcy Eisenburg.

Also, I would like to have the Divan of Yaarab Temple please stand. Where is the Divan? They are there in the back.

Also, at this time, I would like to ask a very special group of friends of mine to stand. We have a tremendous number of them with us—the Past Potentates of Yaarab Temple. Will you all please rise.

Also, I believe there are some members of the Yaarab Temple Brass Band back there, which was my unit, and I would also like to have them stand.

Fellows, let us give them all a big hand. (Applause)

And to each of you, I want to say thank you so much for all of your help and all of your support that you have given me.

Now, Imperial Sir, Members of the Joint Boards and Nobles All, I pledge to each of you that in the next twelve months as I travel around North America visiting our Shrine Temples and our various fund raising activities and our hospitals, that I will always do everything within my power to promote the betterment of our Fraternity and at all times to represent you in the manner in which you desire and in the manner which our great Fraternity deserves.

Again, I thank you very, very much.

... Rising applause ensued ...

IMPERIAL POTENTATE OLFENE: Congratulations, Gene, to you and I know you are going to have a wonderful year. It will be a busy one, I am sure, and will be something you will cherish and remember all of your life.

Will you please give your attention to the Imperial Recorder.

... Various announcements by Imperial Sir Jones then ensued ...

IMPERIAL POTENTATE OLFENE: Let me say, gentlemen, tomorrow morning, in this same room, at nine o'clock a.m., will be the Pageant for your newly elected Imperial Potentate, Gene Bracewell, and that, as I say, will be in this room at nine o'clock sharp.

It is open to your wives, your families and whomever you would like to have come to see this great Pageant. Let us all get together and welcome him in in a nice way.

Now, immediately following the Pageant, we will reconvene the business session of this Imperial Council in this room. We will clear the room of the guests and we will reconvene our Representatives to continue our business.

Now, we have a one-thirty parade. That means that perhaps some of you whose units are up in the forward section of the parade, particularly when you come to the session tomorrow, you may want to be in the clothing you plan to wear in the parade. We will try to adjourn quickly. I am going to do my best to give you at least an hour and a half or two hours before parade time, if possible. I think we can do it tomorrow because we got these elections out of the way today and things are really moving along. At any rate, that is the schedule for tomorrow morning.

With that, I now say we will be in recess until we reconvene at the conclusion of the Pageant.

... The One Hundred Tenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-fifteen o'clock p.m., to reconvene following the conclusion of the Pageant for the incoming Imperial Potentate on the following morning ...

MORNING SESSION
WEDNESDAY, JULY 4, 1984
NINE O'CLOCK A.M.

The Pageant honoring Imperial Potentate-Elect Gene Bracewell convened at the Sheraton Boston Hotel, Boston, Massachusetts, at nine o'clock a.m., Noble James Bracewell, a member of Yaarab Temple, presiding.

NOBLE JAMES BRACEWELL: Good morning, welcome to the pageant honoring Gene and Kathryn Bracewell.

Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs, Members of the Divans, Nobles, Ladies and Guests, good morning and welcome to the 1984 Imperial Pageant honoring Imperial Potentate-Elect Gene Bracewell.

Nobles and ladies, will you please rise for our opening service.

The Commander, Legion of Honor, will please advance the Colors. . .

. . . The advancement and posting of the Colors by Yaarab Temple's Legion of Honor ensued . . .

NOBLE BRACEWELL: Ladies and Nobles, please join me in the Shrine Pledge of Allegiance.

. . . The rendering of the Shrine Pledge of Allegiance ensued . . .

NOBLE BRACEWELL: Now, ladies and Nobles, please join me as we salute the flag and honor the nation of Mexico by playing its National Anthem.

. . . Whereupon, the National Anthem of Mexico was played by the Yaarab Temple Band . . .

NOBLE BRACEWELL: Ladies and Nobles, please join me now as we salute the flag of Canada and honor that nation by the playing of its National Anthem.

. . . The playing of the National Anthem of Canada then ensued . . .

NOBLE BRACEWELL: Nobles and ladies, will you join me in this two hundred eighth birthday of the United States as we play the National Anthem and honor this country by saluting its flag.

. . . Whereupon, the playing of the National Anthem of the United States then ensued . . .

NOBLE BRACEWELL: Ladies and Nobles, please remain standing, Nobles remove your Fez for an Invocation by Yaarab Temple's Chief Rabban, Alton White.

NOBLE ALTON WHITE [Chief Rabban, Yaarab Temple]: Great Architect of the Universe, we pause here today to acknowledge Your divine presence and to reconfirm our faith in You, our great need for You and our sincere belief in Your power to direct the destinies of all who call upon You.

Accept our sincere gratitude for the blessings You have bestowed upon us day by day. Thank You for giving us health, companionship, loved ones to share our lives with, and thank You for the skills and knowledge whereby we may make our way through this world.

Thank You for the countries represented here today. We pray for those who govern and ask You to give them a great desire for peace among all men everywhere.

Thank You for the cause to which Shriners everywhere are committed, the cause of crippled and burned children. Bless our efforts and make us steadfast in our determination to help the needy and to bring hope to those for whom the future seems dim.

Bless Shriners everywhere. Bless those in places of leadership over us and grant them wisdom and courage to do what is right. Thank You for what they are and what they mean to our great Fraternity.

And bless all that is done here today that we may ever glorify You. Amen.

NOBLE BRACEWELL: Ladies and gentlemen, please be seated.

Ladies and Nobles, I can tell you, as the brother of the Imperial Potentate-Elect, that I am very proud to see the wonderful crowd here this morning. It is really heartwarming and we are most blessed to have you come.

We, the members of Yaarab Temple, are presenting our first Imperial Pageant in now over fifty years. We realize that the quality of leadership and commitment to attain the high office of Imperial Potentate are truly rare.

Virtue is said to be its own reward but today the Nobles and friends of Gene Bracewell believe that virtue deserves a bit more tangible recognition.

Since the time of the laurel wreaths which were awarded by the Ancient Greeks, groups of all nations have recognized that in every field of endeavor, some few people are outstanding because of their accomplishments and some are outstanding because of their great concern for their fellow man.

Today, as we present this Pageant, we are doing more—more than honoring Imperial Sir Gene Bracewell. By this Pageant we, the Nobility, are reaffirming the high standards that all Nobles to aspire to this Office must strive for.

President John Kennedy once said, "A nation reveals itself not only by men it produces but also by men it chooses to honor."

Were President Kennedy alive today, I am sure that he would permit me to substitute the word "Shrine" for "nation," for otherwise there is no change in basic thesis, namely, that we, the Shriners, also reveal ourselves in the men we choose to honor.

We determine what achievements, we determine what position, we determine what sacrifices to single out the recognition.

So sometimes we honor Nobles not only for what they brought out in themselves but for what they brought out in others.

Today Yaarab Temple is presenting a Pageant, a testimonial, if you will, to honor our Imperial Potentate-Elect—a testimonial that is literally the bearing of witness and today we are bearing witness to the great achievements of our own Noble, Gene Bracewell.

Now, Nobles, may we present to you Yaarab Temple's "A Man To Fit The Fez."

... Presentation of the Pageant film ensued ... (Applause)

NOBLE BRACEWELL: Ladies and Nobles, I direct your attention to the center aisle, where we ask you to please greet one of the youngest men to ever hold this office, the true pride of Yaarab Temple, Imperial Potentate-Elect Gene Bracewell and Lady Katharyn.

... Whereupon, as the Yaarab Band played a rousing rendition of "Gate City," and the Nobles and ladies present arose, Imperial Potentate-Elect Gene Bracewell and Katharyn Bracewell proceeded down the center aisle to the podium and assumed their places at center stage ... (Applause)

NOBLE JAMES BRACEWELL: Gene, there were many people that brought you greetings this morning and being your brother, I have a lot of them up in my room but I do want to share one or two of them with you and with this audience.

First, a letter to you from Atlanta which says:

"Congratulations to you and Katharyn on your election to the Office of Imperial Potentate of the Shrine of North America. Atlanta is proud to have you achieve this highest position.

"Please tell your membership that the City of Atlanta eagerly awaits the meeting in 1985 and you can be assured of the highest level of cooperation from this Administration.

"Atlanta is a city that recognizes the value of visitors and your members will truly enjoy our sincere Southern hospitality."

That is signed by the Mayor of Atlanta, Andrew Young. (Applause)

I also, Gene, have here a telegram that I just received and which I would especially like to share with you. It reads as follows:

"I am pleased to send my warmest greetings to all those gathered for the Annual Convention of the Imperial Council of the A.A.O.N.M.S. For over a century, the Shrine of North America has labored selflessly to alleviate the suffering of crippled children without regard to race, color or creed, without charge. Your unreserved compassion for those less fortunate than yourselves is an inspiration to us all and I am deeply appreciative of your willingness to sacrifice your time and talent for the good of your fellow man.

I am also impressed to learn that your membership has approached the one million mark, making you the largest private philanthropic organization in America. All of you should be proud of this achievement.

"I commend you on your spirit of community responsibility and extend my best wishes for a constructive convention and to you and Katharyn for a successful year."

That is signed "Sincerely, President Ronald Reagan." (Applause)

So you see, you have friends in all kinds of places. (Laughter)

Nobles and ladies, it is now indeed my personal pleasure to introduce to you Yaarab Temple's Illustrious Potentate for 1984, who will preside over the next section of this Pageant—and I would now like to present to you Illustrious Sir Marcy M. Eisenburg, Sr.

... At this point, Illustrious Sir Eisenburg, on his way to the podium from the side of the stage, paused and presented a bouquet of roses to Lady Katharyn ...

NOBLE JAMES BRACEWELL: Illustrious Sir Marcy Eisenburg has informed me that the flowers being presented to Lady Katharyn are symbolic of each unit and club of Yaarab Temple who wish to honor Lady Katharyn as the First Lady of all Shrinedom today.

NOBLE EISENBERG: Imperial Sir, Imperial Sirs, Nobles, Ladies and Guests: It is a high honor for me today to have a part in the Pageant for Imperial Sir Gene Bracewell and Lady Katharyn.

Our Fellow Noble, Gene Bracewell, is the most dedicated Shriner I know. No Shriner in Yaarab Temple is held in greater esteem and affection. I am confident that before this time next year that every Noble in North America will know what we at Yaarab Temple have

known all along. You will be as proud to claim him as your Imperial Potentate as we are today.

And now I would like to introduce some of the Nobles of Yaarab Temple that have come to help with this Pageant and to honor Imperial Sir Gene.

First, I would like to start with our Grand Master of Georgia, who has come here today to help Gene with his Pageant—our Grand Master from the State of Georgia, J. Willard Register. (Rising applause)

At this time I would like to introduce the units and clubs of Yaarab Temple and I will start with the Potentate's Arab Guard.

. . . Whereupon, Representatives from the Potentate's Arab Guard paraded across the stage followed by the Representatives of the Director's staff, the Legion of Honor, Motor Corps, the Potentate's Escorts, the Provost Guard, Representatives of the various Shrine Clubs and the Brass Band President, Noble Harold N. von Kamp . . .

NOBLE HAROLD VON KAMP: Imperial Sir Gene, you have a gleam in your eye today and are a proud man and justifiably so. I know that you recall a few years back as you knelt at the Altar of Freemasonry for the first time and you took the Obligation and now you have been elected by your peers to serve the greatest philanthropy organization in the world, the Shrine. I know that you will carry that honor just as high and mighty as anyone could.

However, you are not the only one that has a gleam of pride in your eyes. Your band association over there are also, each and every one of them, very proud of you and as a token of esteem we would like to present you with a little gift we hope you will wear for many years with pleasure and pride.

. . . Presentation of gift ensued . . .

IMPERIAL SIR BRACEWELL: Thank you very much, Harold. May I open this? You know, I am a little bit nervous for some reason this morning. (Laughter)

. . . Opening of gifts ensued . . .

IMPERIAL SIR BRACEWELL: Well, it is a beautiful diamond five-star Shrine pin. (Applause)

President Harold and the members of the greatest band in all of Shrinedom, and I can say that this morning, Dick, thank you so very, very much. You fellows have been just too good to me.

You know, I am still wearing, from 1973, when I was Potentate of Yaarab Temple, a beautiful watch that you gave me. I am still wearing that. I am also still watching a beautiful large console television you gave me back in 1973 and now this beautiful Shrine pin. This is just too much but I will wear it with pride and certainly thank the band every time I put this pin on. Fellows, thank you very much and also thank you, President Harold, for your presentation.

NOBLE EISENBURG: At this time, I would like to introduce the President of the Brassettes, Mary Yapp for a presentation.

MS. MARY YAAP: As President of the Brassettes it is a great pleasure for me to give to Katharyn this little gift of our affection and love. We appreciate your support and concern for our organization all through these years and are very proud of Katharyn and her membership with us. We wish you well throughout the year and hope you will have a very happy and successful year.

. . . Presentation of gold pin ensued . . .

MS. KATHARYN BRACEWELL: It is gorgeous, very beautiful. I am afraid I have not been a very good member for the last nine years but if you will put up with me for one more year, then I will be back to the meetings more than one time a year.

MS. YAPP: Katharyn, we are very proud of you and we are glad to have you with us as a member. (Applause)

. . . Whereupon, the Past Potentates of Yaarab Temple in the years 1959, 1963, 1965, 1967, 1968, 1969, 1971, 1972, 1973, 1974, 1975, 1976, 1977, 1979, 1980, 1981, 1982 and 1983 were introduced . . .

(Applause)

NOBLE EISENBURG: At this time I would like to recognize Past Potentate Jeff Andrews for a presentation.

NOBLE JEFF ANDREWS: Imperial Sir Gene, it is with heartfelt pride and sincere affection I make this presentation to you in behalf of the Atlanta Cabiri, Chapter No. 25.

The Past Potentates of Yaarab Temple are more than proud of you—proud of your achievements and rightfully so.

Imperial Sir, please accept this token of our pleasure and pride on this special occasion.

... Presentation of shotgun in glass case ensued ...

IMPERIAL SIR BRACEWELL: Thank you, that is great, fantastic.

NOBLE KISSELBURGH: That is what is called a "gun." (Laughter)

IMPERIAL SIR BRACEWELL: Walker, I realized it was a gun and you did not have to say that. (Laughter) You just hope it is not loaded on Friday afternoon. (Laughter)

Now, to you, Illustrious Sir Jeff and the Past Potentates of Yaarab Temple, you know, I have never seen you fellows all dressed up so nice at one time in all my life. (Laughter)

This is fantastic, I really do appreciate all of the support given to me over the years and this beautiful gift is just overwhelming. I thank you all so very much for being here this morning in such great numbers. I believe we have only two or three of our Past Potentates who could not be here because of illness. So, fellows, thank you so very, very much. I do appreciate your continued support and attendance here today. Thank you. (Applause)

... At this point, the appointive and elected Divan of Yaarab Temple were individually presented, following which Illustrious Sir Eisenburg continued as follows ... (Applause)

NOBLE EISENBURG: Imperial Sir Gene, we at Yaarab Temple are well aware of your dedication to the Shrine and your devotion to our hospitals and crippled children.

And to start this year out, we want to present a check to you for our Shriners Hospitals for Crippled Children in the amount of \$65,773.49.

... Cheers and applause ensued ...

IMPERIAL SIR BRACEWELL: That is certainly a fantastic presentation, I can tell you that.

NOBLE EISENBURG: Also, Imperial Sir, we know you are going to be busy this year, that you have many miles to travel and we feel sure that some of them will be in an automobile. So that you will have a safe trip this year and be able to come and meet with us again, we next want to present to you a Cadillac of your choice.

... Presentation of car keys and applause ensued ...

IMPERIAL SIR BRACEWELL: Illustrious Sir Marcy and members of the Divan and Nobles of Yaarab Temple, this is really just too much. You should not have gone this far and done this but now that you have (laughter) I am going to keep the keys.

However, seriously, I would like to thank the members of Yaarab Temple, the elected Divan and you, Illustrious Sir, for all of the support you have given to me this year. This is fantastic and I am so appreciative and also so appreciative in behalf of our hospitals to accept this check in excess of \$65,000. Let us give our Divan of Yaarab Temple one more big hand. (Applause)

NOBLE JAMES BRACEWELL: I am sure the Nobility knows that we supported the Boston Convention Director General. I think there is no one left in Atlanta, we must have brought them all. We do appreciate your patience and understanding.

And now it is a great deal of pleasure for me to introduce one of the most beloved Shriners in North America—Imperial Recorder Emeritus, George M. Saunders.

IMPERIAL SIR GEORGE M. SAUNDERS [Recorder Emeritus]: Mr. Chairman, Imperial Sir Dick, Imperial Sirs, Representatives to this Imperial Session, Nobles and Very Lovely Ladies and All of You Visitors:

Imperial Potentate-Elect, Gene Bracewell, it gives me great pleasure to present to you, on behalf of the Imperial Council of the Shrine of North America, your Imperial Potentate's Flag, bearing the official title, along with your name.

The official Imperial Potentate's Flag is of royal purple silk, embroidered in gold to depict the Flag of great leadership. May this Flag march along with our three National Flags of the Shrine at the head of the mighty Phalanx of nearly a million Nobles of the Mystic Shrine in their dedication to Freemasonry and Shrine tenets and principles and to our devoted service to mankind in the greatest of all Fraternities and in our work of the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

I know that you, as Nobles, will respect the symbolism of this Fraternal Flag for all that it represents.

Imperial Sir, it is a genuine pleasure for me to present to you, in the name of all Shriners, your Imperial Potentate's Flag.

... Presentation of Imperial Potentate's Flag and applause ensued ...

IMPERIAL SIR BRACEWELL: Imperial Sir George, thank you so very much. I sincerely appreciate you presenting this beautiful Imperial Potentate's Flag to me. I shall cherish it and try to always do that Flag honor when it appears in my parades and other pageantry and I would also like to say to you, Imperial Sir George, that in my book you are certainly one of the most dedicated Shriners and greatest Shriners that ever lived. Again, thank you very much. (Applause)

NOBLE JAMES BRACEWELL: Imperial Sir, we now have the presentation from our friends from the North. I would like to recognize one of our colleagues, Imperial Sir Edward G. McMullan, and the Potentates of the Temples of Canada.

... Whereupon, to the playing of Yaarab Temple's band of "God Save The Queen," the Potentates of the various Canadian Temples assembled on the stage with Imperial Sir McMullan then approaching the podium ...

IMPERIAL SIR McMULLAN: Thank you for that nice music. We appreciate that.

Imperial Sir Gene and Imperial Sirs, Honored Guests, Ladies and Nobles: On behalf of the Temples of Canada, just north of you, where you were initiated and installed as Imperial Outer Guard in Toronto, Canada, in 1975, it is most fitting at this time that we present to you our Potentates from across Canada who, in turn, will make a presentation to you of the Canadian Flag and I would like to introduce to you at this time these Representatives of the Temples across Canada.

... Whereupon, Imperial Sir McMullan individually introduced the Representatives from the various Temples of Canada ... (Applause)

IMPERIAL SIR McMULLAN: I just wanted to say, Imperial Sir Gene, that in behalf of the Canadian Temples, we would like to make this presentation to you of the Canadian Flag.

We have with us Imperial Sir Jack M. Streight, who was the Imperial Potentate of the Shrine of North America in 1975 in Toronto, Canada, and I would like him to come forward at this time to assist in the presentation of the Canadian Flag.

Also, Lou Sekora, will you please come forward and assist Jack in this part.

... Whereupon, the unfolding of the Canadian Flag ensued at this point ...

NOBLE SEKORA [Gizeh Temple]: Imperial Sir Gene, Imperial Sirs, Illustrious Sirs and Members of the Divan, Ladies and Gentlemen: It is strictly a pleasure for me, in behalf of the Canadian Temples, to present the Imperial Sir a Flag of Canada.

As you know, the Canadian Temples are spread from the East to the West and from the Atlantic to the Pacific and, certainly, it is a pleasure for me, in behalf of the Canadian Temples, to present to you this Flag of Canada.

... Presentation to Imperial Sir Bracewell ensued ... (Applause)

IMPERIAL SIR BRACEWELL: Thank you, Illustrious Sir.

Illustrious Sirs, Potentates of Canadian Temples, Imperial Sirs Ed and Jack, I certainly do appreciate receiving this presentation of the Canadian Flag and, further, I believe it is fantastic for a Fraternity like ours, where we have three countries involved and really no boundaries and I appreciate this presentation so very much. Thank you. (Applause)

IMPERIAL SIR McMULLAN: Imperial Sir, I would like to go a little further. You do not know all of the various places in Canada, you Americans, and so for that reason we have brought forward a beautiful silver tray and, Katharyn, I would like to have you get in on this because it tells you where the Temples are and in what area and we are looking forward to your making visitations to all of these Canadian Temples because we certainly appreciate the fact you are part of this great organization and that you are a part of Canada and we are a part of the United States and Mexico.

On behalf of the Temples of Canada, I would like to present this silver tray, with the names of the Temples of Canada inscribed thereon.

... Presentation of silver tray and applause ensued ...

IMPERIAL SIR BRACEWELL: Thank you, Illustrious Sirs, so very much for this beautiful silver tray. I know it is given with affection and certainly accepted with the deepest affection from all of my Canadian friends and Nobles of the Temples in Canada.

There is one little story that I would like to tell you and that is that I was fortunate to be elected in Toronto in 1975 but I, too, ran a year before in Atlantic City and after being elected

on Wednesday, I believe, we were back in the suite after all the parties and festivities, all of us having a great time. Nevertheless, Kathy, our younger daughter was over in the corner not saying an awful lot and I said, "What is the matter with you, Baby, are you not happy—I won, I won." She said, "Well, yes, Daddy, I am happy you won but I sure wish you did not have to leave the United States to get elected." (Laughter)

Thank you, Canadian Potentates, so very, very much.

NOBLE JAMES BRACEWELL: Imperial Sir, it is now my privilege to recognize our friends from the south of us, the other nation involved in this great Fraternity. I would like to recognize Potentate Dr. Lorenzo Rish from Anezeh Temple in Mexico City, and his friend.

NOBLE LORENZO RISH [Anezeh Temple]: Imperial Sir and Lady Katharyn, it is with great pleasure that Anezeh Temple from Mexico presents to you this wooden inlay representing the Aztec Calendar. May the Grand Architect of the Universe grant you wisdom, strength and health to govern us this year.

... Presentation and applause ensued ...

IMPERIAL SIR BRACEWELL: Thank you, Illustrious Sir. That is certainly a very beautiful, beautiful gift, the presentation, and we sincerely appreciate it and we love our Nobles, friends and neighbors in Mexico and we are looking forward to visiting you during the next year and I would also like to tell you once again that anything we can do to help you, let us know. Thank you for that beautiful presentation. We appreciate it so very, very much. (Applause)

NOBLE JAMES BRACEWELL: Now, Imperial Sir, it gives me great pleasure to introduce the Potentate of that very well-known Temple on the West Coast, Al Malaikah, Illustrious Sir Derrick Paine, Jr.

NOBLE DERRICK PAINE [Al Malaikah Temple]: Imperial Sir, Imperial Sirs, Lady Katharyn, Nobles and Friends: I bring you greetings from the Oasis of Los Angeles. We are very proud to have you as our Imperial Sir in the year 1984-1985.

A long established tradition of our Temple is to present to the Imperial Sir, in behalf of Al Malaikah Temple, his personal swagger stick, which lists his Masonic history on it and I know your good friend, Walker, has made sure we did not omit anything. I am glad to present this to you, Imperial Sir.

... Presentation of swagger stick and applause ensued ...

IMPERIAL SIR BRACEWELL: Illustrious Sir Derrick and Members of Al Malaikah Temple, including Walker (laughter): I want to sincerely thank you for this beautiful presentation.

For the last fifteen or twenty years I have been attending these Sessions and I have been watching Al Malaikah present this beautiful swagger stick to the Imperial Potentate-Elect and I have always felt, "Boy, I would like to have one of those things." However, I never thought I would receive one. The day has finally arrived and to you, Illustrious Sir, and certainly to that great Temple, Al Malaikah, I thank you so very, very much for this beautiful presentation. Thank you. (Applause)

NOBLE JAMES BRACEWELL: And now, Imperial Sir, it is my pleasure to recognize for a presentation Illustrious Sir Clement H. Keliikipi, Potentate of Aloha Temple.

NOBLE CLEMENT H. KELIIKIPI [Aloha Temple]: Imperial Sir, Lady Katharyn, on behalf of Aloha Temple and as its Potentate, we would like to present to you these leis of aloha.

These particular leis were given to our Royal Family in the olden days.

Besides that, I have a little token of another gift, which is the Seal of one of our previous Kings, King Kalakaua, who was the only King in the Hawaiian Kingdom that became a Noble of the Mystic Shrine, on January 14, 1881, at Islam Temple in San Francisco. Thank you very much.

... Presentation and applause ensued ...

IMPERIAL SIR BRACEWELL: Fantastic, Illustrious Sir.

Illustrious Sir Keliikipi, Members of the Divan and certainly Aloha Temple, we thank you so much for the beautiful presentation of these leis and gift. You are mighty kind and you know we think a lot of the beautiful Hawaiian Islands and Aloha Temple.

Our trip this year will be the East-West and from there we will go on to Honolulu and cruise your beautiful Islands and so we look forward to seeing you there at that time and again, thank you so very much for your attendance and these presentations. (Applause)

NOBLE CLEMENT KELIIKIPI: Imperial Sir, we thought you probably would also like to know what the interpretation of "Keliki" is. It means "Rebel Chief." (Laughter and applause)

NOBLE JAMES BRACEWELL: Well, Imperial Sir, we have moved along quite a ways in this program and I have done a little thinking, a little of a calendar of what has happened in the last little while. Some of them were surprises to me and I think many of them were surprises to you. It seems to me that you have a flag from just about every country, you have a swagger stick, you have an automobile, and you even have a calendar to be sure you are at the right place at the right time.

It would seem in my thinking that someone in your position would have everything now that you need if you were to have your own personal Shrine parade. That is, I think you have everything except your own personal band.

Imperial Sir, may I present to you, at this time, the Georgia Generals. This is a group of volunteers from Yaarab's own Brass Band and they have joined together to provide you with your own personal band during your tenure as Imperial Potentate.

At this time I would like to recognize one of the Major Generals there. Homer Watkins, I believe, has a presentation for you.

NOBLE WATKINS: Imperial Sir Gene, you will notice that we only wear two stars. We are a little jealous but we are still the only ones that have two stars. However, seeing as how you are going to be wearing five stars, we would like to make you our Commander-In-Chief and present you with one of these hats with the five stars on it.

... Presentation and applause ensued ...

... Whereupon, at this point, the Georgia Generals played a brief selection of jazz music ... (Applause)

IMPERIAL SIR BRACEWELL: Generals, thank you so very much.

How about this hat? You know, now that I have the hat, if I just had the rest of the uniform, I could get my lip back in shape and I can be a backup trumpet player. (Laughter)

At any rate, fellows, you sound great. I am delighted to have this group with me this year and, of course, we are going to have you Nobles play at a lot of places.

NOBLE JAMES BRACEWELL: Imperial Sir, we are now coming to the closing seconds of this Pageant and it is one of these times that I have a great deal of very personal pleasure in doing.

You see, Ladies and Nobles, as I begin to introduce the children of Gene and Katharyn, it is a double pleasure for me in that each time I am introducing a young man or woman, I likewise am proud.

... Whereupon, the various family members of Imperial Sir Gene and Lady Katharyn were individually introduced ...

NOBLE JAMES BRACEWELL: Imperial Sir, I believe your son has a presentation in behalf of the clan.

NOBLE RICK BRACEWELL: Dad, in behalf of the entire family, I want to tell you we are all very proud of you. You have been a Shriner for about as long as we can remember—in fact, a little bit longer than most of us can remember. (Laughter) At this time I would like to present to you the Fez of the Imperial Potentate of the Shrine of North America.

... Presentation of Imperial Potentate's Fez to Imperial Sir Bracewell and applause ensued ...

IMPERIAL SIR BRACEWELL: Rick, I appreciate that very much and I, too, have a presentation for you.

It gives me a great deal of pleasure, son, to appoint you as one of my Aides, to kind of give you an official title as Imperial Potentate's Aide for the coming year. I know that we will have fun together.

... Presentation of Imperial Potentate's Aide Fez and applause ensued ...

NOBLE JAMES BRACEWELL: Imperial Sir, I think you have a very important presentation to now make yourself.

IMPERIAL SIR BRACEWELL: Well, it did not seem that important to me at the time (laughter) but I know it involves you. (Laughter)

It is with a great deal of pleasure that I present a dynamic, energetic, good-looking—I

would like to present to you at this time, my brother, Jim, his wife, Nancy, and their two fine boys, Ronnie and Michael. (Applause)

You know, you must select a Director General to handle your convention, which is certainly an arduous task, that can be attested to by Fred Spencer and many other Director Generals that are here this morning, I being one myself in 1973. Therefore, I did a lot of soul-searching trying to find a person who was energetic and someone I felt could do a good job in Atlanta in 1985.

As I stated to the Session last year, I selected the names of three or four Nobles and then I went to Mom's one day for lunch and talked to her about it, showed her what I had put into the hat, that I was going to make a selection—and we did. (Laughter)

Therefore, it gives me a great deal of pleasure at this time, Jim, to present to you your Director General's Fez.

... Presentation of Director General's Fez to Noble James Bracewell and applause ensued ...

NOBLE JAMES BRACEWELL: Ladies and Nobles, it is now my pleasure to present to you a lady who is the epitome of Southern grace and charm, Katharyn's mother, Mrs. Lillian Hildebrand. (Applause)

Also, Nobles and Ladies, I would now like to present to you Gene's brother-in-law, Noble Tom Hildebrand and his lady, Barbara, and Gene's nephew, Noble Don Hildebrand and his lady, Jean. (Applause)

IMPERIAL SIR BRACEWELL: I would like to have, this morning, both Tom and Don Hildebrand step forward, please. You know, this is my protection for the coming year. (Laughter)

If I may, at this time, I would like to present to Don Hildebrand a Fez saying "Imperial Potentate's Aide" for the coming year and, Don, I am most proud to have this opportunity. I know you will wear this Fez well.

... Fez presentation and applause ensued ...

IMPERIAL SIR BRACEWELL: And now, Tom, I am also delighted to appoint you a Personal Aide for the coming year and I know that during the next twelve months I will probably need a lot of aid and you have done a fantastic job in Boston so far and we are looking forward to being with you and I am delighted to have this pleasure.

... Fez presentation and applause ensued ...

NOBLE JAMES BRACEWELL: And now, Imperial Sir, it is a great pleasure for me, as your brother, to share in presenting to this audience a couple that have warmed our hearts and, on occasion, warmed the seats of our pants (laughter)—my mother and your mother, my father and your father, Noble Vernon Bracewell and Lady Ethel. (Applause)

IMPERIAL SIR BRACEWELL: Boy, what a morning. (Laughter) How about this family, folks? (Applause)

Believe me, all of you are just fantastic and I want to thank each member of my family for your support and love.

I also want to say thank you for all of the wonderful and beautiful presentations we have received this morning and most specifically to everyone here for attending and sharing with Katharyn and myself this very, very special day.

On June 11, 1941, at approximately ten-forty-five a.m. at the Pageant in Indianapolis, Indiana, the following remarks were made and I quote:

"Nobles, I have no illusions about myself nor about my ability. I am not coming to you as a reformer in any sense of the word but there are two objectives that I propose to ask you to help me accomplish this year.

"First, the Shrine may not be Masonry but it is of Masonry and we are going to stress the appreciation for those values and the beautiful symbolism of the prerequisite orders all during the year.

"The other is going to be a reverence for, a devotion and adherence to the government of our country and our neighbors on the North and South."

Now, those words which I have just read were spoken by the then Imperial Potentate-Elect, Thomas C. Law of Yaarab Temple, forty-three years ago.

Nobles and Ladies, I firmly believe that those objectives still ring true today and they

need to be pursued. I intend to follow those guidelines and at all times do everything within my power and my ability to work for the betterment of our Fraternity and for the good of our philanthropy.

It is only through a deep sense of humility that one can understand and one can appreciate the true values and thus endeavor to live up to the responsibilities of the Office of Imperial Potentate.

I pledge to each of you that during the coming year I will strive to represent you in the manner in which you desire and the Shrine deserves.

Thank you all for allowing me this opportunity of being here this morning and also for allowing me the opportunity to serve as the Imperial Potentate for the coming year.

And now, from Katharyn and myself, and all of our family, again thank you so very much for everything and especially for your attendance here this morning. Thank you. (Applause)

Before we adjourn, there is one additional presentation I would like to make at this time.

I have the pleasure and privilege this year, as each Imperial Potentate has had in the past, of appointing a man, a gentleman, a Noble to serve as Imperial Chaplain. I also gave this a lot of thought and I felt that if this Noble and this gentleman could keep me straight for forty-nine years, he could do it for one more year and help me out. I therefore appoint my dad as Imperial Chaplain for the coming year. (Applause)

Dad, it is with tremendous pride that I present to you this Fez saying "Yaarab Temple, Imperial Chaplain."

Wear it well, with pride and I know you will wear it with dignity.

... Presentation of Imperial Chaplain's Fez and applause ensued ...

NOBLE JAMES BRACEWELL: Now, Nobles, it is my pleasure to recognize the newly designated Imperial Chaplain, my father, Vernon Bracewell, for the Benediction. Will you please remove your Fez.

NOBLE VERNON BRACEWELL: Let us go to God in prayer.

Almighty and everlasting God, the Supreme power of the universe, keep us ever mindful of our daily dependence upon You.

We have come before You this day with deep gratitude and praise for our great Fraternity; not for its achievements, but for its opportunities; not for what we are, but for what we may become; not for our privileges, but for our obligations; not for the pathway behind, but for the horizons that lie before us.

Help us each to make our Fraternity and our nation a beacon of hope and faith for the whole world for it is in the name of the Supreme Judge of all mankind that we pray. Amen.

NOBLE JAMES BRACEWELL: Ladies and gentlemen, thank you for being with us this morning. We certainly appreciate your attendance.

... Whereupon at ten-forty o'clock a.m., the Pageant Ceremony was concluded ...

MORNING SESSION WEDNESDAY, JULY 4, 1984 ELEVEN-TEN O'CLOCK A.M.

The One Hundred Tenth Annual Session of the Imperial Council reconvened at the Sheraton Boston Hotel, Boston, Massachusetts, at eleven-ten o'clock a.m., Imperial Potentate Richard B. Olfene presiding.

IMPERIAL POTENTATE OLFENE: If there are any non-Shriners in the back of the room, we will excuse you at this time. Are there any Representatives sitting in the balcony? The only reason I ask that is I want to be sure you will be downstairs to vote when it comes to that time.

Again, I would like to call this Session back to order. Will you remain seated, remove your Fez and give your attention to our Imperial Chaplain.

NOBLE LAWRENCE HATHORNE [Imperial Chaplain]: O loving God, we thank You again for this Session and for your blessings. May we be ever ready to work and stand ready to help young people in our crippled childrens hospitals and burns hospitals.

May our hearts be filled with Your love and that we continue to labor and grow into dedicated service, in Your name we pray. Amen.

IMPERIAL POTENTATE OLFENE: Now, Nobles, the next order of business is the nomina-

tion and election of an Imperial Outer Guard. I shall ask any and all candidates who aspire to this office, as well as their nominators, to immediately come forward and come to this stage. Again, will those aspiring to the Office of Imperial Outer Guard and their nominators please come up to the stage.

Now, we have those whom we know about. However, are there any others at this time who plan to or wish to be nominated for this office? As you can see, there are four of them in evidence at the moment.

Now, to give them all a fair shot as to the appropriate turn, we have placed four slips, numbered one through four and I will ask them to draw for nominating position.

... Drawing for position ensued at this point ...

IMPERIAL POTENTATE OLFENE: Now, let us find out how we came out here.

Ronald Griffith has drawn the number one position; Burton Ravelette number two; Allan Dekdebrun number three and finally number four goes to the remaining gentleman, Robert Bailey.

Now, I will ask these four gentlemen to sit up here in the front in the chairs provided for them and in the order in which they are to be nominated and I would secondly ask that your nominators stand directly behind you, those who are going to nominate you.

Now, fellows, as I told you at the opening of this Session, we want to be as fair and square and above-board with you as possible. This arrangement gives you an opportunity to see these gentlemen. This also gives you an opportunity to know who will be nominating them.

With that, I will not open the floor for nominations for the Office of Imperial Outer Guard and I will call on Illustrious Sir George Mitchell, a Past Potentate of Abba Temple, for the nomination of his candidate.

Well, one more thing. I would like to read you quickly a section in the By-Laws of the Shrine under 602.3 under "Election":

"Nominating speeches shall be limited to one for each candidate and shall not exceed five minutes in duration. No seconding speeches are permitted."

With that, please proceed.

NOBLE GEORGE MITCHELL [Abba Temple]: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Illustrious Sirs and My Fellow Representatives, Our Good Friends from Canada to the North of us and Our Good Representatives to the South of us, Mexico: First let me say that I feel very humble being up here this morning. However, I am here to tell you about a very outstanding gentleman. I am sure all of you have received his literature.

I have reference to the record of Illustrious Sir Ronald Griffith and I am sure many of you have read it thoroughly.

If you have, you will note that Ron's Masonic credentials are impressive, as are those of all of the candidates. His business credentials are also impressive, as are those of all of the candidates. His business credentials are also impressive and the managerial and negotiating skills thus acquired would be put to good use as a member of the Imperial Divan.

His record of service to his community, province and fellowmen is outstanding and shows that he is the kind of man that we as Nobles would be proud to have as a future Imperial Potentate.

Ron Griffith listens; Ron Griffith seeks out information; Ron Griffith acts and his actions are always in the best interest of our Order.

Ron Griffith has a truly universal appeal. There is no east or west, north or south but in the Shrine we are one great united body.

All of Ron's credentials are impressive and he wants to be known not for what he has done but rather for what he has to offer for the future.

At forty-seven years of age, he is still young, with a lot of energy, to serve our beloved Order.

Our Imperial Council Line is composed of men of knowledge, experience and character and we want on that Line a Noble who will complement it.

Those of you who have met and talked with Ron know him to be a true gentleman in every respect, in every act as well as words. You know of his deep and abiding interest in our great philanthropy and his integrity appeals to Nobles throughout the length and breadth of Shrinedom.

I would like to add just a few personal notes.

As I said, I am sure that most of you have read his brochure. It is quite lengthy, gives much of his credentials as a person but, as a personal note, Ron is seeking the Office of Imperial Outer Guard for the second time. Ron has attended seventeen Imperial Sessions, eight of which he has been an elected Representative.

Another note that I thought was of great significance.

I wish, when I was running for Oriental Guide of my Temple that the President of our country would have attended and said, "George, I want to nominate you for Oriental Guide." Ron was, in 1975, as a member of Tunis Temple in Ottawa, Canada, nominated Oriental Guide by Illustrious Sir, the Right Honorable John Deffenbacher, the Prime Minister of Canada and I think that is hanging around with "high cotton," which they often refer to in L.A.—lower Alabama.

Now, I have something in common with Ron this morning because I come from L.C.—lower Canada. (Laughter)

However, again more specifically, he has been an outstanding man. He received an award for outstanding community service in 1974 and also, in 1979, received an award from the Knights of Columbus for the contributions made in assisting the underprivileged. Also, in 1980, the city from which he comes also presented him with an "Award To An Outstanding Citizen."

Ron, I believe, is a balanced man, both in the way of family, church, education and business. He is a civic minded individual and, as his brochure states, interested in Masonic and Shrine pursuits in many areas.

I am sure that he meets all of the qualifications for a man whom you should consider for the position of Imperial Outer Guard.

Therefore, it gives me a great deal of pleasure at this particular time to put into nomination Ronald Griffith from Ottawa, Canada, a Past Potentate of Tunis Temple, from Ottawa, Canada. Thank you very much. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you.

Next I will call upon the nominator for Burton Ravelette.

NOBLE GEORGE EVERETTE [Rizpah Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Grand Masters, Distinguished Guests: I am George Everette, a Past Potentate of Rizpah Temple, Madisonville, Kentucky.

I appreciate the opportunity afforded me by the Nobles of Sahara Temple, Pine Bluff, Arkansas, and it is with a great feeling of pride and honor that I nominate their Past Potentate, Illustrious Sir Burton Ravelette, Jr., for the Office of Imperial Outer Guard.

Noble Ravelette has distinguished himself in many fields of endeavor. It would require hours to recount the many successes of his tireless efforts.

You have had the opportunity to meet him and are recipients of numerous publications listing his accomplishments. You have read his biography and have met his family.

I do not ask that you vote for him for what he has done in the past but I encourage you to elect him for what he will do for our beloved Fraternity in the years ahead.

It is a very great honor that I ask you to bestow upon this man an even greater responsibility, which he is most capable of handling and totally willing to assume.

Burton Ravelette is a youthful, gracious, caring person. He possesses a trained mind, a warm heart and a helping hand but, most important, he has a well-disciplined, positive attitude. He is genuinely sincere and always friendly. His commitment to our cause for the crippled and burned child is unwavering. He will work diligently and faithfully for you and for these children to whom we are dedicated. Finally, he is a man of honor. He will fill his ranks and so bring honor to himself and to his Office.

We urge your vote for Noble Burton Ravelette and in behalf of Sahara Temple, I hereby place his name in nomination for the Office of Outer Guard of the Shrine of North America. Thank you. (Applause)

IMPERIAL POTENTATE OLFENE: The Chair next recognizes the nominator for Allen Dekdebrun.

NOBLE ROBERT HAAS [Ben Ali Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Fellow Representatives of this Imperial Session: I am Robert Haas, Past

Potentate of Ben Ali Temple, Sacramento, California and I am extremely honored to be here to nominate Allen Dekdebrun for the Office of Imperial Outer Guard for the second time.

We assemble here today to select, from a group of distinguished candidates, a fellow Shriner who will represent our respective Temples on the Imperial Line.

All of the candidates present impeccable credentials and all are Nobles of high principle and unquestioned integrity.

While the choice will be difficult, I know that we will be motivated by the importance of our selection to the Imperial Line and its significance to Shrinedom's future.

Ismalia Temple is privileged to present for your consideration a gentleman who has demonstrated by spoken word and, more importantly, with action, his dedication and his fidelity to the programs and ideals of Masonry and Shrinedom.

Allen Dekdebrun is an enthusiastic leader and he is committed.

He is a leader in business with over thirty years experience operating a successful multistore sporting goods corporation and is committed to fair dealing with his fellow man. The competition of the marketplace never overshadows his sense of ethics.

He is a leader in civic and charitable affairs and is constantly in the forefront of worthy causes committed to bettering his community and his fellow man.

During his many, many visits across our Jurisdiction, he has pledged to represent you on the Imperial Line with dignity, devotion and intelligence.

On his behalf, I now reaffirm that pledge.

Allen was an All-American quarterback in 1945 from Cornell University and was named the Most Valuable Player in the Shrine East-West Football Game. He was also the recipient of the Shrine's coveted O. E. "Babe" Hollingberry Award in 1982—an award presented to a former player who has gone on to distinguish himself in community, business and civic affairs.

Overwhelmingly elected three times as Supervisor and Chief Fiscal Officer in a community of 150,000 people and with an operating budget of \$60 million, Allen was thereafter appointed by the Governor of his state as Chairman of the Niagara Frontier Transportation Authority. This Authority operates the Greater Buffalo International Airport, the Niagara Falls International Airport, a fleet of 500 buses, the Port of Buffalo and is presently constructing a three-quarter billion dollar underground rapid transit system.

In 1984, the Executive of the County of Erie requested Allen to do an in-depth fiscal study of county government in an effort to economize and improve the efficiency of that government body which has an annual budget of \$750 million and represents over a million citizens.

Allen Dekdebrun leads and he succeeds because he is experienced and is committed but, committed to the endeavor at which he strives with a quiet dignity and zeal that belies his proficiency and enthusiasm.

And, finally, but of utmost importance, Allen Dekdebrun is a leader in Masonic affairs, unselfishly devoting his various talents and unbound energy to our crippled and burned children and the hospitals which care for the sick and afflicted.

A moment ago I referred to Allen's participation in the East-West Game in 1946. Allen was twenty years old at that time and it was then that he, along with other players, visited the Shrine Hospital in San Francisco. When Allen left that "Mansion of Mercy" that December day, he promised himself that one day he would become a dedicated Shriner—and Allen did just that.

We ask you to elect a man who has walked and worked with the crowd and knows the common virtues. We ask you to elect a man who has walked and worked with the weak and strong and yet has not lost the common touch. We ask you to vote for a Mason in whom we can all place our trust.

We ask you, most respectfully, to give Allen Dekdebrun the opportunity to do what he does best. We ask you to permit him to serve you and our beloved Shrine on the Imperial Line. Thank you. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, and I will next call upon the nominator for Robert Bailey.

NOBLE DWANE CARDEN [Orak Temple]: Imperial Sir, Imperial Sirs, Most Worshipful

Grand Masters, Illustrious Sirs, Distinguished Representatives and Fellow Nobles: I am Dwane Carden, a Representative and the Potentate of Orak Temple, Michigan City, Indiana.

It is my privilege and great pleasure to place in nomination for the high Office of Imperial Outer Guard of the Shrine of North America, a vigorous, able, and experienced Noble of our great Fraternity.

The challenge of the eighties and nineties are before us and the Noble whose name I place in nomination already has accepted that challenge. His record of the past, as you have read in his biographical brochure, is proof of his ability to serve and to lead.

That Noble is Robert B. Bailey, Past Potentate of Orak Temple.

Bob and I have known each other for many years. Our friendship began when his father became my minister in my hometown—and that goes back to high school days. Then, when I became a Shriner in 1969, the youthful Potentate of Orak Temple was none other than my friend, Robert B. Bailey.

Bob is a successful businessman, serving as the President and Chief Executive Officer of the Monarch Oil Company and its subsidiaries.

He is married to the lovely Sarah, whom I am sure many of you have met in their travels across this great land of ours.

Also present with us are three Shrine Masons, who are, I am sure, in the back of the room or whom you have already seen, who are supporting their dad.

As an active church man and civic leader, Bob Bailey has served on many Boards and agencies, including the Board of Trustees of his alma mater, the University of Evansville.

Since becoming a member of the DeMolay at the age of fifteen, Orak's nominee has had a distinguished career in all branches of Masonry and has received many of their awards.

As I said, Bob served Orak Temple as its Potentate in 1969 and later as its Recorder. However, that was only the beginning.

During the past fifteen years, he has been a Representative to this Imperial Council and will receive his emeritus status at this Session. During that time he served on many of the Imperial Committees and today is a member of the Finance and Accounts Committee of the Imperial Council.

However, what really turns Bob on is the light I have seen in his face when you mention Shriners Hospitals for Crippled Children.

In the last thirteen years he has been a member of the Board of Governors of the Chicago Unit and presently is the Vice Chairman of the Board. His interest and enthusiasm extends far beyond just the Chicago Unit, for he has visited twenty of our other hospitals and burns centers in an effort to learn.

Many men traverse the sands of our Shrine Temples. However, few have left the imprint of service and accomplishment as has Bob Bailey.

We have no way of judging the future except by the past. With Bob Bailey's past experience and credentials, Shrinedom can have even a brighter tomorrow as he represents all of you and the kids in our hospitals.

I nominate and ask for your vote for Bob Bailey for the Office of Imperial Outer Guard. Thank you very much. (Applause)

IMPERIAL POTENTATE OLFENE: Are there any other nominations for this office? Are there any other nominations? Are there any other nominations? Hearing none, I will entertain a motion that nominations cease.

... The motion was severally made and seconded ...

IMPERIAL POTENTATE OLFENE: The motion has been made and seconded that nominations cease for the Office of Imperial Outer Guard. All in favor please say aye; opposed no. The ayes have it and the motion is carried.

Now, as we proceed here, let me read you one other Section and tell you why it is so important that you Representatives participate.

Now, with regard to elections, it says "Imperial Officers shall be elected in the following manner" and then it provides that they shall be elected by a majority of the Representatives voting. Okay? I just wanted you to know that.

Now, to give you your instructions concerning the ballot and as to how you are going to proceed, I would like to recognize Joe Howell.

NOBLE JOE HOWELL: Imperial Sir, Imperial Sirs and Representatives: We will use ballot number one and if you would not fold them, we will be able to return the results to you much quicker. Please, once again, do not fold them.

As the box is passed by you, please drop them into the box. They go in very easily and then, with your cooperation, we can give you an answer right back concerning this first ballot.

Also, we ask you to tear off the ballot stub so that we need not be bothered with that. Thank you.

IMPERIAL POTENTATE OLFENE: Does everybody understand? Are you all ready to go? I will now declare the balloting open. Also, I would suggest, in fairness to the candidates, they remain on the stage during the balloting.

... Whereupon, balloting and collection of ballots ensued ...

IMPERIAL POTENTATE OLFENE: Let me ask, is there anyone in the room who has not submitted his ballot? Will you please identify yourself by speaking up or raising your hand? There are a few hands in the back. Kindly keep your hands up so that the Tellers can find you.

... A brief pause ensued ...

IMPERIAL POTENTATE OLFENE: I am now going to give it one last try. Is there anyone in the room who has not submitted a ballot who wishes to do so? Hearing no response, I will declare the ballot closed and the Tellers will proceed to count the ballots immediately and, hopefully, they will be able to return very, very shortly.

Now, gentlemen, if you will remain quiet, we are going to proceed during the counting of the ballots with some other business that will not relate to the Call because, as you know, we will not take up any legislation which the Tellers are out of the room. However, there are two or three other items we can dispose of.

We are going to move right along here and hope that the Tellers will be able to get back here and give us some information before we come to the recess point. Also, I am fully aware of the time schedule concerning the parade and with that in mind, I believe that Jack Jones has a report from the Masonic Relations and Membership Development Committee.

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Guests, Illustrious Sirs and My Fellow Representatives: I am delighted to have this opportunity to give you a brief synopsis of the activities of your Masonic Relations and Membership Development Committee since our last Session. Primarily, I will be addressing matters pertaining to Masonic Relations and DeMolay. Imperial Sir Voris King has already given you a report on Shrine membership at this Session.

Masonic Relations is a topic which has been frequently discussed during many Shrine Association and Temple meetings over this past year. The necessity for us to work together toward a common goal of perpetuating the philosophies of our great Fraternities has been stressed time and time again.

Participating and working with our craft Lodges, the Scottish and York Rites and other Masonic Family organizations has been strongly emphasized at every opportunity.

Almost every Imperial Officer attended the Grand Masters Conference in Seattle last February. As in the past, the Shrine sponsored the DeMolay Frank S. Land Memorial Breakfast, at which the Imperial Potentate and the International Master Councilor for DeMolay were the featured speakers.

During the past year, I had the pleasure of representing the Imperial Potentate and this Imperial Council at several Grand Lodge Convocations. On every visit I was warmly greeted and received by the Grand Master, his Officers and the Brethren in attendance. Imperial Sir Olfene has met frequently with and corresponded with many Grand Masters during his tenure in an effort to promote a better understanding among the leadership of our great Fraternities.

Gentlemen, I feel that these efforts have contributed greatly to the closer relationship that currently exists between our Shrine Temples and the Grand Lodges throughout North America. This is evident when you consider that, as a result of an invitation from the Temple or Temples in various Grand Jurisdictions, thirty Grand Masters are here with us today. This, I believe, is the largest number to ever attend an Imperial Council Session. I know of

others who were invited but unable to attend because of prior commitments. May I again extend to those Grand Masters present a very cordial and warm welcome to our One Hundred Tenth Imperial Council Session.

My next subject concerns DeMolay.

The International Order of DeMolay, which includes all of the United States, Panama, Germany, Brazil, Japan and the Philippines—there being no longer any DeMolay Chapters in Mexico—suffered last year another net loss not only in membership but in the number of Chapters as well. As of December 31, 1983, their membership stood at 76,457—a loss of 6,574. The number of Chapters decreased by thirty-three, bringing the end of the year total to 1,677. Just eighteen years ago, their membership stood at approximately 165,000 and DeMolay Chapters numbered approximately 2,500.

Canadian DeMolay is showing a little progress membershipwise; however, they are in desperate need of help in two particular areas—adult leadership, such as Chapter Dads, Advisors, etc., and financial assistance to operate their Supreme Council Headquarters Office in Regina.

Actually, the greatest need for DeMolay everywhere is adult leadership in local Chapters; men who can give some of their time to help and plan and supervise various activities.

At this point, I would like to give you some information about a program that was instituted in 1983.

The then Imperial Potentate, Dr. Dan Bowers, wrote a letter to each Temple Potentate asking him to appoint the Assistant Rabban as DeMolay coordinator for his Temple. He asked them to encourage all Shrine Clubs under their Jurisdiction to become involved with DeMolay Chapters in their respective communities and that if there were no Chapters in that community, they might consider helping to form one. The letter also contained the name, address and telephone number of the DeMolay Executive Officer in the respective state or province.

Imperial Sir Bowers strongly suggested that the Temple DeMolay Coordinator contact the Executive Officer to determine DeMolay's greatest needs and also to provide him with names and locations of their Shrine Clubs.

At the beginning of his year, Imperial Potentate Olfene sent another letter to all Potentates further endorsing this program. Thus far, the results have been very good in many areas where the plan was effectively implemented.

If you are not already doing so, I implore you to become involved with this wonderful youth organization.

There are many ways to provide assistance. Please contact the DeMolay Executive Officer in your state or province. DeMolay desperately needs our help and support. My office at Tampa will be glad to provide you with information or assistance. All you have to do is ask.

In closing, I urge you as Shrine leaders to get involved and encourage the Nobility of your respective Temples to become active in Blue Lodge, Scottish Rite, York Rite and Masonic activities.

As Shrine leaders, we are expected to work arduously for the good of our Fraternity and philanthropy and as Shrine Masons, we are expected to work together with our Brethren for the good of Masonry and mankind.

Thank you for your kind attention and, Imperial Sir, I would move the acceptance of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: A motion has been made and seconded to receive this report.

All in favor please say aye; opposed no. It is carried and thank you very much, Jack.

Now, not seeing Joe Howell back in the room as yet with a report, I am going to ask if Walker and Gene are both in the room, that they please come up here.

Now, I am sure you are all aware of this because your Temples have been notified. However, since the last Session, we have had the cooperation of two major airlines, Delta and Western, in making some fare cuts for the travel of our crippled and burned children to and from the hospitals. I am sure you are all aware of this.

Now, it would have been difficult for them to have gotten their representatives here.

Now, we have prepared a plaque to be presented to each of these airlines. The one that I have in my hand in the moment is the one for Delta. This one, as also the other one, in behalf of the Shrine of North America, extends our sincere appreciation and gratitude for their efforts concerning the travel of these children. This is signed by the Imperial Recorder and our Chairman of the Board of Trustees.

Now, Gene, inasmuch as you reside in Atlanta, which, I understand, is the headquarters of Delta Airlines, I would like to give this to you for presentation to them in the proper manner.

IMPERIAL SIR BRACEWELL: Imperial Sir, I am delighted to receive this plaque on behalf of Delta and I will see that it is given to the Chairman of the Board when I get back to Atlanta. (Applause)

IMPERIAL POTENTATE OLFENE: Now, is the Potentate of El Bekal Temple here, Ted Grinager here? I understand that he is involved with the Executive Management operations of Western Airlines and I would like to have you, Ted, also Walker if necessary, to see to it that this plaque is properly presented to them.

Now, congratulations and thanks to both Delta and Western Airlines for this great thing they are doing for us.

I will now call on Joe Howell for the results of the first ballot taken on the Office of Imperial Outer Guard.

NOBEL HOWELL: Let me first say that it took only nine minutes to count this particular ballot.

Imperial Sir, it is with a great deal of pleasure I give you the results of ballot number one for the Office of Imperial Outer Guard.

There were a possible 828 votes; 815 actually voted. There were no spoiled ballots; necessary for choice, 408. I will read these slowly so that you can break them down.

The results were as follows: Dekdebrun, 244; Bailey, 191; Ravelette, 342; Griffith, 38.

IMPERIAL POTENTATE OLFENE: The Chair declares that there is not a majority and, therefore, there will be a second ballot and we will proceed with it immediately. There will be no speeches. We will take the ballot the second time around and I will ask Joe Howell to give you further instructions with regard to that.

NOBLE HOWELL: We will use blue ballot number two. Again, please do not fold them. As you can see, with your cooperation, we were able to get the first ballot results back to you very quickly and if you cooperate again, we will endeavor to do the same thing the second time around.

IMPERIAL POTENTATE OLFENE: All right, gentlemen, we will use ballot number two. The ballot is now open. After voting, please deposit your ballots and stay in your seats so that we can get this done quickly.

... Balloting and collection of ballots ensued ...

IMPERIAL POTENTATE OLFENE: Has everyone who desires to vote voted? Are there any who have not voted? Has everybody voted? If so, I will now declare this ballot officially closed and ask the Tellers to proceed to their task of counting and bringing the results back to us as quickly as possible.

Now, gentlemen, let me say that I mentioned to you yesterday that I would do my best, because of the timing, to have you out by twelve o'clock. However, I really think, in all fairness to the situation, we will remain here until we see how this ballot comes out rather than adjourn at this moment. I think it would be fairer to everybody. Is that okay?

... Cries of "yes" ...

IMPERIAL POTENTATE OLFENE: Now, perhaps while we are waiting at this point, we might take care of some other things on our agenda.

Now, the Shrine Associations around this country, of course, I find, and I am sure you agree, are extremely important to the functioning of our whole organization. Further, each year I know of the dedication that the Officers of each of our Shrine Associations have put in—the time and all of the effort to run a wonderful and meaningful program and certainly a great Convention each year concerning their association.

I felt it only fitting that we would have a certificate engraved to present this year to each of the Presidents of our Shrine Associations around North America.

I am told that the following are in attendance and if they are in attendance, will they

promptly come to the stage to receive this little scroll. They are Georgia, Northeastern, Texas, Tennessee, New York and Ontario.

... Whereupon, the above-mentioned certificates were presented to the officials in attendance from the above-indicated associations ...

IMPERIAL POTENTATE OLFENE: Now, gentlemen, while you are up here on the stage, I just want to personally thank you for all of the contributions and help you have given me. Let me say to you that the men that we have up here are the gentlemen who have led their various associations during the course of the year, for which I am very much pleased and I wish to congratulate each and every one of them and thank you so much for the great work you are doing. I know that you will continue to do this work in the future. Let us give them a round of applause. (Applause)

Now, at this point, I would like to recognize Imperial Sir Dan Bowers for a brief comment.

DR. DANIEL BOWERS [Past Imperial Potentate]: Imperial Sir, My Fellow Colleagues, Grand Masters and Nobles All: Last year we had a pleasant and delightful time in Denver, as you will recall, and I thought that I should tell you that the corporation in Denver has been closed, the bills have been paid, we have had a delightful time and I sent the final check to the Tampa Office.

I thought you should be aware of what these corporations do, as to how we close them and that it is most important that we perform these duties as quickly as possible.

Further, we had no fatalities last year at Denver. The weather was good, the city was beautiful and we left it clean when we departed.

Gentlemen, I congratulate you all because in Denver you were a most gracious group and I wish to thank you for your wonderful help and cooperation. God bless you all. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, Dan, for your remarks and report.

I would now like to recognize our Director General, Fred Spencer.

DIRECTOR GENERAL SPENCER: I would merely like to say, Imperial Sir, that we are going to have a wonderful day out there. It is going to be warm and the sun is going to be shining. We have a great parade planned and we ask everyone's cooperation to try to move the units through on time. Thank you very much and I hope you have a great time while you are here in Boston. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you very much, Fred.

I would now like to introduce to you for some brief remarks the Chairman of the Grand Masters Conference, Most Worshipful Arnold Ellingson, the Grand Master of North Dakota.

MOST WORSHIPFUL ARNOLD ELLINGSON [Grand Master, North Dakota]: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Brethren All: In behalf of my fellow Grand Masters, I would certainly like to thank each and every one of you for the kind hospitality you have extended to us.

To a man, we think this is one of the best things that has happened for the Grand Masters in attendance. We did not all appear this year but next year I am going to encourage that all Grand Masters attend your Imperial Session. (Applause)

You know, it is pretty difficult for the various Masonic organizations at the state and local levels, if they do not see us here at the national level exemplifying those attributes of brotherhood and cooperation, to do any better than we do. I think, however, we are doing that at this Session here.

Thank you very much. (Applause)

IMPERIAL POTENTATE OLFENE: You know, nothing would please me more than to see all of the Grand Masters at this Session and I would also wished that every one of them belong to the Shrine of North America. (Applause)

Now, gentlemen, we are just holding here and trying to bide time. Are there any announcements? I understand there are none and so we are, at least at present, up to speed.

Now, let me ask that all those present in the audience who served as Potentates in 1966, will you please stand. That was my class. Well, we have kind of declined in numbers, have we not, boys? At any rate, it is nice of you to come and a pleasure to see you among the Representatives. I think that is great.

You know, as someone said, your individual years are, in your mind, the greatest that you have ever had and I can concur with that.

Now, also, did you notice, in relation to the report on the first ballot, that out of a possible 828 votes being cast, there were 815 voting. How is that for attendance? (Applause)

Of course, we will just assume that those 13 or so that did not vote were off somewhere trying to form a new Shrine Temple. (Laughter)

Boy, that is certainly great attendance and I do appreciate your cooperation and the wonderful attention you are giving the Chair and the stage during these meetings.

Now, I see Joe entering the room and we will now hear from Joe with regard to the result of the second ballot. For that, I will give you Joe Howell.

NOBLE HOWELL: Imperial Sir, Imperial Sirs and Representatives: It is my pleasure to give you the results of ballot number two for the Office of Imperial Outer Guard.

There were a possible 828 votes—813 actually voted. There were no spoiled ballots. Necessary for choice was 407.

The ballots were distributed as follows: Griffith, 6; Bailey, 97; Dekdebrun, 264; Ravelette, 446.

... Cheers and applause ensued ...

IMPERIAL POTENTATE OLFENE: The Chair will recognize Bob Bailey.

NOBLE ROBERT BAILEY: Imperial Sir, Imperial Sirs, Illustrious Sirs: I thank you so much for the hospitality and warmth that you have given us. This has been a great experience and, let me assure you, we will be back to see you at your Temples next year. We will be at your Shrine Associations.

I would move, Imperial Sir, that we elect Burton Ravelette unanimously to the Office of Imperial Outer Guard at this One Hundred Tenth Imperial Session.

NOBLE DEKDEBRUN: Imperial Sir, I would like to second that motion.

IMPERIAL POTENTATE OLFENE: It has been moved and seconded that the audience declare a unanimous ballot for Burton Ravelette and spread it on the record.

All in favor please say aye; opposed no. The ayes have it.

Now, where is Burt?

Burt, let me be the first to officially congratulate you at this rostrum on your election to the high Office of Imperial Outer Guard. Welcome on board to a hard working group and I know you will join right in with them. My personal congratulations to you.

Now, Nobles, I am happy to present to you your newly elected Imperial Outer Guard, Burton Ravelette.

... Rising cheers and applause ensued ...

NOBLE BURTON RAVELETTE, JR.: Nobles, please be seated. I will see if I can make a few comments, although it will not be easy.

... Cry of "Do you accept?" ...

NOBLE RAVELETTE: I certainly do. (Laughter) Any man in this position who would not accept would have to have rocks in his head like I have in my stomach.

At any rate, Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives and also Most Worshipful Grand Masters: This was a hard job and there was a lot of hard work put into it.

I do wish to thank my faithful supporters, my Past Potentates of Sahara Temple, who did a tremendous job for me.

I wish to thank all of you who supported me and also my worthy opponents. You were all great. Needless to say, I will do the best that I can for all of you at all times.

Thank you very much.

... Rising applause ensued ...

IMPERIAL POTENTATE OLFENE: With that, gentlemen, I am going to declare this meeting in recess until nine o'clock a.m. tomorrow morning. Please be on time and we will keep moving right along.

... The One Hundred Tenth Annual Session of the A.A.O.N.M.S. recessed at twelve-fifteen o'clock ...

MORNING SESSION
THURSDAY, JULY 5, 1984
NINE O'CLOCK A.M.

The One Hundred Tenth Annual Session of the Imperial Council reconvened at the Sheraton Boston Hotel, Boston, Massachusetts, at nine o'clock a.m., Imperial Potentate Richard B. Olfene presiding.

IMPERIAL POTENTATE OLFENE: Will you please take your seats.

We are going to have a busy and fruitful day today, as you can tell from the remaining items in your Call and, therefore, I would appreciate your taking your seats as quickly as possible. If there are any non-Shriners in the room, I would ask that you please excuse yourselves so we may reconvene our Session.

While you are taking your seats and before we get into the official beginning, let me say that I hope that most of you had the opportunity to participate in our parade yesterday and, really, could you think of a nicer, finer feeling than to be in this historic city on the Fourth of July and receive the response that the Shrine of North America received from the citizens of this area? Was it not great yesterday? (Applause)

I might say to you that the officials of the Boston Police Department have now officially estimated the crowd on the streets yesterday in excess of one million people. (Applause)

With that, I would like to call this meeting back officially into Session and please remain seated and remove your Fez and give your attention to the Imperial Chaplain.

NOBLE HATHORNE [Imperial Chaplain]: Eternal God of the universe, may we ever be grateful for our Shrine heritage as we meet in this historic city of Paul Revere.

Also, may we ever thank You and be grateful for our great philanthropy of helping crippled and burned children.

As our Imperial Potentate stands at the podium, please imbue him with Your blessings. Inspire us all with Your presence. Use us to work hard in Your vineyards and to do Your will, to be good servants and be faithful to the teachings of our Order and Fraternity.

We pray this in Your glorious name. Amen.

IMPERIAL POTENTATE OLFENE: Thank you, Larry. Also, would you mind amending your prayer and pray for some good weather for tonight? (Laughter)

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE OLFENE: Now, gentlemen, I would like to introduce a Noble from Nile Temple—Brother Don Wright, Grand Master, Order of DeMolay. (Applause)

ILLUSTRIOUS DON WRIGHT [Grand Master, Order of DeMolay]: Imperial Sir, Imperial Sirs, Most Worshipful Sirs, Nobles All: I bring you greetings from over 78,000 DeMolays from around the country.

In the sixties and seventies, DeMolay suffered the unpopularity of being part of The Establishment which was felt throughout our entire Masonic Fraternity. I am pleased to tell you, however, that in the eighties we are seeing a swinging of this pendulum back greater than ever before.

Youth is indeed searching for a return to traditional values and for the first time in many years, we can see DeMolay throughout this grand, great land beginning to rise and beginning to grow.

In no little part, I feel that part of the results can be attributed directly to you seated here in this room. The vision, the wisdom, the foresight and intestinal fortitude of your Imperial Divan a few years ago in joining with DeMolay and helping us build a data base to be able to keep track of every young man from age thirteen all the way through his twenty-first birthday is going to prove an invaluable asset, not only to us but, in my opinion, ultimately to the entire Masonic Fraternity. For this we are deeply grateful.

As I speak to you today, there are three Leadership Conferences being held around this country from coast to coast. Over the next few weeks, there may be a total of fourteen such Leadership Conferences held, to which we bring in young men of DeMolay who have not quite started up through the Chairs and give them a week of intensive training in leadership, citizenship and in Masonic principles. Many of these affairs are funded or partially funded by Shriners, by the High Twelve, by the Tall Cedars of Lebanon and various Masonic

Lodges, as well as other groups throughout this country. This appears to me to be a new swing, a new blending of the Masonic Fraternity directly with DeMolay.

I would like to think of it as the DeMolay Masonic Crusade of 1984 and I believe, with all my heart, that it is working.

We have entered into an affiliation agreement with your Imperial Shrine and you will see published later this year our DeMolay Cordon Magazine that will be entitled "DeMolay Shrine Cordon." We hope to place this magazine in the homes of our Masonic Families and into the hands of these young men and tell them the Shrine story—let them know that the Shrine is a part of the Masonic Fraternity, of which they likewise are a small part. In other words, while they are not a junior Masonic organization, certainly they are inculcated with all of the good and basic principles of Masonry and cannot indeed exist without sponsorship of Masonry. For this we are also grateful.

Now, I would also like to say to you that I have found throughout this great country, wherever I have traveled—either nationally or on the state level—that there is a great awareness of the need to attend to our youth.

The problems that we are facing and the problems that we must solve, the problems that cry to us for solution is how to translate that desire, that willingness to work together; how to translate it down to the local level; how to translate it down to inspiring that local Shrine Club, that local Masonic Lodge, that local Chapter of whatever Masonic organization it may be—how to transfer the thought that these young men are indeed our future; how do we, for example, translate that down to the local level in order to seek out and find, develop, train and encourage that one individual, for example, on the local level, to support these young men which, in turn, can make such a dynamic difference in so many lives?

I wish I had the answer to that but I do not but I know that together we must continue to search. This is an opportunity that is too great for us to let slip through our fingers and I urge you, when you return to your respective Temples, give that some thought, take the time, make the effort.

Possibly it must be done on a one on one basis. I have heard Grand Masters say, on the same platform that I have had the privilege of occupying with them, "We are not going to find that man generally sitting in a Masonic Lodge—we are going to find him someplace else within that community." However, let us find him, seek him out and give him an opportunity to serve our youth as he has never had before. This is the challenge that we face in the eighties. We have the product, we have the market, we desperately need the men.

I thank you for the opportunity to appear before you. Imperial Sir, I appreciate your hospitality. It has been a pleasure to meet with you many, many times this year. We have had several opportunities and I look forward to continuing to work with your Divan next year and, of course, with Illustrious Sir Jack Jones. Your continued support is greatly appreciated.

Thank you all and God bless you. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, Don, a very dedicated man, a very hard working man, dedicated to DeMolay and, as we all now know, interested and dedicated to the Shrine and I do hope that the individuals in your Temples react to it.

We really thank you for what you are also doing for DeMolay because, really, as I spoke to you the other day about it, my opinion is that we are a total family and working together we will be going in the proper direction.

Now, I believe that Imperial Sir Jack Dean desires to make a couple of remarks to you and I will recognize him for the purpose of presenting those remarks at this time.

IMPERIAL SIR JACK DEAN: Imperial Sir, Imperial Sirs and Fellow Representatives: "General Order No. 1" is here to talk to you again.

After the seminar at St. Louis, a lot of you started calling me "General Order No. 1" because I alluded to it so many times with regard to our insurance program and with regard to the endorsement of our insurance policies that we include the Iowa and Colorado Corporations.

Two years ago, I took over the Chairmanship of this committee and at that time we had some 126 Temples that were not in compliance.

Now, while at St. Louis, I reported to you that we still had some sixty Temples at that

time that were not in compliance but I am happy to report to you today that as of this minute we are down to only two Temples who are not in compliance. I have met with both of them and they are already making arrangements.

I had hoped to be able to say to you that we would be a hundred percent by this time but I am sure that we can say we will be a hundred percent quite soon and so I would like to recommend, Imperial Sir, that we Imperial Officers and the entire Imperial Council give everybody a hand for cooperating and helping our whole Fraternity because you helped yourselves and you have also helped us and I want to say thank you to all of you. God bless you all. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, fellows, for the fine cooperation in getting these reports in.

Now, we still have a few moments to wait here and so I would like to ask you, Ted, or any of the legal fellows up here, if you have anything to say? I understand they do not have anything to add at this time.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE OLFENE: While we are still waiting for the election results, I would like to recognize our Director General, Fred Spencer.

DIRECTOR GENERAL SPENCER: Imperial Sir, Imperial Sirs and Representatives: You have already heard comments regarding the parade we had the other day and of the great turn-out we had. Also, I hope that you feel your Temples were treated well in conjunction with that parade and we also look forward to it being held tonight.

We have asked the Imperial Potentate to make sure that the rains hold off. They have given us the possibility of there being showers but we just hope they will hold off. Again, it was a great show that we put on yesterday and I want to thank all of you Potentates who brought your units here because it is you who put on that great pageantry of the Shrine by taking the time and effort to bring your units here.

In behalf of all of our committee who have worked so long and hard, I do want to thank all of you for your cooperation. Thank you for coming. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, Fred.

I believe Imperial Sir Powell desires to make a comment.

IMPERIAL SIR POWELL: Imperial Sir, Imperial Sirs and Representatives: On a serious note, if I may, five years ago when it was decided that we should really do something insofar as Masonic Relations was concerned and put it on a real active basis, we made a survey and we learned to our surprise that there were but nine Grand Lodges throughout this great country, Canada, Mexico, that recognize the Shrine in their By-Laws as a true Masonic organization and that the Shrine was a part of their Grand Lodge Family. Now, we were quite disturbed about this and we decided that we would make an attempt to see what could be done to have all the Grand Lodges recognize the Shrine as a Masonic body and, as of today, there are now seventeen.

It is not easy, for example, for a Grand Lodge to make changes of this type. Sometimes it takes two years in successive voting for it to happen, sometimes only one year.

However, I am proud to report to you today that not only do we have seventeen but I know that in their minds and in the programs they have, most of our Grand Lodges are making us part of their future Grand Lodge meetings.

I trust that next year when we come before you that there may be seventeen more. Therefore, we do have a lot to be thankful for as to the progress we are making in that behalf.

I am also proud to report, insofar as the DeMolay is concerned, that there are more activities taking place throughout Shrinedom because of the willingness of the Potentates of the various Temples to work with the DeMolay in seeing to it that more of the Shrine Clubs and more of their members are actively supporting DeMolay.

Now, money is important but it is not as important as manpower and, believe me, our raw materials for the success of Masonry and all of our Masonic bodies keep coming and should come from our DeMolay. Therefore, I appeal to all of you to go to work in that behalf.

Thank you. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, George.

Let me also say, gentlemen, that I personally want to thank the very hard working

committees of the Shrine, the Standing Committees, each and every one of them, for the great jobs that they do at all of the Sessions and particularly in my Session to get their committee reports done. This is a dedicated group of people, each and every one of them—the Jurisprudence and Laws Committee and General Legal Counsel—they are just a group of hard working and dedicated Nobles and personally I want to say thank you to all of them. (Applause)

... Business was transacted in the Colorado Corporation at this time ...

PAST IMPERIAL POTENTATE WECK: All in favor of the motion please indicate by saying aye; opposed. It is unanimously carried.

Note: The nomination information concerning Noble John Roffey indicates that he has been a member of Karnak Temple since 1958, is a member of the Canon Shatford Blue Lodge, the York Rite, a member of Richard Coeur DeLion Preceptory No. 7 of the Sovereign Grand Priory of Canada; has served two six-year terms as a member of the Board of the Montreal Unit, Shriners Hospitals for Crippled Children. The information further indicates that he has been a Senior Account Executive in sales and that his activities as a Shriner included being Potentate of Karnak Temple in 1975, Treasurer in 1979-1983, Director General of the Northeast Shrine Convention in 1976, a member of the Cabiri and Imperial Representative since 1969.

PAST IMPERIAL POTENTATE WECK: I believe we have one more nomination left, that of Noble David Miller, the Recorder of Ali Ghan Temple. He must be the largest Recorder in the world, I think.

Therefore, I would like to place in nomination for election to Emeriti Membership the name of Noble David Miller.

... The motion was duly seconded and, there being no further discussion, was voted upon and declared to be unanimously carried ...

Note: The background information concerning Noble David Miller is as follows: A member of Ali Ghan Temple, a member of the Scottish Rite, of Hillbilly Clan No. 12 and Algonquin Forest No. 140 of the Tall Cedars of Lebanon. Activities concerning Shriners Hospitals include service on the Imperial Computer Committee and President of the 1983-1984 Recorders Association. His employment career is in the Engineering Department of the Kelly-Springfield Tire Company. He has a wife and two married daughters.

PAST IMPERIAL POTENTATE WECK: I believe, Imperial Sir, this concludes our duties and I will present all of these individuals heretofore named with their certificates at this time.

... Presentation of certificates to the various nominees presented ensued at this time ... (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, Warren, for those presentations.

Now, if everybody will get back into their seats, we are going to proceed with a little further action here. We still have a number of pieces of legislation and the quicker we can all work together and cooperate and move them along, the better off we will all be. Therefore, I would ask that you return to your seats quickly, please.

Okay, gentlemen, I will ask you now to turn to page 23, Item 20 in your Call and at this time I will ask for the report of the Jurisprudence and Laws Committee concerning this item and I will call on Judge Cooper.

IMPERIAL POTENTATE OLFENE: The Chair recognizes Illustrious Sir Howard Smith.

ILLUSTRIOUS SIR HOWARD SMITH [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Jurisdictional Lines Committee Item 20 proposed by the Potentates of Arabia and Sharon Temples which, if adopted, would change the jurisdictional lines between Arabia and Sharon Temples in the State of Texas.

Your committee met with the involved parties, discussed the effect of the proposed change and the fact that the two Temples are in agreement that the proposed change is in the best interest of both Temples.

Your committee, therefore, unanimously recommends the adoption of this legislation.

Respectfully submitted,

Imperial Sir, I move the adoption of this proposal.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: You have heard the motion and the second, which is to adopt this proposal. Is there any discussion?

If not, all in favor of the adoption of this proposal will please say aye; opposed no. It is unanimously adopted.

Now, we will go to page 20, Item 14 and for that report concerning the J and L Committee, I will call on Ted Corsones, please.

NOBLE TED CORSONES [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 14 on the Call of the Annual Session and it is located on page 20 of the Call. It is a proposal to amend paragraphs (c) and (d) of Section 329.3 of Article 29 of the By-Laws of the Iowa Corporation by adding and deleting certain language so that such paragraphs, as amended, will read as follows:

THE IMPERIAL COUNCIL

ARTICLE 29
Dispensation For New Temple

Section 329.3 Action by Imperial Council.

(c) A Charter may not be granted to any Temple under dispensation until it has been under dispensation for a period of at least the time elapsing between two Annual Sessions of the Imperial Council.

(d) If the Temple under dispensation has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has shown a satisfactory increase in membership, then the Imperial Council, at the first Annual Session following the grant of the dispensation may grant it a Charter.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Imperial Sir, if there be no questions or comments on this report, I recommend that you now call on Illustrious Graves Trumbo for the report of the Committee on Dispensations and Charters.

IMPERIAL POTENTATE OLFENE: I will recognize Illustrious Graves Trumbo.

NOBLE GRAVES TRUMBO [Reading]: To the Representatives of the Imperial Council.

There has been referred to your Committee on Dispensations and Charters Item No. 14 appearing on page 20 of the Call of the Annual Session. It is a proposal to restructure Section 329.3 of the By-Laws of the Imperial Council. Your committee has reviewed this proposed legislation in the light of its experience with Temples under dispensation over the past several years. Your committee has discussed this legislation with the proponent thereof. Your committee and the proponent have observed that the present language of Section 329.3 establishes a fixed minimum number of Nobles as a condition precedent to a grant of a Charter. Your committee believes that, based upon its experience, the establishment of a fixed number of Nobles under said Section of the Code places both the committee and the Imperial Council in a legislative straightjacket in considering whether or not to grant a Charter to such a Temple under dispensation.

Your committee believes that the Imperial Council itself should properly determine, in the sound discretion of the Imperial Council, whether the Temple under dispensation has shown a satisfactory increase in membership considering all of the factors of Masonic population, geography and other factors prevailing within the Temple's Jurisdiction. Your committee believes that it is in the best interest of Shrinedom and in the best interest of affected Temples under dispensation that the proposed amendment to Section 329.3 be adopted and this committee unanimously supports the proposed amendment.

Respectfully submitted,
COMMITTEE ON DISPENSATIONS AND CHARTERS
Graves H. Trumbo, Chairman
W. L. Barrineau, Jr.
George H. Follett

Imperial Sir, if there are no questions concerning this report, I request that you call on Illustrious Sir Theodore Corsones for an appropriate motion.

IMPERIAL POTENTATE OLFENE: I will recognize Ted Corsones.

NOBLE TED CORSONES: Imperial Sir, I move adoption of the proposal and upon its being seconded, I would like to take a moment to explain it.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: You are again recognized, Ted.

NOBLE TED CORSONES: Thank you, Imperial Sir.

This is an attempt, Fellow Representatives, to eliminate some inconsistencies that exist in the Imperial By-Laws regarding required numbers for dispensation before receiving a Charter. There is considerable variation between these presently and so what we are doing by this proposal is that we are eliminating these inconsistencies using the language of "satisfactory increase in membership."

IMPERIAL POTENTATE OLFENE: Is there any other discussion on Item 14, the adoption thereof?

Hearing no request for further discussion, I will put the question.

All in favor of the passage of Item 14 please say aye; those opposed no. There are several negative votes but I will declare it has passed by the needed two-thirds requirement of the corporation.

We will now go to the Jurisdictional Lines Agreement that was included in your packet and, concerning that and to report for the Jurisprudence and Laws Committee, I will call on Bob Lake, please.

NOBLE ROBERT LAKE [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws a proposal to amend Sections 449.3 and 449.5 of Article 49 of the By-Laws of the Imperial Council, an Iowa Corporation. The proposal is not in the Call. It has been submitted during this Session by the Jurisprudence and Laws Committee under authority of Section 101.5 of the By-Laws of the Imperial Council, and it was included in the registration envelope given to all Representatives at the time they registered for the Annual Session. The Sections, as amended, would read as follows:

ARTICLE 49

Section 449.3 Al Malaikah Temple

Has:

(a) Concurrent Jurisdiction with El Bekal Temple in the counties of San Luis Obispo, Santa Barbara, Ventura, San Bernardino, Riverside, Los Angeles and Orange.

(b) Concurrent Jurisdiction with Tehran Temple in Kern County.

Section 449.5 El Bekal Temple

Has:

(a) Concurrent Jurisdiction with Al Malaikah Temple in the counties of San Luis Obispo, Santa Barbara, Ventura, San Bernardino, Riverside, Los Angeles and Orange.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE R. A. POSEY [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines a proposal to amend Sections 449.3 and 449.5 of Article 49 of the By-Laws of the Iowa Corporation. The proposal deals with a change in jurisdictional lines in a portion of California and affects only Al Malaikah and El Bekal Temples.

The interested parties appeared before your committee and jointly presented an agreement to change the jurisdiction of the two Temples as read to you in the report of the Jurisprudence and Laws Committee. A copy of this agreement is attached hereto and made a part of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: You have before you a motion and a second as to the adoption of this proposed amendment. Is there any discussion? Seeing none, I will call for the question.

All in favor of adoption of the proposed amendment will please say aye; those opposed. I declare it passed unanimously and I thank you for that.

Now, the next item I would like to turn to is page 25 of your Call, Item 24 and for that I will call on Judge Cooper who is going to handle this for the Jurisprudence and Laws Committee.

NOBLE COOPER [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item 24 of the Call of the Annual Session of 1984 found on page 25 of the Call. It is a "Request" concerning the application for a dispensation to form a new Temple at Green Bay, Wisconsin, and to extend the validity thereof to August 24, 1985.

The committee reports that the proposed request for extension of the validity of the application is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Imperial Sir, if there are no questions or comments concerning this report I recommend you call on Illustrious Sir Earl Brown for the report of the Committee on Dispensation and Charters.

IMPERIAL POTENTATE OLFENE: The Chair will recognize Illustrious Sir Earl Brown.

NOBLE EARL BROWN [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters the application for dispensation for a new Temple at Green Bay, Wisconsin and the request to extend the validity of the application. This is Item 24 on page 25 of the Call for the Annual Session of 1984.

The committee met with the Representatives of the applicants and also with the Representatives from Tripoli Temple and Zor Temple and held a hearing on the request. After due deliberation, your committee adopted the following resolution:

"WHEREAS, the committee to form a new Temple at Green Bay, Wisconsin requested an application for dispensation from the Imperial Recorder; and such application was issued on August 24, 1982;

"WHEREAS, such application will be void after the passage of twenty-four months from the date it was issued unless specifically extended by appropriate action of the Imperial Council;

"WHEREAS, it appears that the committee to form a new Temple at Green Bay, Wisconsin is still alive and enthusiastic, but needs additional time to submit sufficient data to the Dispensations and Charters Committee for its review and report; and

"WHEREAS, your committee finds that good and sufficient cause has been shown for additional time.

"NOW, THEREFORE, BE IT RESOLVED, that pursuant to Section 329.2(c) of the By-Laws of the Imperial Council, the validity of the application for dispensation be and hereby is extended to August 24, 1985."

Imperial Sir, if there are no questions concerning this report, I move the adoption of this resolution.

IMPERIAL POTENTATE OLFENE: Is there a second to the motion to adopt?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Now then, is there any discussion? I will recognize the gentleman at microphone 2.

NOBLE RICHARD A. HUEGEL [Tripoli Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: My name is Richard Huegel and I am a Representative of Tripoli Temple.

Now, Zor Temple appeared before this committee and expressed their sentiments and their views about the extension of the application for dispensation. Tripoli Temple will not oppose that particular extension. We are acting in this manner because of the fact we feel that we do not have the wherewithal, that we are not rich enough to put up with fighting among ourselves. Therefore, in the interest of these Temples in Wisconsin, that is our view and I thank you so very much. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you very much. Is there anyone else who desires to make any comments or provide any discussion? Seeing no people at the microphones, I will put the question.

All in favor of the adoption of the motion please say aye; opposed no. It is unanimously carried.

Now, Walter, I believe you want to make another explanation to us, do you not?

NOBLE WALTER PETTIT: Imperial Sir, Imperial Sirs and Representatives: There has been a similar request made for the extension of an application for dispensation from the Panama City, Florida area which does not appear in your Call. The Imperial Potentate has felt it is in the best interest of Shrinedom that they be heard. This was referred to both your Committee on Jurisprudence and Laws and the Dispensations and Charters Committee and, Imperial Sir, I would now ask that you call on Gerald Davis, a member of the Jurisprudence and Laws Committee, to present this report, which is similar to the Green Bay matter.

IMPERIAL POTENTATE OLFENE: Thank you, Walter. I will recognize Noble Davis.

NOBLE GERALD DAVIS [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws the application for dispensation to form a new Temple at Panama City, Florida and a request to extend the validity thereof. This matter is not on the Call for the Annual Session.

The committee, nonetheless, as directed by the Imperial Potentate, has reviewed this matter and reports that the proposed request for extension of the validity of the application is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE LOUIS LEITENBERGER [Hadji Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives, I am Louis Leitenberger, the Potentate of Hadji Temple.

We have no objection to Panama City forming a Shrine Temple.

IMPERIAL POTENTATE OLFENE: Thank you. Is there anyone else who has any comments or questions?

Hearing none, all in favor of the adoption of the motion please say aye; those opposed. It is unanimously carried. Thank you very much, gentlemen.

IMPERIAL SIR McMULLAN: Imperial Sir, I would move for the adoption of this proposal.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: The motion and the second before you is for the adoption of this proposal. Is there any discussion?

Now, let us turn to page 25 and look at Item 23, another resolution, and I will call on Ed Maag to report for the Jurisprudence and Laws Committee, please.

NOBLE MAAG [Reading]: To the Representatives of the Imperial Council:

There has been referred to your committee on Jurisprudence and Laws Item number 23 of the Call of the Annual Session of 1984 and it is located on page 25 of the Call. It is a resolution to form a Special Committee to study the matter of Temple membership and jurisdictional lines. The resolution reads as follows:

RESOLUTION

WHEREAS, the By-Laws of the Imperial Council provide for exclusive and concurrent jurisdiction for the subordinate Temples; and

WHEREAS, some states with more than one Temple provide for the Temples to have concurrent jurisdiction in the entire state except for the home county of a Temple; and

WHEREAS, the Imperial Council and subordinate Temples should encourage petitioners to join a Temple where they will become active and dedicated Shriners; and

WHEREAS, no action should be adopted which would impair the financial stability or membership viability of the subordinate Temples; and

WHEREAS, no study has been undertaken regarding the foregoing for several years;

NOW, THEREFORE BE IT RESOLVED, that the Imperial Potentate appoint a Special Committee to study the matter of Temple membership and the feasibility of accommodating petitioners in their choice of a Temple; and

BE IT FURTHER RESOLVED, that such Special Committee report to the 1985 Annual Session and make such recommendations as it deems appropriate and present such proposals for amendments to the By-Laws of the Imperial Council as it deems will be in the best interests of the Imperial Council and the subordinate Temples.

If there are no questions concerning this report, it is now appropriate for the sponsor of this resolution, Illustrious Howard O. Jornod, Recorder and Representative of Mizpah Temple to move the adoption and implementation of the resolution.

IMPERIAL POTENTATE OLFENE: You have heard the report and I would now like to call on Illustrious Howard O. Jornod.

NOBLE HOWARD O. JORNOD [Mizpah Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: I would respectfully move for the adoption of the report, of the resolution.

... The motion was severally seconded ...

IMPERIAL POTENTATE OLFENE: It has been moved and seconded that you adopt the resolution as presented. Is there any question or is there any discussion?

I believe there is a gentleman at microphone 1, please.

NOBLE ROBERT BREEDLOVE [El Karubah Temple]: Imperial Sir, I would just like one quick word concerning the second Whereas clause in the resolution, the third line, where it says "the home county," to add in there, "or parish." I ask that this be included because, in the State of Louisiana, we have parishes. Would that be appropriate to be added?

NOBLE MAAG: Let me say to you that I believe the present Code already covers that. Everywhere in the Code where the word "county" is used, it is synonymous with "parish" and so I do not think that this resolution, by intent, would exclude Louisiana at all, sir.

IMPERIAL POTENTATE OLFENE: Are there any other questions? Seeing none, I will put the question.

All in favor of adoption and implementation of this resolution please say aye; opposed no. I declare it passed by the necessary two-thirds as required.

Now, gentlemen, we are running here into noontime but please stick with me because I think we can work this think pretty good.

I would now like to have you take a look on page 18, Item 7 and for the J and L report, I will call on Walter Pettit, please.

NOBLE WALTER PETTIT [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 7 on the Call of the Annual Session of 1984 and it is located on page 18 of the Call. It is a proposal to amend Section 211.6 of Article 11 of the By-Laws of the Iowa Corporation by adding and deleting certain language so that such Section, as amended, will read as follows:

ARTICLE 11 Budget and Revenues

Section 211.6 Payment of Per Capita Tax

The annual per capita tax shall be paid to the Imperial Treasurer as follows:

- (a) Not later than March 31, fifty percent; and
- (b) Not later than June 1, fifty percent.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call Illustrious Sir Merv Henning of the Finance and Accounts Committee for its report.

IMPERIAL POTENTATE OLFENE: The Chair recognizes Merv Henning.

NOBLE MERVIN HENNING [Reading]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives to the Imperial Council:

The proposed amendment to Section 211.6 of Article 11 of the By-Laws of the Iowa Corporation has been referred to your Finance and Accounts Committee for a report to you.

There is no material effect on the projected financial position of the Iowa Corporation if this amendment is passed. It merely advances the October first payment from the Temples to the Imperial Council to be included with the June 1st payment.

As proponents of this amendment, the Finance and Accounts Committee unanimously recommends adoption of this amendment to be effective January 1, 1985.

Imperial Sir, if there are no questions or comments concerning this report, I move the adoption of the proposal.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: We have before us the motion and the second concerning the adoption of this proposal. Is there discussion? I will recognize the gentleman at microphone 1.

NOBLE THOMAS LUCAS: Imperial Sir, if you will examine your Call, I believe there is the same change recommended with regard to a different Section of the Code. Would that be amended also? Would I be able to move, for example, that the two items be incorporated together and acted upon at the same time?

IMPERIAL POTENTATE OLFENE: Well, excuse me for interrupting, but is there not also a third one that goes along with it?

NOBLE WALTER PETTIT: Item 15 also goes along with it.

NOBLE LUCAS: Then I would also request that we join that item to these others. In other words, I do not see why all of these reports cannot be a part of the record and the three items acted upon together.

NOBLE WALTER PETTIT: It will require separate reports from Jurisprudence and Laws and Finance and Accounts but if it be the feeling of the body, we could do that, if you wish, or we could include the reports of these committees in the record.

NOBLE LUCAS: Let me ask, Imperial Sir, is there any difference in relation to these reports? Are they all in the affirmative?

NOBLE PETTIT: I cannot speak for Finance and Accounts but I assume they are.

NOBLE MERVIN HENNING: They are all the same.

NOBLE LUCAS: Then, if they are all the same, I would move they be made a part of the record and all three be acted on at the same time.

IMPERIAL POTENTATE OLFENE: As I understand it, he is talking about Items 7, 11 and 15. That is the motion. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there any discussion on the motion? If not, I will put the question.

NOBLE PETTIT: If I may, Imperial Sir, I think the discussion on any one of these items would be included in the discussion of all so that it probably is an appropriate and timesaving thing to do.

IMPERIAL POTENTATE OLFENE: Is there further discussion?

If not, all in favor of the motion please say aye; opposed no. The ayes have it and I declare the motion passed by the necessary two-thirds vote.

... In accordance with the passage of the above motion, there follows herewith, as a part of this record and without reading into this record, the reports of the Jurisprudence and Laws Committee and the Committee on Finance and Accounts concerning Items 11 and 15 as contained in the Call ...

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 11 on the Call of the Annual Session of 1984 and it is located on page 19 of the Call. Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives to the Imperial Council:

The proposed amendment to Section 327.3 of Article 27 of the By-Laws of the Iowa Corporation has been referred to your Finance and Accounts Committee for a report to you.

There is no material effect on the projected financial position of the Iowa Corporation if this amendment is passed. It merely advances the October 1st payment from the Temples to the Imperial Council to be included with the June 1st payment.

As proponents of this amendment, the Finance and Accounts Committee unanimously recommends adoption of this amendment to be effective January 1, 1985.

IMPERIAL POTENTATE OLFENE: Now, by your vote, we are going to talk about Items 7, 11 and 15 and we are now open for discussion on this issue.

Is there anyone who wishes to speak concerning these items? If they do, will you please approach one of the microphones in order to be recognized.

The gentleman at microphone 3.

NOBLE CHARLES TAWATER [Adkar Temple]: Imperial Sir, can we be told why they need the fifty percent prior to what has been a working process for many, many years?

IMPERIAL POTENTATE OLFENE: I will refer that to the Chairman of Finance and Accounts.

NOBLE MERVIN HENNING: Most of the Temples have received the money in November, December and January of the year and they have gotten use of the money before sending it on to the Colorado Corporation. However, it is the feeling that this money, upon receipt by the Temple, belongs to the Colorado Corporation and the portion of the per capita belongs to the Iowa Corporation and it was felt that delivery should just be accelerated and then it would involve one less payment in October.

NOBLE THOMAS LUCAS [Al Chymia Temple]: Imperial Sir, under Imperial Code you are supposed to keep your hospital assessments in a separate account.

Now, if you only collect sixty percent of the hospital assessment up to that point and there are a number of unpaid dues that are still out, are you going to require us to go ahead and pay these assessments based on the membership we are carrying on our rolls at the time?

NOBLE HENNING: If I understand your question, let me say that it is always based on your membership as of December 31, your hospital assessment per capita tax.

NOBLE LUCAS: However, we do not collect per capita tax for 1985 in 1984. Most Temples start collecting their dues in November and December of 1984 for 1985.

NOBLE HENNING: That is the Temple's prerogative. You have collected it in November and December and you calculate, based upon December 31 of 1984, what your per capita tax and hospital assessment is for 1985.

NOBLE LUCAS: How about those in the organization that have been suspended for non payment of dues during the year?

NOBLE HENNING: That is taken care of and adjusted on a monthly basis at the end of the year.

NOBLE LUCAS: Well, what you are saying to me, for example, I have a membership of 5,000 and 3,500 of the members have paid their dues and hospital assessment for the year

1985 and the other 1,500 have not. Am I entitled to say to you, for example, that on these other members I have not yet collected dues?

NOBLE HENNING: Well, if your membership is 5,000 you calculate the fifty percent, thirty-five percent and fifteen percent based upon the 5,000 regardless of the number of people who have paid.

NOBLE LUCAS: Well, I would agree with that.

NOBLE WALTER PETTIT: Let me interrupt you, Tom and ask you if you have your Code Book with you? I know you generally do.

NOBLE LUCAS: I do not have it with me right now.

NOBLE PETTIT: I believe the answer to your question may lie in Section 332.4(e) with regard to the hospital. For example, "A Temple may take credit for and deduct from its remittance all unpaid hospital levies of the preceding year occasioned by death or suspension."

Now, suspension for non-payment of dues must be made prior to December 31 of any year and your per capita tax begins the next day based on your membership at that time. However, you may, under Section 332.4 deduct and take credit from your remittance on hospital levies which have been unpaid.

Does that answer the question?

NOBLE LUCAS: Well, I am well aware of that. However, I want to see some changes come about here because some of our Temples have a problem of finances, as you all know, and they do have things they want to do with the membership they have and maybe in connection with some of the larger Temples it would not matter near as much as with the smaller ones. However, I am speaking about just some Temples starting out and I do not like to see the Imperial Council and the Iowa Corporation on a cash flow basis. I think I would work against that in the committees I have been on. Now, the way we are proceeding at the present time seems, at least to me, to be a fair and equitable way of doing it and that is the reason I speak in opposition to those proposals.

IMPERIAL POTENTATE OLFENE: Thank you. Now, does anyone else have any comments? The gentleman at microphone 3.

REPRESENTATIVE [Omar Temple]: I, too, speak against this piece of legislation.

The day before this Council agreed with Resolution 1 in an attempt to make things fair and equitable and the figures that we used the day before indicated we saved the corporation between \$120,000 and \$250,000. Now, if this resolution passes then, unfortunately, I am afraid that it is going to force the Potentates of my Temple in the next few years to have to go down to the bank in June and make a loan to meet their obligations. Therefore, I would just implore the Imperial Council, at this Session, to go along with us as we went along with Resolution 1. Thank you, sir.

IMPERIAL POTENTATE OLFENE: I will recognize as our next speaker Imperial Sir George Powell.

IMPERIAL SIR POWELL: Imperial Sir, Imperial Sirs and Representatives: You know, at one time I served on the Finance and Accounts Committee and having been Chairman of a Special Purpose Funds Committee, I have been quite involved in the financial structure of the Temples.

I can report here today that all Temples are not in the good and sound financial condition that they should be in and, of course, we hope they will get better.

However, what happens is just this—that most Temples pay promptly when due but there are other Temples who are waiting until they collect the dues for their year which is overdue from last year before they pay. Now, that is not a good financial practice nor is it fair to the Temples that do pay promptly.

Now, that basically is what has caused this legislation to take place. We want all Temples to pay one way or the other.

Now, for example, if you all want to pay later, then we cannot operate the Shrine of North America. If you are willing to accept the fact that some Temples pay on collected funds this year for the debt they incurred last year on their dues—well, I do not think that is correct.

All we are asking you to do is to adhere to good financial practices.

IMPERIAL POTENTATE OLFENE: Well, okay fellows, is there anyone else?

Does anyone else wish to speak on the issue, this combination you voted to speak on at one time? I will recognize the gentleman over here.

NOBLE GEORGE CHRISTIE [Potentate, Kismet Temple]: I have a question please.

You know, when you figure out the money we are talking about, it comes to less than \$18,000.

IMPERIAL POTENTATE OLFENE: In toto?

NOBLE CHRISTIE: The money in question here, by changing this payment from October to June. If that is a wrong figure, then will somebody please tell me what the right figure is? What are we talking about as a difference in all of the numbers that are involved in relation to this particular item?

IMPERIAL POTENTATE OLFENE: Let me call on Merv Henning to answer that.

NOBLE MERVIN HENNING: I might say that we made some calculations the other day and, insofar as the Iowa Corporation is concerned, if it were an average of all the Temples, it would amount to probably a figure of \$300 to \$400 of loss of interest per Temple. That is, if you made your money properly and, of course, that is up to each individual Temple.

NOBLE CHRISTIE: Personally, I hope you defeat this legislation and if you do, I hope one of the Representatives will put in legislation next year so that everyone can pay later.

... Cries of "no, no" ...

IMPERIAL SIR POWELL: Let me say that all we are asking you to do is to pay when it is due, which presently is not taking place and I still say it is not fair to those Temples who pay promptly to have other Temples not pay promptly.

IMPERIAL POTENTATE OLFENE: The gentleman at microphone 2.

NOBLE JACK CALLAHAN [Kena Temple]: It seems to me that all the Temples are being penalized for the few that pay late and I would suggest that you go after the late payers. (Applause)

If you move the date up, then these Temples who are presently paying late are still going to be paying still later.-

IMPERIAL POTENTATE OLFENE: Thank you.

Is there anyone else? Is there anyone else who desires to ask questions or discuss any of these items? If not, I think you are ready to vote.

Again, let me remind you that this is taking a vote on all three of these items. If you vote "aye," you will indicate that you are in favor of passage and those voting in the negative are against.

Therefore, all those in favor of the passage of Items, 7, 11 and 15 please say aye; opposed no.

I declare the motion failed by the required two-thirds By-Laws provision. If anyone wants to challenge the Chair, then we will do something else.

Now, gentlemen, what I would like to do is I would like to recess and call you back into session at one-forty-five p.m.

... The One Hundred Tenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at twelve-fifteen o'clock to reconvene for the afternoon session at one-forty-five o'clock p.m. ...

AFTERNOON SESSION THURSDAY, JULY 5, 1984 ONE-FORTY-FIVE O'CLOCK P.M.

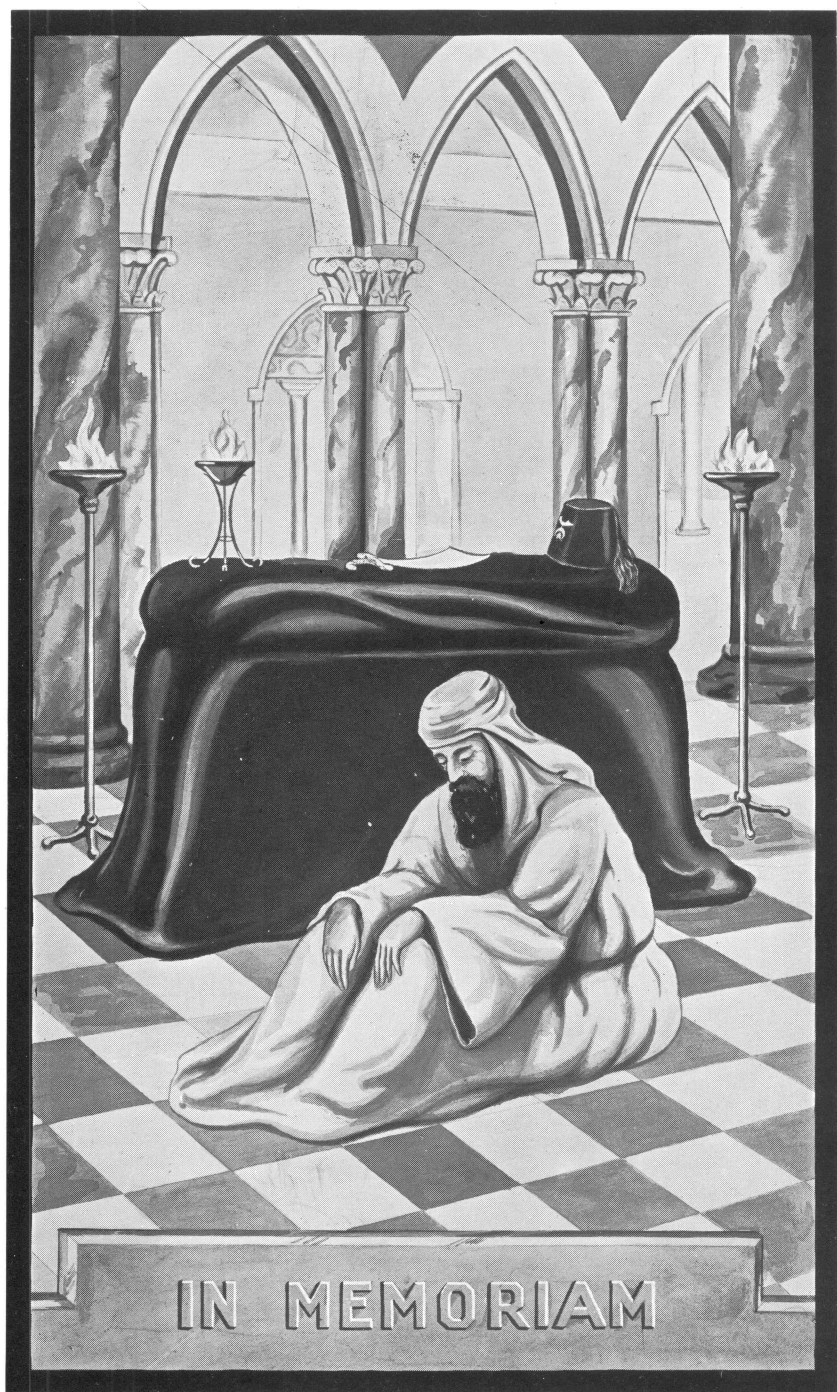

The One Hundred Tenth Annual Session of the Imperial Council reconvened at the Sheraton Boston Hotel, Boston, Massachusetts, at one-forty-five o'clock p.m., Imperial Potentate Richard B. Olfene presiding..

IMPERIAL POTENTATE OLFENE: Gentlemen, will you please take your seats.

Now, gentlemen, at this time I would request your indulgence because we are next going to have the report of the Necrology Committee and for that I would like to recognize Past Potentate Roy Lord of Morocco Temple.

NOBLE ROY LORD [Morocco Temple]: Imperial Sir, Imperial Sirs, Fellow Representatives and Guests:

In Revelation we read the following:

IN MEMORIAM

And I saw a new Heaven and a new earth; for the first Heaven and the first earth were passed away; and there was no more sea.

And I, John, saw the Holy City, New Jerusalem, coming down from God out of Heaven, prepared as a bride adorned for her husband.

And I heard a great voice out of Heaven, saying, "Behold, the tabernacle of God is with me, and He will dwell with them, and they shall be His people, and God himself shall be with them, and be their God.

"And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor weeping, neither shall there be any more pain, for the former things are passed away."

We, your Necrology Committee, along with the Nobility assembled, sadly report that during the last year, 105 Past Potentates and other distinguished Nobles of our beloved Shrine have passed to the "Unseen Temple" from whose bourne no traveler returns. We pause now during this Annual Session to pay a warm and lasting tribute to those Nobles who lived among us and who worked so unselfishly to advance the cause of the crippled and burned child. God has blessed us in our endeavors and to express our thanks to Him, who "Doest All Things Well," we ask our Imperial Chaplain, Dr. Lawrence W. Hathorne to honor our Memoriams report with prayer.

NOBLE HATHORNE [Imperial Chaplain]: Let us pray.

O, God of Israel, O, God of the Universe, we come into Your presence during our busy lives in honor of those of our Nobility who have given so much of their lives and who have met their maker.

It is not easy to lose our loved ones but we have to be thankful for the number of years that we have had them with us.

We thank You for all they have given us—their love, their lives, their endearments, who have shared so well in their Lodges, Temples and communities.

Bless their wives, widows and children. May our hearts and love be with them.

Continue to give us Your Heavenly guidance to carry on and enrich our lives with Your abundant blessings. Make us aware of Your presence in our lives. Grant Your love to all who are so dedicated in the memory of those we honor today.

All of this we ask in Your loving Name. Amen.

NOBLE ROY LORD: Included in the large list of deceased Nobles was Past Imperial Potentate Harold C. Close who passed away during our 1983 Session. Imperial Sir Close was born in Somerville, Massachusetts on December 10, 1899, and after moving to Florida a few years ago, died following a prolonged illness on July 6, 1983, at Sun City, Florida. He is survived by his loving wife, Elizabeth and two sisters, Edna Close and Mrs. Franklin Scofield, both of Woodbury, Connecticut.

Imperial Sir Harold was a man of firm conviction and a true believer in that which is right. A successful man in all walks of life, he was President of his own business, the Waterville Manufacturing Company for forty-five years and in 1976 retired and moved to Florida. He found time to excel also in Rotary, his church and our Fraternal world. In 1933 he was Worshipful Master of Union Lodge No. 96, A.F. & A.M., followed by twenty-five consecutive years as their Treasurer. His other Masonic affiliations included the Scottish and York Rites, the Royal Order of Jesters, the Cabiri, and his greatest love, the Shrine. He was Potentate of Sphinx Temple in 1951 and our Imperial Potentate 1963-64. Prior to his passing, he affiliated with Egypt Temple at Tampa, Florida, where he proudly served as Representative Ad Vitam and Emeritus of the Imperial Council. "Endue Thy Ministers with righteousness, O Lord: and make Thy chosen people joyful."

IN MEMORIAM

If I should die and leave you here a while,
Be not like others, sore undone, who keep
Long vigil by the silent dust and weep.
For my sake turn again to life and smile.
Nerving thy heart and trembling hand to do

That which will comfort other souls than thine;
 Complete these dear unfinished tasks of mine,
 And I, perchance, may therein comfort you.

Past Imperial Potentate, Harold C. Close, 83, died on July 6, 1983 at Sun City Center Regional Medical Center in Sun City Center, Florida after a prolonged illness. Imperial Sir Close's death has greatly saddened the many people who knew and loved him. He was Representative Ad Vitam and Emeritus of the Imperial Council of the Shrine of North America at the time of his death.

Imperial Sir Harold was born in Somerville, Massachusetts on December 10, 1899. His boyhood was spent in Waterbury, Connecticut where he also completed his education in the mechanical field.

His business career started in 1931 when he organized and became President of the Waterville Manufacturing Company. After 21 successful years as President and Treasurer of his company he retired.

Early in his career, Imperial Sir Close became a Master Mason at Union Lodge #96 A.F. & A.M. in Thomaston, Connecticut. Following his term as Master of Union Lodge in 1933, he was elected Treasurer for 25 consecutive years. His other Masonic affiliations included: the Scottish Rite; the York Rite; the Royal Order of Jesters, Hartford Court No. 141; The Cabiri; and the Shrine.

He became a Noble at Sphinx Shrine Temple, Newington, Connecticut, in 1938 where he served as Potentate in 1951. In 1953, he was elected to the Imperial Divan and served as Imperial Potentate from July 1963 to July 1964.

Imperial Sir Harold's civic and community service included: Past President of the Waterbury Rotary Club; Director of the National Screw Machine Products Association; and Director of several Connecticut corporations. This record of accomplishments carries the admiration and respect of his business acquaintances.

After retiring, he moved to Florida and in 1976 he transferred his membership from Sphinx Temple to Egypt Temple in Tampa, Florida.

Imperial Sir Close is survived by his wife, Elizabeth, and two sisters, Edna Close and Mrs. Franklin Scofield, both of Woodbury, Connecticut.

His many friends in the Imperial Council and in all of Shrinedom join with the Imperial Potentate in expressing sincere condolences to his lovely wife Elizabeth and his loved ones.

There was a friend whose heart was good.
 He walked with men and understood.
 His was a voice that spoke to cheer,
 And fell like music on the ear.
 His was a smile men loved to see;
 His was a hand that asked no fee
 For friendliness or kindness done.
 And now that he has journeyed on,
 His is a fame that never ends—
 He leaves behind uncounted friends.

Let this memorial be read at the next session of your Temple following its receipt and let the same be made a matter of record in your Temple's minutes.

Given under our hands and seal of the Imperial Council, this 20th day of July, 1983, and Order A.H. 1404.

We will now be honored with a selection by the Chanters of Aleppo Temple, directed by Noble Marvin L. Eatough.

... A musical selection by the Chanters of Aleppo Temple ensued ...

NOBLE LORD: As we continue our Memoriam, let us profit by the admonitions of this solemn occasion, lay to heart the truths to which we have listened, and resolve so to remind ourselves that we are most grateful for the dramatic and thrilling story of the Shrine, a story that has been a definite part in the lives of those to whom we pay tribute.

As the sun sets in the West to close the day and herald the approach of night, so, one by

one, our Nobility has repaired to the darkness of the tomb, to wait in its calm repose for the time when the Heavens shall pass away as a scroll, and man, standing in the presence of the Infinite, shall realize the true end of his pilgrimage here below. Let this service therefore be to us the symbol of remembrance of all the virtues of our brother Nobles who have preceded us to the silent land, the token of that Fraternal alliance which binds us while on earth, and which we hope will finally unite us in Heaven.

It is appointed unto all men once to die, and after death cometh the resurrection. The dust shall return to the earth and the spirit unto God who gave it. In the grave all men are equal; the good deeds, the lofty thoughts, the heroic sacrifices alone survive and bear fruit in the lives of those who strive to emulate them. While, therefore, nature will have its way, and our tears will fall upon the graves of our Brethren, let us be reminded by the Evergreen Symbol of our faith in immortal life that the dead are but sleeping, and be comforted by the reflection that their memories will not be forgotten; that they will still be loved by those who are soon to follow them; that in our archives their names are written, and that in our hearts there is still a place for them. And so, trusting in the infinite love and tender mercy of Him without whose knowledge not even a sparrow falls, let us prepare to meet them where there is no parting and where with them we shall enjoy eternal rest.

A poet said it in these words:

"They say that life is a highway,
And its milestones are the years,
And now and then there's a tollgate,
Where you buy your way with tears.
It's a rough road, and a steep road
And it stretches broad and far
But at last it leads to a golden town,
Where golden houses are."

Our comrades now have reached the "Golden Town" and we who are permitted to travel a little more slowly through the beautiful hills and valleys of life, do render loving homage to their memory and will strive also to spread the "Gospel of Truth," for we are only waiting.

We will now have the rendition of "The Lord's Prayer" by Aleppo's Director, Noble Eatough.

... The rendition of "The Lord's Prayer" by Noble Eatough ensued ...

NOBLE LORD: Very, very, very beautiful.

Now, we shall close our report today, not in the usual form, with Taps, they are not available, but in the words of the poet who said this, and this applies to us all.

"Life is a story in volumes three,
The past, the present and the yet to be.
The past is finished and is laid away,
The present we are living day by day.
The third and last of volumes three,
Is locked out of sigh and God has the key."

God has the key to your life and to my life. We do this in memory of our fellow Nobles.

James A. McKnight

NOBLE LORD: Imperial Sir, I would move the adoption of this report.

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE OLFENE: Thank you, Roy and your committee and the Aleppo Chanters for a very solemn and meaningful report. I might add that even though it was a very solemn ceremony, I think that the great voice of Noble Eatough deserves a round of applause. (Applause)

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE OLFENE: I am now going to call on Joe Padgett to make a report for the Mileage and Per Diem Committee.

IMPERIAL SIR PADGETT: Imperial Sir, Imperial Sirs, Fellow Representatives: This is a report from the Mileage and Per Diem Committee.

As provided in Article 5, Sections 205.1 and 205.5 of the By-Laws and Code for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the Law, recommends for those entitled to receive pay, mileage allowance equal to twice the daytime round-trip coach, standard or most comparable class airline fare, from the departure airport served by a regularly scheduled airline which is nearest his Temple, to the destination airport. If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, the departure airport shall be that airport nearest his place of residence. He shall also be paid per diem expenses of ninety-nine dollars (\$99) room rate, plus fifteen dollars (\$15) for meals, for each day he attends the Session.

All members of the Committee on Jurisprudence and Laws shall receive ninety-nine dollars (\$99) plus fifteen dollars (\$15) per day for four extra days. All members of the Committee on Finance and Accounts shall receive ninety-nine dollars (\$99) plus fifteen dollars (\$15) per day for two extra days. All members of the Committee on Dispensations and Charters shall receive ninety-nine dollars (\$99) plus fifteen dollars (\$15) per day for two extra days. All members of the Committee on Jurisdictional Lines shall receive ninety-nine dollars (\$99) plus fifteen dollars (\$15) per day for two extra days. All members of the Committee on Grievances and Appeals shall receive ninety-nine dollars (\$99) plus fifteen dollars (\$15) per day for two extra days.

Your committee recommends the adoption of this report.

Respectfully submitted,
COMMITTEE ON MILEAGE AND PER DIEM

Joseph P. Padgett, Chairman

Webber C. Harrington

George W. Powell

Russell H. Anthony, D.V.M.

Richard "Tony" Bukey

The \$99 hotel double room charge was obtained by averaging the price of the double rooms in the two headquarters hotels.

Ninety-nine dollars plus \$15 per day equals \$114 per day per diem.

IMPERIAL POTENTATE OLFENE: Is there a second to the motion to adopt this report?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Are there any questions?

If not, all in favor of adoption please indicate by saying aye; opposed. It is unanimously carried.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE OLFENE: Now, gentlemen, let us get back to some legislation and see if we can move along.

I would ask you to turn to page 16, Item 4 in your Call and I will first call for a report from the Jurisprudence and Laws Committee.

NOBLE GERALD DAVIS [Reading]: To the Representatives of the Imperial Council.

There has been referred to your Committee on Jurisprudence and Laws Item number 4 on the Call of the Annual Session of 1984 and it is located on page 16 of the Call. It is a proposal to amend subsection (b) of Section 208.6 of Article 8 of the By-Laws of the Iowa Corporation.

With the consent and approval of the proposer of this legislation, Everett Evans, Imperial Captain of the Guard, a modified proposal is presented which, if adopted, will cause the applicable Article and Section to read as follows:

ARTICLE 8 Committees

Section 208.6 Standing Committees and Their Duties

(b) Any Representative who has served on a Standing Committee for ten years shall thereupon become an emeritus member of such committee. An emeritus member, who is also a Representative to the Imperial Council, receives all notices and may participate in discussions, but he may not vote. The Imperial Potentate shall not be precluded from appointing an emeritus member as a voting member or Chairman of a Standing Committee; but any such appointment shall be one of the seven members as provided in Section 208.1.

The committee reports that the proposal as printed in the Call and the amended and modified proposal are in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND LAWS
Walter S. Pettit, Jr., Chairman
Edward G. Maag
Theodore Corsones
Robert C. Lake, Jr.
Robert E. Cooper
Robert W. Morrison
Gerald L. Davis

NOBLE DAVIS: Imperial Sir, if there are no questions, I recommend you now call on the proponent of this amendment, Imperial Sir Everett Evans, for an appropriate motion.

IMPERIAL POTENTATE OLFENE: The Chair will recognize Imperial Sir Everett Evans.

IMPERIAL SIR EVANS: Imperial Sir, I would move the adoption of the edition as presented by Jurisprudence and Laws.

IMPERIAL POTENTATE OLFENE: Do I hear a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there any discussion or are there any questions?

... The question was severally called for ...

IMPERIAL POTENTATE OLFENE: Seeing nobody at the microphones, I will put the question.

All in favor of the passage of this as amended by the Jurisprudence and Laws Committee please say aye; those opposed. The ayes have it and I declare it passed by the necessary two-thirds requirement of the corporation.

Now, gentlemen, I would like to refer you to Item 3 on page 16 of the Call. I believe that Walter Pettit is going to present that.

NOBLE WALTER PETTIT [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 3 on the Call of the Annual Session of 1984 and it is located on page 16 of the Call. It is a proposal to amend Article 7 of the By-Laws of the Imperial Council, an Iowa Corporation, by adding a new Section thereto so as to read as follows:

ARTICLE 7 Board of Directors

Section 207.7 Director Emeritus. A Director who has served in such capacity for nine years shall, if he so requests, become a Director Emeritus. A Director Emeritus receives all notices of meetings and may participate in discussions, but he may not vote nor will he receive any compensation or be reimbursed for any expenses in attending Directors' meetings.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND LAWS

Edward G. Maag
Robert E. Cooper

Gerald L. Davis

NOBLE PETTIT: Imperial Sir, if there are no questions, I recommend you call upon the proponent of this amendment, Lewis Brantley, Chief Rabban, Morocco Temple, for an appropriate motion.

IMPERIAL POTENTATE OLFENE: The Chair will recognize Noble Brantley.

NOBLE LEWIS BRANTLEY [Morocco Temple]: Imperial Sir, I would move for the adoption of the resolution or the proposal.

IMPERIAL POTENTATE OLFENE: You have heard the motion, which is to adopt the proposal. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there any discussion?

NOBLE R. S. LANG [Egypt Temple]: I do not rise to violently oppose this legislation or to support it but I think perhaps that its implications are far-reaching and could involve a very long-standing precedent being established here.

I think perhaps we have all observed from time to time, those of us who have held positions of responsibility in the Shrine, that we tend to feel like some of the folks out in San Francisco, where, sometimes when they get off the streetcar, they forget to let go of the handle. On the other hand, it is doubtless true that the distinguished Shriners who have served nine years on the Board have a great deal to offer the Shrine on an ongoing and extended basis.

There are, however, presently, without this legislation, a number of devices through which they can continue to serve very effectively.

It is my recollection, Imperial Sir, that on previous legislation, where there was involved a philosophy similar to this, that you did speak on that and I wonder if you would have interest in passing the gavel along and making some comments on this issue?

IMPERIAL POTENTATE OLFENE: I would be happy to do so and I will now pass the gavel to Gene.

... Imperial Sir Bracewell was tendered the gavel at this point ...

IMPERIAL SIR BRACEWELL: Thank you very much, again, Dick. (Laughter) I will recognize our Imperial Potentate at this for any comments he has.

IMPERIAL POTENTATE OLFENE: There was a similar piece of legislation back a couple of years ago, if I remember, even last year, but I am not sure. However, it did not include the non-payment aspect. I did not use that really then as any reason to speak against it. I spoke against it because I felt then we had the talent.

You have elected talent to run the organization and to just have all members of the Board of Directors who have served for nine years have the opportunity to sit in at all Board meetings and participate was not perhaps in the best interest of peace and harmony.

This has been considerably watered down from the standpoint of no financial benefit coming from it and I am not going to say I strongly oppose it. I guess my position is, and I told the boys when they asked me whether or not I was going to speak against this, I said, "Only if someone should raise it," because I know some of you remembered that I did speak against it.

Now, I am not excited about it but I am going to leave the decision to you boys to decide what you think is best.

You know what you think it will do or you know what it will do. It will allow all the members of the Board who have been on for nine years, and these are really the Past Imperial Potentates, to come to every meeting of the Board of Directors and participate in

the discussion and sit around the room. If you think that is the manner in which we should run the show, well then, fine, I am not hung up on that. If you think it is nicer not to have it that way, then you make your decision.

I want to urge you that if it passes that, with caution, we want the watering down that was put on this year.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir. Is there any further discussion?

NOBLE L. B. BRANTLEY [Morocco Temple]: Imperial Sir, I would request the privilege of closing on this matter if there are no other Nobles who intend to speak.

IMPERIAL SIR BRACEWELL: Thank you, please go ahead.

Just a moment, we have a gentleman over here.

NOBLE WARREN A. WERLING [Akdar Temple]: I would like, if he would, for Noble Brantley to explain the advantages he would expect to get from this legislation.

NOBLE BRANTLEY: The advantage would be simply in keeping, I think, with what we already do with our requirements or protocol and, Imperial Sir, it would also be in keeping with that philosophy which you have expressed.

Now, you yourself say it has been watered down, this legislation does not have any impact on the budget of the corporation because it simply prohibits the payment of travel or per diem.

What this legislation has to do with primarily is furnishing to those Past Imperial Officers that will be affected, and I represent to you there are about eight in number that would be affected by this, passing to them the most current information with regard to the operation of this corporation and when I made the statement we are dealing within our protocol requirements, that is exactly true, because our protocol requires when any Imperial Officer or Past Imperial Officer visits with any entity of Shrinedom, we afford them the privilege of taking the floor and making whatever comments they want to make. Therefore, it seems to me that if these gentlemen are not given current information, they are talking in the past and holding the streetcar handle of yesteryear rather than, on the other hand, representing you to the Nobility with the true facts that you and I would like to see them have.

This legislation only provides they be furnished with the minutes and current information of this corporation.

NOBLE JAMES SINGLEY [Hamasa Temple]: Imperial Sir, I beg the opportunity of one word.

I recall in the past we had a debate similar to the one we are having here today and there was one thing that was said that has not been said today and that I must pass on to you and that is if you pass any legislation, you are placing the Imperial Divan and the Trustees in a position where you, as a Potentate, will have to invite all of your Past Potentates to your Divan meetings and, really, that is just what it amounts to. If you want them, of course, you can get them and you do not have to bring them.

IMPERIAL SIR BRACEWELL: Thank you, Jim. Microphone 3.

NOBLE BRANTLEY: There is absolutely no requirement in this legislation that they must attend any meeting. It is a permissive piece of legislation—it must be on the request of those who have served nine years in that elected position.

IMPERIAL SIR BRACEWELL: Microphone 2.

NOBLE WILLIAM VAUGHAN [Kazim Temple]: I feel that to say to any man, certainly any Imperial Officer, that he cannot attend any meeting at his own expense without vote would be an insult to the Office and, therefore, I would urge you to vote for it.

NOBLE HARRY REISSIG [Aladdin Temple]: The question I have is that you just voted on Article 8, in which you gave all these people on the tenth year permission to attend all of the meetings without any remuneration. It seems like there they are going to get all of that information that you claim they are not getting.

The only thing I believe we are talking about here is making them Emeritus after nine years because everything is already passed in connection with the last piece of legislation.

IMPERIAL SIR BRACEWELL: I would like to call on the Chairman of Jurisprudence and Laws for a point of clarification.

NOBLE WALTER PETTIT: The Section that you referred to concerns the matter of Emeritus members of Standing Committees and this legislation refers to the Directors of the Iowa Corporation and so they are, in fact, two separate items.

IMPERIAL POTENTATE OLFENE: I would like to make a point, if I may.

First of all, I have to kind of disagree with some of the conversation here, at least in some fashion, because I think the Joint Boards of Directors and Trustees voted within the Board some time ago that any Past Imperial Potentate who requested the minutes of the Board meeting would automatically receive them and I think we sent out a questionnaire or note saying that if they desired them, all they had to do was to request them and those who sent back a request, they are presently on the mailing list.

As a matter of fact, we have never turned away any information from the Past Imperials concerning these Boards. This may have happened some years ago but it has not happened lately. This is automatically going to give this privilege to them but they likewise have that privilege now and that is my point.

NOBLE BRANTLEY: I would suggest, Imperial Sir, that that statement was an accusation thrown at me rather than a statement by myself. I did not make that statement. I think that is a fair thing to do. The Nobility, however, do not know that.

IMPERIAL SIR BRACEWELL: Microphone 3.

REPRESENTATIVE: Imperial Sir, if this legislation is identical to Item 26 in the Call then, as we earlier did today, could we consider them both in one discussion and consideration?

IMPERIAL POTENTATE OLFENE: I would certainly agree to that.

REPRESENTATIVE: Then I would so move.

... The motion was duly seconded ...

IMPERIAL SIR BRACEWELL: It has been moved and seconded we consider Items 3 and 26 simultaneously.

All in favor please say aye; opposed. We will consider Items 3 and 26 together then.

... Following is the report of the Committee on Jurisprudence and Laws concerning Item 26 of the Call ...

To the Members of the Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws Item 26 of the Call for the Annual Meeting of 1984 and is located on page 38 of the Call. It is a proposal to amend Article 6 of the By-Laws of the Colorado Corporation by adding a new Section thereto so that said Section as amended will read as follows:

ARTICLE 6

Board of Directors

Section 506.9 Director Emeritus.

A Director who has served as an elected Director for nine years shall, if he so requests, become a Director Emeritus. A Director Emeritus receives all notices of meetings and may participate in discussions, but he may not vote nor will he receive any compensation or be reimbursed for any expenses in attending Directors' meetings.

The committee reports the proposed amendment is in proper and legal form and will not conflict with any of the provisions of the Articles of Incorporation or By-Laws.

IMPERIAL SIR BRACEWELL: Now, again, we will be considering Items 3 and 26 together. I will recognize Past Imperial Potentate Warren Weck.

PAST IMPERIAL POTENTATE WECK: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: Let me say to you that I have now been out of office for five years and I

wish to add that I have never been denied the opportunity of sitting in on meetings, speaking to the various issues.

Recently, I was interested in a particular piece of information considered at one meeting and asked for a copy of the minutes of that meeting. They were promptly sent to me.

I think this legislation is entirely superfluous. When we get these records from Board meetings, they are like a huge telephone directory and if anybody wants to sit there and read those things from cover to cover, well then, God bless them. Of course, that is fine if you are interested in something that completely but, personally, insofar as I am concerned, there is no necessity for this at all.

... The question on the motion was called for ...

IMPERIAL SIR BRACEWELL: I am going to call for a vote on Items 3 and 26 together. If you vote "yes" you are voting in favor of Items 3 and 26. If you vote "no," you are voting the defeat of these two proposals.

All those in favor of Items 3 and 26 please say aye; opposed no. They are defeated.

... The gavel was returned to Imperial Potentate Olfene ...

IMPERIAL POTENTATE OLFENE: Okay, gentlemen, Items 3 and 26 have failed and now let us turn to page 23, Item 19 of the Call and for a report from the Committee on Jurisprudence and Laws, I will call on Bob Lake, please.

NOBLE LAKE: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 19 of the Call of the Annual Session which is located on page 23 of the Call. It is a proposal to amend Sections 485.2 and 485.3 of Article 85 of the By-Laws of the Iowa Corporation. The proposal is to amend jurisdictional lines in a portion of South Carolina and affects Omar and Jamil Temples.

With the consent and approval of the proposer of this legislation, a modified proposal is presented which, if adopted, will cause the applicable Article and Sections to read as follows:

ARTICLE 85 South Carolina

Section 485.2 Omar Temple

Has:

(a) Exclusive jurisdiction over Dillon, Marion, Horry, Darlington, Florence, Williamsburg, Georgetown, Berkely, Dorchester, Charleston, Colleton, Bamberg, Allendale, Hampton, Jasper, Barnwell, Orangeburg, Clarendon, Marlboro and Beaufort Counties.

(b) Concurrent jurisdiction with Jamil Temple in Lee and Sumter Counties.

Section 485.3 Jamil Temple

Has:

(a) Exclusive jurisdiction over McCormick, Edgefield, Aiken, Lexington, Richland, Kershaw, Chesterfield, Calhoun and Fairchild Counties.

(b) Concurrent jurisdiction with Omar Temple in Lee and Sumter Counties.

The committee reports that the proposed amendment as modified is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

NOBLE LAKE: Imperial Sir, if there are no questions or comments, I would recommend you now call on Illustrious Dewey Kuhns for the report of the Committee on Jurisdictional Lines.

IMPERIAL POTENTATE OLFENE: The Chair will recognize Illustrious Sir Kuhns.

NOBLE DEWEY KUHN [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines Item 19 in the Call, a proposal to amend the jurisdictional lines in a portion of South Carolina.

A hearing was held by your committee at which the two affected Temples were represented. After extensive discussion, the Temples involved agreed in writing on a modification of the proposal. Therefore, the modified proposal, as read to you as part of the report of the Committee on Jurisprudence and Laws, dealing with Item 19, as amended, is approved by your Committee on Jurisdictional Lines.

Imperial Sir, I move the adoption of the amended proposal by this Imperial Council.

IMPERIAL POTENTATE OLFENE: You have heard the motion, for the adoption of the amended proposal. Do I have a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: The motion has been seconded. Is there anyone who desires to discuss this Item? Seeing no one coming forward, I will put the question.

All in favor of passage as presented please say aye; opposed no. The motion is carried and the amended proposal is declared to be adopted by the necessary two-thirds majority.

I am next going to call on Merv Henning, Chairman of Finance and Accounts, for his report upon the budget that is required to be done on this particular day of the Session, unless you direct otherwise. He is going to discuss both the Iowa and Colorado Corporations report and I will ask him to identify which one he is going to do first.

NOBLE MERVIN HENNING: The first one will be concerning the Iowa Corporation.

Let me say that we have had one correction, which I just point out to you and that is on page 24, the first financial statement, the part where it reads "Estimated expenses over revenues, \$336,367." The terminology there is incorrect, it should read "Estimated revenues over expenses" and then, three lines further down, it reads "Excess expenses over revenues, \$472,153" and that terminology likewise is incorrect. It should read "Excess revenues over expenses."

With that, I would like to present to you the report as follows:

Imperial Potentate Richard B. Olfene, Imperial Officers and Representatives:

Your Committee on Finance and Accounts submits to you for approval, the following reports with respect to income and expenditures for the Imperial Council (Iowa Corporation):

1. Report for the Year 1983.
2. Report for the Adjusted budget for the year 1984.
3. Proposed budget for the year 1985.

REPORT FOR THE YEAR 1983

The report for 1983 has been reported to you in the Book of Reports, which you have already received. No inquiries having been received, your committee recommends ratification and approval of the report as shown in the book of reports.

Imperial Sir, I move the approval and adoption of the report for the year 1983 as submitted.

Included in your registration package you have a breakdown of the operating expenditures showing amounts appropriated for 1984, including the adjustments made by the Joint Boards, and proposed figures for 1985.

We shall give you a summary of the total figures which will be followed by detail, by classification, of the proposed items of the budget for year 1985 so as to provide funds for the incoming Imperial Potentate. Your proposed budget will be more accurately presented for your approval at the subsequent Imperial Council Session.

Imperial Sir, if there are no questions, I move the ratification, approval and adoption of the adjusted budget for the year 1984 and 1985 proposed budget by approved as submitted.

Respectfully submitted,

Mervin D. Henning, Chairman

Edward C. Brohl

D. Sam Erickson

Robert G. Evans, Sr.

Robert B. Bailey

Rolan C. Simpson

Palmer D. Burde

B. W. Vetter, Chairman Emeritus

NOBLE HENNING: Imperial Sir, first I would move for approval and adoption of the report for the year 1983 as submitted and corrected.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there any discussion on this motion?

If not, all in favor indicate by saying aye; opposed. It is unanimously carried.

IMPERIAL POTENTATE OLFENE: I shall now call on Judge Sewell Lamdin for a report of the Grievances and Appeals Committee.

NOBLE SEWELL LAMDIN [Reading]: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an appeal filed by Noble James Erwin Frank of Al Kaly Temple Grievance Committee in a complaint made by Noble Frank against another member of Al Kaly Temple.

Said appeal was timely filed and the matter was scheduled for hearing on Sunday, July 1, 1984, in the Beacon Room "A" of the Sheraton Boston Hotel, Boston, Massachusetts at 10:00 a.m., in accordance with Article 8, Section 208.9(e) of the Imperial Council By-Laws. Due notice of said hearing was given all parties concerned by first class mail dated April 23, 1984.

Noble James Erwin Frank failed to appear at the appointed time. Al Kaly Temple was represented by Illustrious Sir Newell Hall, Potentate and other members of the Al Kaly Temple Divan.

In view of the fact that the appellant failed to appear, your Committee on Grievances and Appeals recommends that the appeal be dismissed for lack of prosecution.

Respectfully submitted by the Committee on Grievances and Appeals and signed by all members.

Respectfully submitted,

NOBLE LAMDIN: Imperial Sir, I would move for the adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there any discussion concerning this issue?

If not, all in favor of the adoption of this report please say aye; opposed. It is unanimously carried. Please proceed.

NOBLE LAMDIN: To the Representatives of the Imperial Council:

There was referred to your Committee on Grievances and Appeals an appeal filed on behalf of Nobles J. C. McMillan, C. W. Johnson, J. E. Pickard, M. G. Carpenter, Jr., R. E. Gregory, H. C. Hargis, J. R. Lawrence, J. A. Long, Jr., J. A. Morgan, L. G. Martin, L. W. Martin, Hershel Smith, S. D. Storey and H. O. West, being members of Amran Temple and Sudan Temple and all members of the Red Fez Corporation, from the decision of the Amran Temple Trial Committee in finding them guilty of disobeying the lawful Shrine Order of Illustrious Sir John H. Hilliard, Potentate of Amran Temple and fixing the punishment that each of the aforementioned Nobles be expelled from the Shrine.

Said appeal was timely filed and the matter was scheduled for hearing on Sunday, July 1, 1984, at 10:30 a.m., in the Beacon Room "A" of the Sheraton Boston Hotel, Boston, Massachusetts, in accordance with Article 8, Section 208.9(e) of the Imperial Council By-Laws. Due notice of said hearing was given all parties concerned by first class mail dated April 23, 1984.

The hearing was held as scheduled. The appellants and the Temple were present and represented by counsel. Both sides were given an opportunity to be heard and to present oral and documentary evidence and the matter was then submitted to your committee for determination.

After a thorough and complete discussion of the evidence submitted, oral arguments of counsel and the applicable Imperial Council By-Law provisions, your Committee on Grievances and Appeals is of the unanimous opinion that Amran-Temple had complied with the Imperial Council By-Laws and that the finding of guilty by the Amran Temple Trial Committee was supported by the evidence.

In view of the above, your Committee on Grievances and Appeals unanimously recommends to the Imperial Council that the finding of guilty by the Amran Temple Trial Committee be sustained; and

Further, your Committee on Grievances and Appeals unanimously recommends that the disciplinary action of the Amran Temple Committee be modified to a one year suspension from the Shrine for each Noble involved dating from August 24, 1983; and

Further, your Committee on Grievances and Appeals unanimously recommends that the Potentate of Amran Temple and the Officers and Directors of the Red Fez Corporation take prompt and necessary steps to amend the By-Laws of the Red Fez Corporation to conform with the Charter of the Red Fez Corporation with respect to the distribution of proceeds from the sale of assets of said corporation in the event of dissolution, providing that said proceeds go to the Shriners Hospitals for Crippled Children.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals.

Imperial Sir, I would likewise move for the adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there discussion concerning this report?

Hearing none, all in favor of its adoption please say aye; opposed no. The motion is carried and the report is unanimously adopted.

NOBLE LAMDIN: Imperial Sir, we were ready to report on the other matter before us but within the past two to three minutes I have been advised by members of the Jurisprudence and Laws Committee that there may be a settlement and I am one for settlements anytime you can have them. I believe even a bad settlement is better than a bad trial. Now, we are supposed to report on Thursday of the Convention and, if it is in order, Imperial Sir, I wonder if you would just excuse our committee and give us about five minutes and I think we can resolve this issue. Of course, if you want to hold us off until tomorrow morning, we can also do it that way.

IMPERIAL POTENTATE OLFENE: I think in the best interest of this group, we should do whatever you would recommend.

NOBLE LAMDIN: Well, Imperial Sir, if I can have the Grievances and Appeals Committee just meet me outside of that door, I think we can wind this up in about five minutes.

IMPERIAL POTENTATE OLFENE: I am sure there will be no objection to that and so please proceed in that fashion so we may get that item cleaned up.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE OLFENE: Now, gentlemen, I would like to have you turn with me to page 22 of the Call, Item 18 and for the report by the Jurisprudence and Laws Committee, I shall call on Judge Cooper.

NOBLE COOPER [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item number 18 on the Call of the Annual Session and it is located on page 22 of the Call. It is a proposal to amend Sections 471.1, 471.2 and 471.3 of Article 71 of the By-Laws of the Iowa Corporation by adding and deleting certain language so that such Sections, as amended, will read as follows:

ARTICLE 71
Montana

Section 471.1 Al Bedoo Temple

Has:

Exclusive jurisdiction over Yellowstone, Carbon, Sweetgrass, Park, Stillwater, Wheatland, Fergus, Petroleum, Golden Valley, Musselshell, Garfield, Phillips, Valley, Daniels, Sheridan, Roosevelt, Richland, McCone, Dawson, Prairie, Wibaux, Fallon, Carter, Powder River, Big Horn, Treasure, Custer and Rosebud Counties.

Section 471.2 Algeria Temple

Has:

Exclusive jurisdiction over Lewis and Clark, Broadwater, Meagher, Judith Basin, Choteau, Blaine, Hill, Liberty, Toole, Teton, Cascade, Glacier, Lincoln, Flathead and Pondera Counties.

Section 471.3 Bagdad Temple

Has:

Exclusive jurisdiction over Silver Bow, Beaverhead, Madison, Deer Lodge, Granite, Mineral, Ravalli, Missoula, Lake, Powell, Sanders, Gallatin and Jefferson Counties.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments concerning this report, I recommend that you now call on Illustrious Sir Aurie Thompson, Nile Temple, for the report of the Committee on Jurisdictional Lines.

IMPERIAL POTENTATE OLFENE: The Chair recognizes Aurie Thompson.

NOBLE AURIE THOMPSON [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines Item 18 in the Call. This proposal would amend Article 71 of the By-Laws of the Iowa Corporation and change all jurisdictional lines in the State of Montana as shown in the Call.

Your committee met the proposers of this amendment and all other parties directly involved with this request for change. A full and complete discussion took place detailing the problems that exist in this jurisdiction.

Your committee unanimously feels that these problems would not be resolved by this proposed legislation and that the proposed legislation is not in the best interest of the Shrine.

Therefore, your committee recommends that this request for change in the jurisdictional lines in the State of Montana be denied.

Respectfully submitted,
COMMITTEE ON JURISDICTIONAL LINES

Imperial Sir, I move the adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Are there any questions or any discussion? Microphone 1, please.

NOBLE DAVID LEIPHEIMER [Bagdad Temple]: Imperial Sir and Imperial Sirs, Grand Masters, Illustrious Sirs and Fellow Representatives: This has been a long-standing problem in Montana for over ten years and with really no agreement from the Temples in Montana.

Bagdad Temple and Al Bedoo Temple have drawn up this (indicating) map which many of you received this morning.

The Mother Temple did not offer any input into this map.

The State of Montana has been divided into thirds—approximately a third in area, a third in population and a third in the Masonic population.

The Al Bedoo Temple territory is in yellow. Algeria Temple is in the pink and Bagdad is in the blue.

The adoption of jurisdictional lines for the State of Montana would allow us more time to work with candidates and for our Temples to work for the Childrens Hospitals, not competing against each other.

The majority of the Nobility of Montana have approved this amendment through their Divans. Bagdad and Al Bedoo are in agreement on this proposal.

We need to work for Shrinedom and the hospitals.

Bagdad and Al Bedoo Temple would appreciate your support for the passage of Item 18 in the Call and for its adoption. Thank you.

IMPERIAL POTENTATE OLFENE: Thank you. Is there anyone else?

NOBLE W. J. WILSON [Al Bedoo Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Fellow Representatives and Nobles All: My name is Woodrow Wilson and I am the Potentate of Al Bedoo Temple of Billings, Montana.

Al Bedoo Temple competes in the marketplace for novices in Montana. We are the youngest Temple and also the largest Temple. We have no problem with that.

Our problem is in not being able to get permission from our Sister Temples to form Shrine Clubs in areas we consider to be our jurisdiction, that is, by our interpretation regarding jurisdiction. Each year we all elect new Potentates and thank God for that. (Laughter)

For too many years, the Potentates of Montana have not agreed to allow a handful of good Shrine Masons in Scobey, Montana, to form a Shrine Club and establish their own entity. We are 150 miles closer to Scobey than a Sister Temple.

Call it Scobey, Montana, or by any other name, twenty or one hundred good Shriners in any area of Montana should be allowed to Charter and be granted a request to work for our kids.

We know you have many proposals to consider yet and I ask at this time for your "yes" vote and vote on a change in Article 71 of the By-Laws, Item 18 in the Call, page 22, to create exclusive jurisdictional lines.

IMPERIAL POTENTATE OLFENE: Are there any other speakers?

The gentleman at microphone 4.

NOBLE ROBERT ROWE [Algeria Temple]: I am Robert Rowe, Potentate of Algeria Temple, located in the Capital City of Montana, at Helena.

Montana has had concurrent jurisdiction during our entire Shrine existence since Algeria was Chartered, if you please, in 1888, just sixteen years after the Shrine of North America was founded and seventeen months, if you will, before the State of Montana became a state.

As a result of that, Algeria Shriners are in nearly every county of this state and, likewise, there are Algeria Shrine Clubs from border to border.

Now, there were no problems in Montana until Butte, Montana, fell on hard economic times. We sympathized with that but we do not believe in creating problems for all by drawing lines across the state with the assumption that it will be a panacea and a solution to that problem.

One Noble in Bagdad Temple determined that would do the job. However, we do not agree, nor do the majority of the Nobility in the state. Rather, it would just create more difficulty, especially for Bagdad, one of the proposers, because they need all the concurrent area they can get to rebuild.

Unfortunately, there will be demits from that Temple should this legislation be passed. Al Bedoo Temple will likewise lose members from their Divan and also be involved in many demits from unhappy Nobles.

And, again, for Algeria, there will be loss of Divan members, dissension within the Nobility and the clubs will be in other jurisdictions than our own.

Further, Imperial Law requires that Temples be 300 miles apart and yet Bagdad was formed just forty-nine air miles from the Mother Temple back in 1912 and, unfortunately, it appears as though that might have been when the mistake was made.

This proposal as submitted to you today would put a jurisdictional line within two miles of our Temple door, actually a part of Greater Helena, where many of our Nobility live and work in that community.

Bagdad would like to do what is proposed, Algeria certainly would not and I think you can see why.

Really, this legislation, when we analyze it, is a form of social reform in Shrinedom. Algeria has been building for ninety-six years, not only in membership but building financially a secure Temple.

Now, it would appear, and I think this perhaps is our very best testimonial, for their own figures would show you they intend to move 450 Nobles, or thereabouts, from Algeria Temple into their jurisdiction. In other words, everybody should have equal regardless of who does the work.

The Montana Temples do not need jurisdictional lines. Bagdad proved this from the beginning by recruiting the largest class of novices of any one of these three Temples. Certainly Al Bedoo Temple should not need jurisdictional lines because they are the largest Temple in membership in the state and, further, Algeria is most happy with the status quo at the present time and we are most happy and willing to share.

Novices do not join the Shrine because they have to—they join because they want to—not because of force or encouragement but because they are happy to join the Temple of their choice.

You know, our forefathers founded this country on the basis of freedom. We have freedom of speech, freedom of the press, freedom of religion and, if you please, freedom of choice. That is what we are talking about here today.

We want the novices, the Nobility, if you will, in the State of Montana, to have that freedom of choice.

Now, a member of the Imperial Jurisprudence and Laws Committee in years past, a Noble of Al Bedoo Temple, one of the proposers of this legislation, stated in a letter to our legal counsel that Montana has been cited many times as next to ideal because each of the Temples have concurrent jurisdiction throughout the entire state, except as to the county in which the Temple is located.

Now, we agree. We think Montana is ideal as it is. The Shrine has been experiencing membership losses and we certainly do not need to add to any dissension within the ranks that will make that even worse. We ask you to retain the status quo with Montana.

It is a big, wide-open, big sky, freedom free country. We want to keep it that way. We want to build up the Shrine of Montana, not fence it. Thank you.

IMPERIAL POTENTATE OLFENE: Thank you very much. Are there any other speakers who wish to speak?

If not, let me indicate to your attention that the motion before you, as presented by the Jurisdictional Lines Committee and as presented by Aurie Thompson in their report, is to deny the request. Therefore, if you vote "yes" on this issue, you are in essence saying you are against it and it will not pass. If you vote "no" on the issue, then you are taking the opposite position—you are voting on their recommendation which is to deny and to deny it requires a "yes" vote.

Now, are there any questions on what I have just said? If not, I am going to put the question to you. Are there any other speakers?

If not, all those in favor of accepting the report of the committee, which is denial, will please say aye; opposed say no. I will declare that it carried, the proposal, by a Constitutional two-thirds vote or whatever is necessary in that case and so that this piece of legislation then, in essence, has failed.

Now, I believe there is another similiar piece of legislation in the Call and so please turn to page 25 and look at Item 25. I will ask for the report of the Jurisprudence and Laws Committee on Item 25 and I believe that will be presented by Gerald Davis.

NOBLE DAVIS [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws Item 25 of the Call of the Annual Session of 1984, found on page 25 of the Call. It is a request for Shrine Club jurisdiction pursuant to Article 37, Section 337.5(d), to authorize the formation of a Shrine Club in Scobey, Daniels County, Montana and to assign the responsibility and the control of such Shrine Club to Algeria Temple, Helena, Montana.

The committee reports that the request is in propoer and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND LAWS

Imperial Sir, if there are no questions or comments concerning this report, I would recommend that you call upon Illustrious Sir Tom Lucas, for the report of the Committee on Jurisdictional Lines.

IMPERIAL POTENTATE OLFENE: I will recognize Illustrious Sir Tom Lucas.

NOBLE TOM LUCAS [Reading]: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines a request for this Imperial Council to authorize the formation of a Shrine Club in Scobey, Daniels County, Montana, and assign control of this club to Algeria Temple, Helene, Montana, as per Article 37, Section 337.5(d) of the By-Laws of the Iowa Corporation.

This By-Law provides in part that "in exceptional or unusual circumstances, the Imperial Council may authorize the formation of a Shrine Club in concurrent jurisdiction and it may assign the responsibility for control of either a newly organized or existing Shrine Club."

Your committee met with the Representatives and other interested Nobles of Algeria, Bagdad and Al Bedoo Temples and a full discussion dealing with the matter took place.

It is the conclusion of your committee that the proponents have failed to show such "exceptional or unusual circumstances" as required by Section 337.5(d) and, therefore, recommend that this request be denied.

Respectfully submitted,
COMMITTEE ON JURISDICTIONAL LINES
R. A. Posey, Chairman
Arthur Armitage, Jr.

Thomas E. Lucas
Dewey E. S. Kuhns
Aurie J. Thompson
Howard E. Smith

Imperial Sir, I move the adoption of this report.

IMPERIAL POTENTATE OLFENE: Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: You have before you the motion to adopt the report of the Jurisdictional Lines Committee, which is the recommendation that this request be denied. Is there discussion?

REPRESENTATIVE: Imperial Sir, I agree that this should be denied because there are

always some types of situations somebody can use to take over an existing Shrine Club that was started years ago by someone else. Therefore, I think it should be denied.

IMPERIAL POTENTATE OLFENE: Is there anyone else? Microphone 2.

NOBLE ROWE [Algeria Temple]: In this particular instance, the reason that Algeria Temple has come before you with this request is obvious. The Nobles of Daniels County have petitioned Algeria Temple, over the period of thirteen years, five different times for authority to form a Shrine Club. During that time, to our knowledge, we have never been requested to give consent for another Temple to form a Shrine Club there.

In the last petition received by me on March 31 of this year, that petition was signed in toto by all of the Nobility in the affirmative requesting Algeria for a Charter. This is the fifth time and they have been denied and denied and they do not want a Charter under another Temple and they have stated so and I think they have a right of self-determination.

We think they are better Shriners, will cooperate together much better and for the good of all if they are also happy Shriners, if they are, if you please, satisfied customers.

Now, why have them come to Algeria for thirteen straight years going through this kind of frustration, requesting us for a Charter if they want a Charter with another Temple?

We think this is certainly an exceptional and unusual situation. There were no negative votes, I understand, and it included the Nobility from the Sister Temples. We think it is certainly most exceptional and unusual.

We have Shrine Clubs in the county, on the East side of Daniels County, and have to drive right through Scobey to service them, as I have this year. They want a Charter with Algeria Temple. We have to service the area and have done so for many years. We think they should have the right of choice, a right to freedom of choice and some say in their own destiny.

Therefore, we would ask you to vote in opposition to the recommendation of the Committee in this instance, in view of these circumstances.

IMPERIAL POTENTATE OLFENE: Thank you. Does anyone else have a question or comment?

Well, okay, we are going to vote on the question.

Now, again, you are voting on the report presented by Tom Lucas for the Committee on Jurisdictional Lines, which was to deny the request and so if you want this issue to not pass, you will vote "yes"; if you wish it to pass or continue not to pass you will vote "no."

All in favor of the motion, which is to deny the request, please say aye; those who are opposed please say no.

Well, okay, I would say that the committee report was turned around, is that right?

I would now say we need a motion to adopt it, am I right?

NOBLE ROWE [Algeria Temple]: Imperial Sir, are you suggesting that we, as the sponsors, make a motion for adoption?

IMPERIAL POTENTATE OLFENE: I think, after receiving some legal advice here, that is the sense.

NOBLE ROWE: Imperial Sir, Imperial Sirs, Worshipful Grand Masters and Representatives: It is certainly now my pleasure to come before you and to request your vote to adopt Item 25 in the Call as submitted.

IMPERIAL POTENTATE OLFENE: Do I hear a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: The motion has been made and seconded. Now, is there any discussion?

REPRESENTATIVE: Imperial Sir, a point of order.

Now, it sounded to me, when we last voted, that the proposal as made by the committee was defeated but why do we have to go through another vote?

IMPERIAL POTENTATE OLFENE: Because we need another motion mainly because we turned down the recommendation of the committee.

NOBLE J. R. HOLLAWAY [Alzafar Temple]: Really, I do not object to parts of this but I do feel that this motion should be amended so that it does not read that one Shrine Temple can take over an existing Shrine Club that was started and has been nurtured for ten, maybe fifteen to twenty years and I would be willing to say that I would probably vote for it if it read somewhat in that manner.

NOBLE ROWE: Just a moment, this is not an existing Shrine Club, it is a group of Nobles sitting up there begging to be taken into one Temple or another so that they can have an established Shrine Club and function as a group of Nobles.

It is our opinion, and I do not care where the club goes, but that they should be able to act as Shriners and if they vote to go to Al Bedoo, that is their choice; if they vote for us, that is also their choice. However, the most recent vote was in favor of Algeria and that is why we are presenting it right now.

Presently, it is a non-existent club, just a group of Nobles that want to become active in the Shrine.

IMPERIAL POTENTATE OLFENE: Are there any other questions or comments concerning the motion before us now, which is to adopt the request as made by Algeria Temple?

Now, if not, then those voting "aye" will be voting for the request to go though and those voting "no" will be voting not to approve it.

Now, with that, all in favor of the motion please say aye; opposed no. The ayes have it and I will declare the proposal passed by the necessary two-thirds majority.

Now, I am going to call on Judge Lamdin again for the conclusion of his report concerning the Grievances and Appeals Committee.

NOBLE SEWELL LAMDIN: Thank you very much, Imperial Sir. I would much rather have a formal report to make but we will try to clean this up and clear it up.

Before I do so, however, I would like a point of personal privilege.

I should tell you, first of all, that this is a hard-working committee. When you all go home sometime tomorrow afternoon, our work starts and we work throughout the entire year and just so you know the type and caliber of men who serve on the committee, let me say this.

From Detroit, Michigan, we have an Assistant Prosecuting Attorney, Gerald Groat from Moslem Temple.

From Hamasa Temple, down in Meridian, Mississippi, we have Jim Singley, who has been on the Jurisprudence and Laws Committee and then on this committee. He is an attorney in Mississippi.

From the Queens Court in Vancouver, British Columbia, we have Imperial Sir Jack Streight.

From Mohammed Temple, we have Bill Christison, a practicing attorney.

From New York City, another practicing attorney, Sidney Schwartz from Mecca Temple.

We also have on the committee, J. B. Hopkins, Hadji Temple, an attorney and, lastly, myself, Sewell Lamdin, Boumi Temple, and I have been on the Bench for twenty-two years now. (Applause)

Now, we have come up with a report and, in connection with this report, let me say that we worked all day on Sunday, worked on Monday and also on Tuesday and, further, so that the record will be clear, the report was not prepared by the office here—I had it done elsewhere. I also had the Xerox copies made elsewhere so all the speculation and everything is known by no one but the members of the committee. They are the only ones who know what was in the original report and that is the way it is going to stay, unless this involves a referral to your Committee on Grievances and Appeals.

Further, I am doing this orally and without any notes and I will try to keep within the context and do it as quickly as we can.

There was referred to your Committee on Grievances and Appeals an appeal filed by Noble Melvin L. Duncan from the action of Bahia Temple Trial Committee, in finding him guilty and assessing punishment of suspension.

Said punishment was read at the stated meeting on April 5, 1984 and since that time Noble Duncan has not been a member of the Shrine.

In the meantime, there were at least fifteen motions filed by various attorneys.

As your By-Laws provide, the Standing Committee Chairman operates in the off-season from one Session to the next unless a meeting is necessary.

Now, all of those motions, including the motion to stay the sentence, were denied and they were given a chance on Sunday to reargue all motions and they reargued all those motions and they still were denied.

There has been an agreement reached and so that there will be no misunderstanding, I

have been told that I should not read this agreement but in my considered judgment, so that down the road there will be absolutely no misunderstanding, everybody will know what happened and everybody will know what has gone before, I think I should read the agreement. Now, if it happens again, then you will know what the agreement provided for.

This is the only way to do it. It is going to be let out anyhow and, as soon as they get back, it is going to be read to the Temple and it is going to be read all over the Oasis of Bahia Temple.

This is the agreement between Melvin L. Duncan and the Potentate and other Divan Officers of Bahia Temple who are present here and they have all signed this.

Mr. Duncan's attorney has left Boston, returned to his office in Florida. I do not know how many telephone conversations I had today but he has approved this agreement. The agreement is as follows:

WHEREAS, Melvin L. Duncan has been charged, tried and convicted in Bahia Temple of certain charges constituting conduct unbecoming a Noble; and

WHEREAS, said Melvin L. Duncan has appealed the judgment, sentence and conviction to the Grievances and Appeals Committee of the A.A.O.N.M.S.; and

WHEREAS, it is believed to be in the best interest of Bahia Temple and Shrinedom that the parties hereto resolve this dispute by agreement,

IT IS THEREFORE AGREED by and between the parties hereto, as follows:

1. The judgment and sentence of Melvin L. Duncan to expulsion from membership in Bahia Temple, A.A.O.N.M.S., heretofore imposed be modified to a sentence of suspension from membership in Bahia Temple for a definite period of four (4) years dating from April 5, 1984. During this period of definite suspension, Melvin L. Duncan will not directly or indirectly be involved in any manner in Temple affairs, including units and clubs, and will not attend any social or business activities of Bahia Temple or any of its subsidiary clubs or units.

2. It is further agreed that Melvin L. Duncan will never seek, accept or serve in any elective office (including Representative) in Bahia Temple.

3. It is further agreed that any charge now pending against any Noble of Bahia Temple, other than Melvin L. Duncan, shall be dismissed and a finding of no probable cause entered thereon. No future charges shall be filed against Melvin L. Duncan or any other Noble of Bahia Temple concerning any of the matters or activities which gave rise to this disciplinary action.

4. No civil or criminal proceedings shall be filed in any court by or against any Noble or Officer of Bahia Temple, past or present, or the Imperial Council, where such proceedings are predicated on any incident or occurrence which gave rise to this disciplinary proceeding, or arose out of the disciplinary proceeding and matters directly or indirectly connected therewith.

5. The parties hereto agree for themselves and for their officers, agents and employees that they will not engage in any conduct or activity which will create dissension or disharmony in Bahia Temple, among the Nobles thereof or in Shrinedom in general.

6. The parties hereto agree that this document shall be submitted to the Grievances and Appeals Committee of the Imperial Council as their solemn agreement to forever resolve, settle and compromise all issues arising out of the activities which gave rise to the disciplinary proceedings pending against Melvin L. Duncan. The parties hereto respectfully request that the Grievances and Appeals Committee adopt, ratify and confirm this agreement as fair, just and equitable to all parties and find that the implementation of it is in the best interest of Shrinedom.

7. The parties hereto respectfully request that the Grievances and Appeals Committee secure approval of the Imperial Council to keep and maintain jurisdiction over this proceeding for and during the term of suspension provided herein. If, during the term of the suspension, this agreement is violated by either party, the Grievances and Appeals Committee shall keep and maintain full jurisdiction to make its rulings and recommendations based upon the record now before it, and to impose sanctions against any party knowingly violating this agreement.

Now, that is the agreement and before I make my motion, are there any questions from anyone in relation to this agreement?

Hearing none, Imperial Sir and Fellow Representatives, I move you that this matter be rereferred to the Grievances and Appeals for a period of four years dating from April 5, 1984.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there any discussion concerning this motion? Apparently some people are unclear as to the motion and so, Judge, will you please restate it again.

NOBLE LAMDIN: I am moving that this agreement be adopted as the report of the Grievances and Appeals Committee and that the matter be rereferred to the Grievances and Appeals Committee for a period of four years dating, nunc pro tunc, as of April 5, 1984.

IMPERIAL POTENTATE OLFENE: And now a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: And now, any discussion? Microphone 2, please.

NOBLE PHILIP GRENNLEY [Afifi Temple]: Imperial Sir, I am not objecting, questioning or trying to make any decision as to what has just gone on. I certainly am not going to question a Justice and attorney because I am neither.

However, I am asked to make a decision and my decision, therefore, has to be, as it is now, of the committee. They are honorable gentlemen. I am not questioning that either but I think as a member of this Imperial Council that we should at least have had an openness on what is going on, as to why, in general, without questioning, without trying to invade privacy, we are asked to say "yes, we will go along with expulsion," or whatever crime was committed and what the judgment was. Thank you.

IMPERIAL POTENTATE OLFENE: Let me see if I can help you just a little bit to understand. I understand we all have the right to most things.

First of all, Sewell, I want to concur with you in the dedicated and hard working committee you have. I happened to have been involved somewhat in this but only on the surface of paper flying at me in that they were requesting one thing and another.

I do not think I am hurting anything when I say it was not a very healthy situation. I think to have brought this whole thing out would really do no one a heck of a lot of good.

I think here you are dealing with some high grade, high quality attorneys and level-headed, experienced Shriners—and I am speaking for myself now, not as Imperial Potentate, but as a Representative, but I would put my faith in their ability. They are dedicated, they are fair, they are above-board and therefore, I think their judgment is good and not necessarily at this time that this whole thing gets spelled out here.

Now, I did not mean to speak for you, Sewell, but that is my personal feeling. (Applause)

NOBLE LAMDIN: Fellow Representatives, we work on the committee system in the Imperial Council and we have five Standing Committees of seven Nobles each and I think it is the best system—I do not know of a better one.

Honestly, I cannot see any purpose being served if we wash the dirty linen, so to speak, if we aired this out here. It has already been traumatic to the individual involved—it has been traumatic to the Officers of Bahia Temple, to the Nobles of Bahia Temple. I have received communications from all over.

I told you before that in nineteen years never has there been more—and I am groping for words now—more interest in this particular matter than in any one that I have ever been involved in and, believe me, I think that most of those who know me know that I would not hesitate to do my job if I felt that this agreement was not the proper way to handle this. I would be the first one to tell you.

However, there is no reason, as I see it, to put salt into the wound. There is no reason to further air this matter. We hope, in a four-year period, that it is going to go away. If it does not go away in the four-year period, that committee and whoever the Chairman may be, will open and read the sealed report and at that time, if someone violates the agreement, then at that time and on that occasion you will have the full and complete story.

Gentlemen, I urge you to support the motion.

... The question was severally called for ...

IMPERIAL POTENTATE OLFENE: Just a moment. Microphone 2.

NOBLE THOMAS PATE [Mocha Temple]: As a police officer for forty years, I realize that many, many cases are tried in situations where the press is excluded. We are also here

representing many Temples and if there is something we can gain by controlling our Temples through this matter, I think it only fair we should know.

On the other hand, if by publicizing this the Imperial Council would be liable to a lawsuit for further legal matters, I think we should bury this, as the committee advised.

There are certain matters in relation to law and crime that human beings get involved in where sometimes it is better not known and, therefore, in this instance, I think we should take the advice of our Counsel and let it go as they suggest.

... The question was again severally called for ... (Applause)

IMPERIAL POTENTATE OLFENE: Are there any other questions here, fellows? Seeing none, we are going to vote on the recommendation and the report of the Grievances and Appeals Committee on this issue.

If you are in favor of this recommendation please say aye; opposed say no. The ayes have it and thank you so very much, Sewell. I think you had a real tough one on your hands and you did a beautiful job with it.

Stick with it, fellows, we will not be much longer. We are going to make it pretty good for you.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE OLFENE: Now, next I am going to call on our Director General, Fred Spencer.

DIRECTOR GENERAL SPENCER: Imperial Sir, Imperial Sirs and Fellow Nobles: We have just had a good weather report. We are scheduled to have a thirty percent chance of rain. I also talked to our Imperial Chaplain earlier about this and he said he would try to help us with his prayers. (Laughter)

Again, we are looking forward to seeing all of you this evening.

IMPERIAL POTENTATE OLFENE: I will now recognize our Imperial Recorder for some announcements he has.

... Announcements by Imperial Sir Jones ensued ...

IMPERIAL POTENTATE OLFENE: Now, gentlemen, I know that you have worked extremely hard today. It has been a long day and we have our evening parade and therefore, tomorrow morning, I am going to give you fifteen more minutes to sleep and so I will ask that you be back here at nine-fifteen tomorrow morning. Therefore, we are now in recess until nine-fifteen tomorrow morning.

... The One Hundred Tenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-thirty o'clock p.m. ...

MORNING SESSION
FRIDAY, JULY 6, 1984
NINE-TWENTY-FIVE O'CLOCK A.M.

The One Hundred Tenth Annual Session of the Imperial Council reconvened at the Sheraton Boston Hotel, Boston, Massachusetts, at nine-twenty-five o'clock a.m., Imperial Potentate Richard B. Olfene presiding.

IMPERIAL POTENTATE OLFENE: Gentlemen, will you please take your seats. I am sorry for this little delay but we had a gentleman in the back of the room trip as he came in today and he was our good friend, Charlie Lembke, who I introduced to you the other day. He is, as I understand it, today, ninety-five years old. We hope that Charlie's shoulder and arm are all right. He is going to have to go to the hospital and have it checked out.

If you will remain in your seats and remove your Fez, I will ask our Imperial Chaplain to give the Invocation.

NOBLE LAWRENCE HATHORNE [Imperial Chaplain]: Almighty and eternal God, we are grateful that You have called us again into these Sessions in this very historic city.

We thank You for the dedication of all who have been received so well as we all work for the children who need our help that we may be able to serve You well as well as those who are in need.

We thank You again for those who have made it comfortable and pleasant for us to be in this city and ask Your continued blessing upon our Imperial Potentate and upon Imperial

Potentate-Elect, Gene. Give them strength and wisdom as they continue on in their good work.

For all of this we are grateful and thank You with our prayers, in Your Holy, Divine Name. Amen.

IMPERIAL POTENTATE OLFENE: Let me ask our Imperial Recorder, Jack, do you have a report to present on Shrine Rooms-West?

IMPERIAL SIR JONES: Imperial Sir, they have a committee that gives that report.

IMPERIAL POTENTATE OLFENE: Is there a member of the Shrine Rooms-West Committee present to give a report? I have reference to Shrine Rooms-West. We already have had the Shrine Rooms-East report.

... It was indicated that no member of this committee was present ...

IMPERIAL POTENTATE OLFENE: Well, if there is no objection, when that report is received we will have it spread into the record. Is that agreeable with everybody?

... Cries of "yes" ...

INTERNATIONAL SHRINE ROOMS-WEST

The following is a report of the International Shrine Rooms-West Committee for the Shrine year 1983-1984 for inclusion in the Imperial Council Proceedings.

The Museum continues to attract the attention of the visiting Nobility, their families and their friends. Members of the Shrine Units and Clubs of Aahmes, Ben Ali, Kerak and Tehran have scheduled visitations on Saturdays and Sundays for groups of 25 or more. Normally we are open on week days from 9:30 a.m. to 4:00 p.m.

The exhibits in our Museum are unique in that the items have been donated by members of the various Shrine Temples and are items that have been used by the Nobility. The exhibits are labeled for viewing by the visitors and in most instances a guided tour is provided.

The Museum is manned daily by one or more of the three Nobles who have retired from active employment. Arrangement of the exhibits is accomplished by these Nobles.

Each of us deem it a pleasure to serve the Shrine in this capacity.

IMPERIAL POTENTATE OLFENE: Thank you. And you can see how much time we have already saved there, fellows.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE OLFENE: Gentlemen, I will now ask for a report of the Time and Place Committee and I will recognize the Imperial Potentate-Elect, Gene Bracewell.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir.

At this time I would like to offer the microphone to Jim Bracewell, who is the Director General for our 1985 Imperial Council Session.

NOBLE JIM BRACEWELL: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs and Members of the Divan and Nobles: I believe that this sort of becomes an annual show and tell in order to tell you where we are on the Convention. I am very proud to make this report this morning.

I am told, by our Housing Chairman, that as of today, we have signed some eighty-six Temples, plus the National Horse Patrol, the Oriental Band, the Royal Order of Jesters and we now stand at some 13,323 rooms under contract.

We think Atlanta is going to be a good Imperial Session. We are going to be open until two o'clock today. You are welcome to come to room 2580 and if you have not made your plans for Atlanta, we certainly want you to be there. We believe we are on the road to a successful Convention. And we are even hopeful we might set a new benchmark for some future Convention.

We believe we are putting together a very great Convention. You know, Conventions seem to come and go but we still feel that we are a part of this great Fraternity in what we contribute to it.

A great doctor friend of mine told me, as he traveled in England upon the railroad, while the trains were still a great source of transportation, that outside of England, it stopped at a small town and he was very impressed, as he got off the train, with the way a gentleman sweeping the floor was doing his work. He was very diligent and dedicated.

He approached the gentleman and said, "Sir, I cannot help but be impressed with the way you have done your work—the degree and dedication you have is certainly worthy of a man to be working in Victoria Station."

The Englishman looked at him and said, "My good man, we are all part of the same company."

We in Atlanta also feel we are part of the same company and we are proud to be a part of the Shrine of North America. We welcome you in 1985 and look forward to seeing you. Thank you. (Applause)

IMPERIAL POTENTATE OLFENE: Next I will call on Deputy Imperial Potentate-Elect, Walker Kisselburgh.

IMPERIAL SIR KISSELBURGH: Thank you, Imperial Sir, for giving me this time in order to speak to you about a great Convention coming up.

We have had our housing room open for the last couple of days and thus far we have received three requests and so far we are up to eighty rooms. (Laughter)

Now, seriously, we have had a tremendous amount of interest shown in having you come to Los Angeles, the City of Angels, the home of the Lakers, the home of the Dodgers, the home of the Anaheim Lemons (laughter) and they are here, by the way, right now, playing the Boston Red Sox and got the pants beat off of them last night.

However, we have not had an Imperial Council Session in Los Angeles since 1950 and that will have been thirty-six years ago, since Harold Lloyd was Imperial Potentate. He turned them all out and we are going to try to duplicate what Harold did and we urge you to get your housing in.

The room is 2467 for you Assistant Rabbans who have not been up there. It will be open for another month. (Laughter)

I would like to introduce to you the man who has the tremendous responsibility to be the Director General. He is not related to me in any way and I want you to know that. (Laughter)

IMPERIAL SIR BRACEWELL: Walker, would you repeat that, I was standing here talking to somebody. (Laughter) However, when Walker has his Pageant in Atlanta next year, it is going to be held in his suite. (Laughter)

IMPERIAL SIR KISSELBURGH: God, it is going to be a long year. (Laughter)

IMPERIAL SIR BRACEWELL: Not for you, because you will be in California the entire year. (Laughter and applause) I promise you he will be the best prepared man to be Imperial Potentate in the history of the Shrine because for twelve months he can sit there in California and think about what he is going to do. (Laughter)

IMPERIAL SIR KISSELBURGH: I would now like to introduce the man whom I have chosen to be the Director General, the Chief Rabban of Al Malaikah Temple, who wears his tassel on his left side (laughter), Chief Rabban Thomas M. Boles. (Applause)

NOBLE THOMAS BOLES [Al Malaikah Temple]: Thank you, "Uncle Walker." (Applause)

Well, I do not think I was supposed to say that. However, I am doing it for nothing to begin with. (Laughter)

Further, if you think the job of Director General is difficult, well, it is. (Laughter)

You know, I went and spoke with Fred Spencer a couple of years ago and I was extremely impressed with the things I would have to do and some of the preparations that he was preparing me for. However, it took me the whole first year to translate from Bostonian to my kind of language. (Laughter) However, that was all right. Also, last year I did have the privilege of continuing to learn from Jim Bracewell. I have spent this last year trying to translate from his Atlanta language. (Laughter)

However, seriously, we are planning a real nice Convention for you in 1986. Preparations are well underway.

Walker was accurate in his statement that many members have chosen to be there for that great Convention. Of course, a lot of activities are planned in Southern California and we do have many, many things that will excite your families while you attend the business session.

You know, of course, we have Disneyland, Marineland, Knotts Berry Farm and we even have Walker Kisselburgh's back yard where we can cook two hot dogs at a time. (Laughter)

However, again, seriously, we do invite you to come there in 1986. We know you will have a wonderful time. Further, for those of your who are Assistant Rabbans and have that

responsibility in 1986, we cordially invite you to again visit room 2466 in this hotel and if you have not received a personal invitation from that room, it is there waiting for you—it is in a little box. I cannot advertise this sort of thing but it is there, gentlemen. Therefore, please come and join us. I know you will have fun and I will see you again next year in Atlanta. Thank you. (Applause)

IMPERIAL POTENTATE OLFENE: The Chair will now recognize the Imperial Chief Rabban-Elect, Dr. Russell Anthony.

IMPERIAL SIR ANTHONY: Thank you, Imperial Sir, Dick.

Fellow Delegates: It gives me a great deal of pleasure to be able to share with you again this year the dates of the 1987 Imperial Council Session, which will be June 21 through June 25 in Las Vegas, Nevada.

My Director General is a gentleman whom most of you know, the first Potentate of Zelzah Temple in Las Vegas, Dick Land.

My Housing Chairman is the Sales Manager of the Hilton Corporation, Bruce Philips and my Deputy General is Dick Davis.

Las Vegas has committed to us 26,000 first class rooms. Of those, already we have had requests for just a little under 15,000 rooms. I am going to be sending a letter immediately following this Convention to all of the High Priests and Prophets explaining to them and giving to them the address of the Housing Chairman so that the requests of your individual Temples can be made as soon as possible.

I am also going to encourage them to consider their trip to the Imperial Council Session perhaps as a trip for the Temple to include both unit and non-unit members and their families.

Now, you have all been out there and so you may know that it is a great place to bring recreation vehicles, motor homes and what have you to what is known as the Capital Fun City of the World and, we were, as you all know, formed for the purpose of having fun. Of course, we have the serious part of our philanthropy but we also have a fun part to it.

We certainly want to bring you all to Las Vegas in 1987 and we hope you will come. Thank you very much. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, Russ.

The Chair will now recognize the Imperial Assistant Rabban-Elect, Voris King.

IMPERIAL SIR KING: Imperial Sir, Imperial Sirs, Fellow Representatives: As you all know, 1988 will be the greatest year in Shrinedom. That is the year that I will extend the invitation to you to come to the greatest city in America, New Orleans, Louisiana.

I would now like to call on the gentleman, the Noble who will be my Director General, Joe Vita.

NOBLE GERALTO J. "JOE" VITA [Jerusalem Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and My Fellow Delegates and Nobles All: I am Geralto "Joe" Vita, a Past Potentate of Jerusalem Temple in that wonderful City of New Orleans.

The last time that the City of New Orleans hosted this prestigious Convention was in 1981 and the time before that was 1910 and I will tell you that 1981 was a great and successful Convention and we are planning 1988 to be one of the biggest.

The City of New Orleans is a wonderful city in which to have fun, as most of you know.

Now, we do still have the streetcars only they are powered by electric motors instead of fuels. We also still have the French Quarter and Bourbon Street. We likewise have many new deluxe hotels, as a matter of fact, some 25,000 rooms in the central business area of New Orleans.

New Orleans is a fun city, composed of people who are friendly, of police who are convention conscious, of good food that is world famous. Anyone who has been to our Mardi Gras City in the past and failed to have fun just does not know.

So, Nobles, please come out—buy your lady a pair of new shoes and you all come to New Orleans in 1988. The Convention dates will be June 27-July 2, 1988.

Imperial Sir, I would move at this time that the Convention site for 1988 be the City of New Orleans.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: All right, is there any discussion? This is to accept the invitation to go to New Orleans in 1988.

All in favor please say aye; those opposed. The ayes have it and it is carried.

IMPERIAL SIR KING: Thank you all so very much, and please all plan to come.

IMPERIAL POTENTATE OLFENE: Next the Chair will recognize the Imperial High Priest and Prophet-Elect, Edward G. McMullan.

IMPERIAL SIR McMULLAN: Imperial Sir, Imperial Sirs, Worshipful Grand Masters and My Fellow Nobles: It gives me a great deal of pleasure at this time to call on the Illustrious Potentate of Rameses Temple in Toronto, Illustrious Sir Douglas J. Russell.

NOBLE DOUGLAS RUSSELL [Rameses Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: It is with pleasure that I, in behalf of the membership of Rameses Temple, extend an invitation to hold the 1989 Imperial Council Session in the City of Toronto, Canada.

Evidence of our Temple's desire and willingness to host this Session is evident in the following resolution, which was passed unanimously January 14, 1984, and authorizing me as a Representative to present this invitation today.

Many will recall we in Toronto have had the honor of hosting three Imperial Sessions—1930, 1962 and 1975 and while the record will show that these Sessions, in and of themselves, were most successful, our new facilities will add greatly to the comfort and convenience of all.

Supporting our invitation are letters from His Worship The Mayor of The City of Toronto, the Chairman of the Council of the Municipality of Metropolitan Toronto, and the Toronto Convention and Visitors Bureau, in which they also express their desire to you that Toronto be accepted as your meeting place in the year 1989, thus assuring you of the fullest cooperation by all public officials.

I would therefore, at this point, present to you the following resolution:

WHEREAS, Canadian Temples and Canada as a nation will be honoured in the year 1988 by the election of a great Canadian to the high Office of Imperial Potentate in the person of Imperial Sir Edward G. McMullan, now Imperial Oriental Guide.

AND, WHEREAS, The Imperial Council will soon be considering invitations and locations for the holding of the 1989 Imperial Council Session.

AND, WHEREAS, it is in the interest of Canadian Temples and Canada that this Session be held in Canada thus enabling all in authority, government or otherwise to honour the occasion and this outstanding Canadian.

AND, WHEREAS, to make this Session a successful and memorable occasion, Toronto would be the most logical location in Canada in which to hold this Session due to the following reasons:

A) Accessibility to the whole of Shrinedom.

B) Our outstanding convention facilities, including an adequate supply of well appointed and located housing accommodations.

C) Knowledge based on past experience of how to deal with a Session of such magnitude.

D) The interest and cooperation of all local government and administrative bodies.

E) Recreational and entertainment establishments of every description.

NOW, THEREFORE, BE IT RESOLVED, that we, Rameses Temple, hereby authorize our Illustrious Potentate to extend to Imperial Sir Edward G. McMullan and to the Imperial Council, an invitation to hold its 1989 Session in the City of Toronto, Canada.

As I previously indicated, this resolution was regularly presented and unanimously approved on January 14, 1984.

Imperial Sir, it gives me great pleasure to present this (indicating) package, with letters from all of the government leaders in our country.

IMPERIAL SIR McMULLAN: Thank you very much, Doug. It is kind of you to ask me to do this.

Now, Imperial Sir and Representatives, you have heard the reading of the resolution of invitation to hold the One Hundred Fifteenth Session in the Queen City of Toronto, Canada. Imperial Sir, I would move acceptance of this invitation to hold the Convention in Toronto in 1989.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Are there any questions or is there any discussion?

If not, all in favor please say aye; opposed. It is unanimously carried.

IMPERIAL SIR McMULLAN: I would like at this time, if I might, with a great deal of pleasure, to introduce to the Nobility a man who is well-known to most of you—a gentleman who has, in the past, run some great conventions, none other than Illustrious Sir Charles Emmett, my Director General. Will you please come up here.

ILLUSTRIOUS SIR EMMETT: Imperial Sir, Imperial Sirs and Fellow Representatives: You have heard many pleasant places mentioned during the coming years and we are going to have some outstanding Imperial Sessions.

I am sure some of you will remember that 1975 was an outstanding Imperial Session and I can assure you, as you know very well, that my entire government is behind us. They are even willing to give you thirty cents on the dollar today to come to Canada. (Laughter)

You will be hearing more from us a little bit later. However, we are honored to have you back in Canada. Thank you very much. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, Charlie.

The Chair recognizes Gene Bracewell.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir.

There have been a couple of questions regarding the exact dates of the Atlanta Convention in 1985 and also the Los Angeles Convention. The dates for the Atlanta Convention are July 2-July 6, 1985.

The dates for the Los Angeles Convention in 1986 will be June 30-July 4, 1986.

Now, as Chairman of the Time and Place Committee, I would like to make a motion that these reports that have been presented to you be accepted as presented.

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE OLFENE: The Chair would now like to call on Everett Evans for some comments.

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs and Representatives: In my Public Relations portion of the meeting the other day, I neglected to do something I wanted to do.

Early last year I was at the Carolina Bowl and the television station there that I recognized the most, WSOC-TV, showed pictures of the Greenville Hospital, showed interviews continuously and gave coverage you would not believe.

At this time I would like to ask a member of my Public Relations Committee, Past Potentate Doug Mayes from Oasis Temple, to come up. You will probably remember who he is.

However, the apology I want to make to him is that the Session did just not have enough time to show you that film clip that he has done such great work on and the cost of setting up the video was terribly expensive, but Doug has done continuous work up there that is good for the Shrine and I wish I had had the time to do it. However, I thought maybe I ought to get him up here and let him answer your questions. (Applause)

ILLUSTRIOUS SIR MAYES: Thank you, Delegates, for that warm and generous applause. I am glad to be here.

Actually, Everett, I am not sure that it was such a good idea to introduce me because I have been trying to play a very low profile throughout this entire Session because, in St. Louis, I asked some questions that I thought were straightforward and upfront (laughter) for a television news interview and they are now selling for \$1,000 each, if anybody is interested. (Laughter) However, that is why I have been playing a low profile at this Session because, as you will remember, the three Potentates I had on the interview really provided all of the fun and entertainment for the St. Louis Session and I understand they are still after me.

However, Imperial Sir, let me say that the three things that I tried to stress at St. Louis were to be prepared, be brief and, above all, be honest and, if I might just add this—the film you have seen, I guess we owe it to a young lady who is a news photographer with Channel 9 in Charlotte, who accompanied me and the other members of that team to the Greenville Hospital and we produced a news story and the resulting photo essay that was the germ of the idea for that film. However, I must divorce myself from it in saying I think it is one of the finest that the Imperial Council has provided for the Nobility because it communicates exactly what we do and what we have been doing for sixty-two years.

Thank you very much. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you very much, Doug. Like many, we have known Doug for many years and he is a very, very dedicated Shrine worker and does a tremendous job for us on our Public Relations and, Doug, personally, let me thank you and please keep up the good work for us. I know, of course, you plan to do that.

Now, Nobles, I received a rather nice card in the mail this morning, hand delivered to me by an assistant from the office, and I think I would like to read it to you before I introduce the next gentleman. It says:

"Dear Mr. Olfene, I was delighted to have welcomed the Shriners' One Hundred Tenth Imperial Session to Boston. Thank you for choosing our city as the city for your Convention. I was extremely impressed with the degree of professionalism that your people displayed and with your eagerness to cooperate. It was a pleasure to work with you and I hope that your remaining days in Boston will be enjoyable."

That is signed "Raymond L. Flynn," Mayor of Boston.

I thought that was nice of the Mayor to send that on and thank the people for presenting him at this Convention.

I also tell you that I have had not only honor but extreme personal pleasure in having us come to this city and I have not had one person yet but what has come forward to me to tell me what an enjoyable time they have had—about the warmth of the citizens of this city, the warmth of the police officers on the streets, the warmth of all persons involved, and what a great reception we received from these huge crowds that were on the street to view our two parades.

To put a program of this type together, as you know, takes a very special man to head the program. However, he is going to tell you it is all within his committee and agreeable to me is the fact that you must have the committee behind you but it takes an organizer, a man who can plan well and follow through. I think I found that man. I did not look very hard for him. I have known this man for many, many years, knew immediately to whom I would go and when he accepted, it was a great burden off of my shoulders. I think he has done a tremendous job, he, his staff and all people involved. I hope you agree with me.

And with that information and for a few remarks, I would like to introduce to you the Director General of this Convention, Frederick A. Spencer. (Applause)

DIRECTOR GENERAL SPENCER: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Nobles All: What a thrill it has been for me as Director General of the One Hundred Tenth Imperial Council Session to have you here and enjoy the great historic City of Boston.

It is a difficult thing having a Session but it is a wonderful thing to have the Session and it has all been worth it and I want to thank our Potentate for all of the cooperation that we have received. Aleppo Temple has been great and I want to say thank you for everything to everybody who helped in any way to make this a successful Convention.

I want to particularly thank those Potentates who, over the years, have been working and striving for this One Hundred Tenth Imperial Session. Thank you for bringing your units to this great city because you, as I said yesterday, actually create this great Imperial Session and this city will never be the same and when we have another Imperial Session here, I am sure they will be eager to come out and see you again.

From the very beginning, we have wanted to make Boston yours in '84 and I hope we have done that. So, again, thank you very much and have a safe trip home. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you very much, Fred.

Now, the Chair will recognize Past Imperial Potentate Jack Streight for a report of the Resolutions Committee.

... Whereupon, Past Imperial Potentate Jack Streight read the following resolution as submitted by the committee, which, in accordance with motion regularly made, seconded and unanimously carried; was declared to be adopted ...

COMMITTEE ON RESOLUTIONS

Jack M. Streight, Chairman

Joseph P. Padgett

John W. Dean

Richard F. Norris

Frederick A. Spencer

IMPERIAL POTENTATE OLFENE: Thank you very, very much, Jack, for a great job and a good resolution.

I also want to be on record as thanking Don Winter and the Oldsmobile Division for their fine cooperation in providing us those many beautiful Oldsmobile automobiles. Thank you so much.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL SIR JONES: Imperial Sir, I move that all of the transactions of the Imperial Officers, Board of Directors and others for the Iowa Corporation for the past year and those taken at this Session be ratified and approved.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there any discussion?

If not, all in favor please say aye; opposed. It is unanimously carried.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE OLFENE: Is there any Noble in the room who has any comment to make? I will recognize the gentleman at microphone 3.

NOBLE JAMES SKELTON [Hamasa Temple]: Imperial Sir, I would like for the minutes to reflect that the Representatives of this Annual Session extend their condolences to Past Imperial Sir H'Doubler in the loss of his lovely wife in December of 1983.

IMPERIAL POTENTATE OLFENE: Thank you. That was in the form of a motion.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: I am sure there is no discussion.

All in favor please say aye; opposed. It is unanimously carried and thank you.

We are so sorry at the passing of Joan and, of course, those things happen and thank you, Jim, for that.

Does anyone else have anything they would like to bring before this Session before we get into the installation?

Microphone 2.

NOBLE KENNETH BARRON [Sharon Temple]: Imperial Sir, since our reporter may not

have gotten everything down, I made a note to myself here and I would like to read to you the following:

IMPERIAL '84

We picked up our fezes,
And packed up our messes,
Then headed for the City of Boston,

We cabbed through wherever the hell,
But we reached our hotel,
From places like Tyler, L.A. and Austin.

We began our week's stay,
Hearing the Boston Pops play,
That alone worth the travel.

We strolled through the park,
Then woke with a start,
With the sound of Dick's heavy gavel.

Spent millions for our kids,
Then we really hit the skids,
We argued, debated, what a hassle.

But to show you true metal,
We finally did settle
On just how to wear that damn tassle.

"Bracewell's our man,
The best in the land,"
These words from his very own brother.

With Katharyn in tow,
He had a great show,
With his children, his father and mother.

Then we next all saw
The man from Arkansas
His name, Burt Ravelette.

He was elected by all,
As he stood there so tall,
But he's had way too much spaghetti.

We said our farewell,
And left our hotel,
This exciting fun trip would end.

But indeed we all knew,
As away we all flew,
Next year we'd do it again.

... Sustained applause ensued ...

IMPERIAL POTENTATE OLFENE: Microphone 1.

NOBLE DONALD LOGAN [Barak Temple]: Imperial Sir, I am Donald Logan, Past Potentate of Barak Temple. We are the youngest Temple in Shrinedom and we are happy to be there and we hope we will stay there for a few more years.

I want to let you know we are here, we are working hard and for those who are worried about me running for Imperial Potentate, I do not know where to wear the tassle and so I am not going to do that. (Laughter)

IMPERIAL POTENTATE OLFENE: Thank you. Microphone 2.

NOBLE HAROLD HAERING [Moslem Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives:

As Potentate of Moslem Temple, I am proud to present for your information the 1983 total expenditures by Moslem Temple for our Hospital and Crippled Childrens Program.

This expenditure amounts to \$804,221 and is broken down as follows:

\$64,843—Cash donation to the Shriners Hospitals for Crippled Children (Colorado Corporation) resulting from our 1983 Hospital Newspaper Sale.

\$156,157—For medical equipment donated by Moslem Temple to the Chicago Orthopedic Hospital.

\$583,221—For outpatient costs paid by Moslem Temple on behalf of over 950 active patients served by the Chicago Orthopedic Hospital and the Cincinnati Burns Unit in 1983.

In 1984, we expect that our total active patient load will increase to over 1,100 children and that the number of patient visits to the Chicago Orthopedic Hospital and the Cincinnati Burns Unit will exceed 2,000.

It gives me great pleasure to say that Moslem Temple has one of the finest and smoothest operating Crippled Childrens Programs in all of Shrinedom. Our program is staffed by over 116 Nobles and attendants providing transportation and back-up services for our kids on a five-day per week schedule. We enthusiastically promote our program and invite all members of this assembly to visit our Temple and look us over.

And now, Imperial Sir, turning to another subject, I wish to make some remarks concerning future Imperial Council Parades.

During the Day Parade on Wednesday of this week, certain Moslem Temple motorized units were disqualified from participation for failing to comply with regulations governing the wearing of protective headgear and with regulations governing certain maneuvers.

In the one instance, our Americans Unit (consisting of cowboys and Indians riding Honda Mini-Trail cycles) was removed from the parade for failure to wear helmets. In the controlled environment of a parade, we respectfully submit that protective headgear is not required. This is particularly true when cycles travel at speeds seldom exceeding a walking pace.

In the other instance, our Cycle Patrol and Motor Corps units were denied participating in the Night Parade on Thursday because of questionable (but not unsafe) maneuvering during the Wednesday Day Parade. In this case, we submit that infraction of the rules on Wednesday should not have been cause for denying participating on Thursday if the infractions were corrected.

Moslem Temple spends thousands of dollars to bring its units to Imperial Council Sessions. These units have consistently won awards for competition excellence. It is our intention always to observe the rules of safe and sane conduct on the parade route. In bringing up this matter today, we wish only to eliminate the possibility of a recurrence in the future.

Thank you.

IMPERIAL POTENTATE OLFENE: Thank you, Hal.

I will recognize Imperial Sir Ed McMullan.

IMPERIAL SIR McMULLAN: Imperial Sir, Imperial Sirs and Representatives: There has been brought to me an inquiry as to the dates of the Toronto Convention and I would like to say that the dates that we have tentatively set up are July 2 to July 7. Whether or not that will be inclusive will be told you at a later date. However, those are the dates that we have set aside at the present time. Thank you.

IMPERIAL POTENTATE OLFENE: The Chair will recognize Hogan H'Doubler.

PAST IMPERIAL POTENTATE H'DOUBLER: I would like to give you a report on the condition of Charlie.

As you were informed, this morning, before the meeting, Charlie was coming through the door and he tripped, fell and apparently has a dislocated left shoulder. I took him over to the hospital emergency room. He is in good shape.

There are several things of interest. First, when somebody told him he was there, he began to moan and say, "I am doomed, Hogan H'Doubler is on the case." (Laughter)

Another interesting thing is that he certainly was not denied the best of medical expertise in that room because, you know, we received a second opinion from a doctor, a third

opinion from another doctor and a fourth, fifth, sixth and seventh and so, rest assured, he was well taken care of and he is in good hands at the hospital.

Also, to set the record straight, some people have been saying that today is his ninety-fifth birthday, others his ninety-sixth and still others his ninety-seventh. However, his daughter tells us it is his ninety-fifth birthday but every time they sang happy birthday to him, he has been adding the years. (Laughter)

IMPERIAL POTENTATE OLFENE: Thank you, Hogan. We are all pleased to know that it is not as serious with Charlie as one might have thought and we wish him well and a speedy recovery.

I will now recognize Past Imperial Potentate Dr. Daniel Bowers.

PAST IMPERIAL POTENTATE BOWERS: Imperial Sir, Imperial Sirs, Grand Masters and Fellow Delegates: It is my privilege this morning, just for a few moments, to express my thoughts with reference to our Imperial Potentate.

Dick and I have been friends for many years as he came up the Line and so this morning, as the Session winds up, I would say to you that every man goes through the Line shielding himself individually behind a majestic group of giants whom you choose as your life's companions.

The choice of such Imperial companions may be because their personality charms us, their life inspires us or their world enlightens us.

It is not so much the fact that we choose them but, rather, it is they, who, from their lofty position, reach down to adopt us.

And so I feel this morning that this Convention, in a great, great measure, you have adopted Richard B. Olfene as one of the greatest Potentates in Shrine history.

And so, in recognition, Dick, of your great work this year, for a great Convention, that the waters have been quieted and, I am sure, the dissension that any of us felt because of this Convention, have come to a stop.

And so, gentlemen, as we close, I wish you would give our Imperial Potentate a standing ovation for a great Convention.

... Rising applause ensued ...

IMPERIAL POTENTATE OLFENE: Thank you very much, Dr. Bowers. That was nice of you and thank you, gentlemen, for that fine recognition.

As I have told you, as I traveled around in the past year, it has been my pleasure and had it not have been for the wonderful people that you are and the great cooperation and wonderful hospitality you have extended to JoAn and me throughout the year, it would have been extremely difficult. This is a great group of people.

We did the job the best way we knew how and the only way we knew how and we will continue to do it that way for the future of the Shrine, as long as I live.

Again, thank you so much for this very fine recognition and, again, to you, Dan, for your nice remarks.

Before I call on the next man, I do want to again thank those Grand Masters who had the opportunity to come and visit with us. It was our pleasure to have you and we hope that each and every one of you enjoyed your stay. We hope you enjoyed all of the entertainment and various things that we were able to offer to you and, in particular, we hope that you enjoyed seeing the Shrine workers in action.

This legislative body, I believe, is one of the largest legislative bodies in any association that there perhaps is in the country and trying to control about 820 or 830 of them, I know, sometimes becomes a little difficult. Is that not it, fellows, for example, how easily we spend \$30 million or \$40 million on something without debate and then when you go to the matter of the tassel, we talk it over for two hours. (Laughter)

Anyway, we are pleased that you would come. We hope that there is a continuing effort to strengthen the entire Masonic Family and working together, gentlemen, nowhere can we go but forward.

To the Grand Masters, let me say it has been my privilege to have you and, seriously, I hope you enjoyed your stay, and the same goes to all of our dignitaries, the VIPs of the Masonic Fraternity.

With that, are there any other comments?

Seeing none, I will now recognize Peter Val Preda for the installation of the Imperial Officers for the ensuing year. Will you come to the microphone, please, Peter.

PAST IMPERIAL POTENTATE VAL PREDA: Thank you, Imperial Sir, Dick.

Imperial Sirs, Grand Masters, Nobles, Representatives and Guests: It is a pleasure and honor for me to be asked to do the installation of your newly elected Officers for the ensuing year. At this time I will call on the Imperial Marshal, Randy Thomas, to place the Officers in position for the Oath of Office.

... Placing of Officers in their proper position ensued at this point ...

PAST IMPERIAL POTENTATE THOMAS: The Officers are at their stations ready to be installed.

PAST IMPERIAL POTENTATE VAL PREDA: The Officers have been placed in their respective stations and I am going to ask each of you to raise your right hand, say "I" and repeat after me.

... The Officers, in unison, then repeated their Oath of Obligation ...

PAST IMPERIAL POTENTATE VAL PREDA: And now to you, Imperial Potentate-Elect, you have to give me these answers for these vows.

... Whereupon, Imperial Sir Bracewell repeated answers to the vows as presented by Past Imperial Potentate Val Preda ...

PAST IMPERIAL POTENTATE VAL PREDA: Thank you, and now you are duly installed to your Offices and I would ask the Imperial Marshal to make the proclamation.

... Whereupon, Past Imperial Potentate Thomas, as Imperial Marshal, proclaimed all of the Officers duly and legally installed into their respective Offices for the ensuing year ...

PAST IMPERIAL POTENTATE VAL PREDA: And now I would like to ask Rick Bracewell to come forward and place the Fez of Imperial Potentate on his father.

NOBLE RICK BRACEWELL: Dad, Imperial Sir, I take pride at this time in being able to place this Imperial Potentate's Fez of the Shrine of North America on your head.

... Rising applause ensued as Imperial Sir Bracewell was presented with his Imperial Potentate's Fez ...

PAST IMPERIAL POTENTATE VAL PREDA: And now I would like to have Imperial Sir C. Victor Thornton place the proper Fez on Imperial Sir Olfene.

PAST IMPERIAL POTENTATE THORNTON: Imperial Sir Dick, inasmuch as I helped you into this Office, I suppose it is my pleasure now to help you out. (Laughter)

The esteem in which you are held, as expressed by Dan Bowers, and the response which was received by you from the members, indicates our love and respect for you and it is my pleasure now to place upon your head the Fez which you will wear for many, many years as a Past Imperial Potentate of the Shrine of North America. Congratulations.

... The placing of the Past Imperial Potentate's Fez on the head of Imperial Sir Dick Olfene then ensued ... (Rising applause)

PAST IMPERIAL POTENTATE OLFENE: Thank you, fellows, thank you so very much.

PAST IMPERIAL POTENTATE VAL PREDA: And now, Imperial Sir Vic will also present Dick Olfene with his new Jewel.

PAST IMPERIAL POTENTATE THORNTON: First, in behalf of Gene Bracewell, I will remove the old one. (Laughter) It is a pleasure to add this Jewel, which will further identify you, Dick, as a member of one of us. Congratulations.

... Presentation of Jewel ensued ...

PAST IMPERIAL POTENTATE OLFENE: Thank you very much, Vic, and let me tell you something—I am kind of pleased to be aboard this team right now because a little rest will be great. I will be around to help as much as I can. Thanks again to all of you, you have just been a great group and Vic, my thanks to you. Thank you.

PAST IMPERIAL POTENTATE THORNTON: It has been a pleasure, Dick. (Applause)

PAST IMPERIAL POTENTATE VAL PREDA: And now, Dick, we would like to have you present the new Jewel to the newly elected Imperial Potentate, Imperial Sir Gene Bracewell.

PAST IMPERIAL POTENTATE OLFENE: Gene, this is the Jewel of the Imperial Potentate. I understand that this particular piece is in the range of some thirty years of age and passes, as you know, from one to another.

I have had the honor of wearing it for the last twelve months. I have worn it with pride and with a great deal of dedication to this organization. I know you will do the same.

It is a beautiful piece of jewelry and I will also say to you that whenever you go out, you had better be sure this is close to you because it has a few diamonds and things like that in it and you do not want to lose it.

However, it is my distinct privilege to present this to you this morning. Welcome to you and to Katharyn for an outstanding year as leaders of the Shrine of North America.

I am convinced and believe sincerely you will do an outstanding job and we are going to be working together to see that this whole thing is going forward in the direction that you and I believe and the Nobles believe it should go.

Congratulations to you and the best to both of you. Thank you so very much.

IMPERIAL POTENTATE GENE BRACEWELL: Thank you very much, Dick. I appreciate you presenting this Jewel to me and I will assure you and the Nobles present, that I will do my best to serve you at all times, wearing this Imperial Potentate's Jewel with dignity and pride and also looking forward at this time next year to being able to make a statement that we had as good a year as Dick Olfene, because we had a very fantastic year. Thank you very much. (Applause)

PAST IMPERIAL POTENTATE VAL PREDA: And now, Gene, would you like to present your Imperial Chaplain?

IMPERIAL POTENTATE BRACEWELL: Yes, I would like to present my Imperial Chaplain.

Dad, as I said at the Pageant, it gives me a great deal of personal pride and pleasure and it is my privilege to have had the opportunity of appointing you as Imperial Chaplain for the coming year. I know that you will wear this Fez with dignity and honor and I know that you will not hesitate to tell me, and probably the rest of you fellows along the Line, if we are getting out of shape or out of style insofar as leading a good, clean God-fearing life is concerned.

And, Dad, I am happy to have you serve as Imperial Chaplain for the coming year.

... Presentation of Imperial Chaplain's Fez then ensued ...

IMPERIAL CHAPLAIN BRACEWELL: Thank you, Gene, and God bless you and everyone here. (Applause)

PAST IMPERIAL POTENTATE VAL PREDA: Is Bill Mitchell on the stage or nearby? We will have him present the Fez to the newly elected Imperial Outer Guard.

NOBLE WILLIAM R. MITCHELL [Sahara Temple]: Bert, it has been my pleasure to work for you and I know you are going to make a fine Imperial Outer Guard during the coming year and all the way up to Imperial Potentate. Thank you very much for allowing me to present this Fez to you. (Applause)

PAST IMPERIAL POTENTATE OLFENE: And now, I would ask each of the Officers to pass their badge right on down to the man that has been newly elected to their Office.

... Exchange of badges between the Officers ensued ...

PAST IMPERIAL POTENTATE VAL PREDA: And now I am going to ask Dick to present the Past Imperial Chaplain's Fez to his Imperial Chaplain.

PAST IMPERIAL POTENTATE OLFENE: Nobles, twelve months ago I appointed a great fellow, Larry Hathorne, to be the Imperial Chaplain during my year.

My comments at the time and instructions were few, as a matter of fact, one in particular—"Larry, keep your prayers brief" and, of course, you have kept them brief and you have done an outstanding job for us and we certainly hope you enjoyed the twelve months while you were the Imperial Chaplain of the Shrine of North America and I am sure it tingles you, I know it did me, when you preached a sermon, last Sunday, from the pulpit of the Old North Church, our old historic church.

With that, I would like to present to you this Fez which says "Past Imperial Chaplain." Larry, you are a great guy, we have had a wonderful time with you, you prayed like hell for me.

... Presentation of Fez and laughter and applause ensued ...

PAST IMPERIAL POTENTATE VAL PREDA: And now I will ask our Imperial Marshal to make the proclamation.

PAST IMPERIAL POTENTATE THOMAS: I now proclaim all of the Officers Fezed, Jeweled and duly installed into their respective Offices for the ensuing term.

PAST IMPERIAL POTENTATE VAL PREDA: Thank you very much and now let us congratulate these gentlemen. (Applause)

PAST IMPERIAL POTENTATE OLFENE: Let me ask you, Larry, to come back here a moment. I blew the whole thing, had it in my pocket.

I do not want to make this anti-climatic but you also receive a nice Past Imperial Chaplain's Jewel which you can wear for the rest of your life and I would like to present it to you at this time.

... Presentation of Jewel ensued ... (Applause)

IMPERIAL POTENTATE BRACEWELL: Nobles, If you will just take your seats for a moment, I would like to make a few remarks and announce some committee appointments.

... Whereupon, Imperial Sir Bracewell read his appointments to the five Standing Committees ...

IMPERIAL POTENTATE BRACEWELL: Nobles, those are the names of the appointees and Emeriti Members of the five Standing Committees.

I would like to again thank the Joint Boards and the Past Imperial Potentates and Trustees in the past who have been so supportive and so cooperative with me through the last ten years of my coming through the Imperial Divan Line and I particularly want to thank each of you Nobles here today, Representatives, for your support as well as your cooperation and your advice.

I assure you that in the coming twelve months that we plan to have a very open administration. I plan to carry on with the theme, to some extent, of Dick Olfene, that is, to communicate to educate. I think there is a lot of good in that slogan. I think if we practice that this year, continue to do it, and I am sure we will continue to do it, the Shrine will soar in '84 and then really thrive in '85.

I will be looking to you, during the coming twelve months, to give me your support and prayers and as I made the statement to the Masonic Luncheon the other day, if you feel at any time we are doing something through our actions and our endeavors that would in any way hamper Masonry or the Shrine, that I want you to give me a call. Do not call the guy in the other Temple or tell someone else—just pick up the phone and call Gene Bracewell. If you cannot reach me, call the Tampa Office. They will have my schedule and I promise you that I will get back in touch with you and we will talk it out and if I am wrong, we will correct it—if I am not, then I will try to explain my position and get you to change to mine. However, I want you to know that I want the lines of communication open. Again, I told the Grand Masters Luncheon the same thing—if you think I am doing something to hamper Masonry, call me and let us talk about it, do not tell someone else.

You know, there are two sides to this coin, as I also told them, and if I think you are doing something in your state that is somewhat affecting Shrinedom, I am going to call you and tell you and I think that by keeping those lines of communication open in that manner that we can have a very fruitful and progressive year in 1984 and 1985 and see our membership downward trend, which seems to be leveling off, start going back up again the way it should be, continue under the leadership of the Chairman of the Board of Trustees, Imperial Sir Dick Olfene, to improve and continue to move ahead our great hospital programs—make sure that we always provide to our children the very best in the way of medical care and attention and, along with that, the finest facilities that we can possibly have to ensure that.

With these things in mind and with the cooperation of the Board, of these men behind me, and I am not just alluding to the Acting Imperial Divan Line, but I am asking the Past Imperial Potentates and the Trustees and everyone back here to give me your help and give me your support and give me your cooperation and give to me your advice because I know that you have the wisdom of experience, which is something that I do not have right now. I only, thus far, have two or three minutes of it and so I will be looking forward to having you work with me.

Nobles, again I would like to thank you for your confidence and support that you have shown to me and I am looking forward to serving as your Imperial Potentate and I will tell you again, as I did in the past, as I travel around North America, I promise you that I will do everything within my power and ability to represent the Shrine in the manner it deserves and you in the manner in which you deserve. Thank you very much.

... Rising applause ensued ...

IMPERIAL POTENTATE BRACEWELL: Thank you, Nobles.

At this time, I would like to ask the newly installed Imperial Chaplain, Vernon Bracewell, if he would deliver the benediction.

IMPERIAL CHAPLAIN BRACEWELL: Nobles, let this be a real prayer to God because we are fixing to head home and we need His love and protection.

Most powerful and passionate God, we lift our hearts to Thee in loving gratitude for the privilege of living and serving this great Fraternity. Now as we conclude the work of this One Hundred Tenth Imperial Session, grant the light of Thy divine guidance to our friends as they return to their respective homes. Our parting prayer is that You would grant us the wisdom and strength to serve crippled and burned children more effectively and glorify Thy name to all men everywhere. Amen.

IMPERIAL POTENTATE BRACEWELL: Nobles, I now declare this One Hundred Tenth Imperial Council Session closed.

... Whereupon, at ten-twenty-five o'clock a.m., the One Hundred Tenth Annual Imperial Council Session was adjourned sine die ...

ANNUAL REPORT OF WEBBER C. HARRINGTON
IMPERIAL TREASURER, A.A.O.N.M.S.

JANUARY 1, 1983-DECEMBER 31, 1983

*Imperial Potentate Richard B. Olfene, Officers and Members of the Imperial Council
A.A.O.N.M.S., in meeting assembled at Boston, Massachusetts, July, 1984.*

IMPERIAL SIR, IMPERIAL SIRs, ILLUSTRIOUS SIRs AND NOBLES:

At the 1983 Imperial Session in Denver, the representatives approved an increase in the per capita tax which placed the budget of the Iowa Corporation in a surplus position for 1983. The excess of revenues over expenses for 1983 amounted to \$472,153 compared to a budgeted surplus of \$336,367 and a deficit of \$333,983 for the preceding year.

Immediately after his installation Imperial Potentate Richard B. Olfene announced the appointment of a Special Committee charged with making a thorough study and review of the method and basis of payment of mileage and per diem to Imperial Representatives. That committee will report to the representatives at this Imperial Council session. Legislation proposed by the Special Study Committee is included in the call for the Annual Session of 1984. The committee, which I had the privilege of chairing, unanimously recommends the adoption of the proposed legislation as we believe that it is fair and equitable and will help to keep the Iowa Corporation on a sound financial basis.

The 1984 Iowa Corporation budget, which is included in the representatives' registration packets indicates a deficit of \$90,333. The proposed legislation would not affect the 1984 budget but should decrease the estimated mileage and per diem expenses of 1985 and subsequent Imperial Council sessions by at least \$120,000. It is important to note that nearly one-half of the Iowa Corporation's budget relates to the cost of the annual Imperial Council session.

I am pleased to report that the Imperial Potentate and his Imperial Divan have been very supportive of the Imperial Treasurer's budgeting and financial planning efforts. We hope that the information contained in the Book of Reports and the representatives' registration packets, together with the Committee reports at the session, will fully inform the representatives regarding the financial status of the Imperial Council.

Respectfully submitted,

Yours in Faith,

WEBBER C. HARRINGTON, *Imperial Treasurer
Imperial Council, A.A.O.N.M.S.*

REPORTS
ANNUAL REPORT OF JACK H. JONES
IMPERIAL RECORDER AAONMS

January 1, 1983 to December 31, 1983

*Imperial Potentate, Officers and Members of the Imperial Council,
A.A.O.N.M.S.*

GREETINGS:

The following detailed statements of transactions of the General offices for the fiscal period January 1, 1983 to December 31, 1983 are submitted for your information.

The report of the Imperial Auditor showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The election returns for 1984 of the 185 Temples reflect that there are Representatives to the Imperial Council for 1984 as follows:

	Total Number	Total Votes
At Large	13	13
Ad Vitam	18	18
Emeritus	104	84
Elected	735	735
Appointed	1	1
Total		<u>851</u>

At the end of our last calendar year, the Temple's Annual Reports showed a total of 900,000 Nobles plus 5,178 Associate Members on the active rolls of membership. Permanent Contributing Membership Certificates were held by 73,499 Nobles, which relieves them from paying the annual Shriners Hospital assessment. The Associate Membership total of 5,178 must be added to the total membership figure of 900,000 members since Temples profit financially from Associate Memberships.

The net loss in total Shrine Membership for the year 1983 was 12,458 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It should be noted that only 51 Temples reported a gain in membership while 131 had losses during the year and 3 had no change.

The 1983 net loss of Shrine membership was slightly greater than 1982. We must do more to reverse this downward trend. I urge every Potentate to make membership the number one priority for his Shrine year. Also, I challenge each Temple Divan member to work doubly hard on membership through the development of new ideas to improve their Temple's existing programs. Is it possible that your Temple has a great recruiting program but does not have enough activities, social and otherwise to keep the interest of its members or to attract non-Shriners? How is your Temple's image in the communities throughout your jurisdiction? Is your Mosque building in good condition—a building of such beauty that you can proudly say 'that's my Shrine Mosque'? If you don't have your own Mosque, is

your meeting place and Temple office located in a building that projects the best image for your Temple? Do you have a good public relations program to let the public know what you are doing as Shriners for the good of your community and country?

Your Imperial Membership Committee has developed some outstanding membership recruitment programs. Please use them. Watch your suspension list closely. The Shrine suspended 16,067 Nobles in 1983. Many Temples are not taking advantage of the programs developed, both locally and nationally, to help curtail these suspensions. If a Noble is about to be suspended for non-payment of dues, investigate his situation and try to determine why he is in arrears. If he is experiencing financial difficulties and cannot afford to pay, the Temple should remit his dues. Also, many Nobles who have been previously suspended for non-payment of dues would like to be restored but because of their financial status cannot afford the restoration fees. If this situation exists, it would be in the best interest of the Shrine to charge him only the current years dues and/or hospital assessment to reinstate. Generally, a Noble is proud to pay his hospital assessment.

While on the subject of membership, I urge your Temple officers to work in close harmony with all Masonic organizations to develop programs that will promote the good of our Masonic family. We must work hand in hand with the Scottish Rite, York Rite and Blue Lodge officers to develop programs for positive growth, thereby perpetuating our great fraternities.

During this Shrine year, a great deal of attention was given to the Order of DeMolay. The Imperial Potentate requested all Temple Potentates to develop special programs in support of that fine youth organization for basically two reasons. First, it is a part of the philosophy of Masonry to help and encourage youth. Secondly, what better way to invest a part of our income and time than in our prospects for future members. Besides, even those who don't join Masonry will become better citizens because of what they are taught in DeMolay. They are being exposed and molded into men with high values and well adjusted members of our society. DeMolay needs our help. Please contact the Executive Officer of your state or province to find out their greatest needs.

Imperial Potentate Richard B. Olfene has done a magnificent job throughout the year in promoting the best interest of our fraternity. He has been unselfish in giving of his time, talent and leadership, and for this I compliment him on an enormous job extremely well done.

We have many new Recorders in our ranks to whom I extend a warm welcome. To all Recorders and their staff, my sincere thanks for your wonderful cooperation during the past year. Keep up the good work!

The following pages contain specifics that have been compiled for your use. Please study them and compare the history of membership of your Temple with that of others. Work hard to promote the best interest of our great fraternity, the World's Greatest Philanthropy.

ES SELAMU ALEIKUM

Respectfully submitted,

JACK H. JONES

Imperial Recorder

**RICHARD B. OLFENE, IMPERIAL POTENTATE
AND BOARD OF DIRECTORS
THE IMPERIAL COUNCIL OF THE ANCIENT
ARABIC ORDER OF THE NOBLES OF THE
MYSTIC SHRINE FOR NORTH AMERICA**

We have examined the balance sheet of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (an Iowa Corporation) as of December 31, 1983 and 1982, and the related statements of revenues, expenses, and changes in fund balance and of changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the financial position of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA at December 31, 1983 and 1982, and the results of its operations and the changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization—The IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council) is a nonstock, non-profit corporation incorporated under the laws of the State of Iowa. The organization is the representative and supreme authority of the Shrine Temples of North America and is exempt from federal income tax under Section 501(c)(10) of the U.S. Internal Revenue Code.

Dues and Fees—The Imperial Council's principal source of revenue consists of per capita dues and fees received from its subordinate temples. Per capita dues are assessed effective December 31 of each year and are remitted by the temples to the Imperial Council during the subsequent year. Included in the annual dues of \$3.00 per capita (\$1.85 in 1982) is \$.20 which is designated for the annual Imperial Council Session and is credited as a liability to the session.

Marketable Securities—Marketable securities are carried at cost, which approximates market, and consists of corporate bonds maturing in the current year and repurchase agreements collateralized by obligations of the U.S. Government and its agencies.

Investments—Investments in corporate bonds are carried at cost, adjusted for amortization of premiums and discounts.

2. DUE FROM IMPERIAL COUNCIL SESSION CORPORATIONS

Per capita tax amounts are advanced to the annual Imperial Council Sessions to assist in defraying the expenses of the convention corporation including the reimbursement of travel costs of the Central Office staff. Any unused per capita tax advances are required to be repaid to the Imperial Council. Reimbursements of costs and repayments of unused per capita tax of \$37,270 and \$115,000 were due from convention corporations at December 31, 1983 and 1982, respectively.

3. INVESTMENTS

The following corporate bonds are classified as investments as of December 31, 1983:

<i>Par Value</i>	<i>Description</i>	<i>Carrying Value</i>	<i>Approximate Market</i>

		<u>\$701,538</u>	<u>\$681,625</u>

4. TRANSACTIONS WITH SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Shriners Hospitals for Crippled Children (SHCC), a separate charitable organization(s) was established by the Imperial Council. Hospital assessments, donations and other receipts from Shrine temples are collected and remitted to SHCC by the Imperial Council. The Imperial Council bears a portion of the operating expenses of the National Headquarters building owned by SHCC. The two organizations also prorate salaries and other costs based on the estimated value received by each organization. Amounts of \$116,933 and \$(368,642) were due from (to) SHCC at December 31, 1983 and 1982, respectively.

5. RETIREMENT PLAN

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. The cost of this non-contributory retirement plan allocated to the Imperial Council was \$13,000 for 1982. Changes in actuarial assumptions for expected earnings on investments of the retirement plan resulted in no cost being allocated to the Imperial Council in 1983 and had the effect of decreasing current year expenses by \$14,000.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

Revised
January, 1984

PROPER DISPLAY OF NATIONAL FLAGS

It is the desire of the Imperial Potentate that each Temple of this Order provide and display at all Shrine parades, functions, and meetings, the three national flags under which Shrine Temples chartered by the Imperial Council operate (United States, Canada, and Mexico).

It has been noted that many Temples improperly display one or more of the three national flags primarily in parades and at meetings.

All nations designate the position on the *right* as the position of honor. International usage dictates that when flags of two or more nations are displayed together, they should be flown from separate staffs of the same height and should be approximately equal in size.

In an Auditorium

At Shrine functions and meetings the three national flags should be displayed in the position of honor at the Potentate's or speaker's *right* as he faces the audience. It doesn't matter whether the flags are behind, alongside, or in front of the speaker, on raised platform or not; they should always be to his right. Another important point: The flag of the country in which they are being displayed should be on the speaker's extreme right. (Canadian law does state that when three are flown together, the Canadian flag should occupy the central position.)

At Parades

When in procession, the flag of the country in which they are being paraded should be either on the *marching right*, that is, the flag's own right, or if there are a great number of other flags, it may be in front of the center of that line. It is strongly suggested that the three national flags (United States, Canada, and Mexico) always be paraded side-by-side, in front of state, province, or other local flags, with the flag of the country in which they are being paraded having the position of honor on the *marching right*.

Other flags which Temples may wish to parade should be in a line immediately following the three national flags in the following marching order, beginning on the right: state or province flag; Shrine Temple flag; Imperial Potentate's flag; Past Imperial Potentate's flag; other flags. If there are only one or two flags, such as state, province, and Shrine flags, they may be paraded on the marching left of the three national flags.

One of the most common violations of international flag usage is the dipping of national flags at reviewing stands, during the playing of the national anthems and other occasions. *National flags should never be dipped to any person or thing.* However, all other flags should be dipped as a mark of honor.

In Front of Shrine Temples and Club Buildings

When the three national flags are displayed in front of a Shrine Temple or club building, they should be flown from separate staffs

of the same height and the flags should be of approximately equal size. The flag of the country in which they are being displayed should be in the position of honor on the extreme right; that is, a person's own right as he faces outward of the building's front entrance.

When a nation in which the flags are displayed proclaims that its flag should be flown at half staff, it would be improper to fly the other two flags at full staff; therefore, the flags of the other two nations should not be flown during that period.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Secretary for Fraternal Affairs at the General Office in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

VISITATION OF IMPERIAL POTENTATE

The Imperial Potentate is the number one Noble of the International Shrine and must be accorded the protocol pattern and respect befitting his high office. Protocol dictates that careful plans and arrangements be made prior to his visitation and completed during his visitation.

The host Temple Potentate, Director General, Association President, or their official representative should be at the airport to meet the Imperial Potentate upon his arrival. An automobile and driver must be provided who is responsible for transporting the Imperial Potentate, his party, and luggage to the hotel. The driver should be available at all times.

Honor guard, color guard, or their Uniformed Units are often used to provide pomp and ceremony for the Imperial Potentate's arrival. Their use is not mandatory, however. Motorized Shrine Units or official police may be used as motorized escorts from the airport to the hotel.

A suite of rooms should be provided for the Imperial Potentate. Normal courtesies are appreciated, and should any additional information be required, please contact the Executive Secretary for Fraternal Affairs at the International Headquarters in Tampa.

The host Temple Potentate traditionally presents the Imperial Potentate and/or his first Lady a commemorative remembrance during their visitation.

When an Imperial Officer is assigned by the Imperial Potentate as his official representative, that Imperial Officer is accorded the

same protocol pattern appropriate for the Imperial Potentate. These same courtesies apply to all visiting Imperial Officers.

Should your Temple have as a member an Imperial Officer, the same courtesies should be extended when he is invited to a function as any other Imperial Officer.

The Imperial Potentate's host and his assigned aide or driver are responsible for the departure arrangements. These arrangements include transportation of the Imperial Potentate, his party, and luggage to the airport. Sufficient time should be allowed so as to assure the Imperial Potentate's arrival at the airport at least one hour prior to the departure flight time.

Reckless behavior with motor vehicles is also forbidden. Movement should always be forward, and minimal distance between Units should be maintained in all parades.

CIVIC PARADES

Units that participate in non-Shrine parades may do so *only* with approval from their Potentate. Should they be requested to participate in the jurisdiction of another Temple, they will also need the permission of the Potentate of that Temple. NOTE: Frequently the Imperial Potentate must appoint another Imperial Officer as his official representative. When this happens, that Imperial Officer is accorded the same protocol pattern appropriate for the Imperial Potentate as outlined in the following sections.

CEREMONIALS AND RECEPTIONS

Ceremonials or Receptions

The Potentate should provide suitable transportation from the hotel to the place of the meeting for all Imperial Officers (Present and Past). An aide designated by the Potentate should be available at all times.

When a Temple desires the presence of one or more Imperial Officers at a special activity of that Temple, a written request should be submitted to the Imperial Potentate, with a copy to the

Executive Secretary for Fraternal Affairs, detailing as much information about the activity as possible. If the requesting Temple has an Imperial Officer, they may invite him directly, without going through the Imperial Potentate.

Reception for Ladies

At receptions or other functions where only Ladies are present, the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present, they should stand with their escorts.

Introduction and Reception of Guests

The Imperial Potentate and Imperial Officers should be made as comfortable as possible and not subjected to a long-standing wait for their turn to be received and introduced. The order of reception should be as follows:

1. Visiting Divans, Past Potentates, Potentates.
2. Visiting dignitaries and celebrities.
3. Distinguished guests (Board of Trustees, Shriners Hospitals for Crippled Children).
4. Most Worshipful Grand Masters.
5. Past Imperial Officers (in reverse order of their seniority rank).
6. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
7. Imperial Potentate.

NOTE: Always be sure that Distinguished Guests are introduced to each other as well as to the assemblage. If at all possible, allow some time for informal discussion between Distinguished Guests.

Introduction of Imperial Potentate at receptions, banquets, ceremonies, or business meetings.

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Officers and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon

reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir.....of..... Temple,(City), (State or Province.)"

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of..... Temple, of..... (City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of presenting the Imperial Potentate of the Shrine of North America, Imperial Sir

The Gavel should be presented to the Imperial Potentate, who, upon receiving same, returns Gavel to the Potentate.

The only ADDRESS should be made by the Imperial Potentate.

WHERE OTHERS WILL BE ASKED TO SPEAK, THE IMPERIAL POTENTATE WILL ALWAYS BE THE LAST SPEAKER.

Ceremonial or program then proceeds as arranged.

In the absence of the Imperial Potentate, the senior Imperial Officer invited will act in his place.

Seating at Banquet:

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's lady at the left of the Potentate; the Potentate's lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Officers seated with their ladies alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place cards should be provided to expedite seating. Many years of experience have proven that it is wisest to design a seating chart ahead of time so that any changes can be charted easily.

At Shrine Association banquets, the Shrine Association President will take the place of the Potentate, as listed above, and the other Officers of the Shrine Association, and their ladies, will follow by rank, immediately after Imperial Officers.

At a Uniformed Unit or Shrine Club banquet or any function where protocol seating is required, follow the same procedure listed in the above paragraph, with this exception: The President and his Lady should have priority seating. The Potentate should be seated at the immediate right of the President, etc. If an Imperial Officer is present, he should be seated at the immediate right of the President and the Potentate on the left.

Seating at Ceremonials, Receptions, and Business Meetings

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Officers are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands

In Imperial Session parades, a Reviewing Stand should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Officers and such other guests as invited by the Imperial Potentate.

The Imperial Potentate (or ranking officer) receives the Salute of all Temples. When Temples from an Imperial Officer's state or province pass in review, that Officer receives the Salute of these Temples with the Imperial Potentate.

At Association or Temple parades, the ranking Imperial Officer along with the Association President or Potentate (as appropriate) receives the salute of all Temples. Other Imperial and Association officers will follow the same procedure as above.

QUESTIONS ON SEATING

Should you have questions on seating, please call the Executive Secretary at the General Offices in Tampa, Florida.

CANADIAN PROTOCOL

Banquets:

In Canada a toast is always given to Her Majesty, The Queen:
"Ladies and gentlemen you will rise and drink a toast to Her Gracious Majesty, The Queen."

Response: "The Queen, God Bless Her."

And then a toast to the "Office" of the President of the United States.

In Canada smoking is never permitted until after the toast to the Monarch.

Toast to the Piper:

As the Piper has piped in the head table, V.I.P., and Imperial Potentate and/or Imperial Officer[s], the Potentate or his representative, after he has requested all to be seated, will raise his

glass to the Piper who will return the greeting [slang avough] by raising his glass to the Potentate. No one else is included in the toast.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found in the front of the Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

When an Association desires the presence of one or more Imperial Officers at a special activity of that Association, a written request should be submitted to the Imperial Potentate, with a copy of the Executive Secretary for Fraternal Affairs, detailing as much information about the activity as possible. If the requesting Association has an Imperial Officer(s) they may invite him directly, without going through the Imperial Potentate.

In accordance with the above, Shrine Association Officers will occupy position No. 9 in Association/Temple Parades and position No. 3 in "Introduction and Reception of Guests." In Shrine Association Parades, Units of Temples will form in the order determined by that Association.

DRESS

The Fez

The Imperial Council has adopted the fez as the exclusive type of head covering to be worn by *all* Nobles of the Mystic Shrine when appearing as such. This means any Noble *must* wear his fez at all Stated (Regular) Meetings, Ceremonials (Initiations), Shrine Parades and Caravans, special Shrine events, or any other Shrine-related activity. The fez is never worn at a Masonic Lodge meeting. As a Noble of the Mystic Shrine, you are particularly admonished never to wear your fez in any company or place in which you would decline to introduce your mother, wife, sister, or daughter. Never forget this. No other person is ever allowed to wear your fez at any time.

The fez is not a display case or bulletin board. Titles of the Divan, elected and appointed, of the Temple are allowed on *one* line underneath the emblem on the fez. Active members of official Uniformed Units may have the names of their Units likewise on *one* line beneath the emblem on the fez. The fez shall be worn in its proper shape without crushing, creasing, or alteration, and

one pin is allowed to hold the tassel in place. No other device, ornament, title, wording or adornment is permitted. It should be worn and adorned only as permitted by Article 13 of the Imperial Bylaws.

It is advisable to set up a procedure to order fezzes through the Recorder's Office. This allows the Temple Officers to see that proper fezzes are purchased since most Nobles are not aware of what constitutes a legal fez.

Shrine Pins

A Shrine pin should be worn on the left lapel of the suit coat, sports coat or blazer. Every Noble is requested to wear his Shrine pin anytime he wears his suit coat, sports coat, or blazer. The occasions for wearing the Shrine pin may or may not be Shrine related. It should always be worn so that a Noble of the Mystic Shrine is always identifiable, proudly and justifiably so, to a Brother Noble, Brother Mason, or the public in general.

ACCEPTED SALUTATIONS, ETC.

The Salaam

A Noble addressing the Potentate while he is presiding in the East should *always* give the Salaam. The Potentate should give the sign of the Order in return.

The Potentate and his Divan should always Salaam when receiving the Imperial Potentate or any other Imperial Officer. The Imperial Officer does not Salaam in return but gives the sign of the Order.

The Salaam is given by the leader of a Uniformed Unit that is performing for the Potentate, and the Potentate gives the sign of the Order in return. No other Unit member Salaams.

As an Imperial Officer or Potentate proceeds through an honor guard, only the first rank on either side of the aisle Salaam in unison. The remainder of the honor guard stands at attention. The Imperial Officer and Potentate may or may not be escorted through the honor guard, depending upon the pleasure of either. The escort is always to the left of the Officer.

Salutations

Any Imperial Officer, as well as a Past Imperial Officer, is always addressed, "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir." The prefix "Past" should not be used when addressing a Past Imperial Potentate or Past Potentate. Members of an Elective Divan of a Temple should be referred to by the title of their office, or by Noble.

A Noble, when making a salutation at a Shrine meeting with an Imperial Officer in attendance, should do so in the following manner: Imperial Sir, Illustrious Sir, Illustrious Sirs, Members of the Divan, and Nobles. If the Imperial Potentate and one or more Imperial Officers, guests, and ladies are in attendance, the Noble would make the following salutation: Imperial Sir (Imperial

Potentate), Imperial Sirs, Most Worshipful Grand Master, Illustrious Sir (Potentate), Illustrious Sirs (Past Potentates), Members of the Divan, Nobles, ladies, and guests.

Salute

The Military Salute is used when reciting the Shrine Pledge of Allegiance and during the singing and playing of the National Anthem of the United States, Canada, and Mexico. The fez is *never* removed when the Military Salute is used. *The Military Salute is used by the leader of a Uniformed Unit* when passing in review, and the reviewing officers return the salute.

Salute to the Flag

A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed, he should drop his right hand. *In an auditorium he should hold the salute until the Colors are posted after the pledge and/or playing of the National Anthems.*

When not wearing the Fez the right hand should be held over the heart.

Shrine Pledge of Allegiance

"I pledge allegiance to my Flag and to the Country for which it stands; one Nation under God, Indivisible, with Liberty and Justice for all."

Each Noble is reminded that his fez is not removed and that he gives the Military Salute when reciting the Shrine Pledge of Allegiance.

National Anthems

MEXICO

"Mexicans, when the trumpet is calling.
Grasp your sword and your harness assemble,
Let the guns with their thunder appalling
Make the earth's deep foundation to tremble.
Let the guns with their thunder appalling make the
Earth's deep foundations to tremble."

O CANADA!

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise.
The true North, strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

THE STAR-SPANGLED BANNER

Oh! say can you see.
By the dawn's early light,
What so proudly we hail
At the twilight's last gleaming,
Whose broad stripes and bright stars,
Through the perilous fight,
O'er the ramparts we watched,
Were so gallantly streaming.
And the rockets' red glare,
The bombs bursting in air
Gave proof through the night
That our flag was still there.
Oh! say does that Star-Spangled Banner yet wave
O'er the land of the free
And the home of the brave.

Prayer

During the offering of a prayer, the fez shall be removed and held in the right hand over the heart. The prayer shall be non-denominational in content.

How To Address Shrine Dignitaries

Proper letter writing and proper addressing of Shrine dignitaries are part of Shrine protocol. The following are some examples:

<i>Title</i>	<i>Address</i>	<i>Salutation</i>	<i>Close</i>

Greetings

"Es Selamu Aleikum"—This is Arabic for "Peace be on You."

Salutation

"Aleikum Es Selamu"—This is Arabic for "On You be the Peace."

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Officers
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

to $\frac{1}{2}$ the distance by direct line between itself and the nearest Temple.

(c) He may affiliate with any Temple if the Temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any temple under dispensation until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council.

Amend. 1974, 1984

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The Temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.7 Status of Temple under dispensation.

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt bylaws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional potentate of a Temple under dispensation is not entitled to the rank of past potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacancy in an office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

ARTICLE 30***Discipline by Temple***

§ 330.1 Jurisdiction. A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine.

§ 330.2 Procedure. Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(2) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15 nor more than 20 days from the date of the selection of the trial committee.

(5) If any officer named in this section either files the complaint, is himself the accused, is related by blood or marriage to the Noble who files the complaint or the accused, or is in any way interested in the controversy, he shall be disqualified to act hereunder. No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancy with a disinterested Noble.

Amend. 1970

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve.

Amend. 1970

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; and, if any other officer is disqualified, the Potentate shall appoint another officer or Noble to act in his stead.

Amend. 1970

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused

also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.

(2) The trial committee selects one of its members as chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee.

(9) After the committee has concluded, it shall report its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(c) Appeal.

(1) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ of the

members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled, he cannot be restored but may petition again the Temple from which he was expelled for membership as if he had never before been a member. However, if he wishes to become a member of any other Temple, he must obtain a waiver from the expelling Temple before the Temple having jurisdiction of his petition can vote thereon. This application for a waiver shall be acted upon at a stated meeting of the expelling Temple and it must be approved by a majority vote of the members present and voting.

tentate made pursuant to § 206.5(a)(13) is made to the Imperial Council and should be referred to the Grievances and Appeals Committee in accordance with § 208.6(e).

§ 209.1

1966 Proceedings, p. 211. Shrine Club not eligible for membership in Shrine Association.

§ 210.1

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

§ 211.4

1965 Proceedings, p. 39, 43. Annual per capita tax not passed on to life members. Also, 1966 Proceedings, p. 208.

Also, 1984 Proceedings, p. 109.

§ 213.1

1967 Proceedings, p. 83. The use of straw fezzes is prohibited.

1978 Proceedings, p. 88. Section 213.1(e) states that the fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

§ 213.2

1972 Proceedings, p. 154. None but the Imperial Council itself should have exclusive rights to Shrine emblems described in § 213.2 and registration by an association of units of a trademark which includes such emblems is forbidden.

§ 322.5

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the Temple but beyond its corporate limits does not work a change in the location of the Temple.

1970 Proceedings, p. 93. Removal of a Temple from one municipality to another, even within the same urban area, may be effected only after compliance with this section.

1973 Proceedings, p. 99. A temple may not be moved to a city which is located in territory over which it holds only concurrent jurisdiction.

1975 Proceedings, p. 19. The removal of a Temple from one address to another within the corporate limits of the city named in its charter is not a change of location within the meaning of § 322.5.

1976 Proceedings, see p. 176. Approval by the Imperial Council for the change of location of a Temple may be given only by the Imperial Council itself at an annual session in accord with § 322.5(f).

§ 323.2

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3

1967 Proceedings, p. 83. Expulsion of a member of his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

1973 Proceedings, p. 98. Under § 323.8 a Noble is required to maintain

ANNOTATIONS TO BYLAWS (IOWA)

membership in a prerequisite body in order to retain membership in the Shrine; but according to § 323.3(b) no temple may add to that a requirement that its members provide certification of membership in symbolic lodges.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of the Imperial Council.

§ 323.5

1975 Proceedings, p. 20. § 323.5 requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine law.

§ 323.7

1973 Proceedings, p. 97. Under § 323.7(b), the jurisdictional requirements for associate membership are the same as those relating to affiliation by demit under § 328.8. A Noble who lives in the jurisdiction of one temple may not petition another temple for associate membership without a waiver from the first.

1973 Proceedings, p. 97. Under § 323.7(b) a Noble who resides within the jurisdiction of one temple may apply for associate membership in another temple upon receiving a waiver from the temple in the jurisdiction of which he resides.

1973 Proceedings, p. 97. Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.

1975 Proceedings, p. 19. § 323.7 does not prohibit the holding of associate membership in more than one Temple.

1976 Proceedings, p. 177. Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the Temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.

1976 Proceedings, see p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1977 Proceedings, p. 162. By virtue of § 323.7(b), the 1976 amendments to §§ 328.2(b) and 328.6(e) apply to Associate Members.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

§ 323.8

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

1973 Proceedings, p. 98. Upon receipt of official written notice from a prerequisite body that a demit has been granted to one of its members who does not hold membership in the other prerequisite body, a temple must treat the member as suspended in accordance with § 323.8(c) for having failed to maintain the requirements of § 323.3(a).

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of the Imperial Council.

1983 Proceedings, p. 212. When a Noble is suspended from his prerequisite body the suspension therefrom must have become final and the suspended Noble's temple must receive an official written notice from the prerequisite body, before the Noble is suspended from the Shrine.

§ 323.9

1967 Proceedings, p. 83. *Conviction of a crime, in the absence of Temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.*

1972 Proceedings, p. 154. *By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has been expelled must apply again for membership under § 330.2(d) (2).*

1975 Proceedings, p. 21. *The issuance of a demit does not terminate one's membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the Temple in the jurisdiction of which he resides.*

1978 Proceedings, p. 87. *A Noble against whom a complaint has been lodged but as to whom the formal written charges described in §330.2(a)(3) have not been filed, is "free from charges" within the meaning of §323.9(b) and may resign his Temple membership.*

§ 323.10

1971 Proceedings, p. 97. *After adoption by the temple of an assessment pursuant to §332.7, a demit may be granted under 323.10(a) only if the assessment is paid.*

1972 Proceedings, p. 155. *A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.*

1973 Proceedings, p. 97. *To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).*

§ 323.11

1978 Proceedings, p. 88. *Under §323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the Temple, and such terms may be expressed either by the Temple By-laws or otherwise in accordance with §324.8.*

§ 323.13

1967 Proceedings, p. 84. *A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.*

1973 Proceedings, p. 97. *Imperial bylaw §§ 323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.*

1973 Proceedings, p. 97. *So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.*

§ 324.1

1972 Proceedings, p. 152. *So long as the Temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, Temple By-laws may include a provision which permits the Potentate to dispense with other stated meetings.*

1973 Proceedings, p. 97. *The stated meeting of a temple is not the appropriate forum for debate of either a suspension Order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.*

1975 Proceedings, p. 20. *A Temple may take action only at a stated or specially called business meeting, and cannot be bound by a mail referendum.*

§ 324.3

1978 Proceedings, p. 87. *Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an*

ANNOTATIONS TO BYLAWS (IOWA)

election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.

§ 324.7

1972 Proceedings, p. 154. § 324.7 does not authorize the Potentate to select a Past Potentate to preside when the former is absent from a meeting or session of his Temple.

§ 324.8

1966 Proceedings, p. 211. The use of proxies or voting by mail is prohibited.

1970 Proceedings, p. 93. Any action of Temple officers or committees, unless pursuant to powers and duties expressly delegated to them, is subject to review and rescission by the Temple.

1974 Proceedings, p. 26. It is manifest from the provisions of § § 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1975 Proceedings, p. 20. In the absence of a Temple bylaw delegating to some officer or committee the authority to dispose of Temple assets, § 324.8 requires specific authorization by the Temple itself to sell an asset belonging to the Temple.

1979 Proceedings, p. 171. In the absence of Temple bylaw provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

§ 324.14

1965 Proceedings, p. 43. Honorary membership to Nobles only. Majority vote of Temple.

§ 325.1

1971 Proceedings, p. 95. A noble may not at the same time hold both the offices of Potentate and Recorder of his temple.

§ 325.2

1982 Proceedings, p. 169. A Noble who has served part of the year as assistant rabban and part of the year as chief rabban of his Temple is eligible to serve his Temple as Potentate the following year as he has served "at least one term as either Chief Rabban or Assistant Rabban of a Temple" as required by §325.2(c) of the By-laws.

§ 325.3

1981 Proceedings, p. 165. A resolution which would require the election of the appointive divan was properly ruled out of order for inconsistency with § 325.3.

§ 325.5

1967 Proceedings, p. 84. There is no objection to a waiver of rules and the adoption of a motion for casting a unanimous ballot for an unopposed candidate for Temple office.

1975 Proceedings, p. 20. Under § 325.5 Temple officers must be elected as individuals and the Nobility may not be required to vote for one or the other of two "slates" of candidates.

§ 325.6

1980 Proceedings, p. 29. The making of announcements, reports, and presentations while ballots are being counted during a Temple election

is not a violation of § 325.6 if no action of the Temple is required or taken on such announcements, reports, and presentations.

§ 325.7

1967 Proceedings, p. 83. A Temple may create, by appropriate bylaw, the office of Recorder Emeritus or Treasurer Emeritus.

1974 Proceedings, p. 26. Unless pursuant to § 325.7 a Temple has made provision in its By-laws for such officers, it may not elect an Assistant Treasurer or an Assistant Recorder.

1974 Proceedings, p. 27. Neither the Potentate nor the Board of Directors of a Temple may create additional Temple offices, for which provision may be made only by the Temple bylaws pursuant to § 325.7.

§ 325.8

1978 Proceedings, p. 88. Because §325.8 requires that nominations for Temple office be made from the floor, the practice of suspending the rules in order that unopposed nominees may be elected by the casting of one ballot comes within the exception expressed in §101.4 and Section 44 of Roberts Rules of Order, Newly Revised, does not apply, because it contemplates the situation described in Section 45 of Roberts, which says that nominations for office are not necessary.

§ 325.9

1983 Proceedings, p. 212. A proposed amendment to a temple's bylaws which makes the chief rabban a representative to the Imperial Council by virtue of his office is in conflict with the bylaws of the Imperial Council. All representatives are to be elected by written ballot at the annual meeting of the temple.

§ 325.10

1965 Proceedings, p. 40. Use of written devices prohibited.

1968 Proceedings, p. 121. Shrine Club Meeting Notice cannot recommend candidates for Temple office.

1971 Proceedings, p. 97. The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of §325.10(a) even though the office to which he aspires is not mentioned.

1972 Proceedings, p. 154. The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for Temple office.

1972 Proceedings, p. 153. A Temple bylaw provision which prohibits the expenditure of money for gifts, favors or entertainment on behalf of candidates for Temple office is not inconsistent with Article 25.

1975 Proceedings, p. 19. A Temple is free to regulate campaigns for Temple office so long as the regulations are consistent with Article 25 of the Imperial bylaws; but without a trial under Article 30, only the Imperial Potentate may suspend one who violates such regulations or declare the election void.

1976 Proceedings, p. 175. An oral announcement by a prospective candidate for Temple office of his intention to become a candidate is not a violation of Shrine law, but the publication in a Temple newspaper of the fact that such announcement was made is contrary to § 325.10(a).

1981 Proceedings, p. 165. Election of Imperial Representatives at a second meeting instead of at the annual meeting and without notice of election required by § 325.10 (c) is improper; and a new election with proper notice is required.

1983 Proceedings, p. 212. The distribution of written material to the members of a temple by a Noble thereof opposing the re-election of the recorder by asserting in the material, inter alia, that "it's time for a change" is a violation of §335.10(a).

ANNOTATIONS TO BYLAWS (IOWA)

§ 325.10

1984 Proceedings, p. 110. Breach of temple level election procedure which does not violate the basic rules of justice and fairness and are not violations of Shrine law will not ordinarily require the Imperial Potentate to order a new election.

§ 325.12

1977 Proceedings, p. 162. A Temple officer who lives in an area which becomes a part of the jurisdiction of a newly organized Temple does not lose his office thereby, because § 325.12 requires only that he live within the jurisdiction of the Imperial Council.

1977 Proceedings, p. 163. A Temple bylaw which restricts eligibility for Temple office to certain counties of residence is inconsistent with § 325.12 and void.

1979 Proceedings, p. 170. Regardless of a "not guilty" finding in a trial by his Symbolic Lodge, a Shriner who was convicted of a felony is not eligible for office in his Temple until pardoned by proper State or Federal authority.

§ 325.12

1984 Proceedings, p. 110. Question of "physical incompetence" of Temple officer to a degree creating a vacancy in such office is an issue which must be decided by the membership following due notice under Section 324.5.

§ 325.13

1967 Proceedings, p. 83. Shrine law does not permit the election and installation of a Potentate, accepting his resignation from office, and the election and installation of his successor at the same meeting.

1970 Proceedings, p. 96. A special election should be held to fill a vacancy created by the suspension of a Representative to the Imperial Council.

1972 Proceedings, p. 152. The Oriental Guide is not required to resign from his office in order to be a candidate for the office of High Priest and Prophet at a special election held pursuant to § 325.13; and, if he is elected, the vacancy in his office thus created may be filled at the same meeting.

1973 Proceedings, p. 96. A special election under § 325.13(a) is not mandatory; but the temple itself may direct that a special election be called, in which event a special election must be held at the time and place directed.

1978 Proceedings, p. 87. Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.

§ 325.14

1976 Proceedings, p. 176. A vacancy in the office of Representative to the Imperial Council may be filled only by election, except in the special circumstances mentioned in § 325.14(a).

§ 326.1

1968 Proceedings, p. 121. The obligation of a Temple officer cannot be taken by proxy.

§ 326.3

1966 Proceedings, p. 211. Elected Temple officer continues to hold office until his successor is both elected and installed.

§ 327.1

1966 Proceedings, p. 212. *Failure of officers having custody of Temple books and records to make them available for inspection or audit by authorized persons is contrary to Shrine Law.*

1974 Proceedings, p. 27. *The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.*

1979 Proceedings, p. 171. *The Potentate has no authority to order the confiscation of a Noble's fez, even for alleged misconduct, without a trial under Article 30. Only the Imperial Potentate has the power to suspend a Noble without a trial.*

1979 Proceedings, p. 169. *A Temple bylaw provision which requires appointment of Temple committees by an Executive Committee is contrary to § 327.1(c) and void.*

§ 327.3

1966 Proceedings, p. 208 and 209. *Temple Recorder has custody and control of Records, subject to provisions of Temple bylaws or direct action of the Temple.*

1967 Proceedings, p. 83. *The duties of the Recorder cannot be delegated by a Temple By-laws to a "Scribe" appointed by the Potentate.*

1972 Proceedings, p. 155. *The Imperial bylaws do not prohibit the employment by a Temple of a business manager, but none of the Recorder's responsibilities may be transferred to him, even by specific provision of the Temple By-laws under § 327.3(b), because he is not an officer of the Temple.*

1973 Proceedings, p. 97. *The duties which would otherwise be those of the Recorder under § 327.3(b) may not be assigned to a "business manager" employed by the Executive Committee of the temple.*

1974 Proceedings, p. 26. *The Recorder must submit the documents or reports referred to § 327.3(a) with his own signature affixed, and such documents or reports signed by an "Executive Secretary" are not acceptable.*

1975 Proceedings, p. 19. *Unless there is some provision in the Temple By-laws to the contrary, employees of the Temple are to be hired by the Recorder, with the consent of the elective Divan, under § 327.3(a)(7).*

1975 Proceedings, p. 21. *While under § 327.1(a) the Potentate has the right to appoint officers and committees of his Temple, under § 327.3(a)(7) the Recorder, with the consent of the Divan, has the power to hire employees, unless by the Temple bylaws that power is vested elsewhere.*

1978 Proceedings, p. 87. *Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.*

1980 Proceedings, p. 29. *Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.*

§ 327.4

1965 Proceedings, p. 42. *Temple bylaws valid which provide for both Potentate and Treasurer to sign checks.*

1975 Proceedings, p. 20. *Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).*

1977 Proceedings, p. 163. *Where Temple bylaws do not specifically assign the duties listed under § 327.4 to another officer, the Treasurer must*

sign all checks drawn on Temple funds; and, where the Temple bylaws make him a member of the Finance Committee, he may not be excluded from its meetings.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.5

1966 Proceedings, p. 209. By-laws may not disqualify any Noble in good standing.

1970 Proceedings, p. 93. Temple Boards of Trustees do not have arbitrary control over Temple funds.

1972 Proceedings, p. 152. In the absence of a Temple By-law otherwise providing, the Potentate as an ex-officio member of the Temple Board of Trustees has the same rights and voting privileges as other members of the Board.

1973 Proceedings, p. 90. Under § 327.5, temple bylaws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1976 Proceedings, p. 176. According to § 327.5 the financial affairs of a Temple may not be vested exclusively in Temple Trustees, and any Temple bylaw having relation to the Temple's financial affairs must be read in light of § 327.5.

1979 Proceedings, p. 171. In the absence of Temple bylaw provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 99. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.7

1980 Proceedings, p. 29. While members of the Temple need not be given unlimited access to all of the books and records kept by its financial officers, any member may question the financial officers at a Temple meeting; and a Temple, by action taken at a meeting, may authorize an individual or a special committee to examine any of the books or records kept by its financial officers or, indeed, it may require them to turn over

such books and papers to such person and at such time as the Temple directs, pursuant to § 327.7.

§ 328.1

1972 Proceedings, p. 153. By virtue of § 328.1, the Potentate of one Temple has the power to prohibit the solicitation of advertisements within the jurisdiction of his Temple by or for the benefit of another Temple.

§ 328.2

1970 Proceedings, p. 93. Measurement of distance is by direct line, rather than by either rail or highway mileage.

1972 Proceedings, p. 152. Agreements made pursuant to § 328.2(a) may be rescinded by any of the Temples involved unless an amendment to the appropriate sections of Part IV has been adopted by the Imperial Council.

§ 328.6

1966 Proceedings, p. 209. Applies to both petitions for initiation and affiliation.

1977 Proceedings, p. 161. Measurements of distances involved in the application of § 328.6(e) are made from the city limits of the city named in the Temple's charter to the street address of the place where the petitioner in good faith makes his home, and in a direct line. § 328.6(e) applies to petitions for affiliation as well as to petitions for initiation.

§ 328.7

1972 Proceedings, p. 154. By virtue of § 328.1 a Temple is sovereign in its own territorial jurisdiction and, accordingly, it may attach conditions to any consent given under § 328.7(d) that another Temple may hold a ceremonial within its jurisdiction.

1974 Proceedings, p. 25. A special dispensation from the Imperial Potentate may be issued under § 328.7(c) for a ceremonial to be held aboard ship in the Caribbean during a Temple cruise.

§ 328.8

1967 Proceedings, p. 83. A Temple may not waive jurisdiction over a demitting member so as to permit his affiliation with a Temple in whose jurisdiction he has resided for less than six months.

1975 Proceedings, p. 20. A vote of the Temple is not required for the re-affiliation of one who meets the requirements of § 328.8(d).

1976 Proceedings, p. 177. According to § 328.8(b) one who lives in concurrent jurisdiction may not demit and affiliate with another Temple holding the same concurrent jurisdiction without the consent of the Temple of which he was first a member.

1976 Proceedings, p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1977 Proceedings, p. 161. While a Noble who lives in concurrent jurisdiction is entitled to a demit if he meets the requirements of § 323.10(a), he may not affiliate with another Temple holding the same concurrent jurisdiction without consent of the Temple from which he demits in accordance with § 328.8(b).

1980 Proceedings, p. 29. One who holds a demit may reaffiliate with the Temple which issued his demit, without a vote of the Temple, if he meets the requirements of § 328.8(d).

§ 328.9

1979 Proceedings, p. 170. Activities regularly carried on on a continuing basis before and after May 1, 1975, constitute "activities planned and publicized prior to May 1, 1975" within the meaning of that language in § 328.9(b); so that such activities may be continued on an annual basis after the adoption of § 328.9(b).

§ 329.1

1975 Proceedings, p. 21. § 329.1(b) requires only that the signers of a petition for a dispensation be in good standing with their dues paid in full at the time that the petition is signed, not necessarily at the time the petition is presented.

§ 329.4

1971 Proceedings, p. 94. One who belonged to Al Sihah Temple when he signed an application for a dispensation for Cahaba Temple became a member of Cahaba Temple under §329.4(b) notwithstanding his affiliation with Zamora Temple before the dispensation to Cahaba Temple was granted.

1979 Proceedings, p. 169. By the provisions of § 329.4 (b), a Noble who signs an application for a dispensation for a new Temple becomes a member of that Temple when its dispensation is granted; and he need not apply for affiliation to that Temple.

§ 329.6

1971 Proceedings, p. 94. Pursuant to §§337.4 and 329.6 (a), a Shrine club located within the exclusive jurisdiction of a temple under dispensation is under the control of that temple.

§ 330.1

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceeding under Article 30.

§ 330.2

1984 Proceedings, p. A Noble may present a complaint against any other Noble directly to the Temple.

§ 331.1

1977 Proceedings, p. 162. Notwithstanding an inconsistent Temple bylaw, § 331.1 requires the affirmative vote of 2/3rds or more of the members present and voting to adopt an amendment to Temple bylaws.

1982 Proceedings, p. 169. To approve an amendment to a Temple bylaw, the proposal must be approved by at least 2/3rds of the members present and voting, as required by §331.1 and cannot be approved when 95 members are present and voting and there are 62 votes in favor, 31 votes against and 2 ballots disqualified as not legible.

§ 331.2

1966 Proceedings, p. 210. Proposed amendment may be circulated among members.

1974 Proceedings, p. 26. A revision of Temple bylaws having been disapproved pursuant to § 331.2(e), the Temple continues to operate under the By-laws in effect prior to the adoption of the revision.

1977 Proceedings, p. 162. Inasmuch as § 331.2(e) requires approval by the Imperial Potentate of any Temple By-laws, which become effective only upon his approval, a Board of Trustees constituted by Temple By-laws may not act prior to such approval.

§ 332.1

1972 Proceedings, p. 152. A tour, the price of which is the same to all participants but which for candidates includes their initiation fees, violates § 332.1.

1972 Proceedings, p. 153. Payment of transportation expenses for candidates initiated at a ceremonial held outside the Temple's jurisdiction is contrary to § 332.1(e).

1973 Proceedings, p. 96. Offering candidates for membership reduced fare to an out-of-state ceremonial violates § 332.1.

ANNOTATIONS TO BYLAWS (IOWA)

1975 Proceedings, p. 19. The payment of transportation expenses for candidates initiated at a ceremonial within the jurisdiction of a Temple is a proper expense of the ceremonial itself and not prohibited by § 332.1(e).

1976 Proceedings, see p. 176. The fee for conferring the order having been established by the bylaws of a Temple, it may be changed only by an amendment to the bylaws pursuant to §§ 331.1 and 331.2 and not by simply adopting a Resolution at a stated meeting.

1976 Proceedings, p. 176. Offering candidates for initiation reduced fares to an out-of-state ceremonial at which they are to be initiated is a violation of § 332.1(e).

1977 Proceedings, p. 163. The offer by a Temple to prospective candidates of jeweled fezzes, pins, bolo ties, or credits on ceremonial trips outside the Temple's jurisdiction is a violation of § 332.1(e).

1978 Proceedings, p. 87. Section 332.1 does not permit different rates of initiation fees dependent upon the age of prospective candidates.

1980 Proceedings, p. 29. Payment by a Temple for the meals and lodging of candidates attending a ceremonial outside the jurisdiction of that Temple is prohibited by § 332.1(e).

1983 Proceedings, p. 212. The inclusion of a free fez and free dues for the first year cannot be included in the initiation fee of a candidate.

§ 332.6

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 332.7

1972 Proceedings, p. 152. An assessment levied pursuant to § 332.7 must apply to all members of the Temple except life members, who are exempt unless specifically included under § 332.7(a).

1976 Proceedings, p. 177. All revenues derived from an assessment, the Resolution for which provided that it be used solely for the reduction of an outstanding mortgage, must be used for that purpose only; and any revenues collected by such assessment beyond those needed to retire the mortgage must be ratably refunded to the members of the Temple, and may not be transferred to the general funds of the Temple.

1977 Proceedings, p. 162. A Noble who joins a Temple after its adoption of an assessment resolution must pay the assessment in accordance with the terms of the resolution.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

1979 Proceedings, p. 170. § 332.7 does not require that an assessment resolution lay over from one meeting until another but simply requires publication of a notice that it will be proposed at the meeting at which action is to be taken.

1979 Proceedings, p. 170. Without specific reference to life members in an assessment resolution, § 332.7(a) precludes its application to them.

1983 Proceedings, p. 212. Money received from a temple assessment must be used for the purposes stated in the resolution adopted by the temple, unless a new resolution is properly warned and adopted by the temple.

§ 332.8

1982 Proceedings, p. 171. A Noble is free of assessments if he applies for a demit prior to the adoption of an assessment by his Temple.

1982 Proceedings, p. 171. If assessment is payable in installments a Noble is current if he has paid the installment due for the year and he is entitled to a certificate of demit.

§ 334.4

1967 Proceedings, p. 83. A Temple bylaw provision that the Potentate and Finance Committee can depart from the Temple budget provided the overall total is not exceeded, will not be approved.

1967 Proceedings, p. 83. Bylaws of a Temple cannot authorize departures from the budget adopted by the Temple membership.

1966 Proceedings, p. 212. If done at a special meeting, timely notice required pursuant to § 324.3.

1970 Proceedings, p. 96. A Temple budget may be amended only by action of the Temple.

1972 Proceedings, p. 155. Under § 334.4(c)(2) any member of the Temple may insist that he be given an opportunity to review the budget in written form before the Temple is called upon to adopt it.

1973 Proceedings, p. 97. Expenditure of funds for uniformed units must be from appropriations made in the temple budget adopted under § 334.4.

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1976 Proceedings, p. 175. A Temple budget may be amended only by action of the Temple itself under § 334.4(e), and Temple officers may not transfer appropriations from one budget classification to another.

1976 Proceedings, p. 176. Capital expenditures as well as operating expenses must be included in the Temple budget in order that appropriations may be made therefor in accordance with § 334.4.

1977 Proceedings, p. 161. Notwithstanding a provision of the Temple Bylaws vesting control of all Temple funds other than those budgeted for operating expenses in the Temple Trustees, under § 334.4(e) the Temple may amend its budget at any meeting of the Temple and may increase the amount budgeted for operating expenses without consent of the Temple Trustees.

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the Temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the Temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power may be delegated to a Finance Committee by the Temple bylaws, and if such be done, the Potentate may not interfere with the Finance Committee in carrying out its responsibilities.

1977 Proceedings, p. 163. Neither the Potentate nor the Finance Committee may transfer funds from one budget classification to another, because the budget may be amended only by the Temple at a meeting thereof in accordance with § 334.4(e).

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1980 Proceedings, p. 29. In order to amend a budget adopted pursuant to § 334.4, a Temple must consider specific proposals and may not simply authorize its Potentate to "use his own judgment."

1981 Proceedings, p. 164. After the temple budget is adopted pursuant to § 334.4, funds cannot be transferred from one account to another except

ANNOTATIONS TO BYLAWS (IOWA)

by amendment of the budget, which must be done by the members of the temple at a meeting thereof.

1983 Proceedings, p. 212. A Noble is entitled to inquire about the finances, records and reports of his temple and the appropriate officers thereof must respond to his inquiries at reasonable times and places.

1984 Proceedings, p. 110. The nobility, at a regularly stated meeting of the Temple are authorized to amend the Temple budget under Section 334.4(e).

§ 334.5

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 334.6

1972 Proceedings, p. 155. The members of the Temple are entitled to copies of the fiscal reports required of Temple officers by § 334.6.

1973 Proceedings, p. 97. Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members at the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

1980 Proceedings, p. 29. The audit and financial reports mentioned in § 334.6 should be made available to any member of the Temple at any reasonable time and place.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 334.7

1967 Proceedings, p. 83. Construction by a Temple of a Mosque, without financing, does not require approval at the Imperial level.

1970 Proceedings, p. 94. Fund raising plans for a building program do not require approval by the Imperial Potentate, unless secured or long term obligations are involved.

1970 Proceedings, p. 94. An unauthorized corporation may not be used as the vehicle for a building project or attendant obligation.

1976 Proceedings, see p. 177. The purchase of golf carts for a Temple affiliated country club on a three-year loan requires the approval of the Imperial Potentate pursuant to § 334.7.

§ 334.8

1967 Proceedings, p. 84. The formation of a holding company to acquire and hold property for a Temple unit is not permitted under Shrine law.

1968 Proceedings, p. 121. Shrine Club Holding Corporations are required to submit operating statements and balance sheets annually to the Imperial Recorder.

1970 Proceedings, p. 95. A Temple proposing to form a corporation for the purpose of holding a Shrine association meeting must obtain approval under this sub-section.

1976 Proceedings, p. 176. The Board of Directors of a Temple affiliated corporation may not take action which is inconsistent with a Resolution adopted at a meeting of the members of the corporation.

§ 335.1

1976 Proceedings, p. 176. Use of the United States mails for the promotion of a lottery or raffle being unlawful under Postal Regulations, it is also contrary to § 335.1.

§ 335.2

1966 Proceedings, p. 209. Noble using emblem on article or material for commercial or business purposes subject to discipline. 1966 Proceedings, p. 211. Identification of photograph in commercial advertisement as a former Temple Potentate violates Shrine Law.

1968 Proceedings, p. 121. Ownership name or address on vehicles or equipment in a Shrine parade is commercialism and not permitted under Shrine law.

1975 Proceedings, p. 20. The use of a business card showing a photograph of a Noble in his Fez is a violation of § 335.2(a).

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of § 335.2 (a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

1980 Proceedings, p. 28. Placement of a sign on a Unit vehicle indicating that it was furnished by a lending institution is prohibited by § 335.2.

§ 335.3

1971 Proceedings, p. 94. Although §335.1 does not prohibit lotteries in states or provinces in which lotteries are licensed by the government, a "Shriners Hospitals Sweepstakes" may not be conducted without the written consent of the Chairman of the Board of Trustees under §335.3.

1976 Proceedings, see p. 177. Use of the term "unfortunate children" in connection with a Temple fund raising activity would violate § 335.3 unless the activity has the approval of the Chairman of the Board of Trustees.

§ 335.4

1974 Proceedings, p. 26. Unless permission is first obtained under Section 335.4(a), the formation of a foundation for the purpose of maintaining a burns treatment ward in a local hospital is forbidden.

1975 Proceedings, p. 20. Shrine Club bylaws which provide for fund raising programs in support of "exceptional children" as well as Shriners Hospitals for Crippled Children are inconsistent with § 335.4 of the Imperial By-laws and in direct conflict with General Order No. 1 (Series of 1974-1975).

§ 335.6

1965 Proceedings, p. 42. Permission to print Temple roster denied.

1966 Proceedings, p. 208. Lists for social use not prohibited. Business or advertising purposes prohibited.

1967 Proceedings, p. 83. Promotion of a Shrine circus is not such a business purpose as precludes the use of a list of a Temple membership in such activity.

1967 Proceedings, p. 84. Publication of a roster of the units of a Temple is not prohibited provided there is imprinted in block letters and contrasting colors a legend prohibiting its use for business purposes.

1977 Proceedings, p. 162. The use of a Temple mailing list by the Building Fund Committee of a Masonic Temple Association, which owns the building in which the Temple is housed, to solicit funds to remodel the building is not proscribed by § 335.6(a) because the use is not for a business purpose.

ANNOTATIONS TO BYLAWS (IOWA)

1979 Proceedings, p. 171. § 335.6(a) relates to circulation of members of a Temple for business purposes, and it does not forbid the use of Temple mailing lists for promotional purposes by the Scottish Rite.

1979 Proceedings, p. 171. Use of a Temple mailing list to solicit its members to purchase life insurance as a part of a program promoted by a commercial agency or insurance company is prohibited by § 335.6(a); but § 335.8(b) would permit paid advertising in Temple magazines, if such advertising does not otherwise violate Shrine law.

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of § 335.2(a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

§ 335.9

1975 Proceedings, p. 19. A Temple bylaw setting aside a certain part of annual dues to a sinking fund for the retirement of an indebtedness related to Temple real estate is not prohibited by § 335.9.

§ 335.10

1970 Proceedings, p. 95. Articles concerning ladies' organizations in Temple publications are no longer forbidden.

1979 Proceedings, p. 170. A Shrine Club which provides a meeting place for a ladies' auxiliary, sends out notices of its meetings, and permits its uniformed members to work in concession stands sponsored by the Shrine Club, thereby violates § 335.10(b) by sponsoring a women's organization.

§ 335.12

1980 Proceedings, p. 28. A candidate for Temple office need not reside within the jurisdiction of the Temple, but only within the jurisdiction of the Imperial Council, as required by § 325.12.

§ 335.14

1982 Proceedings, p. 171. Abou Saad Temple and its Nobles are to abide by the laws of the Republic of Panama when they are within its jurisdiction, and its flag is to be accorded the "position of honor."

§ 335.15

1968 Proceedings, p. 121. Use of plaques memorializing gifts of equipment or other property by Shrine Clubs or units are not prohibited.

§ 335.17

1972 Proceedings, p. 153. Application to Congress for a federal charter of a proposed corporation, the purpose of which is related to Shrine activities, may not be made without permission of the Imperial Potentate in accordance with § 335.17.

1972 Proceedings, p. 153. Formation of a corporation for the purpose of operating a Shrine circus must have the prior written consent of the Imperial Potentate under § 335.17.

1976 Proceedings, see p. 175. § 335.17 is not to be applied retroactively to corporations formed before its adoption in 1970.

§ 336.1

1967 Proceedings, p. 84. The formation of a holding company to acquire and hold property for a Temple unit is not permitted under Shrine law.

1970 Proceedings, p. 93. Control of uniformed units, including unit money and property is vested in the Potentate by this section.

1971 Proceedings, p. 95. Money raised in the name of the Order by uniformed units of a temple must be turned over to the temple to be handled in the same manner as all other temple funds.

1973 Proceedings, p. 98. By reason of § 336.1 uniformed units are under the direct control of the Potentate and by reason of § 337.3 Shrine clubs are likewise under his direct control, so Shrine clubs may not themselves organize or control uniformed units.

1973 Proceedings, p. 98. In view of § 336.1 all funds raised by uniformed units are income to the temple. That section taken together with §§ 334.4 and 327.5 requires that the expenditure of funds for or by uniformed units be consistent with the budget adopted by the temple.

1975 Proceedings, p. 19. Any funds held by a Unit which is disbanded by the Potentate under § 336.1 must be turned over to the Temple.

1977 Proceedings, p. 163. A Shrine Club may not itself organize or control uniformed units, which are integral parts of the Temple under § 336.1 and directly controlled by the Potentate.

1979 Proceedings, p. 170. Aside from the requirement that all members must be Nobles, § 336.1 leaves qualifications for membership in a Temple Unit to the discretion of the Potentate.

1982 Proceedings, p. 170. Incorporation of a Temple unit is not permitted under the Imperial bylaws.

§ 336.2

1972 Proceedings, p. 155. The Southeast Clown Association has no authority to exclude from any parade a non-member clown unit which has permission to participate in such parade from the Potentate of its own Temple under § 336.2(b) and from the Potentate of the Temple in the jurisdiction of which the parade is held under § 336.2(c).

1973 Proceedings, p. 98. § 336.2(d) does not prohibit the reimbursement of direct expenses of a parade or exhibition, but it forbids the recovery of expenses which would have been incurred even without such parade or exhibition.

1976 Proceedings, p. 175. While under § 336.2(d) a unit may be reimbursed for direct expenses of a parade or exhibition, it may not accept compensation or other remuneration in the guise of "expense money".

1977 Proceedings, p. 162. A Temple uniformed unit is prohibited by § 336.2(c) from making a public appearance within the jurisdiction of another Temple without the consent of the Potentate of the Temple within the jurisdiction of which such public appearance is made.

1979 Proceedings, p. 171. In playing private engagements for compensation, a musical group composed of Shriners may not use a name which identifies them with their Temple.

1981 Proceedings, p. 165. The provisions of § 336.2(c) do not apply to public appearances by units of a temple in the jurisdiction which that temple holds concurrently with one or more other temples; and "public appearances by units," as referred to in § 336.2 (c), differ from "activities" referred to in § 328.9.

§ 337.1

1967 Proceedings, p. 84. Oriental and Arabic names are reserved for Temples, and should not be a part of the names of Shrine clubs or holding companies.

1974 Proceedings, p. 26. The formation of a "social club" composed of members of various Shrine Temples living within the exclusive jurisdiction of another Temple is in violation of § 337.1 unless authority is obtained from the Potentate of the Temple in the jurisdiction of which the club is formed.

1977 Proceedings, p. 163. A so-called "alliance" of members of a single Temple constitutes a Shrine Club under § 337.1 and may not be organized within the exclusive jurisdiction of another Temple without the permission of the Potentate of such Temple in accordance with §§ 337.4 and 337.5.

ANNOTATIONS TO BYLAWS (IOWA)

1978 Proceedings, p. 87. *Inasmuch as §337.2 reserves to the authorizing Temple control over its Shrine clubs, the Temple bylaws may properly contain provisions related to the ownership of real estate by such Shrine clubs.*

1984 Proceedings, p. 109. *Imperial Bylaws do not authorize a Shrine Club to be a member of a corporation with other non-Shrine fraternal organizations.*

§ 337.5

1972 Proceedings, p. 152. *Section 337.5(c) applies to an existing Shrine club in jurisdiction which becomes concurrent by the issuance of a dispensation to a new Temple.*

1974 Proceedings, p. 25. *Pursuant to § 337.5(c) a Shrine club located in concurrent jurisdiction remains subject to the jurisdiction of the Temple by the authority of which it was formed, even though it is closer to a new Temple thereafter created.*

1974 Proceedings, p. 25. *An agreement with respect to the formation of Shrine clubs in concurrent jurisdiction must be authorized by the membership of both Temples under §§ 337.5 and 324.8.*

1976 Proceedings, p. 175. *The burden of establishing the existence of an agreement such as is contemplated by § 337.5(c) with respect to control of Shrine clubs is on the Temple which claims such agreement to exist.*

IMPERIAL COUNCIL AAOONMS
ACCOUNTING AND FINANCIAL REPORTING REQUIREMENTS
FOR SHRINE TEMPLES

The by-laws of the Imperial Council AAOONMS, an Iowa Corporation, contain various requirements as to accounting and financial reporting. This addendum has been prepared to supplement the by-laws requirements. Because of their numerous and diverse activities, many questions confront Temples concerning accounting requirements. The American Institute of Certified Public Accountants Statement of Position No. 78-10 entitled "Accounting Principles and Reporting Activities for Certain Nonprofit Organizations" contains comprehensive guidelines to accounting and reporting practices for fraternal organizations.

The accrual basis of accounting is recommended to Temples, particularly the larger ones, as the most meaningful accounting method. However, it is not mandatory, and for some of the smaller Temples, this method of accounting may not be practical and, therefore, the cash receipts and disbursements method may yield adequate information. However, the Temples' auditors may not be able to give an opinion on cash basis financial statements, which states that the financial statements are prepared in conformity with generally accepted accounting principles. The auditor can report on cash basis statements as a special report.

One of the problems confronting Temples is how to report on entities such as Temple Holding Corporation, circus promotions, charity funds, and unit funds, some of which are not under the control of the Temple office. All funds, entities such as Temple Holding Corporations, charitable funds under the control of the Temple, and activities such as circuses should be included in the Temples' financial statements. Where the activity is a separate incorporated entity, such as a Temple Holding Corporation, the financial statements should be presented in a combining format which shows in columnar form the separate entities and then presents a combined total. In the case of units which have their own funds, the auditor may not from a practical standpoint be able to audit the funds. In such cases, the Temple's financial statements should be prepared without the units' funds if they are not under the control of the central office. Appropriate disclosure that such funds exist and are excluded should be contained in the notes to the financial statements. The practice of allowing units to have funds which are out of control of the Temple office should be discouraged. Even though such funds may be excluded from the Temple audited financial statements, such funds must be included in the Temple's annual reports to the Internal Revenue Service.

As is set out in the AICPA Statement of Position, property and equipment, under generally accepted accounting principles, should be carried at cost. Appropriate depreciation rates should be established for these fixed assets and depreciation recorded on the Temple's books.

Included with this addendum is a revised chart of accounts for Shrine Temples. This chart has been updated to assist the Temples in conforming to move modern financial reporting practices. The chart may be used with some flexibility in that it is not necessary for the Temple to maintain all of the detail expense accounts that are set out in the chart. The Temple may also add accounts as necessary.

Financial statement formats with sample Notes to Financial Statements are also attached. These are guidelines since only the Temples' auditors are in a position to determine the precise reporting and disclosure requirements.

Restricted funds—Restricted funds consist of funds whose use has been restricted by parties outside the Temple.

Dues and assessments—Dues and hospital assessments are accrued for all members at the beginning of the fiscal year, but are reduced at the end of the year for members demitted and for members suspended for nonpayment of dues.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 12th day of the 2nd month, Safar, 1405 (marked 42 in red) is the 10th day of November, 1984 (also marked 42 in red).

What day in the Mohammedan year is June 1, 1985?

Finding June 1, 1985 in the Gregorian calendar it is found to be marked 245 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 9th day of the 9th month, Ramadan, 1405 (also marked 245 in red).

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

A Colorado Corporation

110th Annual Session

July, 1984

Denver Hilton Hotel
Denver, Colorado

MORNING SESSION
TUESDAY, JULY 3, 1984
TEN-TEN O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened at the Sheraton Boston Hotel, Boston, Massachusetts, on Tuesday, July 3, 1984, at ten-ten o'clock a.m., Imperial Potentate Richard B. Olfene presiding, pursuant to Notice of Annual Meeting.

IMPERIAL POTENTATE OLFENE: I now proclaim this Session to be open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and the Session will remain open until adjourned.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: I will now recognize Jack Jones, our Imperial Recorder, for a motion to elect Representatives as members of the Colorado Corporation.

IMPERIAL SIR JONES: Imperial Sir, in order to transact the business of the Colorado Corporation, I move you, sir, that the Representatives of the Imperial Council and Iowa Corporation, including all ad vitam and emeriti Representatives, be elected to membership in the Colorado Corporation for the ensuing year.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there discussion?

If not, all in favor please signify by saying aye; opposed. It is carried.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: I will now call on Imperial Sir Walker Kisselburgh to give us the report of the Endowments, Wills and Gifts Committee.

IMPERIAL SIR WALKER KISSELBURGH: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Illustrious Sirs and Representatives All: It is a proud privilege for me to stand before you as Chairman of the Endowments, Wills and Gifts Committee of the Shrine of North America and report to you how successful we have been over the past year.

You have your annual report and thus know how successful we have been but sometimes I think we take it for granted that you all know what we are talking about but I just want to pay particular attention to you hard workers out there in the field, and I am talking to you Potentates and Divan Members, who are constantly aware of our great philanthropy.

Please understand that the raising of money is a very, very difficult thing and we are in a very highly competitive age of raising money and Shriners Hospitals for Crippled Children is in a business and to conduct a business properly we have to have funds in order to do that.

Now, we do have some very energetic plans for the future with regard to the rebuilding of our aged and old hospitals. We have been bringing them up to the state of the art because we must keep up with our competition in order to treat the crippled and burned child.

I must report to you that we are doing a magnificent job and want to compliment you Potentates who are putting out your house organs and putting in there some subject matter

about Shriners Hospitals for Crippled Children, because that is what the Shriner wants to read about and this is what his wife wants to read about and also the widows of Shriners.

I would urge you to keep the widows of your Shriners on the rolls. The only way we can be successful in philanthropy fund raising is exposure, exposure, exposure and I would urge all of you to continue the great job that you are doing because we are going to need more money to keep our hospitals together. Inflation has caught up with us, has been with us, just like it is with you in your business and we must keep up with the spiraling cost of inflation.

It is with us and we cannot avoid it.

Your budget this year is \$110 million. We know that it is going to be at least seven to ten percent more within the next year—we know that.

However, the one thing we do not know, and that is the question mark and that is where I am coming in, we do not know how much we are going to increase our monies coming in this year.

I have a preliminary report of wills through the month of May and I congratulate every one of you who is responsible for this figure. We are twenty-one percent ahead in relation to wills probated thus far this year, which is astounding, because last year we also had a record breaking year.

I thank you one and all for allowing me to make this very glowing report to you. Keep up the good work. Thank you very much. (Applause)

Imperial Sir, I would move the receipt of this very excellent report. (Laughter)

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: You have all heard the motion, is there any discussion?

If not, all in favor please say aye; opposed. The ayes have it and the motion is carried and thank you so very much, Walker.

I would now like to call on the Chairman of our Investment Committee, Imperial Sir Randolph R. Thomas, for his report.

PAST IMPERIAL POTENTATE THOMAS: Thank you.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles and Fellow Representatives: It has again this year been my pleasure to serve you as Chairman of the Investment Committee. As you know, this is one of the most important committees in the Colorado Corporate structure, as we have been assigned by you the responsibility of allocating and investing all available funds and determining the investment policy for the corporation.

The Investment Committee's goal is to obtain a reasonable rate of return on investment without exposing our funds to substantial risk.

In 1983, we obtained a total return on investments that would include income and appreciation of slightly in excess of fourteen percent. I would refer you to the Book of Reports, the auditor's report and the Imperial Treasurer's report for complete financial information and fund balances for our endowment funds.

Our committee continues its efforts to ensure the efficient management of our funds and to obtain a high level of performance from our investment managers.

At this time, I would like to express my appreciation to the hard working members of this committee, who include Imperial Sirs Walker Kisselburgh, Voris King, Russ Anthony, Webb Harrington and Bob Turley.

Also serving on this committee are Emeritus Representatives Bill Latimer (Syria Temple), Stu Lang (Egypt Temple), Martin Browne (Suez Temple), Mineral Advisor and also Illustrious Sirs Earl Austin (Kora Temple) and Tom Perry (Yaarab Temple).

Imperial Sir, thank you for your confidence in us and I would move that this report be received.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: We have a motion and a second to receive this report. Are there any questions of Randy?

Seeing none, I will ask for the vote.

All in favor of the acceptance of this report please say aye; those opposed. The ayes have it and it is carried. Thank you, Randy, for a nice report and I can tell you gentlemen that this is also a very, very hard working committee and very dedicated to its assignment.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: We will reconvene at one-thirty o'clock p.m.

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at twelve-two o'clock p.m. to reconvene at one-thirty o'clock p.m. ...

AFTERNOON SESSION
TUESDAY, JULY 3, 1984
ONE-THIRTY O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Boston Sheraton Hotel, Boston, Massachusetts, at one-thirty o'clock p.m., Imperial Potentate Richard B. Olfene presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: Next, Representatives, I am going to call upon our Trustee and our Past Imperial Recorder, Bob Turley, a Past Potentate of Oleika Temple. Bob is the Chairman of the Special Committee on the new Tampa Unit and for a report on the progress and status of that hospital, I now give you Robert J. Turley, Trustee of Shriners Hospitals for Crippled Children. (Applause)

IMPERIAL SIR ROBERT TURLEY: Imperial Sir and Imperial Sirs and Representatives: At the 1981 Session of the Imperial Council at New Orleans, you adopted a resolution that we establish an Orthopedic Unit in the Tampa Bay area and that during the course of our progress we report to you annually thereon.

We reported to you last year we had entered into an affiliation agreement with the Medical College of the University of South Florida; that we chose a site and that the University of South Florida entered into a sublease of about eighteen acres of land at \$1 a year for ninety years.

Construction has started—is well underway and, indeed, is almost complete.

The reason this report is being presented to you now is because I plan to show you some slides that will demonstrate to you the present circumstances at Tampa with respect to that Unit but before I do that, I would like for you to know that in addition to the building itself, the facilities, we are putting together the people to operate that Unit.

I am sure you know from a prior report that we do have an Administrator—a young man whose name is Bill Dye and who is doing a tremendous job of recruiting the key people for our staff at the Tampa Unit.

Since our last report we have recruited and brought on board one of the fine young pediatric/orthopedic surgeons in the United States, who is on the faculty and medical college at Yale and who is now with us at our Tampa Unit as Chief of Staff. He is Dr. John Ogden.

Most recently we have selected the Board of Governors for the Tampa Unit and the Chairman of the Board of Governors will be Daniel Manrique, a Past Potentate of Egypt Temple.

All of the Temples in the area served by the Tampa Unit will have representation on that Board of Governors.

With the cooperation of the Research Committee, we reported to the Board of Trustees and Directors and they adopted a proposal that the research program at the Tampa Unit be in the area of developmental biology and connective tissue repair.

There has also been established at the University of South Florida what are called Eminent Scholarship Chairs. Contributions from private individuals of over \$600,000 have been made for each of these chairs. The State of Florida has matched those contributions with \$400,000 each, so that there are two million dollar funds, the income from which will be used over the years to support two chairs for eminent scholars, one of which will be filled by the Research Director at our Tampa Unit and the other will be filled by the Department of Pediatrics but with a man who will devote such time to the Tampa Unit as we feel necessary in the circumstances.

A Search Committee has just been organized by the University, which includes people from the faculty, the Foundation which operates these scholarships and Shriners to undertake a search for people to fill these chairs, especially the one of our Research Director.

I think you should also know that since Dr. Ogden has come on board, he has organized

some clinics to relieve the Greenville Unit of some of its load and outpatient clinics and the Tampa Unit, though not fully completed, is already at least in partial operation.

I must tell you that your warm thanks are due to the people that cooperated in the effort to bring you a Tampa Unit.

Dick Olfene was on our first Tampa Committee. Dr. H'Doubler has been on the Tampa Committee right along. Bill Mattison is now on this committee. Gene Bracewell, as Chairman of the Building and Equipment Committee, met with us from the time we first started to interview architects clear through the schematic design and the design development phases for that hospital and then the Building and Equipment Committee took over the construction phase and construction has gone on remarkably well as you will see.

The staff of our International Shrine Headquarters has given us the greatest of help. I would especially like to thank Lew Molnar, our Executive Vice President; Assistant General Counsel, Paul Ibach; Dr. Frank Stelling, Director of Medical Affairs and Ann McGrath, our Executive Administrator.

Now, Imperial Sirs and Nobles, I would like you to see where we are with a new sixty-bed Unit of approximately 91,000 square feet at Tampa.

[Slide]: This is the site and this is our hospital under construction right here. The Medical College is over in this area, the Veterans Administration Hospital over here. Further, the new hospital cancer clinic is being built over in this area. Also, this is Thirtieth Street, a major thoroughfare.

[Slide]: This is the lake across which people will be able to view our Unit.

[Slide]: The entrance in the section of what used to be Pine Drive—it comes around and into this area right here.

[Slide]: Parking for visitors and patients will be out in this area. This also is the service entrance back in here and we will give you a little closer view now.

[Slide]: Here we have the entrance going up what was Pine Drive into the Tampa Unit.

[Slide]: A little closer look. The drive will come under here and the walk from the parking lot will be through this area.

[Slide]: Here we have a little closer look showing the area of the hospital nearest to the lake.

[Slide]: Here we have a construction view of what will be the lobby of the Tampa Unit looking out toward the entrance.

[Slide]: And here we have another view of the lobby, this time looking into a large courtyard.

[Slide]: This is a picture of the large courtyard.

[Slide]: This is a smaller courtyard and right in here will be the Dietary and the dining room and then over here, of course, we have an outdoor courtyard.

[Slide]: This will be the central activities area for our patients. As you can see, it is two stories in height, an enormous room. As a matter of fact, this is not altogether dissimilar from the central activities at the Chicago Unit which many of you have seen.

[Slide]: And here we have a view of the service area.

[Slide]: And this will give you a view of the style of building and the architecture from the rear looking toward the front on the service area side.

The cornerstone has been laid for the Tampa Unit—as a matter of fact, being laid on June 9, 1984 by the Most Worshipful Grand Lodge of Free and Accepted Masons of Florida. We were represented, of course, by our Imperial Potentate, Dick Olfene.

Now, in conclusion, and while the lights are being turned on, let me say, Imperial Sir, Imperial Sirs and Representatives and Nobles, that is your Tampa Unit. Thank you. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you very much, Bob, for that report concerning the progress and status of the new Tampa Unit.

I can vouch for what Bob has said, having been, from the very outset, on the committee and now having been there recently for the cornerstone laying ceremony conducted by Grand Master Wilson, who I think was with us this morning, and I can tell you it is one gorgeous facility—it is really going to be something outstanding. There is not, I do not believe, a finer facility of its type anywhere in the world and each of you will be extremely proud to know that you are a part of it.

I urge each of you, when you go to Florida, particularly into the Tampa Bay area, to take the time to see this wonderful structure that you have been able to allow us to build. It is just a fantastic facility.

IMPERIAL POTENTATE OLFENE: I want to thank you, Bob, for that wonderful update and report.

I know you would do this also but I am going to move that we receive that report for him. Is that agreeable?

... Cries of "yes" ...

IMPERIAL POTENTATE OLFENE: Thank you very much.

... At this point, following a brief recess for rearrangement of the facilities on the stage, business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: At this point I would like to say we will now recess until we can again reconvene following the conclusion of the pageant tomorrow morning.

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at four-fifteen o'clock p.m. ...

IMPERIAL POTENTATE OLFENE: Now, gentlemen, I am going to declare this session recessed until nine o'clock tomorrow morning. Please be on time and we will keep moving right along.

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at twelve-fifteen o'clock p.m. ...

MORNING SESSION

THURSDAY, JULY 5, 1984

NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Sheraton Boston Hotel, Boston, Massachusetts, at nine o'clock a.m., Imperial Potentate Richard B. Olfene presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: Now, Nobles, the next order of business on my schedule concerns the election of Trustees for the Colorado Corporation.

Now then, let me say to you, and I am sure most all of you are very well aware of this, but, in explanation, the Colorado Corporation is the corporation that handles, maintains, owns and operates the hospital program. Thus the Trustees that you are about to elect will be elected as Trustees of the Colorado Corporation.

Now, I want to read to you a couple of Sections so you will know exactly what you are voting on when the time comes.

This is from Section 508.2(a): "The Imperial Potentate, Deputy Imperial Potentate, Imperial Chief Rabban, Imperial Treasurer and the Junior Past Imperial Potentate shall be members of the Board of Trustees and shall be elected for a term of one year.

"(b) The other seven members shall be elected for terms of three years. Three shall be elected every third year and shall be elected in each of the intervening years. All such candidates must be balloted for on one written ballot. Each member voting must vote only for the total number to be elected, otherwise their ballots cannot be counted as a vote."

Then is goes on to say they will be voted upon annually.

Now, what I am saying and what it is saying, is that this is the year that there are three to be elected, which will mean that when it comes to ballots, in order for your ballot to be counted, you must vote only for three names. If you vote for two, the ballot is no good. If

you vote for four, the ballot is no good—you must vote only for three. Is that clear and understood?

I will now call for all candidates aspiring to the position of Trustee of the Colorado Corporation to please come forward, along with their nominators.

Before we go into that, I believe that our Imperial Recorder has an item in this connection that he first wishes to dispose of. I will recognize our Imperial Recorder.

IMPERIAL SIR JONES: Imperial Sir, I nominate the following persons, by virtue of their Office as Imperial Officers, to serve one year on the Board of Trustees, Shriners Hospitals for Crippled Children: Imperial Potentate-Elect, Gene Bracewell; Deputy Imperial Potentate-Elect, Walker S. Kisselburgh; Imperial Chief Rabban-Elect, Russell Anthony; Imperial Treasurer, Webber C. Harrington; Junior Past Imperial Potentate, Richard B. Olfene.

... The motion was duly seconded and the gavel was tendered to Imperial Sir King ...

IMPERIAL SIR KING: You have heard the reading of the list of those to be elected, which was duly moved and seconded. Is there any discussion?

If not, all in favor say aye; opposed. It is carried.

... The gavel was returned to Imperial Potentate Olfene ...

IMPERIAL POTENTATE OLFENE: Thank you, gentlemen, and thank you, Voris.

And now for the election of three Trustees each for a three year term, I will ask that the candidates aspiring to those positions and their nominators please come to the stage. I am told that we have six candidates and so, again, I will ask them and their nominators to please come up here.

... Whereupon, the candidates and their nominators assembled on the stage ...

IMPERIAL POTENTATE OLFENE: Now, I believe we have all of the candidates up here. Are there any others that we do not know of?

If not, I am going to ask each of you to draw a tag from the Fez. These tags are all numbered from one to six. We will ask each of you to draw one of these and the number thereon will determine your position for nomination.

... Drawing ensued ...

IMPERIAL POTENTATE OLFENE: All right, we will identify the numbers.

Robert Wilson has number one; Robert Turley has number two; Dwight Worthy has number three; Howard Bozeman has number four; Winner Delp has number five and Joe Morris, I assume is number six, is that correct?

At this point, I will ask the candidates to assume their positions and be seated on the chairs provided for you here in the order that your name was drawn and that your nominators stand behind you.

Now, I am going to introduce these candidates to you one more time, ask them to stand and remain standing until I have introduced all of them.

Drawing position number one, Past Potentate of Aleppo Temple, Bob Wilson.

Drawing position number two, Past Potentate and Past Imperial Recorder, Oleika Temple, Bob Turley.

Drawing position number three is Past Potentate of Kismet Temple, Dwight Worthy.

Drawing position number four, Past Potentate of Kerbela Temple, C. Howard Bozeman.

Drawing position number five, Past Potentate of Lu Lu Temple, Winner Delp.

Drawing position number six, Past Potentate of Bagdad Temple, Joseph Morris.

Gentlemen, those are your candidates. Did you all get a look at them? Can you identify them all? If so, I will ask the candidates to be seated.

Now, again, before we proceed, let me ask, are there any others who wish to aspire to this office that are not present on the stage? Hearing nobody respond to this question or seeing nobody coming forward, I am going to call on the first nominator, Richard F. Norris, Potentate, Aleppo Temple.

NOBLE RICHARD NORRIS [Aleppo Temple]: Illustrious Sir, Illustrious Sirs, Most Worshipful Grand Masters and my Fellow Representatives: I have the honor to place before this Imperial Session the name of a good friend, Robert G. Wilson, for the Office of Imperial Trustee for a three-year term.

Bob has served in branches of Masonry with distinction; as Worshipful Master of his Blue Lodge; as Commander of his Commandery as well as the Potentate of his Temple in 1973.

He holds membership in all of the Scottish Rite bodies in the Valley of Boston and is also a member of Boston Court No. 103, Royal Order of Jesters.

Bob is married to a lovely girl, Robin. His eldest son is a Shriner, as were his father and grandfather.

He has been a member of Aleppo Temple for some twenty-nine years and, as I say, was Potentate in 1973. In that same year, he served as President of the Northeast Shrine Association.

During those years he has served as a member of the Arab Patrol, a Trustee of the Permanent Fund, a member of the Finance Committee and as Judge Advocate of the Temple.

He has made outstanding contributions to our hospital program at the local level—served as a member and Chairman of the Board for eight years; two years as Vice Chairman of the Boston Burns Unit and as Chairman of the Quality Assurance Committee in 1984.

He now seeks the opportunity to take that experience from the local hospital and apply it on a national level. With the complex building and construction programs now going on in relation to our hospitals and medical supplies cost ever increasing, we must look for leaders in our hospital corporation who have the knowledge, talent and experience to cope with the many aspects of our hospital operations.

In addition to his hospital affiliation, he has devoted constantly of his time and talents as an attorney. He served for ten years as a Director of Region 22 of the Endowments, Wills and Gifts Committee.

Today, Nobles, you are given the opportunity to cast one of your three votes for Trustees for a qualified person. I give you a man who has served Masonry. I give you a man who has served and continues to serve his community; I give you a man who has served and continues to serve Shrinedom. I give you a man who has served humanity and I place the name of Robert G. Wilson in nomination at this time for a three-year term as Imperial Trustee. Thank you very much. (Applause)

IMPERIAL POTENTATE OLFENE: I will now recognize the nominator for the nomination of Robert J. Turley.

IMPERIAL SIR KISSELBURGH: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Fellow Representatives: It is a rare opportunity to have the pleasure of nominating a man for another three-year term to our National Board of Trustees, who has the stature, experience and wisdom of Robert J. Turley, or, as we affectionately call him, "Bobby Joe."

Bob Turley is well qualified to be re-elected for another three-year term. You heard his report yesterday concerning the new Tampa Unit, for which he served as Chairman of that Special Committee.

Bob Turley is a Past Potentate of Oleika Temple and was Oleika's youngest Potentate in 1962. Bob has served as a Representative for twenty-four years and is one of our fine Emeritus Members. He served on the Jurisprudence and Laws Committee as Chairman for twelve years.

Bob Turley served as General Counsel for Shriners Hospitals for Crippled Children for one year and was appointed Imperial Recorder for a six-month period. He has also served on the Cincinnati Burns Institute Board of Governors as Vice Chairman.

Now then, let me tell you what Bob has done since you elected him to the National Board of Trustees in 1981.

He has served on the Investment Committee for three years and has done an outstanding job helping to oversee our sizable endowment fund through the establishment of master trust accounts for better investment management supervision.

He has served on the Long-Range Planning Committee for three years, two of which he served as Vice Chairman and this year he has served as Chairman—during which he has inspired us with his long-range vision and ideas.

This wonderful Noble has the amazing talent and experience to carry our Shriners Hospitals for Crippled Children into greater areas of "Centers of Excellence." We need to re-elect Bob Turley to carry on with our long-range plans.

Fellow Representatives, it is with a great deal of pride and pleasure that I nominate Robert J. Turley for another three-year term on the Board of Trustees. Thank you. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, Walker, and I will now recognize the nominator for Dwight Worthy.

NOBLE GEORGE CHRISTIE [Kismet Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and My Fellow Representatives: I am George Christie, Potentate of Kismet Temple and, as Potentate of Kismet Temple, I have claimed the privilege of nominating Illustrious Sir Dwight T. Worthy for a three-year term as Trustee of Shriners Hospitals for Crippled Children.

All the years we have known him, Dwight has had the hospitals as a special project of devotion. For fifteen years he has made the time and spent his own resources to travel extensively throughout the Jurisdictions, always contributing his expert skills as a health care professional for the benefit of our hospitals and the children in them. Five of those years, he served as a member of the Board of Governors of the Philadelphia Unit.

Forecasters tell us that the next decade will bring about major changes for providers of health care, our own Shrine Hospitals included. We would be wise to meet these changes and challenges by electing a health care professional to our hospital Board.

Dwight Worthy, a distinguished member of the American College of Health Care Administrators, is indeed a health care professional. For nearly twenty years he has been the Chief Executive of a 284-bed health care complex, immersed in every phase of its administration. As an expert witness and speaker, he has appeared before many local, state and national legislative bodies and consumer groups.

Dwight Worthy is blessed with vibrant good health, limitless energy, strong enthusiasm and efficient administrative ability. Equally important, his executive position and the willing support of his business associates allow him the luxury of being able to devote his time as a Board member.

Fully convinced that the job requirements and his qualifications make a perfect match, I nominate Illustrious Sir Dwight T. Worthy for the position of Trustee of the Shriners Hospitals for Crippled Children and ask that you call Dwight Worthy to this high service in the Shrine.

Thank you. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you.

I will now recognize the nominator for C. Howard Bozeman.

NOBLE ROBERT BAILEY [Kerbela Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Fellow Representatives: I am Robert H. Bailey, a Past Potentate of Kerbela Temple at Knoxville, Tennessee.

I am honored to nominate again Judge C. Howard Bozeman for re-election as a hospital Trustee. Since many of you are attending your first Imperial Council Session, perhaps you do not know some of the background concerning Judge Bozeman. Let me quickly highlight some of his unique credentials for you.

He is an attorney by profession and, in fact, was, by special appointment of the Governor of Tennessee, appointed to a special term as Justice of the Tennessee Supreme Court. Therefore, he knows the ins and outs of legal requirements of our great Fraternity.

He is an accountant by education, having taught accounting for several years at the University of Tennessee and, therefore, he knows and understands financial statements.

He is a retired county executive for Knox County, Tennessee, during which administration he overlooked and guided a multi-million dollar construction of a new city and county building; also, he is serving on our local hospital Board, including the University of Tennessee Memorial Research Hospital. Therefore, he knows administration and public service.

This is rare combination of talent, all rolled up into one man and talent which has been useful to our Fraternity over the past years during which he has served as a hospital Trustee for you.

He is married, has four grown sons and as a Past Potentate of Kerbela Temple, having served in 1977 and, in fact, one of the best Chief Rabbans I ever had.

He is a York Rite and Scottish Rite Mason. You will notice I said I am nominating him for re-election to another three year term. This is the last term that he can be elected under our By-Laws because they provide that you can only serve three successive three year terms.

During this Session, you have heard of the great progress made in updating our hospital

Units. You will recall seeing slides, as a matter of fact, for the new Tampa Unit. Other Units are under construction and on the planning board. This is a program that Judge Bozeman has helped to promote during his term of office.

If you will turn to pages 36 and 37 of your Call, let me point out to where the efforts of this Noble have been put to use.

On page 36, for example, you will find that he is a member of the Building and Equipment Committee. On page 37, you will find that he is a member of the Planning Committee, both being very vital committees to the program you have heard so much about, concerning our great progress in updating and construction of our hospitals.

In addition, on page 37, you will find that he is Vice Chairman of the Research Committee and if these committee assignments were not enough, he has also been put in charge of the Special Purpose Committee of the Cincinnati Unit.

Also, if you will look on page 38, you will find that he is also Chairman of the Special Purpose Committee concerning the Montreal, Shreveport and Twin Cities Units.

You are probably asking and certainly are entitled to know, how does this man do so much? Well, the records will show that he has a one hundred percent attendance at all of the hospital Board meetings as well as committee meetings.

We submit that Judge Bozeman has earned another term, he desires to continue in service and we solicit your vote. Help retain his expertise toward the running of our hospital program by voting him another three-year term. Thank you, sir. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you.

I will now call on the nominator for Winner F. Delp.

IMPERIAL SIR JOHN DEAN: Imperial Sir, Imperial Sirs and my Fellow Representatives: I am John Dean, your Imperial Marshal. I hope you know who I am by now.

Eight years ago I had the privilege of standing on this floor as the Potentate of my Temple and placing in nomination the name of Winner F. Delp, a Past Potentate of our Temple and the then Chairman of the Philadelphia Unit of Shriners Hospitals for Crippled Children, where he served for some eight years as its Chairman in a very outstanding manner. At that time we did not have Trustees who were not Past Imperial Officers. I pointed out then and I will point out now for those of you not familiar with Winner's background, that he came out of World War II, started his own small business and it subsequently grew into a very large business, a tool and die business, which he eventually merged with Walter Kidde, one of the larger conglomerates around, becoming a Vice President and Financial Manager for that large conglomerate.

Subsequently, Winner retired from that position and he continues today to serve your hospitals as a Trustee.

He, too, as Howard Bozeman, will be ineligible after this term to continue to serve because of our By-Law provisions.

Winner has served this Fraternity in an outstanding manner. He has served on many of the committees and, when Robert Bailey asked you to turn to certain pages in the Call concerning his candidate, I had intended to do exactly the same thing. However, rather than recite to you each and every item within the Call, I would invite you to please look at the Call and see which committees Winner is serving on at the present time.

I would point out to you that in the eight years he has been here, he has helped us with our building program. He has been outstanding in that manner because he was the one who pioneered the building of Lu Lu Temple's new Mosque—started the program and raised funds and supervised the building of it.

He was the Potentate of our Temple in 1969 and has demonstrated his abilities at leadership.

When we talk about the committees he has served on, I would like to point out to you that he serves on eight committees at the current time, four of which he is the Chairman of, two of which he is the Vice Chairman of and of those committees, two of them are Building and Equipment and Planning and, of course, Special Purpose Committees.

More importantly, my Fellow Nobles and Fellow Representatives, it is important that we retain good businessmen, men who are fiscally responsible and who understand the operations as to funds and expenditure of funds in these high offices.

I therefore solicit your vote for Winner F. Delp for the Office of Trustee of the Colorado

Corporation and, in closing, point out to you that during the entire eight years Winner has served in this position, never once has he submitted an expense account to the Imperial Council—he has paid every penny of his expenses and continues to do so and I do not think any other individual in this corporation can take credit for having done that. He not only donates much of his time, a great deal of it, but also donates his money and puts it where his mouth is.

Please circle the name of Winner F. Delp and give him your vote and your support. Thank you very much. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, Jack.

The Chair will now recognize the nominator for Joseph I. Morris.

NOBLE NEIL MORRISON [Al Azhar Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, My Fellow Representatives: My name is Neil Morrison and I am the Potentate of Al Azhar Temple of Calgary, Alberta, Canada.

I hope the last to speak will be first on the ballot.

Let me say that I cannot refer to the Call as the previous two nominators did because Joe is just running now for election but I am sure that after he is elected, I will be able to refer to the Call three years from now and tell you what he has done for our hospitals.

At any rate, I do have the pleasure to place in nomination the name of Joseph I. Morris, Past Potentate of Bagdad Temple, for a position on the Board of Trustees of Shriners Hospitals for Crippled Children.

Joe has served his Temple and the Fraternity well, for over twenty-five years, and has been an elected Representative to this body for eleven years. He is a member of the Board of Governors, Spokane Shriners Crippled Childrens Hospital, and presently serves on the Budget and Finance Committee and the Planning Committee.

Joe is a graduate of the University of Montana and has been extremely successful in his business career. He started as a partner in his family's grocery business, has been in the general contracting business, and is now an Executive with the Montana Power Company, where he has held management positions in oil and natural gas, coal, computers and presently manages the engineering group.

Joe is active in civic and community affairs. He serves as Chairman of the Board of the Butte Civic Convention Center, Vice Chairman of the Board of the Masonic Temple Association, a member of the Board of the Butte Rotary Club, a member of the Board of the Columbia Plaza Housing Complex, with over 200 units and also as a member of the Vigilante Council, Boy Scouts of America and likewise a member of the Butte Chamber of Commerce.

Joe is active with the Masonic bodies in Blue Lodge and Scottish Rite. He is a Past Director of Butte Court No. 23, Royal Order of Jesters; recipient of the DeMolay Legion of Honor Award; a diligent worker in Montana's East-West Shrine Football Game and many other fund raising functions. He is a member of the Imperial Marshal's Committee.

Joe and his wife have three sons, two are members of the Fraternity and the youngest has petitioned his Blue Lodge.

Joe Morris is a young successful businessman who has the experience, ability and vitality to represent you on the Board of Trustees. He wants to serve you and all of the hospitals because he believes in our mission.

I proudly place in nomination Past Potentate Joseph I. Morris for election to a three-year term as a member of the Board of Trustees of Shriners Hospitals for Crippled Children.

Thank you very much. (Applause)

IMPERIAL POTENTATE OLFENE: Are there any other nominations for the Board of Trustees? Are there any other nominations? Are there any other nominations?

The Chair will entertain a motion to close nominations.

... It was severally moved, seconded and unanimously carried that nominations be closed

... IMPERIAL POTENTATE OLFENE: Gentlemen, I am now going to turn you over to Joe Howell but, before doing that, I am going to introduce each one of these candidates one more time and you can take another look at them as they stand.

... Whereupon, the candidates were again individually introduced ...

IMPERIAL POTENTATE OLFENE: Thank you, gentlemen. I will again, as I did previously, ask our candidates not to leave the stage.

Now, let me say once more to you that when you cast this ballot, as I mentioned before, you must vote for three on your ballot or the ballot is void. With that, I would like to turn you over to Joe Howell who is the Chairman of Tellers, for instructions.

NOBLE HOWELL: Imperial Sir, Imperial Sirs and Representatives: We will use ballot number 17, the bright yellow ballot. No other ballot will do and do not forget, vote for three and three only and please do not fold your ballots and we will then, in turn, be able to give you a fast return. Thank you very much.

IMPERIAL POTENTATE OLFENE: I believe we are now ready to proceed with the balloting and I will now declare the ballot open.

... Whereupon, balloting and collection of ballots ensued ...

IMPERIAL POTENTATE OLFENE: Now, is there anyone who has not properly voted? One more time, are there any Representatives who have not voted who still desire to vote? If so, raise your hands. Seeing no hands up, I will now declare the ballot closed.

Now, I think we are ready to proceed with our agenda.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: I will now ask you to give your attention to our Imperial Treasurer for a report, please.

IMPERIAL SIR HARRINGTON: Thank you.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, My Fellow Representatives: I would like to call your attention to the Treasurer's report in your Book of Reports which you received when you registered for this Convention. The Treasurer's report is the first report in that book and there is a lot of information there that I hope will be meaningful to you.

Now, I am not going to repeat to you a bunch of figures because I believe the important thing is to point out things that may change from one year to another and also things that may make the financial statements more meaningful to you and that is what I have tried to do during the past three years—is instead of simply repeating items which are in the audit report, this year I have tried to highlight the endowment funds, where the money comes from, what the changes are and where we presently stand, so that if any of you are asked in your Temples or your Shrine Associations you might have available to you our authentic information about where we stand.

Therefore, in that light, I would just like to point out at this time a few of those highlights.

First of all, with respect to new money, last year our unrestricted gifts and bequests amounted to \$101,080,000 compared to \$112 million in 1982, while restricted gifts and bequests aggregated \$2,865,000 to \$1.9 million the year before.

Now, the comparison between the years is somewhat distorted because of the fact there were approximately \$9 million in an estate which closed right at the end of 1982 and I therefore do not want that to be taken as an indication that our new money is going down.

I think that the great work of our Endowments, Wills and Gifts Committee is still performing a tremendous job.

However, I do want to point out to you one other thing that is very significant and that is that in 1983 we had net gains from security transactions of \$92,300,000. Now, that is almost as much as we had in the previous nine years and, naturally, a great deal of it is because we were on the right side of the market in 1983 and I would also hasten to add that we have shown some decline in the early part of 1984, not bad, but we do have some decline.

However, I think it is important for you to know that we have \$92 million of net gain. These did include \$13 million of gains on accounts which were transferred from one investment manager to another. You may say, "Well, why did you do that when you really do not have realized gain as yet?" Well, the truth is that when we transfer an account from one investment manager to another we want the responsibility for the performance of that account clearly identified and, therefore, we set up the current value of those securities when such a transfer takes place.

I also want to point out to you that in addition to the principal shown on our endowment fund, we have had an excess of market value over carrying value on our securities at December 31, 1983, of \$145,900,000, compared to \$131,776,000 at the end of the preceding year. So, in unrealized gains we had an additional \$14 million increase in market value over carrying value during that year.

Again, I am not going to read the numbers to you but if you will refer to page 2 in your Book of Reports, Shriners Hospitals for Crippled Children, at the top of this page we show what the principal of our endowment fund consists of and I know many of you have had questions at different times as to what we really have in the principal of our endowment fund.

At December 31, 1983, we had \$1,355,000,000 and that is compared to \$1,159,000,000 at the end of the preceding year, an increase of \$196 million and here is where it came from—principally from the unrestricted gifts, which amounted to \$100,750,000, exclusive of these made directly to current operations; restricted gifts of \$2,800,000; the capital gains that I just mentioned of \$92 million, and then a few other miscellaneous items. Again, this is all detailed on page 2 of your report.

I would urge you to read that report because I hope these will be meaningful figures to you.

I am delighted to tell you that we are continuing to operate on a sound financial basis.

We are doing ten-year financial planning now and we are going to look at that at least annually insofar as revising our numbers, perhaps even semiannually. However, it is my goal, and I hope you will approve of it, that we are going to proceed on a sound financial basis, not only in your building program but with respect to our current operations.

Thank you very much. (Applause)

IMPERIAL POTENTATE OLFENE: Just a moment.

Just to keep everything straight with regard to the presentation of this report, would someone make a motion to receive his report?

... The motion was severally made, seconded, was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE OLFENE: Is that not a great report and let me tell you, Webb does one super job. To be associated with a fellow like Webb and the ability he has and what he has brought forth to the Shrine of North America is marvelous.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: I see that Joe Howell is coming back and are you ready, Joe, for your report concerning ballot number one?

NOBLE POWELL: Imperial Sir, Imperial Sirs and Representatives: It is with pleasure that I give you the results of ballot 17 for the Office of Trustee for a three-year period.

There were a possible 866 votes and 816 actually voted. There were two spoiled ballots. Necessary for choice was 409.

The votes were distributed as follows—Worthy, 166; Wilson, 171; Morris, 225; Delp, 562; Bozeman, 657; Turley, 663.

IMPERIAL POTENTATE OLFENE: You have heard the report. Therefore, I declare the following elected by a majority vote—Robert J. Turley, C. Howard Bozeman and Winner Delp. (Gavel) I declare all of them duly elected and re-elected in all cases, Trustees for a three-year term.

Now, fellows, we will continue along here but before we do, I would perhaps like to do a little explaining to you at this time so that we will all be more knowledgeable and fully understand things with regard to the basic actions that will be coming up.

I would first like to tell you that the next order of business will be the election of the Officers of the Colorado Corporation—the Officers. The Officers are spelled out in Section 507.1 and let me just read that to you: "The Officers of this corporation are the Chairman of the Board of Directors, the President, the First Vice President, the Second Vice President, the Treasurer, the Secretary and the Assistant Secretary."

The following Section, Section 507.2 is entitled "Election" and says—"The Imperial Potentate shall be the Chairman of the Board of Directors. The Deputy Imperial Potentate shall be the First Vice President and all other Officers shall be elected at the Annual Meeting of this corporation.

I will now recognize Jack Jones for the nominations.

IMPERIAL SIR JONES: Imperial Sir, the Chairman of the Board of Directors will be Gene Bracewell.

IMPERIAL POTENTATE OLFENE: And now, gentlemen, the next thing I want to read to you is Section 507.4 concerning the duties of Officers.

Under subsection (b) it mentions the President and here the President is the one in this group that you must elect.

Now, it says that the President has the following duties: "He is Chairman of the Board of Trustees and presides at all meetings of the Board of Trustees."

Now, the reason I bring this to your attention is that I am not totally sure and do not mean to take anything away from your intelligence, but, again, I am not totally sure you all know that you do not really elect in name the Chairman of the Board of Trustees—you elect the President of the corporation. He is elected annually and when you elect him President, he becomes, automatically by the By-Laws, the Chairman of the Board of Trustees.

Is that clear to everyone?

Now, before we go into any further moves, I want to spend a moment with you.

I have told you in the past, I have never deviated from it and I will tell you today that I have been as up front, as fair and square as I possibly could be with any person at any time in my life.

I learned a slogan or saying from my dad when I was a little kid, he said, "If you always tell the truth, you never have to remember what you said." I never forgot that.

I have traveled all over Shrinedom for the great interest in communicating with Shriners, hoping wherever I went that I was able to sit down with the leadership of the Temples and the associations and leave you with some information that perhaps you did not realize before—information that would help you to understand the Shrine and the workings of the Shrine a little more thoroughly.

I hope I have accomplished that. I hope I left my visits with you with the feeling "Dick Offene came to town and when he left we got something from it."

I am not taking any pats on the back—that was my goal.

I did not come entirely to socialize, as much as I also enjoy that, but I had a purpose, to communicate to educate, because I have always said for the years that I have been a Representative, and I started my first year in 1965, that if the Representatives voting at the Annual Session have the facts, figures and the true story, they will, ninety-nine percent of the time, make the right decision for the Shrine.

There are times that these decisions are not perhaps as one would like them to be when there is misunderstanding, confusion, rumors, etc.

I have done my best to communicate, to educate so that we can run a much improved ship.

This past January I had a meeting with the Joint Boards of the Shrine and told those gentlemen at that time that if all was well and my health was well and my wife's health was well, that it was my intent to stand for election as President of this corporation at this Session—meaning to you that, if elected, I would become Chairman of the Board of Trustees.

I also said to those boys at that time that I felt, and I have been on the record many times before, that this particular job deserves, in some fashion, some compensation. That is not new. It was done for years and the record will reflect that. Now, it has not been done in recent years and for reasons I am not totally sure about and I do not want to say this to be fact, but I assume because those who were in the office found there was no need of it.

I think a change was made here when Harold Lloyd took over and I am sure that financially he said that it would go strictly to the IRS.

Now, I said at that time that I would not seek this job without compensation. There were many who said, "Well, we are not sure this is what ought to be done."

All right, gentlemen, I went along for a few months.

By the way, I discussed this with the present President of the corporation, had a full discussion with him on this issue and I would like you to know that if I am eligible to stand for election as President of this corporation, that he will be my nominator.

Now, I listened and soon realized that there was dissension in the ranks within our own group as to the compensation issue. I was not particularly aware at this time as to what has since developed but let us get the compensation issue out of the way.

I took it out of the way when I came to the April Board meeting and told the members of the Board that I saw that there were those who did not want to see that happen and, therefore, I would not make it an issue. I therefore wish to continue to be a candidate for the

President of this corporation and then suddenly there appeared some discussion along another avenue, and I only tell you this fact because this is the best I can remember and if someone on the Boards say that I am saying something wrong, then I would urge them to come forward and tell me, because this is the best recollection I have and it is as honest as I can remember.

I have made it known that I was going to run for this office if possible and, yes, I felt it was an office and, very frankly, because of the great amount of work involved with it, I visualized it something different perhaps than it may have been or is today.

Further, I am an innovator and I hope you may have gotten that feeling during this Convention when I took you to the Boston Pops. That is an innovation, that is a change and my feeling and the result of this is that you enjoyed it. (Applause)

I feel that I have the ability, the qualifications, and I am a fifty-six-year-old man, and I have the great knowledge in my mind of the Shrine to assume that position and, as I told you, the nominator will be the present President.

Now, with that, I would like to have you turn to page 38 in your Call and look at Item 27—which begins at the bottom of page 38 and goes to the top of page 39. This is the only one we are talking about.

I am going to now call that question up and I am going to first call on the Jurisprudence and Laws Committee concerning Item 27 in the Call. I will call on Judge Cooper for the report.

NOBLE COOPER [Reading]: To the Members of the Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws Item 27 of the Call for the Annual Meeting of 1985 and is located on pages 38 and 39 of the Call. It is a proposal to amend Section 507.2 of Article 7 of the By-Laws of the Colorado Corporation by adding certain language so that said Section, as amended, will read as follows:

SECTION 7 Officers

Section 507.2 Election

(a) The Imperial Potentate shall be Chairman of the Board of Directors, the Deputy Imperial Potentate shall be First Vice President, and all other officers shall be elected at each Annual Meeting of this corporation.

(b) The Junior Past Imperial Potentate shall not be eligible to serve as President of this corporation.

The committee reports the proposed amendment is in proper and legal form and will not conflict with any of the provisions of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Walter S. Pettit, Jr., Chairman

Edward G. Maag

Robert E. Cooper

Theodore Corsones

Robert C. Lake, Jr.

Robert W. Morrison

Gerald L. Davis

Imperial Sir, if there be no questions or comments with respect to this report, I recommend that you call upon the proponent of this amendment, John W. Dean, Imperial Marshal for the appropriate motion.

IMPERIAL POTENTATE OLFENE: Excuse me now. Before John Dean comes to the microphone, let me say that I have a personal interest in this legislation and so I would like to turn the gavel over to your Deputy Imperial Potentate.

... Whereupon, Imperial Sir Bracewell assumed the Chair ...

IMPERIAL SIR BRACEWELL: I should say that I thank you, Dick, but I am not sure I

appreciate the gavel at this time. (Laughter) I may have to turn it over to Walker in a few minutes. (Laughter)

Now, at this time, I would like to recognize the proponent of this amendment, John W. Dean.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and Representatives: I move the adoption of the amendment as listed as Item 27 in the Call.

... The motion was duly seconded ...

IMPERIAL SIR BRACEWELL: I am sorry, what did you say?

IMPERIAL SIR DEAN: I move the adoption of the amendment as it was seconded.

IMPERIAL SIR BRACEWELL: The adoption of the amendment has been regularly moved and seconded. Is there any discussion?

I will recognize our Imperial Potentate, Dick Olfene.

IMPERIAL POTENTATE OLFENE: Gentlemen, I come before you to discuss this item and the issue is clear and simple, if you pass this legislation, you are eliminating the Junior Past Imperial Potentate from having the opportunity to stand as a candidate for the President of this corporation. If you give him that opportunity, as you always have in the past, that does not mean he is elected. You have to elect him in relation to another bit of action.

This piece of legislation is geared toward permitting the Junior Past Imperial Potentate in being a candidate and, I know what they are going to tell you, I know what they told me, the proponents and others who may be in that camp. They are going to tell you, and if I am out of order, Mr. Chairman, you can rule me out of order, but I would like to tell you what they are going to say.

They are going to say two or three things.

Number one is, "Well, for the last two or three years, we have had the Junior Past Imperial Potentate wanting to run for Chairman of the Board of Trustees."

Now, as I told you, I came here in 1965 and only last year am I aware of the times when the Junior Past Imperial Potentate stood as a candidate for the Office of President and you made a choice, because there was a contest, and you did not vote him into office. Consequently, you do make the final decision but to eliminate any man from having the opportunity to stand for election, for you to make the decision, in my judgment is not fair game and not needed in the Shrine of North America.

... Cries of "here, here" ...

IMPERIAL POTENTATE OLFENE: Secondly, they are going to tell you that the Imperial Potentate has a contingent allowance from the Shrine which, by the way I sponsored, to have expenses vouchered for the Imperial Potentate's travel and every man on this stage preceeding me never had that—he had a contingent fund given to him and no report back to this Imperial Council and I changed that and so, during the past year, every expense I had in connection with my travels was vouchered for and probably documented and will be attested to. The financial people of this Shrine and I have done that for you. (Applause)

However, what they are saying is—"Yes, but the fellow gets out there in the field on the Shrine's money and the Imperial Potentate, is campaigning all year long for the Office of President or Chairman of the Board."

Now, I ask any one of you where I visited and I defy any man in this room to say that I actively in any fashion, campaigned for any job. If I went out and got around this country and did it maybe more than others and more than others wished I had, still I was within my budget, my travel expense within my budget and I watched this very, very carefully. Also, let me tell you that I did the best job I could out there—tried to do what was right—and I did not at any time use my office to campaign for any other office.

If, as I was out there and talked with the various Temples, if that is what they are going to call campaigning, I am sorry because, actually, I visited Temple after Temple after Temple because I was interested in the Shrine and the future of this organization. However, it hurts me to stand here and think that there are people who want to eliminate any man from having the opportunity to offer his services to this great body and when this issue comes to a vote, I solicit your support to defeat this kind of legislation. Thank you very much. (Applause)

IMPERIAL SIR BRACEWELL: Are you speaking, Imperial Sir, in favor of or against the legislation?

IMPERIAL POTENTATE OLFENE: Against the legislation.

IMPERIAL SIR BRACEWELL: Well, as a matter of procedure, in the discussion, I would next like to have someone speak for and then someone against and alternate in that fashion as we proceed along with the discussion concerning this issue.

Now, is there, first of all, anyone desiring to speak in favor of the amendment?

I will recognize Imperial Sir Jack Dean.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and Fellow Representatives: I am the sponsor of this legislation and I sponsored this legislation after a great deal of soul-searching, a great deal of examination and I, too, I am in the minutes and in the record saying that our present Imperial Potentate has done an outstanding job as Imperial Potentate. He has done his job well; he has visited the Temples; has represented us well and I cannot think of anybody who has ever done a better job. (Applause)

However, I am concerned when this legislation is put in the posture, and that is what people are attempting to do at this point, of this being personal legislation.

Gentlemen, let me explain something to you about our By-Laws. Our By-Laws provide that the Junior Past Imperial Potentate is a member of the Board of Trustees of the Colorado Corporation, is a member of the Board of Directors of the Colorado Corporation and is a member of the Board of Directors of the Iowa Corporation. He is not foreclosed, does not have to stand for any election to continue his service.

Further, I submit to you that the office of President of this corporation, which automatically becomes the Chairman of the Board of Trustees, is the single most important office that we have. You know, we are endowed with a sacred trust, you and I, and each of our Imperial Officers, and that is to take care of the money given to us for the care of our children and, in attempting to do that, we need stability in the Office of the President of the Colorado Corporation. The office should not be subject to the popularity of any individual man from year to year.

Now, of course, it is true that you have the opportunity to do it but if you will look into your hearts, you will realize that it was very easy for an Imperial Potentate, as he is running around this country, to get enthralled, enthused by you to run for this high office. Further, there is nothing wrong with asking him to wait for one more year to do that because no man is so indispensable to this Shrine that we have to have that office at the mercy of everybody and everybody's emotions.

Gentlemen, this is an emotional issue with many people. It is not an emotional issue with me. I am concerned because I see coming down the line, and I have seen in three of the last four years, it is true, that we have only had one Past Imperial Potentate stand for the office and stand for the election. However, this makes three of the last four Past Imperial Potentates who attempted or wanted to do it.

Imperial Sir H'Doubler, and I hate to mention names but I think at this point I have to, as he got into the spring of the year, and those of you who were around will remember, believed he should run and believed he would make an outstanding Chairman and I have no doubt that he would. However, he was persuaded by many people to just wait and bide his time and one of the people who persuaded him and told him the Imperial Potentate should not be a candidate is our present Imperial Potentate and so Hogan did not do it. However, he almost did and what happens is when we have a President of that corporation who, year after year after year is told the Imperial Potentate is going to run, nobody feels secure in that position and we cannot have people sitting there that do not feel secure.

I have a lot of faith in each and every one of you and I think this discussion today is very healthy.

I had been asked if I would defer this legislation for one year but what does one year accomplish? It just then means we make the matter a personal issue insofar as Gene Bracewell is concerned. If we defer it for two years, we make it a personal issue insofar as Walker Kisselburgh is concerned. Anytime this kind of legislation comes up, I submit to you it can be accused of being personal.

Now, the Imperial Potentate and I have talked about this and I have told him to his face, and he knows this, this is not a matter of personal animosity or personal feeling about him. This legislation is not proposed to prevent Richard Olfene, as an individual, and I went so far as to offer to nominate him next year. I submit to you, gentlemen, that while we are removing one man from eligibility for office of President of the corporation, the removal of

this one man is vital to the stability of our corporation and the direction in which we are taking for our children and so I ask you to vote favorably for the amendment. Thank you very much.

IMPERIAL SIR BRACEWELL: The Chair now recognizes Woody Bennett.

IMPERIAL SIR BENNETT: Imperial Sir, Imperial Sirs and Fellow Representatives: I am sure that the question that I have been asked throughout this Session many times sounds like a conflict of interest but I do want to kind of give you the history in relation to this position and so that you are fully understanding of my position and where I sit.

In January, at the East-West Football Game, the Imperial Sir asked me to come to his suite and discuss some issues.

One of the issues was the fact he would like to seek the Chairmanship. We discussed the various requirements and availability of time, etc. The Imperial Sir has sold his business and has full time available.

The Chairman of the Board has to be available most all of the time throughout the year. He has many, many phone calls from doctors, Chairmen of Boards and other personnel and I am sure you all are familiar with that audience. Somebody, therefore, needs to be available to handle these calls.

Now, the Imperial Sir, after we sat there and discussed the issue a bit, indicated that he was now in a position where he would like to serve in the office and did not desire to wait. Therefore, I told him I would support him.

So he agreed to take it to the Joint Board meeting, which he did in January. At that time this issue was thoroughly discussed and there were many comments pro and con. However, I want to kind of give you the background as to what really came out of that Joint Board meeting and that is the fact that they recommended that a committee of five be appointed to make a study to see where the Junior Past Imperial Potentate could be made available to work in the vineyards during that time. I believe the Chairman of that committee was Bob Turley and the other members were Walker Kisselburgh, Gene Bracewell, George Powell and Howard Bozeman. Now, the report came back with very little attached to it insofar as I, as Chairman, could read into that report.

Basically, what they felt, I think, was that it would be a conflict of interest to establish another officer within the corporation.

Now, on the other hand, as to qualifications, there has never been a question but what the Imperial Sir, if he seeks that office, has all the abilities.

Well, after that meeting, we went to the seminar in St. Louis and we also had a meeting there, where he again announced he was going to seek to be the candidate.

I think I have appeared before you more than five or ten times and only two times have I been elected unanimously. Otherwise I have had a good vote each time, which I appreciated very much.

Now, last year, Dr. Bowers aspired for the office and there is no finer gentleman than he is. He served the Order well, traveled and made a fine impression, but this office should not be bounced around from year to year because it takes an individual some time to get hold of it and I think that someday this should be established as a three- or six-year term of office because the individual spends a year getting hold of the office—getting to know the various Board Chairmen, the Chiefs of Staff, the Directors of Nursing, the Administrators and in learning about what goes on in each of these hospitals.

Now, I probably was the only one that came into this Chairmanship from having experience in the Building and Equipment Committee, which gave me an opportunity to study all of the Units prior to taking over this Chairmanship. I felt at that time that I probably had a good understanding of what was going on and I really received my schooling under Vic Thornton for about two years before I actually took over this Chairmanship, which I am very grateful to him for.

I do not think there is any question but on the issue the Trustees are probably divided but I think, again, gentlemen, the decision rests in your hands as to the capability of and what you see in relation to the candidates aspiring for this office.

Also, as Dick indicated, if he ran, I told him I would support him, that I would place his name in nomination to you for your full consideration. I appreciate your indulgence and your support for the incoming individual.

IMPERIAL SIR BRACEWELL: The Chair at this time will recognize Imperial Sir Bob Turley.

IMPERIAL SIR TURLEY: Thank you, Imperial Sir.

Indeed, I was the Chairman of the committee and, indeed, that committee was appointed after there had been a long study, a long discussion by the Joint Boards, and that committee did make a report and that report was adopted and, as I recall, it was unanimously adopted by all of the members of the Joint Boards.

It deals with forming liaison committees out of the Joint Boards to meet with our local hospital Boards in an effort to improve communications between the local Boards and the national office and our Board in both directions.

Now, further, in relation to this subject, when Jack Dean said, for example, that this proposal is not meant by him to be personal, I believe him. I take him at his word. However, here I have been told is a candidate for office and legislation directed toward his qualifications and whether it was meant to be personal or not is wholly beside the point—it cannot be considered now apart from the personalities involved. The legislation should be considered on its own merit, not in terms of personalities.

Now, it is not often that I suggest to this body that debate be cut off and I certainly do not do it lightly, but I do not want us to get into the situation here today where something could be said that later would be regretted and would get in the way of the operations of our Joint Boards and, therefore, I am going to tell you that there is a method that you can divorce this legislative proposal from personalities and then you can bring it back after you decide what you want to do insofar as the election is concerned.

That method is a motion to lay it on the table and then later, after the election, if you want to take it back off of the table, you can do it, or, if you want to, do it next year or whenever.

There, in the spirit of trying to bring some peace around here, I move you, sir, that this matter be laid on the table.

... The motion was duly seconded ...

IMPERIAL SIR BRACEWELL: You have heard the motion and the second. There is no discussion. Therefore we will vote.

All in favor of the motion to lay on the table please say aye; opposed. Well, I will ask it one more time.

All in favor of the motion to table say aye; opposed.

NOBLE PETTIT: Imperial Sir, there seems to be a division of the house here and so you might ask them to stand and that might reduce some of the volume of the various voice votes. However, it seems to be close enough for you to ask for that procedure.

... Cries of "roll call" ensued ...

IMPERIAL SIR BRACEWELL: I am going to take the suggestion of Jurisprudence and Laws.

All of those in favor of tabling please stand; please be seated; all those not in favor of tabling please stand. The ayes have it.

PAST IMPERIAL POTENTATE THOMAS: Mr. Chairman, a point of personal privilege.

I think what I understood Dick to say previously was that the last four Imperial Potentates sought this office. However, I would like to see that stricken from the record because I was in that category and I did not seek the office.

IMPERIAL SIR BRACEWELL: It gives me a great deal of pleasure to return the gavel back to you, Imperial Sir.

... Applause ensued as the gavel was returned to Imperial Potentate Olfene ...

IMPERIAL POTENTATE OLFENE: Thank you very much, Gene. I am sorry, fellows, but that sometimes happens, I guess.

Now, gentlemen, as I read to you earlier in connection with the By-Laws, the next order of business is the election of the President of the Colorado Corporation. Now, again, being a candidate, I will step aside once again and ask Gene Bracewell to handle the gavel.

... Whereupon, the gavel was again tendered to Imperial Sir Bracewell ...

IMPERIAL SIR BRACEWELL: Thank you again, Dick.

I will now open the floor for nominations for the Chairmanship of the Board of Trustees and President of the Colorado Corporation.

I will recognize Imperial Sir W. W. Bennett.

IMPERIAL SIR BENNETT: Imperial Sir, you have heard the last discussion concerning this last proposed legislation which, as I understood it, by your vote, has now been laid on the table.

With that, I now place the name of Imperial Sir Richard Olfene in nomination as President of the Colorado Corporation for the ensuing year and if there is no other—

IMPERIAL SIR BRACEWELL: Just a moment, hold it. I would like to get that motion seconded, if I might.

... The motion was severally seconded ...

IMPERIAL SIR BRACEWELL: The motion has been made and seconded and now, carry on, Woody.

IMPERIAL SIR BENNETT: And, Imperial Sir, if there are no other nominations, I would move that the rules be suspended and Richard Olfene be elected the President of the Colorado Corporation for the ensuing year by acclamation.

... The motion was duly seconded ...

IMPERIAL SIR BRACEWELL: You have heard the motion and the second. Are there any further nominations? Are there any further nominations? Are there any further nominations?

At this time I will take a vote.

All in favor of the motion please say aye; opposed no. The ayes have it. Thank you very much. (Applause)

Now, as I have this gavel, I assume you would like to ask that a unanimous ballot be cast for Richard B. Olfene as President of the Colorado Corporation?

IMPERIAL SIR BENNETT: I would move that Jack Jones, our Imperial Recorder, cast a unanimous ballot for Dick Olfene for the Chairmanship of the Board of Trustees and President of the Colorado Corporation for the ensuing year.

IMPERIAL SIR JONES: Imperial Sir, it gives me great pleasure to cast the unanimous ballot of this august body for election of Imperial Sir Richard Olfene as President of the Colorado Corporation and Chairman of the Board of Trustees for the ensuing year.

IMPERIAL SIR BRACEWELL: Dick, I probably know the answer to this question but do you accept? (Laughter)

IMPERIAL POTENTATE OLFENE: Thank you very much, Gene, I do accept and, gentlemen, I really appreciate the confidence that you have placed in me. I will do what I have done for the Shrine of North America in the past and do it to the very best of my ability. I will continue to work as diligently and as best I can for Shriners Hospitals in the future.

I again apologize to you for what has happened but I also, as I said earlier, leave the decision to your judgment and I really thank you for your judgment.

You know, as I heard it, there was someone in the back of the room there that answered in the negative to that motion and I still have several hours left in this office and if he would like to come forward, maybe I can pick up his dues card. (Laughter)

IMPERIAL SIR BRACEWELL: I think I should give you the gavel back, Imperial Sir, but with my request, I did not ask for a lot of conversation but would you accept? (Laughter)

IMPERIAL POTENTATE OLFENE: Yes, I will.

IMPERIAL SIR BRACEWELL: Congratulations, Dick, and I now return to you the gavel.

... Applause ensued as the gavel was returned to Imperial Potentate Olfene ...

IMPERIAL POTENTATE OLFENE: Now, Jack, I will recognize you again, are you ready to go?

IMPERIAL SIR JONES: Imperial Sir, in order to clear all of the officers for the Colorado Corporation, I nominate the following persons to serve as officers of the Colorado Corporation: As Chairman of the Board, Gene Bracewell; as President, Richard B. Olfene; as First Vice President, Walker S. Kisselburgh; as Second Vice President, Russell H. Anthony; as Treasurer, Webber Harrington; as Secretary, Voris King; as Assistant Secretary, Edward McMullan.

I would so move.

IMPERIAL POTENTATE OLFENE: Is there a second to that?

... The motion was severally seconded ...

IMPERIAL POTENTATE OLFENE: You have heard the reading by Imperial Sir Jones of those officers to be elected as officers of the Colorado Corporation for the ensuing year. Is there any discussion?

If not, all in favor please say aye; opposed no. The ayes have it and I declare the motion to be carried.

Continue on, Jack, please.

IMPERIAL SIR JONES: I would nominate the following persons to be elected Directors of the Colorado Corporation, Shriners Hospitals for Crippled Children:

Imperial Potentate, Gene Bracewell.

Deputy Imperial Potentate, Walker Kisselburgh

Imperial Chief Rabban, Russell H. Anthony

Imperial Assistant Rabban, Voris King

Imperial High Priest and Prophet, Edward G. McMullan

Imperial Oriental Guide, George W. Powell

Imperial First Ceremonial Master, Joseph P. Padgett

Imperial Second Ceremonial Master, John W. Dean

Imperial Marshal, Everett M. Evans

Imperial Captain of the Guard, Richard L. Bukey

Imperial Outer Guard, Burton Ravelette

Junior Past Imperial Potentate, Richard B. Olfene, and also as the Chairman of the Board of Trustees

I would so move.

IMPERIAL POTENTATE OLFENE: You have heard the motion, is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there any discussion?

If not, all in favor please say aye; opposed. The ayes have it and thank you once again, Jack, and thanks, gentlemen.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: What I now would like to do is to recess and call you back into session at one-forty-five p.m.

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at twelve-fifteen o'clock p.m. ...

AFTERNOON SESSION THURSDAY, JULY 5, 1984 ONE-FORTY-FIVE O'CLOCK P.M.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: Now, gentlemen, we will move on to the next item of business and I would like to ask you to give your attention to the Chairman of our Board of Trustees, Imperial Sir W. W. Bennett, Chairman of the Board of Trustees, Shriners Hospitals for Crippled Children.

PAST IMPERIAL POTENTATE W. W. BENNETT [Chairman, Board of Trustees]: Imperial Sir, Imperial Sirs, Fellow Representatives and Distinguished Nobles All: The Colorado Corporation By-Laws state that the President shall "prepare and present at all Annual Meetings, a report of matters pertaining to the operations and transactions of the hospitals." That report is hereby presented to you now. This report has also been supplemented by the Executive Administrator, Ann McGrath and the Director of Medical Affairs, Dr. Frank Stelling.

ITEMS OF GENERAL INTEREST:

Meetings

A Director of Nurses Meeting was held in Houston, Texas, May 23-26, 1984. Several days of discussions covered issues such as nurse/physician collaboration, communications between the hospitals and the headquarters staff, and development of a nursing manhour standards to be applied for computerization. This was an excellent meeting and the Directors of Nursing represent a very professional, intelligent, committed group of nurses of which we can be proud.

A meeting is planned for the hospital Administrators in Denver, Colorado, August 8-11, 1984. This will be a meeting geared to management principles and skills for all Administra-

tors. The faculty member giving this presentation is Dr. Paul Preston, Professor of Management, University of Texas, San Antonio.

The Chiefs of Staff of all the Shrine Hospitals are scheduled to meet in Twin Cities in September 19-22, 1984, to review clinical work and other administrative issues.

Personnel

A new Administrator was appointed at the Twin Cities Unit in July of 1983. She is managing the progress and direction of that Unit in a most efficient manner. A new Administrator was appointed for the Galveston Burn Unit in May of 1984. He is coming to the National Office for his orientation in July.

New Directors of Nursing have been hired in the following hospitals: Greenville, Philadelphia, San Francisco, Shreveport, Springfield, and the New Tampa Unit.

Word Processing/Data Processing

Training for three members from each hospital staff has taken place at the National Office on the new Honeywell system.

Inservice

All hospitals continue to upgrade their employees through basic inservice education and the use of the reimbursement program.

Quality Assurance

Each hospital has a quality assurance program in place. The quality assurance program allows the Board of Governors to be assured of a comprehensive, integrated program of care for the patients.

Student in Administration

The Duke University School of Hospital Administration placed a student to work with the Executive Administrator in a residency training program for becoming a hospital administrator. This work experience went very smoothly and all enjoyed having the student at the National Office. The student performed certain select functions and projects under the Executive Administrator in a very efficient manner.

Joint Commission on Accreditation of Hospitals

Six hospitals were visited by the Joint Commission in 1984 and they have all received basic three-year accreditation. Some of the hospitals had some contingencies due to the age of the building and the need to improve the life safety codes.

Seminar for the Board of Governors

A seminar for the Board of Governors of the Twin Cities Unit was conducted by the Executive Administrator and the Director of Medical Affairs. This was a productive day and it allowed the Board of Governors to become familiar with the Rules and Regulations and other procedures used in the operations of the hospital.

SPECIFIC ITEMS FROM EACH HOSPITAL:

Chicago

This hospital continues to lead with the greatest number of new applications approved to date in the total of 595. The hospital operates three operating rooms four to five days a week. The Spinal Cord Injury Program which was stated approximately one year ago, is running at full capacity.

Erie

The year 1984 will see the completion of the hospital's renovation and expansion program which will allow the staff to provide improved patient care. This will remove the open wards for the patients and provide each of them with privacy through the use of cubicle curtains. A new telephone system has been installed, additional parking has been provided, and the outpatient department expanded. Four clinics are scheduled throughout the year in Buffalo, New York; Altoona, Pennsylvania.

Greenville

This hospital has been approved for a multi-disciplinary seating clinic program which has

as its purpose the fitting, measuring, and fabricating of specially constructed seating and wheelchair modifications for non-ambulatory children who have multiple handicaps. This program will allow children who cannot use braces and prosthetics to become mobile and be more effective citizens. The staff of the Greenville Unit has been working with the staff of the Tampa Unit to create a smooth transfer of patients previously seen by Greenville and now will automatically become patients at the new Tampa Unit.

Honolulu

The activity of this hospital continues to grow. Currently, there is an updating of the patient care areas, the operating room, and x-ray department.

Houston

For some time, the Houston Unit has had a gait laboratory. However, they are now updating the old system and will begin a new computerized system for determining gait problems with the patients. This new computerized system is to be considered the state-of-the-art in gait labs in the future. Many renovations have taken place over the past several years which have greatly increased the efficiency of the Unit. However, due to the increase in outpatient activity, it is clear that some review of the design of the outpatient department will have to be considered in the near future. The medical staff operates four days a week and outreach clinics are held six times a year in the Greater Brownsville area.

Intermountain

A building renovation program was started in February of 1984 at which time the entire surgical suite and recovery room was replaced. During that time, the staff performed surgery at the University Medical Center and this arrangement has gone very smoothly. After the operating room and recovery room is completed, the next phase is to upgrade the outpatient clinics, medical record department, and business office.

Lexington

The replacement of this Unit is underway. The Unit currently has approximately 5,000 active patients with a waiting list of 497. This continues to be a very active Unit with increased operations shown in each department.

Los Angeles

The renovation and replacement of the patient care areas in the Los Angeles Unit continues. Currently, the hospital is taking care of all of their inpatients at the Orthopaedic Hospital close by. This relationship has worked out extremely well and hopefully will allow the construction work to proceed at a faster rate.

Mexico

The Mexico City Unit continues to have an occupancy rate of eighty-two percent. Clinics are held five days a week at the hospital and twice a year, additional clinics are held in Juarez and Guadalajara for following-up of patients. The hospital continues to have a waiting list of 500 plus. To accomplish the tremendous amount of work to be done, the medical staff, Board and administration feel that the operating room, recovery room and x-ray department need upgrading and expanding.

Montreal

Work has already begun in the renovation of the Montreal Unit. There will be all new patient rooms, upgrading of the outpatient department, radiology department and increased parking. The new parking will be underground parking under the front of the hospital. Dr. Francis Gloria of Montreal Unit continues to visit the Mexico City Unit due to the number of patients seen there who have arthritic and genetic problems.

Philadelphia

This Unit continues to have some problems with space and worn out equipment. However, the Spinal Cord Injury Program continues to be highly utilized and serves as a model for other suchlike programs.

Portland

The Portland Unit has seen a definite increase in activity and workload since moving to

the new building. This hospital continues to have the shortest length of stay in the entire system with an average of nine days. The fifth floor, which has been dedicated to research, has been completed and the new research director has developed a core of investigators to begin the many projects planned for this research program.

St. Louis

This hospital has recently celebrated its sixtieth anniversary. The hospital was nominated to receive the Missouri Public Health Association Merit Award. W. W. Bennett and the Administrator were present at a banquet to accept this presentation. The hospital also received a Volunteer Award due to the activities of the volunteers at the hospital. This award is sponsored by the Office of Lieutenant Governor, Kenneth L. Rothman. In July of 1983, the Unit opened the Metabolic Research Unit which sees patients with a wide range of metabolic disorders. This Metabolic Research Laboratory is running smoothly and effectively. The hospital has developed a program to provide overnight stays for parents in the Lauderman Building.

San Francisco

The Spinal Cord Injury project is near completion and the recruitment of staff for that Unit is underway. Many departments have undergone re-organization and development such as a pharmacy program to include unit dose administration, expanded volunteer groups, material management program development of an upgraded medical management of scoliosis and completion of a wage and salary program.

Shreveport

This hospital is relocated to Doctors Hospital so as to allow the construction to proceed on their new building. This arrangement has worked well and there has even been an increase in activity. Admissions are up eighteen percent, operations are up five percent and outpatient visits are up twenty-five percent. As of this date, a major portion of the lower slab has been poured on the new building and the community is excited to see the new building become a reality.

Spokane

This Unit continues to develop a strong physical medicine and rehabilitation program. A full-time occupational therapist and part-time physical therapist have recently been added to their staff to help develop this program. Some other accomplishments are: Development of a new hot meal service by the dietary department and the addition of six new physicians to the medical staff. Currently, residents are coming to the Spokane Unit from the Fitzsimmons Army/Medical Center and the Martin Luther King, Jr. Hospital. Discussion continue in order to review the alternatives to replacing the current building at an alternate site within the city.

Springfield

The activity in the operating room is up twenty-one percent this year. This Unit continues to use three orthopaedic residents from Boston University and recently, approval has been given to seek a Fellow in orthopaedics. A new Director of Nursing was appointed in April of 1984 and she operates the department in an exemplary manner. It is well to note that new applications have increased twenty-nine percent and the waiting list is up 129 percent. This Unit continues to conduct clinics in Bangor and Lewiston, Maine and in Albany, New York as well as in San Juan, Puerto Rico.

Tampa

The Board of Governors has been appointed for the Tampa Unit and a number of key management personnel have been hired to begin the preparation of the opening of the facility. Policy and procedure manuals are being written so that when the State Department visits the hospital to award them a license, these will be completed and approved. Approximately ninety percent of the owner-furnished hospital equipment has been purchased. Members of the Egypt Temple have been helpful in establishing an organized volunteer program. A two-day symposium sponsored by the Tampa Unit was held in Tampa with research investigators from various parts of the country. This symposium was extremely helpful in assisting in defining the role of the research program in Tampa. The

Tampa staff continues to coordinate with the Greenville staff in the transfer of patients and their records.

Twin Cities

The Twin Cities Unit is renovating and upgrading the operating room and recovery room. In addition to upgrading that department, new department heads have been hired for medical records, social services, business office and personnel. The Chief of Staff and Administrator are developing a plan to hold three outreach clinics in the following areas: (a) Nebraska, which is the fastest growing state in the Twin Cities Shrine Hospital service area; (b) Iowa, which is already their primary service area; and (c) Mid-Dakotas. It is felt by holding clinics in these areas it will not only improve patient care but it will improve relationships between the Temples and the hospital and reduce transportation costs.

Boston

The outpatient department and medical lecture hall have been renovated and upgraded. However, the hospital continues to suffer from lack of space for certain functions. This hospital continues to hold outreach clinics in Jacksonville, Florida; San Juan, Puerto Rico; and Utica, New York. A new Director of Medical Records has recently been appointed and all of the existing filing system has been updated with a new Wilson Master Shelving System. The recreational therapy department has plans for redesigning the playroom and teen room areas.

Cincinnati

This hospital opened a Parents House two and a half years ago and the success of the operation of this is beyond everyone's expectations. Studies are underway to look into the renovation or expansion of the existing building and to determine where the building would be located. Outreach clinics have been established in Sioux Falls, South Dakota; Birmingham and Huntsville, Alabama; and Greenville, South Carolina. These clinics have resulted in substantial savings to the Temples and provides a convenience to the parents and families. This hospital celebrated its twentieth anniversary in February of 1984 and looks forward to continuing its role in providing excellent care, research and teaching.

Galveston

The Administrator of the Greenville, South Carolina Unit acted as Interim Administrator for several months in Galveston. This hospital is vitally involved in patient care, research and teaching. There has been a change in the approach to patient care in that it is more intense, highly technical and geared to high levels of activity. The new Administrator is now full-time and is well prepared to address the serious issues of space, personnel development and University relationships.

I wish to express my appreciation to the Board Chairmen and to the local Boards and to the staff and employees of each Unit and Advisory Boards; also to the headquarters staff and all employees for the fine cooperation I have had throughout this year.

Let me also add that a Special Committee was suggested at this meeting to study all the Units that we are not working on. I think that the Chairman of Building and Equipment has indicated we are now working in about fourteen of the Units. All of the Units will be reviewed or studied in the future.

Also, Bob Turley spoke to you the other day indicating that there are a lot of new advances going on insofar as artificial hands and fingers are concerned through the various medical procedures.

Also, I am sure that Gene Bracewell, when he gives his Building and Equipment report, will cover more in-depth as to what is going on in some of the building and in relation to some of the requests.

I also, in conclusion, want to say thanks to all of you Representatives for the vital support you have given me and the Trustees throughout the years.

With that, Imperial Sir, I would move for the acceptance of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there any discussion?

If not, all in favor of accepting the report of the Chairman of the Board of Trustees as presented please say aye; opposed no. It is unanimously accepted.

Again, Woody, thank you very much for everything you have done.

Now, gentlemen, I know it is going to take a moment or two, but I ask your indulgence because there were several of you who indicated you would like to come forward and make presentations of the various checks that you have earned through the year to the Chairman of the Board and I would like to do that immediately.

Now, those of you who are going to do this, will you kindly come to the left of the stage, right through here and I am also going to ask Woody to join me over here and we are going to work this together.

IMPERIAL POTENTATE OLFENE: Thank you. Is there anyone in the audience who wishes to make any further presentations?

IMPERIAL SIR BRACEWELL: Imperial Sir, you will recall yesterday that at our Pageant, the Potentate of Yaarab Temple presented to me a check in the amount of \$65,773.49. I have had this in my possession and I would now like to officially turn this over to Woody Bennett, Chairman of the Board of Trustees.

... The above check was tendered to Imperial Sir Bennett ...

IMPERIAL SIR BENNETT: May I express to all of you who made a presentation our appreciation as members of the Board of Trustees and in behalf of the children we serve. We are very grateful to all of you and, again, want to express to you our deep appreciation for the fine work you are doing.

Now, if there is anybody out there who may not have made a presentation because of being bashful or something, you can see me after the meeting or you can mail it to me. (Laughter)

However, once again, thanks a million to all of you for the fine work and cooperation that you have been rendering us. (Applause)

IMPERIAL POTENTATE OLFENE: Thank you, Woody.

Now, Jack Jones has been recording those amounts as best he could as they were expressed and we are going to put them on a machine out here and let you know as quickly as possible what the approximate total is.

In the meantime, Jack has another recognition he desires to make.

IMPERIAL SIR JONES: Last month I had the pleasure of having lunch with the present Recorder of the Daughters of the Nile. She was on her way to Orlando where they were having their Supreme Session last month and we discussed quite a number of things about our hospitals. She assured me she would send a report which she hoped I would pass on to you at this Session.

Now, I have received that report and I would like to read to you two paragraphs of her letter to me dated June 13:

"This year's Supreme Session held at Orlando, Florida, has drawn to a successful conclusion. A long anticipated milestone of achievement was heartily received when it was announced that contributions exceeded \$1 million for the first time. Being extremely proud of our programs that promote the Shrine's philanthropy, we remain dedicated to the purpose of assisting the Nobles and extend our sincere thanks for allowing that privilege."

And I will give you that report now. They assisted all of our hospitals, with the exception of one, the one in Montreal, in 2,598 cases and the amount of their contribution in cash was \$1,034,899.67.

They did report also their contribution in articles and in other things in kind, of garments made, etc., the cost of materials and other gifts they purchased for the children and this all came to an additional \$56,340.80 and for all of that year in their report, which ends this year on March 31, 1984, they logged 24,070 volunteer hours of service in our hospitals.

That completes the report, Imperial Sir.

IMPERIAL POTENTATE OLFENE: Thank you very much, Jack. They really do a fine job.

I was able to attend the Annual Session of their organization and their banquet and certainly the contribution to the Shrine is just fantastic and we all appreciate it.

... Business was transacted in the Iowa Corporation at which time Item 26 of the Call which was to amend S. 506.9 was discussed in conjunction with Item 3 of the Iowa Corporation. All action appears on pages 410-413 of the Iowa portion of the record ...

IMPERIAL POTENTATE OLFENE: Gentlemen, I have a tally of the amount mentioned just a few moments ago. The grand total presently handed to me is \$3,906,142.

... Cries of "no, no" ...

IMPERIAL POTENTATE OLFENE: I am only stating this from the information presented to me by the Imperial Recorder, who said he took them down as fast as he could as they were given. However, whatever the total is, we have the money and we are sure of that.

Does somebody want to tell us the correct total?

... At this point, a total of \$7.2 million was mentioned from the floor ...

IMPERIAL POTENTATE OLFENE: Well, I think we had better put those figures back on the computer or something. These were actually the current checks received today. These were new checks received for the first time—\$3,906,122. However, that is great, whatever it is.

... Business was transacted in the Iowa Corporation at this time ...

NOBLE HENNING: Imperial Sir, I should now like to give you the report of the Finance and Accounts Committee concerning the figures involving the hospital corporations. The report is as follows:

IMPERIAL POTENTATE OLFENE: Thank you very much. That is a real hard working committee, the Finance and Accounts Committee and when you are up in the tens and hundreds of millions of dollars, it takes some sharp people to keep on top of it and they do a fantastic job and I personally want to thank you and the committee, Merv, for all of your efforts.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: We are going to keep moving and I would suggest we now turn to page 39 of the Call, Item 30 at the bottom of page 39 and I will now recognize Imperial Sir Russell Anthony to speak on this resolution.

IMPERIAL SIR RUSSELL ANTHONY: Imperial Sir Dick and my Fellow Colleagues, Worshipful Grand Masters, Fellow Representatives and Nobles: On March 12, 1923, the second Unit, the Twin Cities Unit, in our great hospital chain opened its doors to receive indigent children from the area of the upper Midwest and Canada. This great Unit has served its purpose well through these last sixty-one years.

Nobles, it has served its purpose so well that it is completely worn out and must be replaced.

As a result of this fact and due consideration by the Twin Cities Special Purpose Committee, the Board of Trustees and the Board of Directors of the Colorado Corporation submit the following resolution for adoption:

RESOLUTION

"WHEREAS, the Board of Directors and Trustees of the Colorado Corporation (Joint Boards) have reviewed and unanimously approved the resolution that a new Twin Cities Unit be built on the present site; now therefore be it

"RESOLVED, that a notice of the recommendations of the Joint Boards be given to all members of this corporation on or before July 1, 1984 for their approval and be it further

"RESOLVED, that the funds of this corporation for the implementation of the resolution be included in future capital budgets, and be it further

"RESOLVED, that in accordance with Section 508.7 and 510.1(b) (1), the Board of Trustees and the Committee on Building and Equipment be hereby authorized, empowered and directed to take such steps as are appropriate and consistent with the By-Laws of the corporation to fully implement all provisions of this resolution with deliberate speed, making progress reports to the members of this corporation at its Annual Meetings from time to time until the provisions of this resolution are fully implemented."

Imperial Sir, I would recommend that you now call on Illustrious Sir Walter Pettit for the report of the Committee on Jurisprudence and Laws of the Colorado Corporation.

NOBLE WALTER PETTIT [Reading]: To the Members of Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws Item 30 on the Call for the Annual Meeting of 1984 and is located on pages 39 and 40 of the Call. It is a resolution concerning construction of a new Twin Cities Unit. It reads as follows:

RESOLUTION

"WHEREAS, the Boards of Directors and Trustees of the Colorado Corporation (Joint Boards) have reviewed and unanimously approved the resolution that a new Twin Cities Unit be built on the present site; now therefore be it

"RESOLVED, that a notice of the recommendations of the Joint Boards be given to all members of this corporation on or before July 1, 1984 for their approval and be it further

"RESOLVED, that the funds of this corporation for the implementation of the resolution be included in future capital budgets, and be it further

"RESOLVED, that in accordance with Section 508.7 and 510.1(b) (1), the Board of Trustees and the Committee on Building and Equipment be hereby authorized, empowered and directed to take such steps as are appropriate and consistent with the By-Laws of the corporation to fully implement all provisions of this resolution with deliberate speed, making

progress reports to the members of this corporation at its Annual Meetings from time to time until the provisions of this resolution are fully implemented."

The committee reports that the proposed resolution is in proper and legal form and will not conflict with any of the provisions of the Articles of Incorporation or By-Laws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments concerning this report, we recommend that you call again upon Imperial Sir Russell Anthony for the appropriate motion.

IMPERIAL POTENTATE OLFENE: Thank you, Walt. I will again recognize Imperial Sir Anthony.

IMPERIAL SIR ANTHONY: Imperial Sir, Imperial Sirs and Representatives, I move that this resolution be adopted and implemented.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there any discussion? Seeing none, I will put the question.

All in favor of the passage of the resolution as presented will say aye; opposed no. It is unanimously carried. Thank you very much, gentlemen.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: I am now going to ask you to turn to page 39 of the Call, Item 29 and I am going to call on Gerald Davis for the report of the Jurisprudence and Laws Committee concerning this item.

NOBLE DAVIS [Reading]: To the Members of Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws Item 29 of the Call for the Annual Meeting of 1984 and is located on page 39 of the Call. It is a proposal to amend subsection (4) of Section 510.1 of Article 10 of the By-Laws of the Colorado Corporation by deleting certain language so that such subsection, as amended, will read as follows:

ARTICLE 10 Standing and Special Committees

Section 510.1 Standing Committees.

(4) The Committee on Salaries, Personnel and Retirement shall consist of three Directors and two Trustees who make recommendations to the Boards of Directors and Trustees with respect to salaries, personnel and retirements. Neither the Chairman of the Board of Directors nor the President nor the Treasurer of this corporation shall be appointed to this committee. One of the Directors shall be appointed Chairman of this committee.

The committee reports the proposed amendment is in proper and legal form and will not conflict with any of the provisions of the Articles of Incorporation or By-Laws.

Imperial Sir, if there be no questions or comments on this report, I would recommend that you call upon Gene Bracewell, Deputy Imperial Potentate, for an appropriate motion.

IMPERIAL POTENTATE OLFENE: The Chair will recognize Gene Bracewell.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir.

Fellow Representatives, I would move for the adoption of this legislation which is in your Call as Item 29.

... The motion was duly seconded ...

All in favor of the adoption of this legislation please say aye; opposed no. The motion is carried by the necessary two-thirds requirement.

IMPERIAL POTENTATE OLFENE: You have worked extremely hard today, it has been a long day and we have an evening parade and, therefore, I am going to give you fifteen more minutes to sleep in the morning and we will be back here at nine-fifteen. We will therefore recess until nine-fifteen tomorrow morning.

IMPERIAL POTENTATE OLFENE: I believe that we have just one piece of legislation left in the Call and so I would like to have you refer to page 39 of the Call, Item 28 and this is the last piece of legislation we have to consider, I believe, at least as I have been informed.

Therefore, I will recognize Ed Maag to present the report on this item from the Jurisprudence and Laws Committee.

NOBLE MAAG [Reading]: To the Members of Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws Item 28 of the Call for the Annual Meeting of 1984 and is located on page 39 of the Call. It is a proposal to amend Section 507.4 of Article 7 of the By-Laws of the Colorado Corporation by adding paragraph (7) thereto to read as follows:

(b) President.

NOBLE MAAG: Imperial Sir, if there be no questions or comments on this report, I would recommend that you call upon Illustrious Sir Mahlon Hessey, one of the proponents of this amendment, for an appropriate motion.

IMPERIAL POTENTATE OLFENE: The Chair recognizes Illustrious Sir Mahlon Hessey.

However, before he proceeds, I believe some feel that I have had a personal interest in this particular issue and so, to be fair and above-board with everybody, I will ask Gene Bracewell, our Deputy Imperial Potentate, to take over.

... The gavel was tendered to Imperial Sir Bracewell ...

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir. I will now recognize Mahlon Hessey.

NOBLE MAHLON HESSEY: Thank you, Imperial Sir.

This resolution is a somewhat difficult resolution to present, for two reasons—first because I am sorry that the issue has arisen in the first instance and, secondly, because when matters of this type are viewed by others, sometimes there is a tendency to interpret the matter as being aimed at an individual rather than at a philosophy.

This resolution is a matter of philosophy only and should not be construed as being critical of any person.

In fact, at its introduction, the gentleman you elected as Chairman of the Board was not then Chairman, Woody Bennett was.

With this caveat, I feel compelled to report to you the question has arisen during the past year as to what compensation, if any, should be paid to the Chairman of the Board of Trustees of the Colorado Corporation. The initial figure which was suggested was \$40,000.

However, as you know, the Board of Trustees governs the administration of our eighteen, soon to be nineteen Orthopedic Hospitals and three Burns Institutes.

As you are aware, each hospital has its own Board of Governors consisting of eighteen members plus Emeriti members, plus the Potentates of the supporting Temples, plus certain members of the National Board of Trustees. I have not tried to tally the number of those serving, nor have I tried to tally all of those who give unstintingly of their time and talents without compensation, other than the interim awards one feels by helping others.

This institution has thrived because of the contributions that individuals make to it—not because of what those serving take from it.

It was well phrased the day before yesterday by the Imperial Chaplain-Elect, when he asked us to be ever mindful not about our privileges but of our obligation.

This amendment has the effect of depriving the Board of Directors and/or the Board of Trustees from considering the award of salary to the Chairman of the Board of Trustees and vests the authority for the same in your hands as members of the Colorado Corporation.

This amendment is designed to keep it the way it has always been—an organization of volunteers.

If you believe, as do I, in that philosophy, I urge you to vote in favor of the amendment.

I would move for the adoption of the amendment.

IMPERIAL SIR BRACEWELL: You have heard the motion, is there a second?

... The motion was duly seconded ...

IMPERIAL SIR BRACEWELL: The motion has been made and seconded. Is there discussion or are there any questions?

... The question was severally called for ...

IMPERIAL SIR BRACEWELL: All in favor of the resolution, which is Item 28 in the Call, please say aye; opposed no. The amendment is carried by the necessary two-thirds majority.

I will now turn the gavel back to Imperial Sir Dick.

... The gavel was returned to Imperial Potentate Olfene ...

IMPERIAL POTENTATE OLFENE: Thank you, Gene.

Okay, fellows, I think that pretty well covers it.

... Cries of "Imperial Sir" ...

IMPERIAL POTENTATE OLFENE: Yes? The gentleman at microphone 3.

NOBLE HOWARD WRIGLEY [El Zagal Temple]: I would like an explanation relative to an item we considered yesterday—an explanation from Imperial Sir Turley on the motion concerning Item 27, where he delayed it until after the election or tabled that motion until after the election.

IMPERIAL POTENTATE OLFENE: I will recognize Bob Turley to give you an explanation to that question.

IMPERIAL SIR TURLEY: I am glad to be here but I just thought I ought to first be recognized by the Imperial Potentate instead of somebody else.

The effect of a motion to table is to take the matter from immediate consideration and lay it on the table. It can be brought back from the table by a majority vote of the Representatives at any time during the remainder of this Session. If it is not brought back from the table during the remainder of the Session, it dies with the Session.

If it dies with the Session, it can be renoted and brought back to any subsequent Session simply by the process of any Representative mailing it or sending it to the Imperial Recorder sixty days prior to the Session so that it can be printed.

Does that answer the question?

NOBLE WRIGLEY: That is what you meant by delaying until after the election?

IMPERIAL SIR TURLEY: Well, that is not exactly what I said. What I said was that it ought to be considered on its merits and not with regard to any personalities, and apparently a majority agreed with me. That was a method by which that could be done and, indeed, was done.

Does that answer your question?

NOBLE WRIGLEY: Yes, it does.

Now, Imperial Sir, would a motion now be in order then?

IMPERIAL POTENTATE OLFENE: Yes, as far as I know.

NOBLE WRIGLEY: I therefore make the motion to bring Item 27 back off the table.

IMPERIAL POTENTATE OLFENE: Just a moment, we will let Walter Pettit straighten this out.

NOBLE WALTER PETTIT: I assume Illustrious Sir, your motion is for reconsideration?

NOBLE WRIGLEY: No, sir.

NOBLE PETTIT: To take the motion or matter off the table?

NOBLE WRIGLEY: That is correct.

NOBLE PETTIT: If you are making that motion, I must inquire of you as to whether or not—

... Cries of "no, no" ...

NOBLE PETTIT: Well, I did it again.

IMPERIAL POTENTATE OLFENE: Now then, please proceed, sir.

NOBLE WRIGLEY: Okay, I will make a motion that we take the item, Item 27, off the table and bring it back on the floor.

... The motion was severally seconded ...

IMPERIAL POTENTATE OLFENE: Well, okay. I guess what he wants to do is to take it off of the table.

I also agree that I should not be presiding in relation to this particular issue and so I will turn the gavel back over to Gene Bracewell.

... The gavel was tendered to Imperial Sir Bracewell ...

IMPERIAL SIR BRACEWELL: Well, okay, I think there has been a motion and second to bring this matter off the table and I would now ask for a vote, is that correct?

All in favor will say aye; opposed no. I declare the motion has been defeated and it is still there. (Laughter)

Now, Dick, if you know of anything else that is going to be hot and heavy like this, I will stick around. (Laughter)

IMPERIAL POTENTATE OLFENE: I was just warming you up for next year.

... The gavel was returned to Imperial Potentate Olfene ...

IMPERIAL POTENTATE OLFENE: Thank you very much and that puts that item to bed.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE OLFENE: I will recognize our Imperial Recorder.

IMPERIAL SIR JONES: Imperial Sir, I would move that all of the acts and transactions of those who have acted as Officers, Board of Directors and Board of Trustees of the Colorado Corporation for the past year and at this Session be ratified and approved.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: You have before you the motion and the second, is there any discussion?

If not, all in favor of the motion please say aye; opposed. It is unanimously carried.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL SIR JONES: Imperial Sir, in accordance with Imperial Council Law, Section 504.2, I move that all members of the Colorado Corporation who have not registered at this convention have their membership terminated.

... The motion was duly seconded ...

IMPERIAL POTENTATE OLFENE: Is there any discussion on this motion?

If not, all in favor please say aye; opposed no. It is unanimously carried.

**ANNUAL REPORT OF WEBBER C. HARRINGTON
TREASURER, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN**

JANUARY 1, 1983-DECEMBER 31, 1983

Imperial Potentate Richard B. Olfene, Board of Trustees of Shriners Hospitals for Crippled Children and Members of the Imperial Council, A.A.O.N.M.S. at the One Hundred Tenth Annual Imperial Council Session at Boston, Massachusetts, July, 1984.

IMPERIAL SIRs, ILLUSTRIOUS SIRs AND NOBLES:

I urge each of you to read carefully in this Book of Reports, the report of our auditors, Main Hurdman, which shows the financial position, results of operations, and supplementary data regarding Shriners Hospitals for Crippled Children.

Our financial position continues to be very strong, principally due to the splendid support which we have received from the nobility and the public at large. Unrestricted gifts and bequests amounted to \$101,080,928 compared to \$112,064,878 in 1982 while restricted gifts and bequests aggregated \$2,865,473, compared to \$1,909,233. The comparison between years is somewhat distorted by one bequest of more than \$9,000,000 from an estate which closed in 1982.

The most significant difference between the two years was the fact that we had net gains from securities transactions of \$92,304,337 in 1983 compared to \$388,033 in 1982. However, as stated in Note 9 to the financial statements, the gain reported included gains of \$13,523,035 which were recognized on the transfer of certain securities between investment managers, even though the securities were not actually sold. The net effect is that our charity realized gains of approximately \$79,000,000 on securities actually sold.

This method of recording the transfer of securities between investment managers was followed to more accurately assess performance by the respective investment managers. Although not in accordance with generally accepted accounting principles, I concur in the method in which it has been recorded for the reason stated. This method has been followed in prior years, but the gains and losses on securities transferred were insignificant to the financial statements in those years.

The excess of market value of our securities over carrying value at December 31, 1983 and 1982 may be shown as follows:

	<i>Market Value</i>	<i>Carrying Value</i>	<i>Excess of Market Over Carrying Value</i>
1983	\$1,372,714,088	\$1,226,790,839	\$ 145,923,249
1982	1,217,428,084	1,085,651,371	131,776,713
Increase	<u>\$ 155,286,004</u>	<u>141,139,468</u>	<u>14,146,536</u>

If the gain on the securities transferred between investment managers had not been recorded, the increase in the excess of market value over cost of \$14,146,536, shown above, would have been \$13,523,035 greater. While the excess of market over carrying values shown above is impressive, it is important to bear in mind that securities were increasing in value in 1982 and 1983 and that there has been a decline in market values thus far in 1984.

	<u>\$1,355,657,520</u>	<u>\$1,159,307,409</u>

The increase in the endowment fund was attributable to the following:

Life memberships	\$ 267,976
Unrestricted gifts and bequests (Exclusive of \$330,352 to current operations)	100,750,576
Restricted gifts and bequests	2,865,473

Other income (net)	349,623
Interfund transfers (net)	155,777
Foreign currency translation and exchange losses	(170,119)
Net increase in fund balance	<u>\$196,350,111</u>

I hope that with the information contained in this report the officers and members of the Imperial Council will be better informed regarding our endowment fund and the sources of funds used to finance our great charity.

Our investment committee with strong staff support of our Executive Vice President and Controller have continued to oversee our investments in an outstanding manner. As the result of careful monitoring of our investment managers and the consolidation of certain investment accounts, the cost of investment management fees was reduced by \$96,000 despite a substantial increase in the asset base against which fees are computed. Had the 1983 investment management fees been in the same ratio to asset base as 1982, we would have incurred additional fees in 1983 of more than \$700,000.

Our Budget Committee under the chairmanship of Mahlon Hessey has worked closely with the local hospital units' officers and budget committees. As a result, we have attained much better budgetary control and are using Shriners Hospitals funds so that we are doing the greatest good for the amount which is being expended.

We are continuing to fine tune our financial projections so that we are operating on a sound financial basis and planning our future building and expansion of programs in a manner which is realistic and within our financial capabilities. Further reports on these activities will be made by the responsible committees during the course of the Imperial Council session.

Respectfully submitted,

Yours in Faith

WEBBER C. HARRINGTON, *Treasurer*

**THE BOARD OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN**

We have examined the combined balance sheet of Shriners Hospitals for Crippled Children as of December 31, 1983 and 1982, and the related combined statements of revenues, expenses, and changes in fund balance and of changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

It is the Hospitals' usual policy to recognize gains and losses on securities transactions only at the time of sale. However, as more fully described in Note 9 to the combined financial statements, the Hospitals recognized certain securities gains in 1983 even though the securities had not been sold.

In our opinion, except for the recognition of certain unrealized gains from securities in 1983 as discussed in the preceding paragraph, such financial statements present fairly the combined financial position of Shriners Hospitals for Crippled Children at December 31, 1983 and 1982, and the combined results of their operations and the combined changes in their financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO COMBINED FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Combined Organizations—The combined financial statements include the accounts of the following Shriners Hospitals for Crippled Children organizations:

Shriners Hospitals for Crippled Children, a Colorado Corporation
Shriners Hospitals for Crippled Children, a Canadian Corporation
The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
Shriners Hospitals for Crippled Children, a Mexican Association
Shriners Hospitals for Crippled Children (Quebec) Inc.

All organizations are exempt from federal income taxes.

Gifts and Bequests—Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are not included in these financial statements. Income earned by estates during administration is treated as a part of the bequest.

Gifts or bequests made for the exclusive use of a particular hospital are transferred to the operating account of that unit and an equal amount is transferred from revenues designated for operations to investments.

Securities—Marketable equity securities are carried at the lower of aggregate cost (or estimated market value at date of receipt) or market determined at the balance sheet date. The cost of marketable equity securities sold is based on average cost. Other securities are carried at cost (or estimated market value at date of receipt).

Property, Plant and Equipment—Property, plant and equipment are carried at cost, if purchased, or at estimated market value at date of receipt if acquired by gift. Depreciation is computed using the straight-line method. When significant assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized currently. The cost of maintenance and repairs is charged to expense as incurred whereas significant renewals and betterments are capitalized. Deduction is made for significant retirements resulting from renewals or betterments.

Deferred Charges—The Hospitals sometimes incur legal fees, taxes and other expenses in connection with obtaining gifts and bequests. These costs are deferred and charged against the subsequent receipt of the gift or bequest.

Inventories—Inventories are stated at the lower of cost (first-in, first-out method) or market.

Pension Costs—The Hospitals fund pension costs accrued on its noncontributory pension plans covering substantially all U. S. and Mexican employees.

Funds Designated and Restricted for Investment—The Hospitals, under policy established by the Board of Directors, designate for investment receipts from gifts, bequests and gains from investment sales; generally only the income from the investments is used for operations. Receipts from gifts and bequests are designated as funds held for transfer pending permanent investment.

The Hospitals do not generally maintain separate accounting records for funds restricted by outside sources since their policy is to retain gifts and bequests for investment purposes. Management does not believe that the total of funds restricted by outside sources and retained for investment is significant in relation to total investments.

Reclassifications—Certain reclassifications in the 1982 financial statements have been made to conform to the 1983 presentation. Among these, temporary investments representing funds held for transfer have been reclassified from current assets to investments.

NOTES TO COMBINED FINANCIAL STATEMENTS

2. FOREIGN CURRENCY TRANSLATION

In 1982, the Hospitals changed its method of accounting for foreign currency translation in accordance with Statement of Financial Accounting Standards No. 52. The effect of the change on the combined balance sheet was as follows:

Cumulative foreign currency translation adjustment relating to prior years	\$3,113,718
Adjustment relating to 1982	937,705
	<u>\$4,051,423</u>

The cumulative foreign currency translation adjustment was allocated to the various components of fund balance. The combined statement of revenues, expenses and changes in fund balance for 1982 was charged with an additional \$1,515,701 to recognize the change from historical to current foreign exchange rates on the accounting for certain investments.

3. MARKETABLE EQUITY SECURITIES

Marketable equity securities included in noncurrent assets at December 31, 1983 and 1982, carried at cost (or estimated market value at date of receipt) are summarized as follows:

	1983	1982
Market value	\$823,726,905	\$693,248,190
Cost (carrying value)	677,747,440	571,971,859
Net unrealized gains	<u>\$145,979,465</u>	<u>\$121,276,331</u>
Unrealized gains	\$156,342,112	\$137,689,242
Unrealized losses	10,362,647	16,412,911
	<u>\$145,979,465</u>	<u>\$121,276,331</u>

4. PROPERTY, PLANT AND EQUIPMENT

	<u>\$141,663,680</u>	<u>\$118,031,443</u>

Depreciation, based on rates shown below, was:

	1983	1982	Rates

Equipment	1,708,487	1,348,231	6.25 to 8.8 percent
Total charged to expense	<u>\$3,758,359</u>	<u>\$3,107,532</u>	

NOTES TO COMBINED FINANCIAL STATEMENTS

5. CAPITAL RESERVE FUND

The Capital Reserve Fund is used for property, plant and equipment expenditures. The Hospitals fund depreciation by a cash transfer from operations to the Capital Reserve Fund. All investment income of the Capital Reserve Fund is retained within the fund for future hospital construction.

The Board of Directors approved transfers of \$25,000,000 and \$40,000,000 from funds designated for operations to the Capital Reserve Fund in 1983 and 1982, respectively. These transfers were made to fund future hospital construction.

Construction and major renovations committed to by the Board of Directors totalled \$99,102,602 at December 31, 1983. The following summarizes these commitments:

<i>Unit</i>	<i>Nature</i>	<i>Total Appropriation</i>	<i>Unexpended</i>
Lexington	Replacement unit	\$ 20,000,000	\$19,808,385
Los Angeles	Replacement unit	32,200,000	23,127,029
Montreal	Renovation	8,224,000	8,115,399
Portland	Replacement unit	21,697,964	1,517,712
Tampa	New unit	18,000,000	11,309,062
Southeast	Replacement units, land	32,000,000	30,908,316
Other	Renovation and expansion	5,447,743	4,316,699
		<u>\$137,569,707</u>	<u>\$99,102,602</u>

The amount approved for Southeast area projects includes a replacement of the Shreveport unit and acquisition of land in Greenville for a future replacement unit. The renovation of the Montreal unit will be paid from Canadian funds presently designated for investment.

6. TRANSACTIONS WITH THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

The Shriners Hospitals for Crippled Children organizations were founded by the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The National Headquarters building and equipment is owned by Shriners Hospitals for Crippled Children. A portion of the building is occupied by the Imperial Council which bears a share of the operating costs and depreciation of the building and equipment. The allocation of the cost is based upon the portion of the building occupied by the Imperial Council in relation to the total occupied space in the building.

The Hospitals and the Imperial Council also share other costs based on the estimated value received by each organization.

Amounts of \$116,933 and \$(368,642) were due to (from) the Imperial Council as of December 31, 1983 and 1982, respectively.

7. RETIREMENT PLANS

The employees of U. S. hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan. The total contribution to the Plan for the year ended December 31, 1982, amounted to \$1,680,056. A contribution was not required for the year ended December 31, 1983 due to changes in the actuarial

NOTES TO COMBINED FINANCIAL STATEMENTS

(Continued)

assumptions for expected earnings on investments of the retirement plan. This change had the effect of decreasing current year expenses by \$1,622,609. The Hospitals have no past service liability. At June 30, 1983 and 1982, information regarding the Plan is as follows:

	1983	1982
Actuarial present value of accumulated benefits:		
Vested	\$11,258,705	\$ 7,221,268
Nonvested	251,682	103,294
	<u>\$11,510,387</u>	<u>\$ 7,324,562</u>
Net assets available for benefits	<u>\$27,483,653</u>	<u>\$18,715,014</u>

The weighted average assumed rate of return used in determining the actuarial present value of accumulated plan benefits was 9% for 1983 and 13% for 1982.

Canadian hospital employees are included in provincial government retirement programs.

Employees of the Mexico City unit are included in the Shriners Hospitals for Crippled Children Retirement Plan for Mexico City employees. There was no unfunded vested accrued liability as of June 30, 1983 or 1982.

8. OTHER LIABILITIES

Other liabilities at December 31, 1983 and 1982, include annuities payable of \$1,192,178 and \$1,060,464, respectively, under certain deferred compensation agreements with staff doctors. An asset equal to the liability is included in mortgages, real estate, and miscellaneous assets in the investments category of the accompanying combined balance sheet.

Also included in other liabilities are annuities of \$2,996,250 and \$2,881,570 at December 31, 1983 and 1982, respectively, payable to beneficiaries of various donors. By agreement, the Hospitals are required to pay specified annual amounts to these beneficiaries during their lifetime.

9. RECOGNITION OF GAINS ON SECURITIES

Gains and losses from securities transactions are normally recorded only at the time of sale. However, in connection with the transfer of certain securities between investment management accounts, gains in the amount of \$13,523,035 were recognized during 1983, even though the securities were not actually sold. The recording of these gains had the effect of overstating the carrying value of investments and overstating the gains realized on investments by the same amount. Gains and losses on transfers of securities between investment management accounts in 1982 were insignificant to the financial statements.

10. CONTINGENCIES

The Hospitals are a party to various claims and legal actions arising in the ordinary course of business. In the opinion of management, all such matters are adequately covered by insurance, or if not covered, are without merit or are of such kind, or involve such amounts that unfavorable disposition would not have a material effect on the financial position of the Hospitals.
